STOCKTON DROPOUTS - STOCKTON LEADS THE STATE IN HIGH SCHOOL DROP-OUT RATES... AND THE NUMBERS ARE ALARMING. THE CITY HAS MORE DROPOUTS THAN GRADUATES. 2-THOUSAND- 695 STUDENTS IN GRADES SEVEN THRU 12 GRADUATED IN 2007 COMPARED TO 2-THOUSAND- 775 WHO FAILED TO FINISH. MIKE BOND SPOKE TO SCHOOL OFFICIALS AND STUDENTS TODAY ABOUT WHAT'S BEHIND THIS DISTURBING TREND. MIKE? DISTURBING INDEED AND IT'S ALL IN THIS NEW REPORT. RESEARCHERS LOOKED AT 17 CITIES THROUGHOUT CALIFORNIA FOR THE 2006-07 SCHOOL YEAR AND STOCKTON IS THE ONLY CITY WHERE MORE PEOPLE DROP OUT THAN GRADUATE! That is ridiculous, it seems like school is pointless. STOCKTON HIGH SCHOOL STUDENTS REACTING TO THIS STUDY. DREADFUL DROPOUT RESULTS THAT COME AS NO SURPRISE FOR SOME. Student - Seriously here it's mostly 500 seniors and then the next thing you know, it's dropping to 200 people graduating, next thing you know, sometimes 150." ACCORDING TO THE CALIFORNIA DROPOUT RESEARCH PROJECT STOCKTON'S STAGGERING DROPOUT RATE IS WORSE THAN CITIES SUCH AS LOS ANGELES AND OAKLAND WHERE MORE KIDS GRADUATE THAN NOT. Student - You look around like every day to day and you start seeing people stop coming. They just stop." Student - "It's bad. There's a lot of drama in Stockton" THE EMBARRASSING DROPOUT DESIGNATION IS ANOTHER BLACK EYE FOR A CITY STRUGGLING TO STAY OUT OF BANKRUPTCY. Student - So is it that bad here in Stockton? It's not that bad, but it's not all that nice. I don't see why people drop out here, why Stockton?" According to the report, many of the dropouts in that one year alone will wind up here at Stockton Police headquarters and cost crime victims over 100 million dollars in damages!!" Student - We can only blame, oh it's the city, it's the parents, it's this. There's only so many things you can blame. Student - Life is hard and that's the reason a lot of people quit." TO PUT IT ALL IN PERSECTIVE STATE WIDE, THE PUBLIC SCHOOLS PRODUCE THREE GRADUATES FOR EVERY DROP OUT SO WHAT'S GOING ON IN STOCKTON. SCHOOL OFFICIALS SAY THEY JUST OBVIOUSLY HAVE TO GET BETTER ONE TEACHER EVEN TELLING ME TONIGHT, IT'S A CRISIS.

SACRAMENTO SCHOOL CLOSINGS - HUNDREDS OF SACRAMENTO KIDS MAY BE FORCED FROM THEIR SCHOOLS THE VICTIMS OF DECLINING ENROLLMENT AND A BUDGET CRISIS. SACRAMENTO CITY UNIFIED IS LOOKING AT CLOSING FIVE AREA SCHOOLS. THEY INCLUDE GENESIS HIGH ALONG WITH ALICE BIRNEY, LISBON, MARK HOPKINS AND THOMAS JEFFERSON ELEMENTARY SCHOOLS. LOUISA HODGE LIVE AT JEFFERSON, ONE OF TWO THAT HELD MEETINGS TONIGHT ABOUT THE POTENTIAL CLOSURES. IF THESE SCHOOLS ARE CLOSED THE CONSOLIDATED SCHOOLS WOULD NEVER HAVE MORE THAN 575-STUDENTS AND THAT'S PART OF THE PROBLEM

Lira Tech

BECAUSE EVERY YEAR ENROLLMENT HERE KEEPS DROPPING. Tears have already been shed over the thought of this elementary school closing. It's just so heartbreaking. Even when I told her they might she was in tears to cry. This school is like the awesomest. I would feel very upset because I'm a fourth grader and I've been going to this school since kinder so my heart would really crash and burn because I call this school family. While each student may have a different understanding about what closing this school would really mean. They'll turn off the lights and push the tables up in the cafeteria. It is evoking a similar emotion. Sad, really, really sad. Teachers, parents and faculty met to discuss the reality of the closure. We know there has been a decline in enrollment due to low birth rates, housing patterns and the economic downturn. One of the reasons Thomas Jefferson Elementary School was slated for the chopping block is that it currently only has 200-students and five split classes. There's not enough students for any one particular grade in several grades so that's pretty difficult for teachers and also the students. While consolidating the schools would mean expanding programs, combining resources and helping to close the budget gap. Saying goodbye isn't something everyone is ready to do. Then we have to go to Bancroft. Is that not a good thing? No, I want to stay here. THERE WILL BE A SIMILAR MEETINGS TOMORROW AT LISBON ELEMENTARY AND WEDNESDAY AT ALICE BIRNEY ELEMENTARY. STHURSDAY THE SCHOOL BOARD IS EXPECTED TO MAKE THEIR FINAL DECISION.

ARC GAY EVENT - GAY STUDENTS AND SUPPORTERS THROUGHOUT THE COUNTRY ARE GETTING READY TO TAKE PART IN THE ANNUAL DAY OF SILENCE TOMORROW BUT THIS QUIET PROTEST OF HARASSMENT IN SCHOOLS IS NOT GOING OVER WELL WITH A MAJORITY OF STUDENT COUNCIL MEMBERS AT AMERICAN RIVER COLLEGE. MIKE BOND LIVE IN SACRAMENTO WITH MORE ON WHY THIS IS STIRRING SO MANY EMOTIONS ON CAMPUS. IT'S CALLED A DAY OF SILENCE TO SYMBOLIZE THE MANY GAY STUDENTS SILENCED BY FEAR AND INTIMIDATION AT SCHOOL BECAUSE OF WHO THEY ARE BUT THE EASTERN SLAVIC DOMINATED STUDENT COUNCIL AT AMERICAN RIVER COLLEGE IS QUITE VOCAL IN ITS OPPOSITION. ARC COUNCIL MEMBER - The day of silence has been proven through history of our schools that this day was used as a tool for discrimination of other people." ON AN 11-5 VOTE, THE COUNCIL HAS APPROVED THIS RESOLUTION WHICH READS IN PART THE DAY OF SILENCE HAS BEEN USED TO SILENCE AND HARASS RELIGIOUS STUDENTS AT LOCAL PUBLIC SCHOOLS.
STUDENT OPPOSED TO RESOLUTION - Instead of using it to unify the campus, they used it to tear a wedge between two completely but equally important people." PROPONENTS ARE UPSET STUDENTS HAVEN'T BEEN ALLOWED TO WEAR ANTI-GAY T-SHIRTS IN HIGH SCHOOL ON PREVIOUS DAYS OF SILENCE. IT'S PROMPTED NOISY PROTESTS.
ARC COUNCIL MEMBER - My sister was suspended for wearing a t-shirt, which had a bible verse on it condemning homosexuality and she was sent home. BUT SOME HERE AT AMERICAN RIVER COLLEGE SAY THEY DON'T UNDERSTAND HOW PEOPLE WALKING AROUND CAMPUS IN SILENCE HARMS ANYONE.
QUEER STRAIGHT ALLIANCE - I really find it quite ironic that the Slavic population here on campus would be in such opposition to it considering I'm sure they face much discrimination coming here from another country."

LAGUAN CREEK HIGH SEGREGATION - TO MOTIVATE KIDS FOR STAR TESTING THIS WEEK ADMINISTRATORS AT LAGUNA CREEK HIGH HELD SEVERAL ASSEMBLIES BUT IT WAS HOW THESE ASSEMBLIES WERE HANDLED THAT HAS PEOPLE TALKING. LOUISA HODGE IS LIVE AT LAGUNA CREEK TO TELL US WHAT WAS DONE. THIS IS SOMETHING THAT HAS BEEN DONE IN OTHER CALIFORNIA SCHOOLS. THIS IS THE SECOND YEAR LAGUNA CREEK HIGH SCHOOL HAS HELD THESE TYPE OF ASSEMBLIES. Laguna Creek High School is raising eyebrows over an effort to raise grades. They don't try to be racist but you feel like wow I'm stuck with all these people who are exactly like me I guess. Twice in the last two weeks, students were separated into groups based on race during what school officials call "heritage Assemblies". It's not even a reason of race. What do they expect to gain from this. School district officials say it's a way of encouraging different ethnic groups to meet their target STAR test scores required by the "No Child Left Behind Act". To close the achievement gap. We allowed students to pick which group self select to pick which assembly they went to. I tried to go to a mexican assembly and I sat in a row of all my friends and they knew I wasn't mexican so they wanted me to leave. They were like we have to represent the hispanic group, we have to be proud of our culture and show people that we're not a bunch of dumb people that know how to do manual labor. They want to show that the african americans aren't as bad as they used to be, they said we raised our score 32-points from last year. I don't see why they should be separated because of the races. It's a difficult subject matter to talk about often and that is something we've had to do because of no child left behind I understand where it is tough to talk about it, it is tough to understand it is all something we're all trying to work on very hard to close the achievement gap.

UC POLICY CHANGE – TONIGHT MANY ASIAN-AMERICANS ARE EXPRESSING ANGER AND OUTRAGE OVER A NEW U-C ADMISSIONS POLICY. THAT POLICY IS SCHEDULED TO KICK IN FOR THE FRESHMAN CLASS IN 2012. ROWENA SHADDOX IS LIVE AT U-C DAVIS TO TELL US WHY THIS POLICY IS UPSETTING ASIANS. A new UC system admissions policy is raising fear among Asian-Americans that it will reduce their numbers on campus, where they make up 40 percent of all undergrads. "It's reverse discrimination." UC Davis Professor Xiangdong Zhu says the new policy isn't fair to those kids who follow the rules and study hard. "It's much better to put them into a university system that's better suited to their level, where they can excel in that system, rather than always being at the bottom of a UC class which doesn't

LuraTech

speak well for their own education." Opponents to the policy want it rescinded and point to a UC projection that the new standards would drop Asian-American admissions while resulting in little change for African Americans and Hispanics, but a big gain for Caucasians. Alex Bell - "I think we still deserve a chance, because we're working hard at what we do." The UC Board of Regents unanimously approved the new policy in February. Many students feel that change is good, like high school senior Tanner Mohr, who will attend UC Berkeley in the fall. "I think some of these really well-rounded, really smart kids should get a chance, too." Under the current policy, students have to rank in the top 12.5 percent of California high school graduates to be eligible. Joey Flory - "If I would've known beforehand, if this would've taken hand earlier, I actually would have applied toward UC's. I have friends who are definitely getting 4.0's. Or even a little above and they didn't even get accepted. So I thought, why should I even try."

MISS BLACK SACRAMENTO - THEY WERE NECESSARY YEARS AGO, WHEN SEGREGATION WAS THE STANDARD BUT IN 2009 IS THE "MISS BLACK SACRAMENTO" PAGEANT STILL NEEDED? ROWENA SHADDOX WAS OUT FOR ANSWERS TONIGHT. RO, WHAT DID YOU FIND? THERE WAS NO DEFINITIVE ANSWER WE FOUND TONIGHT. BUT THOSE WHO STILL FAVOR THE PAGEANT SAID IT'S NOT SO MUCH A SEGREGATION ISSUE ANYMORE, AS IT IS ABOUT EXTENDING OPPORTUNITIES TO YOUNG BLACK WOMEN. "Many doors have opened up, but still. I don't feel that there's enough yet." Velma Stockley-Flournoy created the very *first Miss Black Sacramento pageant 38 years ago. Tonight, the tradition continued. "When I started it, there weren't very many black contestants being invited. And some of those who tried to get in couldn't get in." Things have certainly evolved since then... with the election of Barack Obama and Sacramento mayor Kevin Johnson as prime examples. So is a Miss Black Sacramento pageant even necessary today? The answer isn't black and white. Betty Williams - "Just because an individual wins in the pageant, or the president, or the mayor, and they're black, or they happen to be Hispanic, or Asian, doesn't mean that it ends right there. It doesn't. Pageants like Miss Black Sacramento or Miss Black California are still essential." Kanisha Allen - 2008 Miss Black Sacramento - "I wouldn't say that we need to drop it. Or do anything like that. It's always nice to have integration, so there are other pageants that are integrated. But Miss Black Sacramento is a great organization that boots African-American young women. So it's good." Some students don't agree. They asked that we not show their faces. "I think that it's not really necessary anymore, and it does signify reverse discrimination," "It's interesting that you can have an all Miss Black Sacramento. But there'd be no way you could have a Miss White Sacramento or historically with black colleges. You can't have a historically white college." Since 1984, six black women have been crowed Miss America including actress Vanessa Williams and countless others have assumed prominent roles. Evangeline Freathy - "The history of our country is that whites have had privilege. "It's a different story for black people and other minorities as well." KARSYN DAVIS WAS CROWNED MISS BLACK SACRAMENTO, AND TAYLOR NELSON, MISS BLACK TEEN SACRAMENTO. AND BY THE WAY, LATER THIS MONTH, A YOUNG WOMAN WILL BE CROWNED MISS *ASIA SACRAMENTO.

