Same Sex Parenting - MARRIED OR NOT MANY GAY COUPLES ARE RAISING FAMILIES HERE IN CALIFORNIA. RICK BOONE IS LIVE WITH THE REAL DIFFERENCES FOR A CHILD GROWING UP IN A GAY OR STRAIGHT HOUSEHOLD. WHEN I SAY TRADITIONAL FAMILY WHAT DO YOU THINK? A MOM, DAD, TWO KIDS? WELL SOME GAY AND STRAIGHT FAMILIES SAY THAT TRADITIONAL WAY OF MARRIAGE AND FAMILY IS NOW OLD SCHOOL. HERE'S A DAD NAMED MARC. MARC - He's going to be a decent human being, AND HERE'S A MOM NAMED LORA. MOM - My kids are just 3 & 6. THEY'RE FROM 2-DIFFERENT FAMILIES, ONE GAY AND ONE STRAIGHT, BUT CAN YOU TELL WHO'S WHO? MARC - The definition for family is changing. MARC KOENIGSBERG SAYS HIS FAMILY ISN'T ALL THAT DIFFERENT FROM MAYBE YOURS EXCEPT MAYBE ONE THING. BUT THAT ONE THING HAS THE COURTS SAYING HE'S DESTROYING THE IDEA OF MARRIAGE AND FAMILY. MARC - Part of the question is the definition of marriage is to appropriate, which it is not HE AND HIS MARRIED PARTNER ROB LANE OF 4-YEARS ADOPTED A 10-YEAR WHO HE SAYS IS LIKE EVERY OTHER KID, ONLY THEIR SON HAS 2-DADDYS AND MARC FEELS THAT ENVIRONMENT WON'T AFFECT THEIR CHILD, ESPECIALLY AS HE GETS OLDER. MARC - I think he will be a man every woman wants to marry. ON THE OTHER SIDE OF SACRAMENTO, LORA SIDDIQU IS A STRAIGHT MOM, BUT HER FAMILY IS ALSO NON-TRADITIONAL. MOM - We have a little boy we adopted from Korea, we speak Spanish in a non-Spanish home. LORA TEACHES HER 2-KIDS THERE'S NOTHING WRONG WITH BEING GAY. MOM - We have a lot of gay friend that spend time with us, work with us so we don't treat them any different. THAT'S WELCOMED NEWS TO MARC WHO'S HOPING MORE PEOPLE UNDERSTAND FAMILIES COME IN ALL TYPES. MARC - What's most important that a child is raised in a home that is loving, that is stable, and that is safe. MARC THE GAY FATHER WHO'S ALSO A LAWYER SAYS HE'S FOLLOWING THE PROP 8 COURT DEBATE IN SAN FRANCISCO AND SAYS NO MATTER THE RULING IT WONT DESTROY GAY FAMILIES HE SAYS ARE FULL OF NOTHING BUT LOVE.

NRS Backs Student - THIS DEBATE STARTED IN THE SMALL "GLENN COUNTY" TOWN OF WILLOWS LAST NOVEMBER. A STUDENT WENT DUCK HUNTING THEN WENT TO SCHOOL. TODAY, THE TEEN CHALLENGED HIS EXPULSION WITH HELP FROM THE NRA. LONNIE WONG REVEALS NEW DETAILS ABOUT THE CASE ADDING TO THE CONTROVERSY. Barbara LeDoucer, Tudesko supporter "this kid thought he was doing the right thing.." Supporters packed the board room where 16 year old Gary Tudesko was appealing his expulsion. As you can see from this sign there are no weapons allowed on campus, but does that apply to across the street where Gary parked his car after duck hunting. Gary Tudesko, Expelled Student - "I thought if I parked the truck off campus there would be no harm. I locked the truck so my guns weren't out." The law allows schools to discipline students while going to and from schools like fighting or selling drugs but attorney Chuck Michel, hired by the NRA, says Gary wasn't doing anything illegal. Chuck Michel, Tudesko Attorney - "nobody would have gotten hurt...I wish I could make that guarantee.The Willows High principal says he's required to take action when students bring guns to school. Mort Geivett - "to me this is clearly not a gun rights issue. To me it's a safety issue " Complicating things, Gary has been written up 24 times for being disruptive, using racial slurs, and more. Matt Darlington, School District Attorney - "on May 20 called Ms Salmon a bitch, was sent to detention." The latest infraction was the last straw. Gary - "I said some bad stuff and I've gotten in a lot of trouble but I think they want to get me out of there." but in this rural county he has plenty of backing. Barbara LeDoucer, Tudesko Supporter - "they took away that kid's rights away and it should not have been." THE GLENN COUNTY BOARD OF EDUCATION WILL ANNOUNCE ITS APPEAL RULING ON FRIDAY.