FAIRFIELD SUISUN SCHOOL CLOSURE - IT'S A DEVELOPING STORY TONIGHT AS THE BUDGET AX FALLS IN THE FAIRFIELD SUISUN UNIFIED SCHOOL DISTRICT.Emotions are running high as PARENTS AND STUDENTS come to grips with this news. JAMIE SORIANO IS LIVE IN FAIRFIELD TO TELL US WHICH SCHOOLS WILL SHUT DOWN. IT WAS A TOUGH DECISION. FIVE SCHOOLS WERE ON THE CHOPPING BLOCK AND THREE GOT THE AX. THIS AFTER PARENTS, STUDENTS AND TEACHERS PACKED THE SCHOOL BOARD MEETING HERE IN FAIRFIELD ALL MADE A DESPERATE FINAL PLEA TO KEEP THEIR SCHOOL OPEN. With so much at stake it was standing room only. Parents, students and teachers held signs and pleaded to save their schools. You need to have all your middle schools in tact. Despite their pleas The Fairfield Suisun School district dropped the ax on three schools, Dover Middle School, Amy Blanc Elementary and Bransford Elementary will all close. I feel really sad. Why would they do this to Dover? Many students left the meeting in tears. I'm really sad because I had so many fun times at Dover. I don't want it to close. I can't bear to see... I can't talk. I'm just terrified that the school is closing down. We tried so hard to make the school as possible as we can. The district says the state budget mess has forced it to make cuts and that its hands are tied. School board leaders are trying to cut three point six million dollars to balance its budget. As a teacher, I have no idea where I'm going, what I'll be teaching. I don't know. I knew something had to happen but it just seems that it falls on the shoulders of our children and they have little shoulders. H. GLEN RICHARDSON WHICH IS ALSO FACING CLOSURE WAS TABLED UNTIL THE 28TH. A DECISION ON THAT SCHOOL WILL COME THIS THURSDAY. SUISUN VALLEY SCHOOL WAS SPARED AND WILL REMAIN OPEN. TATTOO YEARBOOK - THERE'S A DIFFERENT KIND OF INK TAKING UP THE PAGES IN A LOCAL HIGH SCHOOL YEARBOOK. WE'RE TALKING ABOUT PHOTOS OF STUDENTS SHOWING OFF THEIR TATTOOS IN SOME PROVOCATIVE POSES. ROWENA SHADDOX IS LIVE IN CITRUS HEIGHTS WHERE SOME PARENTS SAY THE CHOICE OF SPACE IS IN POOR TASTE. THE PARENT OF A SOPHOMORE IS SO UPSET BY THESE PHOTOS, THAT HE'S CONSIDERING PULLING HIS SON OUT OF MESA VERDE. HE'S EVEN CONTACTED THE *DISTRICT ATTORNEY'S OFFICE. "This is borderline child pornography." When Ty Hamby opened up the pages of his son's yearbook, he was angered to find four pages covered with students showing off tattoos. Ty Hamby "You've got to be kidding me. This is what we're putting in our school yearbooks? I paid $80 for half-dressed girls. Annie Bradi "I was wearing a tube top and I didn't at all, take my clothes off." 18-year-old senior Annie Bradi, defends her pictures. "For the photo, underneath, I just pulled up my shirt a little bit." "I can't even understand how they would think this was pornography when I was wearing a shirt the whole entire time." Annie said her dad is proud of her tattoo, and that he stands behind her photograph in the yearbook, as do other parents. Giana Moore "I think it'd be perfectly fine 'cause my dad has a bunch of tattoos." The San Juan Unified School District deferred questions regarding the photos to Mesa Verde High School. "Principal Paul Oropallo declined to go on camera, but said they are looking further into these photographs, and that there *is a teacher on campus who oversees everything that goes into the yearbook." Ty Hamby "Somebody had to okay this. Somebody signed off on this and that's the person I wanna know, why? Hudson Havili "It was one of the students who takes

the pictures for the yearbook. He just asked me if I wanna take a picture. Yeah, sure." Senior Hudson Havili is also featured in the yearbook spread. His said his parents *also support his photo. But the only way he could show his tat was to pull off his top. "You can't see through my shirt. Com'on now." Hudson Havili "I don't see any part of that, borderline porn." "Is it inappropriate for a school yearbook?" Not at all. I don't think so." THE DISTRICT HAS THESE FORMS FOR PARENTS TO SIGN. BASICALLY, THEY'RE RELEASE FORMS GIVING PERMISSION FOR THE DISTRICT TO USE PHOTOS OR VIDEOS OF THEIR CHILD. IT DOES STATE, *HOWEVER, THAT THE FORM DOESN'T APPLY TO THE YEARBOOK.

RADIO STATION TRANSGENDER KIDS - LET'S FACE IT, IF YOU'VE EVER LISTENED TO ROB, ARNIE AND DAWN ON 98 ROCK. YOU KNOW THEIR SHOW ISN'T POLITICALLY CORRECT. BUT RECENT COMMENTS ON THEIR RADIO SHOW HAVE MEMBERS OF THE GAY AND TRANSGENDER COMMUNITY FIGHTING MAD. THE STATION MANAGEMENT TODAY MADE NO APOLOGIES FOR COMMENTS MADE BY ROB AND ARNIE REGARDING TRANSGENDERS, DESPITE THE STATION RECEIVING COUNTLESS PHONE CALLS AND EMAILS FROM ANGRY LISTENERS. "You're a freak. I think you're a freak and I have any right

to call you that, judge you on that. I think you're a weirdo." 98 Rock radio hosts Rob Williams and Arnie States letting loose on the topic of transgenders. The 10-year hosts are known for their shock-radio format, but did what they say *this time go too far? "They are freaks. They are abnormal. Not because they're girls who in boys' body, but because they have a mental disorder." "Transgenders are a creation of the human psyche as a result of seeing other people for their weird behavior." And they blame some parents for enabling the behavior of transgender kids. "If you can't throw your shoe at him or tell them no, that's when you take 'em to therapy." "We called the station manager ahead of time to let him know that we were coming down. He said he'd ask his bosses if he could talk to us on camera." "But as soon as we walked through the front door with our camera, they demanded that we leave." By phone, I asked 98 Rock station manager Jim Fox if they did anything wrong. His answer; "If you're a regular listener, the answer is no." He said anyone who knows the Rob, Arnie and Dawn show, knows the hosts are quote - equal opportunity offenders. Fox also said: "There are limits to what people can say. But this is a forum for topical discussion." "Initially, I just couldn't believe what I was hearing." Lester Neblett of the Sacramento Gay and Lesbian Center said there is no excuse for radio personalities imposing their personal feelings which hurt so many people. "They're hiding behind a mask at the radio station, behind a certain belief that they have the right to hurt people's feelings and not take responsibility for that."

SUMMER SCHOOL - THIS IS ONE CAMPUS THAT HAS CANCELLED SUMMER SCHOOL. THE SIGN HERE TELLING STUDENTS TO "HAVE A GREAT SUMMER". FOR SOME KIDS.. SUMMER SCHOOL WAS A REGULAR PART OF THEIR VACATION IN SOME CASES A NECESSITY. They'll fall further and further behind. They'll never have a chance to catch up. It's unfortunate. It's a big concern for parents, now worried about what will happen to students who planned on attending summer school. Budget cuts have forced school districts across the valley to eliminate summer classes. I have some friends that are trying to reconfigure their schedules, trying to figure out what they're going to do for their kids. Tonight, Sacramento City Unified announced it's worked out a deal to expand summer after-school programs to accommodate parents and students who were relying on the summer session. It will not, however be equivalent to summer classes but the district is trying to bring in tutors to assist kids who need extra help. For most campuses where we had to close a summer school program will have an after school program that will run from 9-1 or 9-2. Summer school has been completely eliminated in the Marysville, Eureka Union and Roseville City school districts. School officials suggest parents in districts where summer school has been cut should enroll their kids in another district soon. Some of our neighboring districts do offer summer school. In the past we've taken students from those districts when they were full. So we would hope that if they had room they'd accept our students. SAC CITY UNIFIED SAYS IT SHOULD HAVE A COMPLETE LIST OF THE SCHOOLS THAT WILL OFFER THE AFTER SCHOOL PROGRAMS BY TOMORROW FOR PARENTS WHO ARE INTERESTED.

A PLACE CALLED HOME - TONIGHT WE CONTINUE OUR SERIES ON ADOPTION. WE ARE VERY FAMILIAR WITH THE STRUGGLE OF PARENTS HOPING TO ADOPT NEWBORNS, INCREDIBLE FEES AND THE WAITS. POTENTIAL FAMILIES MAY NOT REALIZE THERE ARE THOUSANDS OF LOCAL CHILDREN THOUGH A LITTLE OLDER WHO NEED PARENTS TOO. LIKE MAX, HE STILL WANTS A PLACE CALLED HOME. But beware of what this 10-

year old might try and sneak into his room. Max likes monster trucks, dirt bikes, roller skates and boarding and sometimes I fall, but oh well. Then there's the fascination with bugs. If I was a bug, I would be a worm. Wiggly and squiggly.That bug thing is something Max first alluded to in October when we tackled the corn maze at the Pumpkin Acres Pumpkin Patch. He started out relaying the virtues of the potato bug, it can grow up to that big and quickly moved on to the beauty of snakes like how they slither. Sure he can rattle off the details about bugs and snakes but that's not his priority. Max wants to share his life with a Mom and a Dad, a forever family to be there every step of the way. He's still in elementary school and a long way from his career goal. When I grow up I would like to be a car mechanic. Always fascinated with how things work, as in nature, everything has a role with each affecting the other. Worms plant nutrients for the soil for our plants and crops and everything and if worms weren't alive, there would be no good soil. This is Max who still needs A Place Called Home. THEY SAY IF YOU KEEP DOING THE SAME THING YOU'LL KEEP GETTING THE SAME RESULT. IF YOU HAVE BEEN THINKING ABOUT INCLUDING CHILDREN INTO YOUR FAMILY FINALLY DO SOMETHING ABOUT IT CALL SIERRA ADOPTION SERVICES AT (916) 368-5114.

TENT CITY MOVE OUT - CITY LEADERS WERE HOPING THEY'D BE HEADED FOR CAL EXPO'S WINTER SHELTER WHICH OPENED A BRAND NEW SECTION TODAY. IT'S PART OF MAYOR KEVIN JOHNSON'S MILLION DOLLAR PLAN TO CREATE HOUSING OPTIONS

FOR THE NEARLY TWO HUNDRED PEOPLE LIVING AT TENT CITY. LOUISA HODGE, LIVE AT CAL EXPO WITH A LOOK AT THE NEW ACCOMODATIONS. WE TALKED TO PLENTY OF FOLKS WHO WERE LIVING AT TENT CITY. THEY SAID THEY WOULD NEVER STAY AT THIS SHELTER THAT IS UNTIL TODAY. Compared to being out in a tent, this is alright. Folks that once called tent city home were among the bus loads of people heading to Cal Expo to take advantage of the Winter Shelter's new additions. We'll have at least an additional 50-people that are coming from tent city that will come into the shelter and try it out to see if it's going to work for them. It was working for Brian Hayes and his wife Stephanie who is seven months pregnant. After living in tent city for a year they decided to try out these brand new couple rooms. I already been here before with men on one side and women on that side, it just wasn't cutting it for us. Volunteers took this 36-hundred square foot annex and turned it into 38 individual rooms and 12 rooms for couples. Each room has a number and behind each number there were plenty of happy couples. We can actually talk to each other and not be split up and be thinking about each other and be stressing out because when you're a couple you want to be together. The changes to this shelter also include additional kennel facilities run by Loaves and Fishes but on day one there were no takers just yet just plenty of empty cages. If we put our cat in the kennel it's got to be neutered before it can stay in the kennel, id rather not put my cat in the kennel, I want my cat to have his riches. While Brian Hayes' cat may still be living at tent city he says he'll enjoy the riches of his family's new living situation. WHILE MANY TOOK ADVANTAGE OF THESE NEW FACILITIES THERE ARE STILL PLENTY OF FOLKS WHO SAY THEY WANT TO LIVE BY THEIR OWN RULES AT TENT CITY HOWEVER THEY DON'T HAVE MUCH OF A CHOICE. THE MAYOR IS PROMISING TO SHUT DOWN TENT CITY BY THE END OF THE MONTH.

B17 BOMBER - A RARE HONOR FOR A WORLD WAR TWO VETERAN. HAROLD DAVIS MAINTAINED B-17 BOMBERS, BUT NEVER GOT THE CHANCE TO FLY IN ONE UNTIL TODAY. BETHANY CROUCH TAKES US UP. Engine starts. It sounds good ...It sounds good I like it. HAROLD DAVIS SHOULD KNOW. Engines from inside the plane. I was an aircraft mechanic. HE KEPT THESE B-17'S IN THE AIR DURING WORLD WAR TWO. We did everything. ALMOST EVERYTHING. I have taxied them, but i've never flown in one. SO JUST not a bad way to fly around and see Sacramento, it's a good way, good way. Wow that take off I wasn't expecting all that power, it's nice, with 4 -1200 horsepower engines we're very light-- we don't fly with any bombs or bullets now-- we'll get up and go. WE STAYED AT 1500 FEET UNTIL OUR PILOT DECIDED TO DO FLY-BY WITH ME SITTING RIGHT IN THE NOSE. This is unbelievable. That's why we do it we love this stuff. We're in the nose of the plane and i'm in the bombadire's seat-- this is easily the best view in the whole plane. BUT THERE'S ANOTHER SPOT -- WHERE NOT EVEN GLASS PROTECTS THE CREW FROM THE ELEMENTS. No matter what way you're used to flying I guaranteed you've never traveled like this. AND AFTER 60 YEARS OF WONDERING AND WATCHING FROM THE GROUND TODAY, HAROLD FINALLY GOT TO FLY. FOR PILOT RAY FOWLER ---THAT'S WHAT IT'S ALL ABOUT.
Ray Fowler - It's an amazing living piece of history to get to fly around and not get shot at. I didn't think it'd ever happen. IT TAKES 200-GALLONS OF FUEL TO FLY ONE OF THESE PLANES FOR AN HOUR. TENT CITY CLEANUP - A LOT OF THEM TOOK UP THE CITY'S OFFER TO STAY AT EXPANDED SHELTER FACILITIES. BUT LONNIE WONG FOUND OUT THAT QUITE A FEW SIMPLY PITCHED THEIR TENTS ELSEWHERE. "I have no where to go, I have no where to go!" They knew it was coming. But dozens of die hard homeless who called tent city home finally gave way to an army of clean up workers. Tons of belongings were left behind by those who didn't have the means to move them. Lonnie - "for most of us this looks like a pile of junk and garbage. But for someone this represents their valuable possessions, and even a home however temporary." Police officers helped transport belongings to Loaves and Fishes for storage. Some of the homeless who refused to go to shelters moved a few hundred yards away, setting up a tent city suburb across the fence from Floyd Moore's business. Floyd Moore, Construction Specialties - "We've only had two or three out back, there's thirty or forty out back now." Floyd has witnessed assaults, drug use, and is a victim of countless thefts. He was told by property owner Union Pacific that they'll make arrests and clear this area. Floyd is skeptical. "They told me yesterday they weren't leaving." At what was tent city, cleanup crews had to endure the stench and avoid stepping on needles used by drug users. "That's at least 15 or 20 and this is the third one I've had." Vincene Jones, Director City Neighborhood Services - "It's a pretty unsafe and pretty unhealthy area." But some of the uprooted homeless say they shouldn't be pigeon holed as drug users and mental misfits. Charles Ortberg, Homeless - "People don't realize that they're one paycheck from being right here next to us doing the same thing we're doing, losing everything." LOCAL HOMELESS SERVICE AGENCIES TRIED TO HELP RE-LOCATE DISPLACED TENT CITY RESIDENTS. A LOT OF THEM ARE EXPECTED TO FILTER INTO OUTLYING PARCELS OF LAND TO SET UP CAMP.

They shouldn't be herded around like animals, basically." WHILE SOME ARE SKEPTICAL. I'm actually from Denver, Colorado so that would be nice to go back home." OTHERS LIKE DELL SHOOK, A HOMELESS TRUCK DRIVER WHO'S CARING FOR HIS LITTLE GIRL SAY SOMETHING NEEDED TO BE DONE. A lot of them might be embarrassed to go back home, but I think that would be a great deal to have." Especially out of state, It's just very hard to get across town sometimes." FOR SOME THEY'RE ONLY ONE BUS RIDE AWAY FROM GETTING BACK ON THEIR FEET. Five years ago never thought I'd walk the same side of the street that the homeless have."

ST. MARYS COMPLETION - IT TOOK SEVEN YEARS IN THE MAKING FOR PASTOR MICHAEL MCFADDEN, HIS DREAM OF TURNING ST. MARY'S CHURCH INTO CALIFORNIA'S 22ND MISSION IS NOW REALITY. IN TONIGHT'S FAITH MATTERS ROWENA SHADDOX TAKES US INSIDE THE NEW ATTRACTION PUTTING VACAVILLE ON THE MAP. "It's very missionesque, both on the outside and the inside." IT TOOK SEVERAL YEARS, 3 MILLION DOLLARS AND A LOT OF HARD WORK. BUT St. Mary's Church in Vacaville, is *now OFFICIALLY Mission St. Mary's. California has 21 missions stretching from San Diego to Sonoma. THE FOUNDATION WAS LAID FOR A 22nd mission in Suisun City BUT IT WAS never completed. "Here we come along about 150 years later, and we complete it. So, In a sense, I call this the 22nd mission." The original St. Mary's was built in 1955. And when McFadden became pastor seven years ago, he put his dream of renovating the church into gear And because nearly HALF of the parish IS SPANISH, the church is widely appealing. "So you can see how this gels so well with the Spanish community, but not just the Spanish community but the whole community," AND VACAVILLE'S VERY OWN MISSION IS NOW DRAWING TOURISTS TO THE CITY. "We have had many non-Catholic people come by here from far away as... a lady from a Baptist church in the city of Napa, came all the way over here just to see our church." FATHER MCFADDEN RECENTLY RETIRED, BUT WILL CONTINUE TO LIVE IN VACAVILLE WHERE HE LEADS DAILY MASSES AT MISSION ST. MARY'S.

SACRAMENTO BLOCK PARTIES - THE MARIACHI'S ARE ALREADY WARMING UP AND THE MEXICAN FOOD IS BEING PREPARED FOR THAT BIG PARTY. THIS IS THE THIRD BLOCK PARTY IN HEART OF SACRAMENTO THIS YEAR. ROWENA SHADDOX TAKES A LOOK AT WHAT APPEARS TO BE A GROWING TREND. "I think that when people hear Sacramento, they'll think of bigger events. They can come here and have a good time." And that's the reputation Sacramento wants. "The response we got from New Year's and the ball drop, and our St. Patrick's Day and the success we've had at the Cinco de Mayo parties, it's just great. Sacramento, I think the people of Sacramento, want that." Simon DeVere-White, who owns DeVere's Irish Pub, said the block party they had on 16th and L for St. Patty's Day was everything they hoped it'd be. Simon DeVere-White - It was just a really fun, joyous occasion. That's what it was supposed to be a joyous celebration. So it was a great day for us and all of Sacramento." Seven businesses on J and 28th will be hosting a block party for Cinco de Mayo. FOX40 is one of the sponsors. The fun starts at noon and will last until 1 a.m. Trevor Shults - Centro's - "We're hoping that people come out of the house they may take a couple of hours off of work early. Come on have a good time and celebrate." Although customers may find it a bit difficult to get to neighboring businesses with the street closures, those establishments don't seem to mind. Patrick Ludlow - Mosaic Salon - "It might slow us down for the day. Tuesday, no big deal. I think it will be good just for everyone to see it." "Definitely a good thing for Sacramento, especially for midtown Sacramento,"

A PLACE CALLED HOME - REALITY IS HITTING HOME FOR A LOCAL GIRL WAITING TO BE ADOPTED. WE FIRST INTRODUCED YOU TO CHRISTINA BACK IN AUGUST. SHE SINCE CAME THIS CLOSE TO REALIZING HER DREAM OF KNOWING A PERMANENT FAMILY. TONIGHT WE FIND HER STILL WISHING FOR A PLACE CALLED HOME. Last fall The smokey haze over Sacramento forced Christina and I to find a way to entertain ourselves indoors. What color is that?... Pink. Pink. Back then Playdoh filled the bill, Enough of a diversion to encourage her To break out in song. Itsy bitsy spider went up the water spout.. Down came the rain..and washed the spider off. She's just a joy to be around. She's got so much energy and just this internal core of resiliency. Debbie Magistrado, a social worker has been working to place Christina with a forever family. Over the year, there's been a couple of families that really seemed promising and then for no fault of Christina's, the families things have happened in their lives that weren't able to follow thru. So we had to tell her this just wasn't the right fit for you Christina. Christina has been using this time to think deep about what she wants in a family and putting those thoughts down on paper. She's only 7 so that image might change from time to time. Sometimes it's a family with 3-dogs and big sisters that dance and a tv and a wii and a play station and then sometimes it's just a momma that's going to read to me, or perhaps share a lullaby. I didn't know you had so many songs in you. How about one more? How about 20 more? 20 more? OK. Twinkle, twinkle little star. Perhaps a star she can wish upon and Christina will know A Place Called Home. CHILDREN AREN'T THE ONLY ONES WHO HAVE BIG DREAMS. QUILTS FOR SOLDIERS - A VALLEY SPRINGS WOMAN IS HELPING TO SPEARHEAD A NATIONWIDE EFFORT TO HONOR SOME MARINES HEADED HOME FROM THE MIDDLE EAST. LONNIE WONG TELLS US THAT EACH MARINE WILL BE GIVEN A HAND-MADE GIFT CREATED WITH LOVE AND APPRECIATION. You'd never know this was a holiday at Gail Belmont's family quilt shop. "We've done over 350 from this area from Sacramento to Turlock. These are "Quilts of Valor".. Star spangled salutes to military service people wounded in war. It's for their sacrifices for what they've done." Made by volunteers...they're often credited with helping heal the psychic ravages of war. Lonnie Wong - "these quilts take from two to four months to make. No two are alike, and somehow recipients know that these are gifts from the heart." In just two weeks, Gail will head to North Carolina to deliver 12 hundred quilts to a Marine contingent returning from the Middle East. She's putting together the last of two hundred quilts pieced by volunteers on the West Coast. Quilters will be handing over more on her journey East. "we're going to make a patriotic trip Why? Gail is a veteran of Viet Nam and played taps on her trumpet at countless memorial services for fallen heroes. She says today's heroes deserve better. Gail - "I didn't want them to be forgotten like Nam was." 58 so this is my way of giving back."

She knows from experience that the quilts will be cherished and passed down through generations. Hopefully we'll give a gift of a lifetime to everybody who gets one of these quilts." A PLACE CALLED HOME - TONIGHT WE CELEBRATE A BIG MOMENT WITH YOU OUR FOX40 FAMILY. FOR OVER A DECADE WE HAVE TRIED TO BRING ATTENTION TO THE HUNDREDS OF CHILDREN IN OUR AREA WAITING TO BE ADOPTED. NOW WE WANT TO SHARE WITH YOU A MILESTONE FOR ONE OF THOSE KIDS WHO THANKS TO TWO VIEWERS NOW HAS A PLACE CALLED HOME. We caught up with Donte just hours before he was going to officially wear that cap and gown to get his diploma from Cordova High School. I feel very lucky. Lucky considering the path he's taken to get here. Let's take you back 10-years when we first taped Donte trying on a fire fighter's uniform. Do those hurt? No, those don't hurt. Does it hurt? No. Donte was 8, a shy boy with a megawatt smile. The video and the exact are the image that caught the attention of Melody and Conrade Mayer. We had the news on both of us were in different rooms and we were like, hey did you just see that? We met in the middle of that hallway kind a looked at each other. Different part of the house and we both had the same reaction. I'm going to get all teary eyed; there was just something about him. Something telling this couple they had to adopt him and they did. Fox40 was there for the family's first Christmas and we've been invited back for this latest milestone. Melody and Conrade's little boy all grown up and graduating. Very proud of him; Love him dearly. The entire family can take credit for Donte's success. It has been an amazing process. Beginning with the moment Donte came to live with them. The years that followed, his childhood, now documented in the family photo album, Donte's adoption and birthday cards, the time spent learning to ride his bike; making the cheer squad and now his senior picture and the prom. He's loved by all of his classmates which for me that says something. Donte vaguely remembers his life without his parents, but he credits them for the changes. That comes from being paid attention too, cared for and loved. A lot of changes, I built a lot of confidence. Basically I believe in myself way more than I did before. I'm happier. I think we have gained more from the experience than, sorry, I just can't keep it together. Mom and Dad have been impacted too. It started with becoming active in their son's school, then civic projects, on to the point where the couple has been recognized for their community involvement. We wouldn't be here. We wouldn't be doing the things we were doing if it weren't for him. Now they share in yet another special moment. The latest family celebration In A Place Called Home. I know that a lot of kids they don't really get the opportunity to have a

family that love who you are no matter what that appreciate you even though you might be from some other place, they just love you unconditionally. So I feel very lucky. SO MANY LIVES IMPACTED BY JUST ONE PHONE CALL. IF YOU HAVE BEEN CONSIDERING ADOPTION CALL SIERRA ADOPTION SERVICES TOMORROW AT (916) 368-5114. DTV INSTALL - IF YOU WANT TO KEEP WATCHING YOUR FAVORITE SHOWS YOU'LL NEED TO BE READY FOR FRIDAY'S SWITCH TO DIGITAL T-V. CABLE OR SATELLITE CUSTOMERS DON'T HAVE TO WORRY BUT LONNIE WONG TELLS US IT'S CRUNCH TIME FOR THOSE WHO WANT TO KEEP GETTING FREE T-V WITH THEIR ANTENNAS. Chris - "hi Gerald? Yeah" - hi Chris with Geek Squad, Gerald Ostrowski's older TV is his main source of entertainment. "between this and the casino, this is all I got right now.:" But getting it to work with the new digital signal is worrisome. "it's very confusing to me." As Friday's conversion

LuraTech

date gets closer, Gerald is afraid of missing episodes of Two And A Half Men. Gerald "40 is one of my favorite channels..." Chris hooks Gerald's rooftop antennae to a digital converter box, then the box to the TV. With rabbit ear antennas, some signals are better at different times and you may have to do some adjusting. Chris "at night they may need to adjust the antennas accordingly if they want certain channels." Lonnie "even after you install all your converter box your job isn't done if you want to get all your favorite channels." Or After the deadline, stations will be changing frequencies so you'll have to re-scan again for channels on your converter box...it's not hard, but it is crucial. Chris "pretty much one or two buttons you have to press ok, 33 and you're going to want to do that Friday night or Saturday. The effort is worth it because you get a better picture and more channels, including your favorites. "if I hit channel 40... "there's channel 40 OK. FOX40 WILL BE ONE OF THE STATIONS CHANGING FREQUENCIES AFTER FRIDAY SO EVEN IF YOU'RE USING A CONVERTER BOX NOW REMEMBER TO RE-SCAN YOUR CHANNELS AGAIN ON SATURDAY MORNING.

DTV HELP - THE BIG D-T-V SWITCH IS THIS FRIDAY. FOX40 WILL BE SWITCHING OVER AT NINE A-M. ARE YOU READY? A LOT OF PEOPLE THINK SO, BUT LONNIE WONG SHOWS US SOME COMMON MISTAKES THAT COULD IMPACT YOUR SIGNAL. Gerald Ostrowski, TV viewer - "I can fly an airplane but I can't figure this out." Hooking up converter boxes, scanning for stations and antenna basics can be confusing, but are necessary to get free TV come Friday. That's when the old TV signal disappears and is replaced by a superior digital signal and you'll need more than the converter box to get it. Matt Schneider, Radio Shack Associate. "A lot of people do think that the converter box is all they need. That it's going to take the place of the antenna." But you will still need a good antenna. Indoor VHF/UHF antennas start at around twenty dollars. More expensive models have signal boosters, or are weather proof so you can mount them outdoors. There's even a model that moves that pesky UHF antenna loop for you. Matt - "you don't have to move the UHF circle, it will automatically do it inside the disk." There are government help sites, often at malls or electronics retailers. You can get step by step instructions on how to set up your TV or have a person walk you through the process. You can even arrange a free home visit by a technician. Lonnie Wong - "these help sites will be available at many retail locations after Friday as well in case you run into any unexpected problems." TO FIND HELP LOCATIONS.. YOU'LL WANT TO GO ONLINE TO DTV- DOT- GOV AND CLICK ON "GET HELP LOCALLY" AT THE TOP OF THE PAGE. ENTER YOUR ZIP CODE ON THE LEFT SIDE AND YOU'LL GET A LIST OF DTV SUPPORT CENTERS AND EVENTS IN YOUR AREA. THERE ARE LOCATIONS IN SACRAMENTO, STOCKTON, MODESTO AND TRACY.

CORRIDOR - AN HISTORIC SACRAMENTO BUILDING THAT LONG SAT EMPTY IS NOW PART OF THE R-STREET REVITALIZATION EFFORT WHICH STRETCHES FROM EYE-FIVE TO THE CAP CITY FREEWAY. BETHANY CROUCH HAS MORE ON SACRAMENTO'S NEWEST MIXED USE DEVELOPMENT. ONCE OVERLOOKED AND ABANDONED this building used to be the wonderbread factory. DERAR - It's a 1913 building, historic, I thought the building had so much potential. POTENTIAL, NOW REALIZED. The hope is that we create more synergy and traffic on this street. THE R STREET CORRIDOR REVITALIZATION HAS BEEN IN THE WORKS FOR A COUPLE YEARS AND NOW THE HARD WORK IS PAYING OFF. Alex - What we tried to do is have the swank and swagger of the 20's with some of the blue collar neccesity of the 30s. THE SHADY LADY SALOON OPENED ITS DOORS LAST WEEK. ALEX - I think we've brought an entertainment destination to the area. AFTER SUCCESS IN DAVIS-- BURGERS AND BREW CELEBRATED ITS NEW R14 OPENING TODAY. DERAR - This place is a little bigger so we've added to our selection of beers. 65 BREWS FROM AROUND THE WORLD ARE PAIRED WITH BURGERS MADE FROM GRASS FED HORMONE FREE BEEF---FOR ABOUT WHAT YOU'D PAY AT A FAST FOOD JOINT. DERAR - Our cheese burger is 7.25 and is half a pound-- it includes fries or a salad. UPSTAIRS-- THE R14 LOFTS ARE OPEN AS WELL. We really think the future of Midtown Sacramento is going to be with mixed use-- where you have housing on top and restaurants and retail down below. JUST A YEAR AGO --PEOPLE WOULD HAVE SEEN AN EMPTY EYESORE BROKEN WINDOWS, NO SIDEWALKS AND TRASH. Now they see a completed project. DERAR - This area has a great future to it. "MAGPIES CATERING AND CAFE" IS ALSO OPEN. "TOP THIS YOGURT" AND "MUSE SALON" PLAN TO OPEN BY MAY FIRST.

GROUP MENTALITY - WE'RE ALL TRYING TO SAVE MONEY BUT WHAT IF I TOLD YOU THERE'S A GOOD CHANCE THERE ARE DISCOUNTS AND DEALS RIGHT AT YOUR FINGERTIPS THAT YOU AREN'T TAKING FULL ADVANTAGE OF. LOOK AROUND YOU MAY BE ENTITLED TO SOME NICE PERKS AND WE AREN'T TALKING TYPICAL STORE SALES OR COUPONS. Renee Young needed new glasses, but she couldn't see straight when it came to the cost. So, the saleswoman stepped in. She said are you a member a member of any type of discount club and I said no and she said well, do you have a triple a card and I said yes and she said, you're entitled to a discount. Nice. Renee whipped out her auto club membership card and scored 30% off on her glasses, the frames, lenses, everything, talk about surprise. I usually only think of AAA when I need my car towed, so it's not something you ordinarily think about. We have a program called "show your card and save" where members can save at a variety of restaurants and retail shops. "All those types of groups have discounts that you can take advantage of". We can, but Consumer experts say whether it's (triple a) AAA, AARP, even your alumni association membership often includes buying perks but we forget. Too bad because we can score deals on everything from hotels, rental cars even restaurants and electronics, we

LuraTech www.luratech.com

actually have hundreds of opportunities for people to save and It's not just organizations. Most major credit cards have discount programs. Ask around your job may even offer corporate deals. Jennifer Torrens lives on her company's site - "Every time I go on there, I see things that I didn't realize were on there before." "There are sometimes where I've bought something or used something and then remembered afterward-'Oh, yeah, I could have got a discount on this.' I hate that feeling." Her company uses "perkspot" which manages discount programs for more than 100 major companies nationwide. They say only 25-35 percent of people actually use the available discounts. Check those membership cards so you don't miss out too. "All I had to do was to take the card out of my wallet, so it would be crazy not to take advantage of something like that in the future." DWORSKY SAYS AS ALWAYS, DO YOUR HOMEWORK. COMPARE THE DISCOUNTS AGAINST COUPONS AND ANY OTHER AVAILABLE DEALS TO SEE WHICH IS TRULY GONNA GIVE YOU THE BEST PRICE. ANOTHER TIP: SIGN UP FOR STORE EMAIL LISTS. DWORSKY SAYS SOMETIMES THERE ARE EMAIL ONLY DISCOUNTS.

EDD PAYS FURLOUGHED - THOUSANDS OF FURLOUGHED WORKERS HAVE FOUND A WAY TO TAKE SOME OF THE STING OUT OF A PAY CUT. LONNIE WONG TELLS US EMPLOYERS AND THEIR WORKERS ARE USING UNEMPLOYMENT BENEFITS TO HELP THEM REBEL AGAINST THE RECESSION. David Mogavera started his Architectural Design Firm thirty years ago. We try to run the business like a family." That's why it was tough to shut down the office once a week to ride out the recession. Employees agreed to share the pain rather than risk layoffs. Sandi Walsh, Office Manager - "...70 or 80 percent pay is better than none." But thanks to a state a program called Work Share, these workers receive unemployment benefits for their furlough days. David says the program allows him to retain a team known for green urban design. Mogavera - "It takes you a while to learn that kind of stuff" so holding a crew together is really important and we do all we can to support our employees." Lonnie - 'more and more workers and employers are finding out about the work share program. The EDD is now being flooded with applications." Loree Levy, Deputy Director EDD - "we have never seen this kind of growth this fast." 6500 employers are expected to sign on to the program this year, triple last year's number. 17 thousand workers applied for furlough benefits in March alone a chunk of change if you get the maximum. Loree Levy - "so that's close to five hundred dollars a month in exchange for that small reduction in hours and wages." While a cut in hours and wages is not ideal, at least there is a little relief for for some. Sandi Walsh - "It's been a good program, so we're thankful for it." EMPLOYERS CONTRIBUTE TO THE UNEMPLOYMENT BENEFIT FUND AND USUALLY WORK OUT A FURLOUGH PLAN WITH EMPLOYEES BEFORE THEY APPLY TO THE PROGRAM. YOU CAN FIND OUT MORE ABOUT E-D-D'S "WORK SHARING" PROGRAM BY LOGGING ON TO FOX 40.COM AND HITTING THE 'GO' BUTTON.

TRACY AUTO MALL HELP - THE CITY OF TRACY IS REBELLING AGAINST THE RECESSION PAYING YOU TO BUY A CAR IN THEIR TOWN. LONNIE WONG TELLS US WHY LOCAL LEADERS AREN'T WAITING FOR STIMULUS MONEY TO COME FROM WASHINGTON. "We sat there with our mouths open. " Ford Dealer Jeff Morri couldn't believe his ears. Jeff - First of all it was the government saying this." Businesses butt heads with cities more often than not. But the idea of the city handing out $500 dollar gift cards to new car buyers was novel, and welcome. Jeff - "I think it's awesome and my fellow auto dealers think the exact same thing." A Volkswagon dealer went under here recently the victim of the recession. 20 percent of the city's tax revenue comes from sales here, jeopardizing police, fire and other city services. Michael Maciel, Tracy City Council - "In order to the city to do it's business, you have to have money." Car dealers aren't the only ones that will benefit. The gift cards must be used on local businesses, which will generate more sales tax revenue for the city. Maciel - "That will have a trickle down affect that will affect the local economy." Lonnie - "The question is, if you're looking to buy a 20 or 30 thousand dollar car, will a five hundred dollar gift certificate make a difference in your decision. Jeff - "Oh Absolutely." Jeff has been selling cars for 30 years. He says free money will attract customers from other cities. Jeff – "People will drive for 500 bucks." He says buyers will buy needed items with the gift cards, and use the cash savings to put on down payments. The half million dollars for the gift cards comes from developer fees the city has saved, not from the city's operating budget. Maciel - "We see no downside to this." THE GIFT CARD PROGRAM BEGAN TODAY. TRACY WILL ALSO BE SPENDING MONEY FOR SMALL BUSINESS LOANS AND CONSTRUCTION PROJECTS TO PROVIDE JOBS.. AS WELL AS A "BUY TRACY" MARKETING CAMPAIGN.

STATE PARK CUTS - CALIFORNIA LAWMAKERS ARE SEARCHING ALL SORTS OF WAYS TO DEAL WITH THE BUDGET, WE'VE TOLD YOU STATE PARKS COULD GET HIT. AS JOE ORLANDO REPORTS ONLY NOW ARE CAMPERS AND OTHER VISITERS BEGINNING TO REALIZE HOW THIS COULD IMPACT THEM AND YOU.
Rakesh Chand/San Francisco - You just don't understand we are the 6th largest economy in the world and how come we can't come up with a budget solution. Good point...Now campers like Rakesh Chand and others could be asked by Governor Arnold Schwarzenegger pay two or three times what they're paying now to camp. So if it's 20 bucks for a tent it could be 40 or 60 bucks...and the RV's...Yikes! Mike Ruggles/Santa Rosa - I think it's a bad idea, I think it already seems kinda expensive to me, $35 dollars a night and you have to bring all your own stuff, pack in all your own food and you could really go to the hotel for $ a night There's also talk of closing some state parks .Estimates show that would save the state about 13 million or one thirteenth of 1% of the state budget. Mel Singh/San Francisco - That's absurd this is just mismanagement of the state again the state needs to layoff some people cut the fat out of their budget and quit takin it out of the taxpayers hide. But just look at these families, tell them this is not a great way to get together. Joe Orlando - The folks we talked to said double or triple the rates it's a lot of money but ya know what this is good quality family time, they'll probably pay it. Rakesh - I don't like it but what are you gonna do we'll still come camping it's just unfortunate they have to raise the rate but we'll do it. THE FEE INCREASES AT STATE PARKS IS PART OF GOVERNOR SCHWARZENEGGER'S PROPOSAL TO DEAL WITH THE BUDGET DEFICIT. THAT PLAN ALSO INCLUDES LAYING OFF FIVE THOUSAND STATE WORKERS.

numbers when they respond. The city and firefighters union have reached a tentative deal, that will save Sacramento $5 million, and avoid the layoffs of *50 firefighters. Under this tentative agreement Firefighters are giving up a 5 percent pay raise this year. Next year, they'll get a 1 percent raise and in 2011, they receive a 2 percent raise. "I think that's very considerate, considering the economy." City officials hope the sacrifices today, will have long-lasting effects.
Gus Vina "Maybe we're hitting bottom and we're hoping that in the next couple of years, will be years of stability for the organization, and then hopefully some moderate growth after that." But union members must still vote to pass the concessions by Friday.
Robin Swanson "There's definitely still some hurdles to be cleared. There's definitely still some concerns with the tentative agreement that's been put forward." If the deal falls through, in two weeks the City Council will approve a final budget with hard hits to many.
Vina - "Unfortunately, we'll have to carry some reductions and position eliminations."

TRACY BUSINESSES - THE CITY OF TRACY APPROVED A PLAN TONIGHT THAT WOULD HELP STRUGGLING SMALL BUSINESSES STAY AFLOAT. IT'S THE CITY'S LATEST MOVE TO BOOST THE LOCAL ECONOMY. THE CITY HAS A RESERVE FUND OF ABOUT 38-MILLION DOLLARS. HARD TO BELIEVE IN AN ECONOMY LIKE THIS, BUT THE CITY STARTED INVESTING IN THIS FUND IN THE YEAR 2000 SAVING IT FOR A RAINY DAY. NOW THE ECONOMIC STORM IS IN A DOWNPOUR THAT MONEY IS BEING PUT TO GOOD USE. For Faird Zackria running his own business isn't easy. He opened Milano Pizza in Tracy three years ago not knowing the downward spiral the economy would eventually get caught in. It's not a good sign when you see businesses close about a quarter of a mile around you. That's not a good sign. AT THE COUNCIL MEETING TONIGHT THE CITY ALSO SET ASIDE ANOTHER 50-THOUSAND DOLLARS TO HELP KEEP CITY EVENTS RUNNING, INCLUDING THE JULY FOURTH FIREWORKS SHOW. THE ONLY ONE LEFT IN SAN JOAQUIN COUNTY.

SECURITY GUARD TRAINING - IF YOU'VE EVER THOUGHT ABOUT BECOMING A SECURITY GUARD THERE IS A LOT MORE TO IT THAN YOU MIGHT THINK. EVEN IF YOU MAKE THE CUT YOU STILL MAY NOT BE QUALIFIED TO CARRY A GUN AND THAT COULD PUT YOU AT GREAT RISK. These students are in training to be security guards. In July of 2004 the state of California said to become a security guard you must go through a 40 hour training course. Vicci Gritz/Universial Security Academy - All security guards have to have a minimum of 40 hours of training just to get the guard card, it's 8 hours guard class and additional 32 hours same as they're gonna carry a weapon. Here's what's included in those state requirements. Rules and regulations, report writing communication, baton training, pepper spray training, handcuff training first aid and CPR. So what % of security guards are allowed to carry weapons, you might be surprised. Vicci – I WOULD SAY 40 TO 50% THERE'S QUITE A FEW OUT THERE NOW WILL THEY ACTUALLY GET A JOB WHERE THEY CARRY A WEAPON IS ANOTHER THING. Ryan Saario is in training, and he's confident that will prepare him to carry and use a weapon. Ryan Saario/Sacramento - It is not so I can enforce rules and regulations any better it's not for respect it's not so I can threaten people, it's strictly for my protection. Vicci Gritz says all those here feel for the families of those security people killed.
Vicci Gritz/Univesal Security Academy - It could be one of our students ya know people, people we've dealt with in the past, we're all a big family a big security family. SECURITY GUARDS IN

SCHWARZENEGGER STATE BUDGET - AN UPDATE ON THE STATE'S BUDGET CRISIS. GOVERNOR SCHWARZENEGGER TOLD LAWMAKERS TODAY CALIFORNIA IS AT THE END OF IT'S ROPE AND QUICK ACTION IS NEEDED TO KEEP THE STATE FROM GOING BANKRUPT. "California's day of reckoning is here." The governor's address to a joint session of the legislature was grim. In 14 days, the state will run out of cash, with no one willing to make a loan without a budget plan in place. Our wallet is empty, our bank is closed and our credit is dried up. The governor has already laid out a plan for lawmakers cutting an additional 5.2 billion dollars from schools, laying off 5 thousand state workers and cutting pay to 200 thousand others, eliminating welfare for half a million families, taking away health care for a million low income children, and closing 220 state parks. He says he's faced the people who will be affected. "It's an awful feeling, but we have no choice." Democrats weren't eager to eliminate whole programs, especially efficient ones that bring in federal dollars. Senate Pro Tem Steinberg - Darrel Steinberg, Senate Pro Tem "we need to be surgical about the way we go about cutting.":38 and cut we will." Republicans don't see how that could be avoided. Assemblyman Sam Blakeslee, Assem. minority leader, "It's not clear that a surgical approach is realistic." Legislative leaders say they want major cost cutting plans ready for a vote in just two weeks. "That's light speed in legislative terms, but it will be an indication about how serious they are in coming up to a solution to the budget mess." THE GOAL IS TO HAVE PARTS OF THE BUDGET APPROVED BY THE CONSTITUTIONAL DEADLINE OF JUNE 15TH. BUT THAT HASN'T HAPPENED SINCE 1986, 23 YEARS AGO.

GOVERNOR INTERVIEW - WITH A 24-BILLION DOLLAR BUDGET DEFICIT LOOMING CUTS TO SCHOOLS, HEALTHCARE AND STATE JOBS ON THE LINE. WHY WOULD ANY FAMILY WANT TO LIVE HERE? THAT'S ONE QUESTION NATALIE BOMKE ASKED GOVERNOR ARNOLD SCHWARZENEGGER TODAY IN A ONE ON ONE INTERVIEW. HIS RESPONSE MAY SURPRISE YOU. "I think we're doing well with our economy and with our businesses and the kind of atmosphere I mean people love coming to California just because it's California." BUT CALIFORNIA IS STARTING TO GET A BAD RAP. WITH A STATE THAT'S MISSING BILLIONS IN REVENUE AND EYEING CUTS THAT WILL IMPACT EVERYONE FROM TEACHERS TO CAL EXPO WORKERS. WE'VE DONE OUR PART, WE PAY OUR TAXES, SO WHAT GIVES? GOVERNOR - " Sometimes we have good years, and some times we have bad years, and when you know that then you normally supposed to put money aside when you have good years, you put it in the rainy day fund and in your bad years you draw down from the rainy day fund we don't do any of that." THE GOVERNOR SAYS HE ISN'T BLAMING LAWMAKERS, BUT SPECIAL INTEREST GROUPS THAT HE SAYS HAVE PLAYED A ROLE IN SYPHONING AWAY CRUCIAL MONEY AND A 27 PERCENT DROP IN STATE REVENUE THIS YEAR HAS FUELED THE DOWNWARD SPIRAL. MANY OF OUR VIEWERS HAVE SUGGESTED CUTTING SERVICES TO ILLEGAL IMMIGRANTS AS A WAY TO PATCH UP THE HOLE. THE GOVERNOR SAYS THAT MOVE WOULD SAVE ONLY 4 BILLION DOLLARS, A SMALL CRY FROM THE 24 BILLION DOLLAR DEFICIT WE'RE FACING. GOVERNOR - "You can not deny illegals social services and hospitals or an education and schools, it's a federal judge a federal law that has made that law. I think in the end to go and use them as the scapegoat is a big mistake." THE GOVERNOR IS CALLING OUR ECONOMIC SITUATION THE WORST SINCE THE GREAT DEPRESSION AND THE CONTROLLER SAYS WE COULD RUN OUT OF CASH AS EARLY AS 14 DAYS. YOU CAN WATCH NATALIE'S ENTIRE INTERVIEW WITH GOVERNOR SCHWARZENEGGER TOMORROW MORNING AT 7:45 ON FOX40 LIVE.

MODESTO POLICE CUTS - BUDGET PROBLEMS HAVE ALREADY FORCED SACRAMENTO COUNTY TO CUT 170-DEPUTIES AND STOCKTON MAY LOSE MORE THAN 50-OFFICERS. NOW MODESTO IS DROPPING THE AX. JAMIE SORIANO, LIVE OUTSIDE MODESTO CITY HALL WITH THE LATEST ON NEGOTIATIONS. As of July 1st I will be one less officer on the streets of Modesto. Minutes later, Eric Pena and his fellow Modesto Police officers took to streets in protest. He is one of nine officers who will be laid off. The city council handed down the unanimous decision after failed contract negotiations with the police officers association. We are not just statistic. We are people. We have families. We have children. The city is trying to close a nearly 5 million dollar budget shortfall. The layoffs would save Modesto about 830-thousand dollars but officers say, the cost to public safety isn't worth it. Public safety has a price and it's a not cheap. The layoffs come at a time when crime shows no signs of slowing down, Homicides are up in the city. Now is definitely not the time to be laying off police officers. In December the city approved a ten-percent pay raise an increase they've now asked officers to postpone for one year in an effort to avoid layoffs. To me it just doesn't make any sense. If we were asking them to take pay cuts, that's one thing. But all we've asked them to do is put off their raise for a year, not to lose their raise and let's see where we're at a year from now. We have offered the city to allow us to take the 96 hours of furlough time, which is the equivalent to the one year pay increase. It comes down to the same. The numbers are the same. We have agreed to do that. The city has refused to accept that proposal.

WATER FINES PREVIEW - WATERING YOUR LAWN OR WASHING YOUR CAR DURING THE DAY COULD SOON BE AGAINST THE RULES IN SACRAMENTO. RICK BOONE IS LIVE IN SOUTH SACRAMENTO RICK, HOW WOULD CITY LEADERS ENFORCE THESE PROPOSED REGULATIONS? THERE CALLED WATER WASTE INSPECTORS. THERE ALREADY ON THE STREETS IN SACRAMENTO - AND AVAILABLE BY CALLING 311. BUT NOW THERE WORKLOAD COULD INCREASE IF NEW RULES ON SAVING WATER PASS. You got to remember we live in a desert. DOUG IS A FORMER GARDNER WHO KNOWS WHEN TO KEEP HIS WATER HOSE DRY. THE REGION IS FACING ITS 3RD CONSECUTIVE YEAR OF DROUGHT. IT'S ONLY 16 - 18 INCHES OF RAIN PER YEAR, WE NEED TO THINK ABOUT THAT. THOSE WATER WORRIES HAVE THE CITY THINKING TOO. IF RESIDENTS WATER DURING THE DAY, THEY COULD END UP PAYING A LITTLE BIT OF GREEN. We can now fine you as in before we had to make multiple trips out there to actually witness. YOU ALSO HAVE TO WATCH WHICH DAY OF THE WEEK TO WATER NEW LANDSCAPING. ODD NUMBER STREET ADDRESSES WILL WATER ON TUESDAY, THURSDAY, SATURDAY, EVEN NUMBER ADDRESSES WILL WATER ON WEDNESDAY, FRIDAY, AND SUNDAY ALSO LIMATIONS ON SPRINKLERS TO 15-MINUTES. PLUS YOUR HOSE MUST HAVE AN ATTACHMENT OR FACE A FINE. Actually we think were not going to get a lot of money out of this. We think our folks know how to use water wisely. AND DOUG SAYS YOUR LAWN JUST MIGHT BE GREENER WITH AN EARLY MORNING SOAK. If you water in the late afternoon that water can stay on the leaves most of the evening and can cause problems with the lawn. BUT JOE ORLANDO FOUND OUT SOME ARE NOT JUMPING ONBOARD THE PROGRESS TRAIN. There is a power struggle going on in Rancho Cordova between the city. Curt Haven/Director of Economic Development - We have a daytime population of about 40,000 people that visits us so they're happy with the businesses that are here. Al Gonzalez/Al's Automotive - Just to protect my business I spent $29,166 so I would be compliant. Al Gonzalez says the city is making it nearly impossible for him and other small businesses to do business in Rancho Cordova. He says city codes and zoning restrictions have either made it to expensive or impossible for small establishments to exist. City officials say not at all, they say it's necessary to rezone parts of the city, especially along Folsom Boulevard to enhance the city's image. Health and safety is important to current businesses owners here in Rancho Cordova and to the customers that visit there. How is it the city of Rancho Cordova is going forward with rezoning and all other changes when other cities are cutting back? You don't have to be a storage shed anymore you can be something different, something better. ELK GROVE WATER - THAT'S THE QUESTION FACING THOUSANDS OF PROPERTY OWNERS IN ELK GROVE. IF YOU LIVE IN THE AREA BORDERED BY HIGHWAY 99, CALVINE ROAD AND WATERMAN ROAD NEXT MONTH YOU CAN VOTE ON A NEW PARK MAINTENANCE ASSESSMENT FEE. WE ARE TALKING AN EXTRA 7 TO 10 DOLLARS A MONTH. MARK DEMSKY, LIVE IN ELK GROVE. MARK THE CITY IS PAINTING A BLEAK PICTURE IF THIS DOESN'T PASS. THE CONSUMNES COMMUITY SERVICE DISTRICT PROVIDES PARK MAINTENANCE SERVICE HERE IN ELK GROVE AND THEY'VE PUT OUT THIS FLYER SEEKING APPROVAL TO HELP KEEP THE 26 LOCAL PARKS MAINTAINED & BEAUTIFUL. THE FLYER ALSO WARNS THOUGH THAT IF THE FEE IS NOT APPROVED TREES & GRASS COULD START TO DIE AND PARKS COULD BE OVER-RUN WITH WEEDS & GRAFFITI. We are looking at closing restrooms, cutting water, grafitti clean up things we want to do, but will not be able to do if we don't have the fees. The consumnes community service district says it needs an extra 1-point-5 million an average of 100 dollars a year from each of it's roughly 15-thousand property owners to keep it's parks looking great. Understandable we have great parks they need to be maintained it would be little to ask for but with a 6-week voting-window opening May 1st, several elk grove residents we spoke with weren't so sure about a maintenance fee. Bad time for any type of a tax increase initially, i'd be against it if some of the grass goes brown, that's the way it is i'll still come out and play disc golf. The c-s-d says the last time property owners in elk grove voted on a park maintenance fee was 12-years ago and it overwhelmingly passed with 85-percent approval but what happens if the c-s-d doesn't get the funds they are seeking this time? If we don't have the funding, we'll decided what to do at that point board will decide. AGAIN, THE VOTING PERIOD GOES FROM MAY 1st THRU JUNE 17th FOR PROPERTY OWNERS HERE IN ELK GROVE. IF THE PARKS MAINTENANCE FEE PASSES IT WILL TAKE EFFECT BEGINNING JULY 1st. IF NOT THINGS MAY START LOOKING A LOT DIFFERENT AROUND HERE.

LEGALIZING MARIJUANA - AT THAT SAME PRESS CONFERENCE GOVERNOR SCHWARZENEGGER SAID IT'S TIME FOR CALIFORNIA TO START TALKING ABOUT LEGALIZING AND TAXING MARIJUANA. JAMIE SORIANO IS LIVE IN SACRAMENTO WITH SOME MIXED REACTION TO THE GOVERNOR'S STATEMENTS. GOVERNOR SCHWARZENEGGER ISN'T EXACTLY SUPPPORTING THE CHANGE BUT SAYS IT'S TIME TO HAVE THAT DEBATE. SOME CALIFORNIANS SAY IT'S LONG OVERDUE BUT OTHERS ARGUE LEGALIZING MARIJUANA IS ONLY ASKING FOR TROUBLE. We are a marijuana state and they need to chance the laws. My brother is addicted to it, so I know what it can do that's not great. Today, Governor Arnold Schwarzenegger said it's time to talk about legalizing marijuana but isn't supporting the idea. No, I don't think it's time for that, but I think it's time for a debate. Assemblyman Tom Ammiano has proposed legislation that would legalize marijuana.. and wants to tax the drug to raise revenues for California. Ammiano ducked out of his office, refusing an interview. Just because of raising revenues we have to be very careful not to make mistakes at the same time. Many Californians are split on the issue. I don't think there would be any good coming out of it people thinking it's okay to use drugs. They're going to get it anyway regardless if it's legal or not. Why shouldn't the state jump in to get a little money from it or a lot of money because there's a lot of money being made out there. It's out there. It's not hidden. Everybody knows it's out there. It's not a secret and some people aren't shy about their drug use. Yes, I do. I'm not afraid to admit that. It's just a way of life for people here in California. IN A RECENT FIELD POLL VOTERS WERE ASKED WHAT THEY'D SUPPORT TO HELP RAISE STATE REVENUES 56-PERCENT OF THOSE SURVEYED SAID THEY'D SUPPORT LEGALIZING AND TAXING MARIJUANA.

CA BUDGET WHAT'S NEXT - WE'RE LESS THAN TWO WEEKS AWAY FROM A STATEWIDE ELECTION THAT COULD MAKE OR BREAK CALIFORNIA'S BUDGET. TO AVOID ANOTHER FINANCIAL CRISIS THE PROPOSITIONS NEED TO BE PASSED BUT FINDING SUPPORT FROM VOTERS IS PROVING TO BE A TOUGH TASK FOR THE GOVERNOR. HE STARTED OUT AS THE GOOD GUY. THE TERMINATOR FROM "TERMINATOR 2" WOULD SAVE THE GOLDEN STATE. "I can promise you that when I go to Sacramento, I will pump up Sacramento." NOW HE'S TURNING INTO THE BAD GUY, MR. FREEZE FROM "BATMAN AND ROBIN." "If those initiatives fail, then there will be...billions of dollars less, so people should be aware of that." ON MAY 19, THE STATE WILL HOLD A SPECIAL ELECTION TO VOTE ON SIX PROPOSITIONS. THEY CALL FOR TOUGH CHOICES -- SPENDING CUTS, TAX HIKES, BORROWING FROM STATE LOTTERY PROFITS. IN AN ACT OF BIPARTISANSHIP, THE MEASURES WERE PUT ON THE BALLOT BY THE GOVERNOR AND LEGISLATIVE LEADERS. FORMER DEMOCRATIC GOVERNOR GRAY DAVIS SAYS THAT MAY NOT BE WHAT VOTERS REALLY WANT. "You have two conservative Republicans, two liberal Democrats, and a Centrist governor that came up with something bipartisan. The test is for California voters who consciously say they want bipartisanship is to see whether they mean it." A NEW POLL SHOWS FIVE OF THE SIX MEASURES GOING DOWN TO DEFEAT. IF THAT SHOULD HAPPEN. "There will have to be additional cuts made, if it is in fire, law enforcement, in health care, if it is in education." ONLY ONE PROPOSITION SEEMS LIKELY TO PASS. THE ONE THAT PROHIBITS A PAY RAISE FOR ELECTED OFFICIALS IF THE STATE IS RUNNING A DEFICIT. DAVIS SAYS VOTERS SHOULD BE SCARED. "We may not be able to convince the public this time that the wolf is at the door because we have cried wolf so many times. But trust me, when the door bell rings, it will be the wolf." TWO SCHOOL UNIONS AREN'T WAITING AROUND FOR THE SPECIAL ELECTION.THEY'RE SUING THE STATE. THE CALIFORNIA FEDERATION OF TEACHERS AND THE S-E-I-U WANT TO FORCE THE STATE TO GIVE SCHOOLS AND COMMUNITY COLLEGES 12 BILLION DOLLARS THEY SAY THEY'RE DUE. PROP 1B WOULD PROVIDE NEARLY 10 BILLION IN SCHOOL FUNDING BUT ONLY IF BOTH IT AND PROP 1A PASS.

CAL EXPO PROPOSED SALE - THE PLAN COULD GENERATE HUNDREDS OF MILLIONS IF NOT BILLIONS OF DOLLARS FOR THE CASH-STRAPPED STATE. THE GOVERNOR'S EXPECTED TO GO PUBLIC WITH THE PROPOSAL TOMORROW. JAMIE SORIANO IS LIVE AT CAL EXPO WITH MORE ON THE POSSIBLE SALE. TOMORROW THE GOVERNOR WILL

ANNOUNCE HIS TWO REVISED BUDGET PLANS. ONE BASED ON NEXT WEEK'S SPECIAL ELECTION PASSING AND ONE IF IT FAILS. PART OF IT INCLUDES SELLING OFF PROPERTIES INCLUDING CAL EXPO. You see them all over the place posted in front yards in just about every neighborhood and now you could see a "For Sale" sign outside Sacramento's Cal Expo. It's one of several state properties Governor Schwarzenegger is proposing to sell to generate revenue for the state. There's certain assets in the state that we believe could be performing better or that we could maybe get some money out of. Also potentially on the market Los Angeles Memorial Coliseum, San Quentin State Prison in Marin County, and the Cow Palace in Daly City. The Governor supports trying to get as much out of the assets we have in the state.. That's why he's always talked about getting more out of the lottery. So he'll be talking about that tomorrow. Selling the assets would raise between six hundred million and one billion dollars but would not provide relief to state coffers for two to five years. It's been proposed by different legislators and it's an idea that we certainly think may be a good idea. One of those lawmakers is Senator Jeff Denham. He's behind a series of bills that would require the sale of San Quentin State Prison and other properties. On Fox Business Channel today the senator spoke from the prison. Realtors will be jumping at the opportunity to sell this thing.

LODI COUNCIL PRAYER - THE LODI CITY COUNCIL IS BEING THREATENED BY A LAWSUIT IF IT DOESN'T EXCLUDE 'JESUS CHRIST' FROM PRE-MEETING PRAYERS. LONNIE WONG TELLS US HOW IT WILL LIKELY BE RESOLVED.

Shawn Sanborn - If a guy wants to pray or say something like that why not? I just don't get it. Many Lodi residents can't figure out why this is such a big deal.
"heavenly Father I come to you in the name of jesus.."I pray for the council..." But the Freedom From Religion Foundation in Wisconsin says praying to "Jesus" violates rules against non-sectarian, non-denominational invocations.
We pray very generically, Pastor Bill Cummins is one of many religious leaders who has given prayers at the council meetings. "the Imam from the Mosque is invited, the priest from the Buddhist Temple is invited, so no one is really excluded. He reminds us that sessions of Congress and the state legislature open with prayers. Lonnie Wong - "some constitutional scholars say the difference is this that unlike Congress and the floors of the legislature, people comes to city council to make their case on important issues." Susan Mogull, Americans United for Separation of Church and State - "religion and government should be separate." Susan Mogull of Americans United for Separation of Church and State says we should eliminate any appearance of religious prejudice. "in making some people insiders and others outsiders." Which fuels the debate about harmful this is. 'in Jesus name, Amen, Amen." "the country was based on a Christian background, you know, "our laws don't need to be influenced by religion." they're wrong to take it away." THE SUPREME COURT RULED IN ONE CASE THAT INNVOCATIONS IN A GOVERNMENT SETTING ARE OKAY AS LONG AS IT DOESN'T PUSH BELIEFS ON OTHERS. THE LODI CITY COUNCIL WILL DECIDE ON HOW TO RESPOND TO THE COMPLAINT NEXT WEEK.

BILLS BESIDES BUDGET - LESS THAN THREE WEEKS TO START THE STATE'S NEW FISCAL YEAR BUT A BUDGET DEAL SEEMS A LIFE-TIME AWAY. LAWMAKERS NEED TO COME TOGETHER TO SLASH BILLIONS SO WHY ARE THEY FOCUSED ON THINGS LIKE POMEGRANATES AND BLUEBERRIES? THE STATE FACES A 24-POINT-THREE BILLION DOLLAR DEFICIT AND THE PROSPECT OF RUNNING OUT OF CASH BY LATE JULY BUT INSTEAD OF BUDGET SOME LAWMAKERS HAVE BLUEBERRIES ON THE BRAIN. THAT HAS SOME CALIFORNIANS ARE ASKING IS THE BUDGET TAKING A BACKSEAT? They're wasting their time doing stuff like that? As California struggles with its budget crisis some lawmakers have their minds on other matters. One bill being debated in the legislature would ensure juice sold as "pomegranate" is 100-percent pomegranate. Another would establish a blueberry commission to promote California's growing blueberry industry. I think it's ridiculous a waste of time. My taxpayer money doesn't need to go for stuff like that, I'm sorry. The assemblywoman behind the blueberry bill says she understands the urgency of solving the budget crisis but that lawmakers can't neglect their other responsibilities. That is our job as legislators to author and sponsor bills based on the need and the issues concerning our constituents. Among other eyebrow-raising bills are ones that would teach 9th and 10th graders the value of organ donation. Ban toy cigarette lighters and ensure the name tags of medical workers are in 18-point font. I just think it's silly. I don't understand it. Maybe there's something behind it seniors can't read the name fonts? A spokesman for Governor Schwarzenegger says the bottom line here is getting a budget passed and passed quickly. There's 120 legislators upstairs and they all have the ability to bring forth whatever ideas they think they ought to. But we're not focused on blueberries or pomegranates or name tags. We're focused on trying to get our budget solved as quickly as possible. LEGISLATIVE LEADERS ARE HOLDING DAILY HEARINGS ON HOW TO CLOSE THE BUDGET DEFICIT EVEN IF INDIVIDUAL LAWMAKERS ARE PROMOTING THEIR OWN BILLS IN A TYPICAL YEAR STATE LAWMAKERS INTRODUCE ABOUT 28-HUNDRED BILLS A THIRD OF THEM ARE USUALLY APPROVED.

MORNING AFTER PILL - A FEDERAL JUDGE HAS REMOVED THE "18 YEARS AND OLDER" AGE RESTRICTION ON THE EMERGENCY CONTRACEPTIVE PILL CALLED "PLAN B". YOU DON'T NEED A PARENT'S PERMISSION OR A DOCTOR'S NOTE TO GET IT. JAMIE SORIANO IS LIVE IN SACRAMENTO WHERE THERE'S DEBATE OVER THE MESSAGE THIS RULING IS SENDING. PART OF THE CONTROVERSY IS THE EASY ACCESS TO THE MORNING AFTER PILL. IT'S AS SIMPLE AS WALKING INTO A PHARMACY LIKE THIS ONE AND PAYING BETWEEN 35 AND 60 DOLLARS FOR IT. NO PRESCRIPTION, NO PARENTAL CONSENT JUST AN ID SHOWING YOU'RE AT LEAST 17. It was the right decision. It should've been the decision well before politics interfered with it. Supporters of the morning after pill are commending the FDA for going along with a judge's ruling, lifting the age limit. The FDA should not be involved in politics. They should be involved in science and medicine. But many parents worry the decision could actually encourage promiscuity and that the morning after pill would be looked at as more than emergency contraception. At that age it's possible that the morning after pill could become a use of birth control, which would not be a good idea. There's always a chance for abuse. People use abortion as a form of birth control. Some question whether at just 17 a girl is old enough to handle this kind of responsibility. I just think they're being give a responsibility that is beyond their maturity level. Once you're 17, you're a year away from being older. That gives you the responsibility as an adult to take care of your own body. And then there's the debate over whether or not the morning after pill is equivalent to an abortion. Because I'm Christian, I believe that life begins at conception. It is not at all a form of abortion as some would say, but rather is a mechanism, a backup to failed birth control.

SWINE FLU - HEALTH OFFICIALS ARE TAKING NO CHANCES WITH THE SPREAD OF THIS MYSTERIOUS FLU. GOVERNOR SCHWARZENEGGER HAS ORDERED A SWIFT RESPONSE BY THE STATE'S HEALTH DEPARTMENT AND IS PUTTING ALL CALIFORNIA HOSPITALS ON ALERT. THIS AFTER WE LEARNED THE FLU RESPONSIBLE FOR KILLING 68 PEOPLE AND SICKENING A THOUSAND IN MEXICO IS THE SAME STRAIN POPPING UP IN THE U-S. SIX CASES HAVE BEEN CONFIRMED IN CALIFORNIA SO FAR. MARK DEMSKY LIVE AT THE STATE'S HEALTH OFFICE TONIGHT WITH JUST HOW SERIOUS THIS IS. YOU MENTIONED THE NUMBER OF DEATHS IN MEXICO IT SHOULD BE NOTED THAT NONE OF THE 8 CASES SO FAR HERE IN THE U-S HAVE BEEN FATAL. IN FACT, ALL 8 HAVE RECOVERED FROM THE SWINE FLU BUT, WHAT HAS HEALTH OFFICIALS SO CONCERNED IS THAT THE VIRUS HAS THE POTENTIAL TO BE SPREAD WITH HUMAN-TO-HUMAN CONTACT. THE CONCERN IS THIS VIRUS IS A NOVEL VIRUS MEANING THERE'S NOT MUCH KNOWLEDGE ABOUT IT HUMAN'S HAVE NEVER BEEN EXPOSED TO IT BEFORE IT HAS THE POTENTIAL TO SPREAD QUICKLY AND THERE IS NO IMMUNITY FOR IT. WHILE IT'S STILL TOO EARLY TO SAY FOR CERTAIN WHETHER A SWINE FLU PANDEMIC IS POSSIBLE THE GOVERNMENT'S CONCERN HAS GROWN CONSIDERABLY IN THE PAST 24-HOURS. WE MAY BE HEADED IN THAT DIRECTION (PANDEMIC) IT'S A VIRUS WITH THAT POTENTIAL. THE SWINE VIRUS ITSELF IS BELIEVED TO BE A MIX OF VIRUSES FROM PIGS, BIRDS AND HUMANS. DESPITE THE PREVAILING CONCERN, SOME STILL BELIEVE THAT IT IS NOT QUITE TIME TO CONSIDER THIS VIRUS A MAJOR PUBLIC HEALTH THREAT. THERE'S ALWAYS SOMETHING ABOUT DISEASES THAT CONCERNS PEOPLE IF IT GETS OUT OF CONTROL THEN THAT'S TOO BAD SO FAR, I'M NOT CONCERNED. WHAT'S NEXT FOR HEALTH OFFICIALS? TO CONFIRM THAT THE STRAIN OF SWINE FLU FOUND IN CALIFORNIA & TEXAS IS THE SAME STRAIN THAT HAS PROVED FATAL IN MEXICO AND EXACTLY HOW IT IS TRANSFERED. WE HAVE A SUSPICION IT'S HUMAN-TO-HUMAN DETERMINING THAT WOULD BE CRITICAL THEN WE'LL KNOW IF IT HAS THE POTENTIAL TO BECOME A PANDEMIC. WHILE THE POTENTIAL IS THERE, IT'S STILL A VERY LOW PROBABILITY THAT THIS WILL EVER BECOME A PANDEMIC. MANY DIFFERENT FACTORS MUST STILL ALL COME TOGETHER IN ORDER FOR IT TO HAPPEN...ALMOST LIKE A "PERFECT STORM" AND, WE ALL KNOW THE LEVEL OF PLANNING THIS COUNTRY HAS PUT IN PLACE TO MAKE SURE IT DOESN'T HAPPEN...IS UNPRECEDENTED.

AVOIDING PORK - THE "SO-CALLED" SWINE FLU IS GIVING THE PORK INDUSTRY A BAD NAME.FARMERS ARE PLEADING FOR THE NATION TO USE THE SCIENTIFIC NAME FOR THE DISEASE H-ONE-N-ONE. DENNIS SHANAHAN JOINS US NOW WITH THAT PART OF THE STORY. THE PORK INDUSTRY,THE OTHER WHITE MEAT IS HURTING BECAUSE OF A MISCONCEPTION. SOME PEOPLE APPARENTLY BELIEVE THEY CAN GET THE DISEASE FROM EATING PORK. NOW PIG FARMERS DESPERATELY WANT PEOPLE TO SHED THAT FALSE BELIEF. AT THE LA SUPERIOR MARKET IN SACRAMENTO, WE FOUND PLENTY OF PORK FOR SALE AND PEOPLE CONFIDENTLY PURCHASING IT WITH NO FEAR OF INFLUENZA. "We love carnitas, so that's what we're having tonight for dinner." THIS STORE SAYS PORK SALES ARE ONLY SLIGHTLY DOWN BUT IT'S A DIFFERENT STORY ON THE NATIONAL MARKET WHERE PORK FUTURES DROPPED FOR THE THIRD DAY IN A ROW. "We're gonna' be losing a lot more money and put a lot more people out of business. Family farms are gonna' be gone." STEVE WEAVER, PRESIDENT OF THE NATIONAL PORK BOARD, SAYS THE TERM "SWINE FLU" IS A MISLEADING LABEL. "Has nothing to do with a pig. Hasn't been found in a pig anywhere in the world. But we're condemned. We're losing market." THIS DISEASE-NAMING DEBATE IS PLAYING OUT NIGHTLY ON A NATIONAL STAGE.

"That's not sexy." "It really isn't catchy, no." "Actually, once you say H1N1 a few times, it does roll off the tongue." AND AS TMZ FOUND OUT, THE TERM SWINE FLU CONFUSES EVEN THE MOST SCHOLARLY AMONG US. "You worried about the swine flu Paris? Have you heard of the swine flu." "I don't eat that." BUT IT'S NO LAUGHING MATTER FOR A PORK INDUSTRY ALREADY SMARTING FROM THE MUDDIED ECONOMY. "You can't get it from eating the meat. And there's no proof that you could ever get it from the pig itself." IN FACT, WEAVER SAYS THE U-S PRODUCES THE SAFEST PORK IN THE ENTIRE WORLD.

SWINE FLU CLOSURES - NEW POSSIBLE CASES OF THE SWINE FLU POPPING UP IN OUR AREA FORCING SCHOOLS TO TAKE ACTION. TONIGHT EL DORADO COUNTY IS SAYING IT WILL CLOSE CAMINO HIGH SCHOOL AFTER 3 PROBABLE CASES WERE FOUND IN STUDENTS. THIS AS SCHOOL OFFICIALS IN DAVIS ARE EXTENDING THE CLOSURE OF HOLMES JUNIOR HIGH SCHOOL BECAUSE OF A PROBABLE CASE IN A STUDENT. JAMIE SORIANO IS LIVE IN DAVIS WITH THE IMPACT THESE CLOSURES ARE HAVING ON STUDENTS AND THEIR FAMILIES. When we found out we were like screaming and we went and washed our hands. Holmes Junior High School students in Davis are now being shut out of campus for not one week, but two. The closure was expanded after district officials followed recommendations from the CDC and health department. The school sign hasn't been changed yet. School is closed until May 14th. My friend says she knows who the person is It's an eighth grader, but it's just a probable case so I'm not that concerned, but it's kind of scary. That one student is said to have fully recovered. As a precaution classrooms were disinfected yesterday. I'm kind of disappointed because I like to go to school and see everyone. So I'm sad that we have to stay home and stuff. They want us to stay home. We're not allowed to attend any kind of school function or activity. Other students are looking at it as an extra vacation. I think it's spring break all over again. If it prevents some people from getting sick or worse, then it turns out to be a good thing. I think they're being responsible. I think probably they're overacting some. But after all, this is Davis. The school is still trying to work out exactly how students will continue to receive school work during the two weeks. The school, I think, they're saying they're going to have teachers send school work home via email. So he'll have things to keep busy.

HOME ETHANOL MAKER - ETHANOL HAS ALWAYS HAD THE POTENTIAL TO REPLACE FOREIGN OIL TO FUEL OUR CARS. THE PROBLEM HAS ALWAYS BEEN WHERE TO GET IT. LONNIE WONG TELLS WHY IT ISN'T A PROBLEM ANY MORE. If you could only have one of these at your house, Wait a minute, you can. Floyd Butterfield, Ethanol Engineer "it was really meant to be just like a gas station." This fuel pump is actually a mini-ethanol plant the size of a refrigerator. Lonnie Wong "talk about reducing your reliance on foreign oil. Now you have access to local fuel that you can refine in your own home." Plug it in, attach a garden hose, and add sugary organic waste like this. Chris 'it's got a beer scent to it, and it produces ethanol. Floyd Butterfield, Ethanol Engineer "this is meant to produce ten gallons a day." To put in your flex fuel car, or to power a generator for electricity.
Tom Quinn, Efuel Corporation "for once there's really a competitor on the market for fossil fuel. Instead of powering large plants and transporting gas or ethanol to the user, the user makes it him and herself with organic waste. Tom Quinn 'you roll it up to a restaurant, you roll it up to your home28 and now communities can tap into that waste and immediately make it into a fuel." Chris Ursitti, Ceo Greenhouse 'it's got a beer scent to it. Businesses like breweries or soda bottlers have access to sugary waste to convert. But a company called Greenhouse will deliver it to you for free and won't charge you for installing the microfueler units. Chris "this is taking and giving everybody a way to say, "I don't have to go to a gas station?" In exchange, you'll pay them about two bucks a gallon for the ethanol you produce and use. It can cost you 25 cents a gallon if you buy your own unit and provide your own organic waste. THE GREENHOUSE COMPANY WON'T OPERATE IN NORTHERN CALIFORNIA UNTIL 2010. BUT YOU CAN BUY YOUR OWN MICRO-FUELER UNIT FOR ABOUT 10-THOUSAND DOLLARS MINUS GENEROUS FEDERAL TAX CREDITS. YOU CAN GO TO THE WEBSITE "MICROFUELER DOT COM" TO FIND OUT MORE.

PUTTING ECO BEAUTY TO TEST - THERE'S NO DOUBT THE LABELS "ECO-FRIENDLY" AND "ALL NATURAL" ARE TRENDY THESE DAYS EVEN WHEN IT COMES TO BEAUTY PRODUCTS. HERE'S HOW SOME OF THOSE POPULAR NEW CHOICES RATE AGAINST YOUR OLD FAVORITES. NATURAL BEAUTY PRODUCTS MAY LINE THE STORE SHELVES THESE DAYS, BUT ARE THEY REALLY AS GOOD AS THEIR TRADITIONAL COUNTERPARTS? Susie Galvez, Author, Ageless Remedies "How long does it last? Is it better or worse? Am I going to have a, um, allergic reaction from it?" BEAUTY AUTHOR SUSIE GALVEZ GETS THOSE QUESTIONS FROM WOMEN ALL THE TIME. Susie Galvez, Author, Ageless Remedies "Read the back of the product. Make sure you can understand a lot of the ingredients. If those ingredients are safe for your skin and you haven't had a reaction, then you should be ok." BUT WHAT WE REALLY WANT IS A SIDE BY SIDE COMPARISON, SO LETS SAMPLE SOME PRODUCTS. FIRST UP-JOSIE MARAN COSMETICS MASCARA. MADISON TRIED IT AND THE TRADITIONAL TYPE-ONE ON EACH EYE-THEN WENT TO WORK CUTTING ONIONS. THEY BOTH WORKED WELL! Madison Wellington, Actress, Stay at home mom "I'm tearing up, but look, no, no, no, this is running, but the mascara is not running." NEXT, WE COMPARED HAIRSPRAYS. THEY BOTH HELD UP, THOUGH ROYALS LIKED THE MORE-NATURAL FEEL OF THE ECO ALTERNATIVE, INTELLIGENT NUTRIENTS WHICH CLAIMS IT'S SAFE ENOUGH TO DRINK! Royals Digler, Student - "It was a little lemony and everything's so natural in it that you can drink it, so I guess it's safe enough for my hair." TANYA PUT TRADITIONAL NAIL POLISH ON ONE HAND, AND NATURAL ATLERNATIVE SPA RITUAL --ON THE OTHER THEN TOOK ON THE DISHES. Tanya Acker, Attorney "I find the natural polish, it held up incredibly well." ECO BEAUTY PRODUCTS HAVE COME A LONG WAY, BUT EXPERTS WARN IF IT'S ECO YOU WANT, MAKE SURE IT'S REALLY GREEN. Rachel Lincoln Sarnoff, Ecostiletto.com "Make sure you understand the ingredients that are in your beauty products...all the ingredients are real things, aloe, milk proteins, essential oils." AND AS WITH ANYTHING ELSE...YOU MAY HAVE TO TRY MORE THAN ONE ECO-PRODUCT TO GET THE RIGHT FIT. ANOTHER COOL TREND WITH ECOBEAUTY PRODUCTS...SOME ARE SO NATURAL, EVEN THE PACKAGING IS GREEN. CANTU INVESTIGATION - This is the last time Sandra Cantu was seen. Home surveillance video shows a happy eight year old girl skipping and flicking her hair the day she disappeared.. It's the daughter Maria Chavez misses so much. Nobody should have to go through this, nobody. Family members say this video proves Sandra didn't leave on her own. Hopefully I want that to show, she was not an unhappy kid. She would not runaway. She was an eight year old girl. Somebody took advantage of her. She's been missing now for eight days but the attention hasn't died down. A memorial outside Sandra's mobile home park continues to grow. Flyers are posted all over town but it's not just in Tracy. Sandra's story has received national coverage including tonight's broadcast of America's Most Wanted. It's national. It's everywhere. I hope it's helped a lot. The flyers, the press, the media. At another candle light vigil a community prayed for her safe return. Earlier in the day, Sandra's mother made another desperate plea to find her daughter. Mommy loves you so much. I'm waiting for you to come home to me. I miss you. Whoever has her, just please let her go. No questions asked. Just let her go to a restaurant or store, anywhere. I want my little girl back.

CANTU AMW LEADS - TOMORROW WILL MARK THE 11TH DAY THAT 8 YEAR OLD SANDRA CANTU'S BEEN MISSING. THE VOLUNTEER EFFORT HAS NOW BEEN SCALED BACK BUT ROWENA SHADDOX IS LIVE WITH HOW A POSSIBLE SANDRA SIGHTING IS GENERATING SOME INTEREST. AN OAKLAND MAN BELIEVES HE MAY HAVE SEEN SANDRA ON A FISHING BOAT LAST WEEK AND TRIED TO REPORT THE POSSIBLE SIGHTING TO POLICE BUT THEY NEVER GOT BACK TO HIM AND IT TOOK JOHNNY WILLIAMS DRIVING FROM HIS HOME IN OAKLAND TODAY, TO FINALLY GET THEM TO LISTEN. WITH MORE THAN A THOUSAND LEADS POURING IN detectives haven't gotten any new information following THE BROADCAST OF SANDRA'S STORY ON AMERICA'S MOST WANTED LAST NIGHT Or from survelliance video, capturing the last time Sandra was outside her home. "hasn't generated anything that we were hoping for. " BUT SOMEWHERE LOST IN ALL THOSE TIPS WAS A POTENTIAL LEAD THAT'S JUST NOW CATCHING OFFICER'S ATTENTION. Johnny Williams and his niece were out on the water in the area Thursday afternoon, when he saw a man on another boat with SOMEONE he believes was Sandra Cantu. "I seen that he had a small young girl in there, blonde hair, about eight or nine years old." "he was very strange. He was a white male, with a... Just a moustache." Williams said it was the man's demeanor that got him to take notice. And after several turns with the boat, Williams said the girl waved. He got the feeling she was coerced TO SHOW that everything was alright. "everything was very strange about this everything, the behavior, everybody's behavior was very strange." Williams tried to report what he saw to police that evening, and AGAIN on Saturday. But they never called him back. So today, he drove 50 MILES FROM OAKLAND to Tracy ,TO CONNECT WITH POLICE IN PERSON AT TODAY'S NEWS CONFERENCE. "How long does it take you to follow up on a lead? I'm sorry. I said, how long does it take you to follow up on a lead?" Only then was he able to express his frustration. Afterwards, the department spokesman walked Williams inside where they got his information. Police confirmed they put out info on a partial license plate of an 18-foot white bass boat, the girl was on. POLICE WANT THE PUBLIC TO KNOW THAT SANDRA'S FAMILY IS NOW SPEAKING THROUGH A POLICE REPRESENTATIVE, THAT'S BECAUSE THERE HAVE BEEN A NUMBER OF GROUPS RAISING MONEY BY SELLING ANYTHING FROM T-SHIRTS TO BROWNIES, IN THE NAME OF SANDRA'S FAMILY. POLICE SAID IF YOU'D LIKE TO DONATE, YOU CAN DO IT THROUGH TRACY CRIME STOPPERS OR THE SUND-CARRINGTON FOUNDATION.

DRUNK SWIMMER DEATH - IT'S SOMETHING YOU'LL SEE A LOT OF AROUND LOCAL POOLS THIS SUMMER AND TONIGHT IT LIKELY CAUSED A SACRAMENTO MAN HIS LIFE. THE 48 YEAR OLD DROWNED AFTER DRINKING ALCOHOL AT HIS APARTMENT POOL. ROWENA SHADDOX JOINS US WITH HOW HIS ACCIDENT IS A WAKE UP CALL FOR ALL OF US. We've seen it happen here before. People drinking, then getting into the water. Usually it's on the river. Christian Pebbles. "At least 50 percent of adult drownings are alcohol-related." Today, it was at an apartment swimming pool. And the choice 48-year-old Mark Paul made, proved to be his last. David Fisher "Just kinda sad. Whatever the situation. I'm sorry that it happened." Emergency CREWS said Paul drank lots of alcohol, then got into the pool and drowned. Pebbles "we drink alcohol to relax. We go swimming to relax. We don't want to mix the two." David Fisher's apartment faces that pool at the Village Green Clubhouse.
People are always in the pool, but he said no one's ever drowned there. "It's all about taking action for your responsibility. Knowing that there is a risk if you're there, if you're drinking, if you're running, jumping. Whatever it says not to do, then... If you're responsible, things are gonna happen." The pool WAS eerily still following the drowning. Half-drank 40's sat unattended, and like the drowned man, a pair of sunglasses sunk to the bottom of the pool. A woman who witnessed the drowning and called for help, was too traumatized to talk about it. After pulling him out CREWS DID CPR but it was already just too late. Christian Pebbles "It's really sad that this guy had to die today because it was totally preventable." A GROUNDS KEEPER HELPED PULL PAUL FROM THE POOL, AND INITIATED C-P-R, EVEN BEFORE PARAMEDICS GOT THERE.

COP SHOOTING - ANOTHER FIRE DAMAGED A UNIFORM BUSINESS IN NATOMAS. CREWS WERE CALLED TO THE ARAMARK COMPANY ON NATIONAL DRIVE AROUND ELEVEN THIS MORNING. THE FIRE BROKE OUT IN A STORAGE AREA THAT HAD BINS OF TOWELS AND OTHER CLOTH MATERIALS. A FIRE SPRINKLER SYSTEM KEPT THE FIRE CONTAINED UNTIL FIREFIGHTERS WERE ABLE TO PUT IT OUT. NO ONE WAS HURT AND NO WORD WHAT STARTED IT. It was exactly one week ago today that Sacramento police Officer Tyson Butler was shot during a routine traffic stop in South Sacramento. Today, Fox 40 spoke exclusively with Officer Tyson Butler's wife. "Mrs. Butler said her husband is doing well, despite all of his injuries. And that he is expected to spend several more days here at UC Davis Medical Center." Butler, who's been an officer for three years, suffered a bullet wound which caused extensive nerve damage to his right arm. He's scheduled to undergo more surgery this week. Last Sunday afternoon, Butler stopped suspect Jose Munoz on Business Drive, when police said Munoz ambushed the officer. Chief Rick Braziel "The officer's getting out of his vehicle. The driver, the suspect in the shooting, just reached out his window and fire two rounds at the officer." The other bullet struck Butler in the thigh. Butler's wife wanted to thank the community for the support of her husband. She asked for privacy so the family can concentrate on Tyson's recovery.

SECURITY GUARDS KILLED - CLOSE FRIENDS OF TWO STOCKTON SECURITY GUARDS SHOT IN COLD BLOOD ARE SPEAKING OUT TONIGHT, ASKING WHO WOULD DO THIS AND WHY? MEANWHILE, POLICE CONTINUE THE SEARCH FOR THEIR KILLERS, THERE ARE STILL NO ARRESTS TONIGHT. POLICE ARE WORKING AROUND THE CLOCK TRYING TO PIECE TOGETHER WHAT HAPPENED. INVESTIGATORS ARE GOING THROUGH SURVEILLANCE VIDEO HOPING SOMETHING ON THAT VIDEO WILL LEAD THEM TO THE KILLERS. MEANWHILE, A MAKESHIFT MEMORIAL STILL MARKS THE PARKING SPACES WHERE THE TWO MEN WERE MURDERED. It just makes me sick that somebody could do that to two people and just walk away like nothing, nothing. Friends of Oscar Cazares can't believe he's gone. I said oh, lord, They told me they shot him, they killed him. FOURTY SIX year old Cazares and 50 year old Eugene McCormick were killed early Tuesday morning. The two security guards were shot while sitting in their cars at the Park Village Apartment complex in Stockton. While police search for their killer residents of the complex held a vigil praying for the men who watched over them. Gladys Stokes is one of McCormick's closest friends. She rushed home from a trip to Chicago immediately after hearing the news and attended today's vigil. I can not believe it. I can not believe it. I just saw him Sunday. She had this to say to her friend's killer. Please turn yourself in. Please turn yourself in. Friends of both men say they don't know anyone who'd want to hurt them. But a friend of Casarez says the security guard used pepper spray on a resident of the complex just five days ago and worries that may be behind his death. Casarez was like an uncle to Andy Pulido. I'm very angry. Of course, I'm hurting. I just hope that when he died he didn't feel pain.

LIGHTNING DANGERS - FOLKS IN OTHER PARTS OF THE COUNTRY MAY BE MORE ACCUSTOMED TO SEVERE WEATHER BUT THOSE OF US HERE IN THE VALLEY NOT SO EXPERIENCED AND KNOWING WHAT TO DO IN A LIGHTNING STORM MAY BE THE DIFFERENCE BETWEEN LIFE AND DEATH. LOUISA HODGE JOINS US NOW WITH A LOOK AT WHAT YOU SHOULD DO, IF LIGHTNING STRIKES AGAIN. WHEN YOU ARE OUTSIDE YOU DON'T WANT TO BE THE HIGHEST, LONE OBJECT OR EVEN NEAR A LONE OBJECT LIKE A TREE, OF COURSE THE SAFEST THING TO DO IF YOU SEE LIGHTNING IS TO BE INSIDE NOT UNDER A COVERING BUT ACTUALLY INSIDE. I thought there was going to be an alien invasion. As far as alien invasions go, this storm was the mother ship. We were driving in the lightning for a little bit and I felt like it was going to attack me. I woke up three or four times cuz it was so loud. While this untypical severe weather caused varying concerns. He kept me awake most of the night with the lightning. He's scared to death of it. I was worried about the power going out because I was playing x-box and watching TV. The biggest worry for meteorologists is that valley residents don't know how to stay safe. We have a lot of stories where people were eight to 10 miles away from the storm itself and were struck and killed by lightning. When I went outside it was lightning strike after strike and then it was thundering and see I'm from Canada so when you see weather like that it's tornado and gotta get in your basement. While you don't have to run for the basements in these type of storms... National Weather Service Meteorologist Kathy Hoxsie says there are some things you need to be aware of. If they are on a land line phone or if they are in the shower or anywhere near electrical devices that if the lightning strike hits the ground then it can travel very easily through pipes, plumbing electrical wires and they can be injured quite severely. While the day after the storm left blue skies and sunshine it also left most with a story to tell. The thunder and lightning made an opening for this wonderful graduation we just had. After the thunder came the sunlight. GETTING IN A CAR IS ACTUALLY PRETTY SAFE UNLESS YOU ARE TOUCHING THE FRAME OF THE CAR AND EVEN THEN YOU COULD FEEL A SHOCK FROM A LIGHTNING STRIKE BUT IT WON'T GO THROUGH YOU.

FAIRFIELD GANG INJUNCTION - THE CITY OF FAIRFIELD IS A STEP CLOSER TO IMPLEMENTING A MAJOR CRACKDOWN ON A NOTORIOUS STREET GANG. IT WOULD SET UP A SAFETY ZONE WHERE IDENTIFIED MEMBERS WOULD BE BANNED FROM GATHERING IN PUBLIC AND HAVE A 10 P-M TO 5 A-M CURFEW. POLICE TRIED TO EASE CONCERNS THAT RACIAL PROFILING WOULD BE INVOLVED. In order to be validated, established by this state this has nothing to do with race, everything to do with behavior, plain and simple. THE CITY HAS ALREADY IDENTIFIED 19 OF 28 GANG MEMBERS. AIRPORT LIGHTNING - LIGHTNING CAN DELAY FLIGHTS, GROUND PLANES AND MESS UP YOUR WEEKEND PLANS. DARSHA PHILIPS TELLS US ABOUT FLYERS FEARS AND WHEN EXPERTS SAY IT'S OKAY TO TAKE OFF IN TO THE NOT-SO-FRIENDLY SKIES
Debra Little - I kept seeing a light in the sky, I kept getting up and looking through the blind saying, is this going to stop my flight? TRAVELERS ARRIVE EARLY AT SAC INTERNATIONAL AIRPORT HOPING MOTHER NATURE DOESN'T RUIN THEIR WEEKEND PLANS.
Cody Carter - I pretty much slept through it but my friend here was scared. THESE GUYS ARE COMPETING IN A HALO TOURNAMENT IN THE MIDWEST, THEY WERE WATCHING THE BOARD AND THE SKIES FOR ANY DELAYS. OFFICIALS AT SAC INTERNATIONAL WERE ALSO KEEPING THEIR EYES ON THE STORM. When lighting is within 5 miles of the airport we suspend all fueling operations at the airport until lighting has passed. BUT THE QUESTION OF WHETHER TO FLY OR NOT TO FLY IS REALLY LEFT UP TO THE PILOT AND MOST TRAVELERS SAY THEY TRUST THEIR PILOTS JUDGEMENT IN THE AIR OR ON THE GROUND. I'm a little nervous to take off but once we are in the air. I just fall asleep. SAC COUNTY PUBLIC SAFETY CUTS - SACRAMENTO'S SHERIFF DELIVERED SOME STRONG WORDS TO COUNTY LEADERS TODAY. JOHN MCGUINNESS WARNS THAT PROPOSED BUDGET CUTS COULD PUT THE PUBLIC AT RISK. DENNIS SHANAHAN IS LIVE IN SACRAMENTO COUNTY WHERE THE SHERIFF SAYS LAWLESSNESS COULD BECOME THE ORDER OF THE DAY. SHERIFF MCGINNESS REMINDED COUNTY SUPERVISORS TODAY THAT THEY HAVE PLEDGED TO MAKE PUBLIC SAFETY A TOP PRIORITY BUT YOU COULD SAY THOSE PLEDGES ARE NOW CLASHING WITH A PROJECTED 187 MILLION DOLLAR BUDGET SHORTFALL A SHORTFALL THAT COULD TAKE OFFICERS OFF THESE STREETS. ON A BEAUTIFUL NIGHT FOR A BBQ IN SACRAMENTO COUNTY, WE FOUND THIS FAMILY RELAXING IN FRONT OF THEIR HOME ON EDISON AVENUE. BUT THEY SAY IT'S NOT ALWAYS THIS PEACEFUL HERE. "You know, I see people stop at our corner. They're fighting here. They fight across the street you know sometimes. I hear gunshots going off." THIS FAMILY WOULD LIKE THE SHERIFF'S DEPARTMENT TO PATROL THEIR STREET MORE OFTEN. BUT IF PROPOSED BUDGET CUTS GO INTO EFFECT, SHERIFF JOHN MCGINNESS HIMSELF SAYS EVERYONE WHO LIVES IN THE COUNTY SHOULD BE WORRIED. "It will become known as the place where disrespect for law is the order of the day. And I think there'll be little if any hope for economic recovery." THE SHERIFF DELIVERED THAT STRONG MESSAGE TO THE BOARD OF SUPERVISORS TODAY...A BOARD THAT IS CONSIDERING CUTTING ABOUT 80-MILLION DOLLARS FROM THE SHERIFF'S DEPARTMENT'S BUDGET. "The county deserves better. We all have pledged better. And the employees of the Sheriff's Department deserve better." MCGINNESS SAYS 370 EMPLOYEES OF THE SHERIFF'S DEPARTMENT WOULD HAVE TO BE LAID OFF IF THE PROPOSED CUTS ARE APPROVED AND DEPUTIES WOULD BE ABLE TO RESPOND ONLY TO LIFE AND DEATH EMERGENCIES. "There's no scare tactics involved here. This is very very real." "We feel the same pain you do. But the one thing we have to do, of course John, is work together, try to work this thing out." MCGINNESS SAYS HE UNDERSTANDS THE SHERIFF'S DEPARTMENT WILL BE IMPACTED BY THE COUNTY'S DEFICIT. BUT HE, AND THE PEOPLE WHO DEPEND ON HIS DEPARTMENT, HOPE LEADERS CAN COME UP WITH A BETTER SOLUTION THAN AN 80-MILLION DOLLAR CUT TO PUBLIC SAFETY. "Make it somewhere else. Make it in their Neighborhood." THE BOARD HEARD TESTIMONY TODAY, BUT THE VOTE COMES LATER. THE BUDGET TALKS ARE SCHEDULED TO CONTINUE ON JUNE 18TH, ONE WEEK FROM TOMORROW.

PLACER COUNTY DEER HUNT - DEER LIKE THIS ARE CAUSING BIG PROBLEMS IN PLACER COUNTY BUT IS DECLARING OPEN SEASON ON THE ANIMALS EVEN FOR ONE DAY THE ANSWER? ACCORDING TO PLACER COUNTY'S ANIMAL CONTROL COLLISIONS BETWEEN CARS AND DEER ARE UP TEN- FOLD IN THE LAST TWO YEARS BUT A PLAN TO REDUCE THE ACCIDENTS BY REDUCING THE DEER POPULATION IS COMING UNDER

FIRE. Justin Bulmer - "I just don't think it'd be right." Killing female deer to help control what some say is a booming population in Placer County. Teri Barnato - "This is totally not the correct solution to control populations of deer." On Wednesday, the Fish and Game Commission will decide whether to recommend the one-day deer hunt to the Board of Supervisors. The proposal could include making the hunt exclusive to kids ages 12 to 17. That's something animal activist Teri Barnato says is just plain wrong 'It teaches children the wrong message about the value of animals. It teaches them violence toward animals and these are young adults that have no experience with hunting and their going out in the woods with bows and arrows and shotguns. It's totally inappropriate." But it's the increasing number of car collisions *with deer that got the attention of Supervisor Kirk Uhler. He grew up in the area and has witnessed first-hand three violent crashes with deer. Kirk Uhler "It's become a health and safety issue not just for the deer but for the population here in the south Placer area." College student Andrew Gale hasn't seen it. Andrew Gale "I drive down Labrobe Road in El Dorado Hills. It's deer central area everyone says. I've never seen a deer crossing the road or anything." Still, Uhler said hunting is far more humane that seeing one struck by a vehicle. "The buck was left to try to get up on its front legs and ended up suffering, dying and bleeding out right there on the side of the road. That wasn't very humane." ANIMAL ACTIVISTS WANT OTHER IDEAS LOOKED AT BEFORE THE SHOOTING BEGINS. ONE PLAN WOULD INVOLVE BIRTH CONTROL FOR THE DEER.

SACRAMENTO FIREFIGHTER LAYOFFS - BY NEXT WEEK THERE WILL BE A LOT FEWER FIREFIGHTERS ON THE STREETS OF SACRAMENTO. THE CITY COUNCIL REJECTED A DEAL WITH THE FIREFIGHTERS UNION AND VOTED TO LAYOFF 68-FIREFIGHTERS. JAMIE SORIANO LIVE IN SACRAMENTO ON WHAT THAT MEANS FOR RESIDENTS. THE LAYOFFS WILL TAKE EFFECT ON JULY FOURTH THE BUSIEST FIRE-THREAT DAY OF THE YEAR SO THIS REALLY COULDN'T COME AT A WORST TIME. STATION FIVE HERE ON BROADWAY IS ONE OF THE STATIONS THAT WILL LOSE IT'S ENGINE. THE FIRE CHIEF SAYS DESPITE THE CUTS HE'S CONFIDENT THE CITY WILL BE ADEQUATELY PROTECTED BUT ADMITS IT MAY TAKE A LITTLE LONGER TO GET TO A FIRE. We were very scared, yes, very scared. Mary Rivers can't believe what's left of her neighbor's South Sacramento home. Over the weekend fire destroyed it and an elderly woman didn't make it out alive. When I looked out the door and saw my neighbor's house on fire. All I could see was flames. I really thought I was in a twilight zone somewhere. Her fears are even greater knowing that come next week, there will be dozens less firefighters on the streets. After failed contract negotiations with the firefighters union the Sacramento city council voted to layoff 68 firefighters but Chief Ray Jones says, worst case scenario there will actually be 41 layoffs because of vacancies and demotions. What we did was close companies that were in stations that had two companies already. There won't be any vacant fire stations in the city. Four companies will close July first. Station 17 in the north will lose a truck; Station 10 in the east will also lose a truck as will Station 7 in the South. Station 5 near downtown will also lose an engine company. We're still going to do the best we can to get there safely and quickly, but we are going to have a slower response time. Chief Jones says citizens can expect a 90 second increase in response times but in a life or death situation every second counts. Maybe next time it might be my home. THE CITY COUNCIL HAS ADJOURNED FOR SUMMER BREAK AND HAS BASICALLY SAID IT IS DONE NEGOTIATING WITH THE FIREFIGHTERS UNION. TOMORROW THE UNION PLANS TO FILE SUIT AGAINST THE CITY FOR UNFAIR BARGAINING PRACTICES.

SHERIFF'S DEPARTMENT CUTS - TEN PATROL CARS PER SHIFT COVERING THE ENTIRE COUNTY, GIVEN THE SIZE OF THE COUNTY THAT COULD MEAN A 25 MINUTE RESPONSE TIME, EVEN IN AN EMERGENCY. TERI COX IS LIVE IN SACRAMENTO, WITH A LOOK AT JUST HOW DEVASTATING THE BUDGET CUTS WILL BE TO PUBLIC SAFETY. BRACE YOURSELF FOR WHAT COULD BECOME A VERY UNSAFE TIME IN SACRAMENTO COUNTY. THAT'S WHAT THE SHERIFF IS TELLING US TONIGHT AS HE GETS SET TO GROUND THE HELICOPTER, DO-AWAY WITH THE SWAT AND CANINE UNITS AND LAY OFF MORE THAN 200 DEPUTIES. IT'S A WELL TOOLED CRIME FIGHTING DEPARTMENT THAT TAKES A THOUSAND CALLS FOR HELP A DAY, IT'S HOMICIDE CLEARANCE RATE 92 PERCENT. THE GROUND DEPUTIES COVER 835 SQUARE MILES BUT THAT'S ALL ABOUT TO CHANGE: THERE'S NOT A SINGLE PORTION OF THE DEPARTMENT THAT WON'T BE CUT WITH EXCEPTION POSSIBLY THE COMMUNICATIONS CENTER, THEY'RE JOBS WILL INCREASE AS THEY WILL BE TRIAGING MORE CALLS, NOT SENDING UNITS TO THEM. IF THE SHERIFF LAYS OFF 209 DEPUTIES THE NUMBER OF PATROL CARS PER SHIFT WILL DROP FROM 36 TO JUST TEN. TWELVE LARGE COMMUNITIES WILL SHARE THOSE TEN UNITS AND THAT MEANS CALLS WILL TAKE LONGER TO RESPOND TO AND MANY WILL GO UNANSWERED AND THOSE REMAINING DEPUTIES WILL HAVE TO DO IT ALL... OFTEN LEAVING PATROL TO TAKE SUSPECTS TO JAIL, INTERVIEW VICTIMS IN HOSPITALS AND PROTECT CRIME SCENES. THE SWAT, POP AND CANINE UNITS WILL BE ELIMINATED AND THE SHERIFF'S HELICOPTER GROUNDED. THE ONLY THING A HELICOPTER CANNOT DO IS LAND ON YOUR PORCH AND KNOCK ON YOUR DOOR WHEN YOU CALL 9-1-1. WITH A RESPONSE TIME OF JUST TWO MINUTES TO ANYWHERE IN THE COUNTY GROUNDING THE HELICOPTER IS A HUGE LOSS. THE SHERIFF MAKING IT CLEAR HE CAN'T GUARANTEE SAFETY THAT WILL BE UP TO YOU. KEEP AN EYE ON COMMUNITY OBSERVANT, BUDDY SYSTEM HOPEFULLY I'M WRONG. DEPENDING ON STATE AND FEDERAL FUNDING THIS COULD ALL CHANGE BUT FOR NOW LAY OFF NOTICES GO OUT SUNDAY AND IF COUNTY SUPERVISORS APPROVE THOSE LAY-OFFS THE DEPUTIES STOP WORKING AUGUST 5TH.

Fallen Local Players – Mark Demsky took a look at the challenges young athletes face when turning pro. Donte Stallworth was actually a teammate over at Grant High School with Onterrio Smith, who played for the Vikings and Rae Carruth who went to Valley High before playing for the Carolina Panthers. You figured all three of these guys had it made, so the question is what happened? Rae Carruth was found guilty of murder; Onterrio Smith, suspended for drugs and now Donte Stallworth charged with DUI Manslaughter. What influence's that kind of behavior is not sports, its American culture, not specific to sports. Jennifer Kattman is a sports sociologist at Sierra College and she says what happened to these three shouldn't be viewed as a reflection on Sacramento. Lots of pressure is placed on the student especially from families with great economic needs. Doug Cosbie sees it every day, the former NFL Tight End with the Dallas Cowboys, now coach's football at Sac High. I don't care if you're from Oak Park or Beverly Hills, adjustment for anybody; nobody's prepared for Rock Star status. Certainly more challenges with the less cultural capital they take with them, not familiar with norms of society, culture shock. We talk to our kids about character, doing the right thing when no one is watching. Really have to be careful to blame criminal activity on Athletics, let's society off the hook, and of course, there is certainly plenty of examples of local athletes not in trouble with the law. Matt Barnes, Greg Vaughn, Senica Wallace to name a few, who have all made it to the big time from Sacramento, so I think in the case of Stallworth, Smith and Carruth, it's more of a coincidence than anything else.

LIBRARY VIDEO GAMES - WHEN YOU THINK ABOUT POPULAR KID HANGOUTS, THE MALL, MOVIES OR SKATEBOARD PARKS MAY COME TO MIND BUT CAN YOU IMAGINE KIDS TRYING TO CONVINCE THEIR PARENTS TO GO TO THE LIBRARY? AS LOUISA HODGE FOUND OUT THAT'S EXACTLY WHAT'S HAPPENING IN ROSEVILLE. In a typical library you may expect to see a sign like this...To hear a librarian say...shh shh shh... That is the old librarian. But you may not expect this request from your kid. I say can we go to the library. However, lately kids have been asking to go the Roseville Public Library quite a bit. Most of my friends come here daily. Almost every single day after school, the reason, because right in the middle of textbooks, periodicals and paperbacks sit an XBOX, a WII and a PS3. It's part of a modern twist this library established when it opened about a year ago. Originally librarians resisted the idea of video games. Recognizing it would be shutting a chapter on the traditional

library. Scary, Scary, Scary, we didn't know what we were going to do about the noise. So they had to post new signs saying "keep it to a dull roar" but they soon discovered this new addition attracted parents, grandparents, kids and even teens. The teens have always been forgotten because teens are teens and sometimes they're noisy and they're rowdy, but we don't want them to be forgotten we want them to have a place to come. Everybody likes video games and if this could be a way to get more kids into education then it's thumbs up for me. Thumbs on controllers and in this case that means more thumbs down, haha thumbs down yeah. ALL THE VIDEO GAMES AT THE ROSEVILLE PUBLIC LIBRARY ARE FREE AND FAMILY FRIENDLY.

SCHOOL POOLS - DESPITE BLISTERING TEMPS, MOST PUBLIC POOLS WON'T BE OPEN FOR WEEKS. THAT'S TEMPTING SOME LOCAL TEENS TO TEST THE WATERS. ROWENA SHADDOX IS LIVE WITH A STORY YOU'LL SEE ONLY ON FOX40. WE'RE HERE AT HIRAM JOHNSON HIGH SCHOOL - ITS ONE OF FIVE HIGH SCHOOLS WITHIN THE DISTRICT WITH A SWIMMING POOL, AND FOR THE PAST TWO DAYS, IT'S BEEN POPULAR WITH THE KIDS. WITH THE MERCURY RISING AND CITY POOLS STILL CLOSED SOME TEENS ARE BREAKING THE LAW TO BEAT THE HEAT. After catching several kids on surveillance video BREAKING into Hiram Johnson high's swimming pool yesterday, cops weren't taking *any chances today. "There's somebody in there. Right there. Right now? Yeah." Chief Vince Matranga just happened to check the cameras while we were in his office, to find teens illegally in the pool again. Officers hurried to catch them BUT THE teens took off running. "Hey... we just want to talk with you. Fox 40. I love you." POLICE eventually closed in on two of them. "The pool is closed. In other words, you're trespassing. What if something happened to you guys while you were swimming." Julian Button - "I supposed we could get hurt while we're swimming." Evan Davis - "I'm not disrespecting you officers. But I don't really think we were bothering anybody. I don't think we were breaking or vandalizing anything." "We figured it's a little safer than swimming in the river." SAFETY MAY NOT HAVE BEEN THE FIRST PRIORITY FOR THESE TEENS JUST TRYING TO COOL OFF BUT POLICE WORRY MORE KIDS WILL PUT THEIR LIVES AT RISK WHILE THE PUBLIC POOLS ARE CLOSED. Vince Matranga - "To be swimming in an unauthorized use of our pool and not having an adult present, that's extremely dangerous." "We just wanted to go swimming. We're not criminals."BY THE WAY, POLICE CAUGHT UP WITH THE THIRD TEEN. ALL OF THEM GOT OFF WITH JUST A WARNING TODAY. CITY OFFICIALS TELL US THEY'VE BEEN WAITING TO OPEN THE POOLS UNTIL STUDENTS ARE OUT OF SCHOOL. BECAUSE THEY WANT TO MAKE SURE THERE'S ENOUGH ATTENDANCE TO COVER THE COST OF A LIFEGUARD. CLOONEY AND MEADOWVIEW POOLS WILL BE OPEN NEXT SATURDAY IN TIME FOR MEMORIAL DAY. THE REST OF THE CITY POOLS WILL OPEN JUNE 18.