Gay to Straight - THE FEDERAL TRIAL OVER WHETHER PROP 8 WAS LEGAL GETS HEATED QUESTIONING THE ROLE OF RELIGION AND EVEN WHETHER BEING GAY CAN BE "TREATED." A WITNESS TESTIFIED THAT CHRISTIAN THERAPY TO CHANGE HIS SEXUAL ORIENTATION DID NOT WORK AND ONLY MADE HIM SUICIDAL. LAWYERS FIGHTING TO RESTORE GAY MARRIAGE SAY THIS SORT OF THING IS KEY TO THEIR CIVIL RIGHTS CLAIMS. MARK DEMSKY PUT THIS QUESTION TO the EXPERTS. ON ONE

SIDE YOU HAVE MEDICAL RESEARCH ON THE OTHER PERSONAL VIEWS OF MORALITY. THERE WAS A TIME NOT TOO LONG AGO THAT THE 2 SIDES WERE ON THE SAME PAGE BUT NOT ANYMORE AND NOW, THE EXPERTS ARE DEBATING THIS IN COURT. It's a huge conversation piece in our community no matter what your personal beliefs or lifestyles are JUST 30-YEARS AGO, PSYCHIATRISTS THOUGHT HOMOSEXUALITY WAS A MENTAL ILLNESS, something to be addressed and to be fixed, THOUGH SOME RELIGIOUS GROUPS PRACTICE REVERSAL THERAPY, DOCTORS DISMISS IT ENTIRELY. In terms of sexual preference that is something determined, we believe, by DNA and not by social experiences, and it is not changeable by psycho-therapy. Absolutely not, it's something that you are, or you are not, not something you are talked into or taught to do. FOLKS WE TALKED TO TONIGHT, DOWNTOWN, WERE ALL IN AGREEMENT. STILL, SUPPORTERS OF PROP-8 SAID THIS EVENING THAT THE ROLE OF RELEGION IS WHATS REALLY BEING ATTACKED. I'm sure there's a minority of people who believe it's a behavior that can be controlled or changed. I don't want to villanize people who believe it is wrong, they have a misunderstanding who believe that there is a choice about this. THE CASE COULD ULTIMATELY DETERMINE WHETHER GAYS AND LESBIANS DESERVE SPECIAL PROTECTION FROM DISCRIMINATION IN THE U-S CONSTITUTION. THE PLAINTIFFS REPRESENTING THE GAY COMMUNITY SHOULD WRAP UP THEIR CASE THIS WEEK.

UC Davis Swastikas – STUDENTS DISGUSTED BY THE VANDALISM ONCE AGAIN HITTING THE UC DAVIS CAMPUS. THE LATEST, THREE SWASTIKAS SPRAY PAINTED ON UNIVERSITY PROPERTY. CAMPUS POLICE FOUND THEM SCRAWLED ON THE CENTENNIAL WALKWAY, THE SOCIAL SCIENCES BUILDING AND ON A CAMPUS SIGN. THEY IMMEDIATELY WORKED TO HAVE THE GRAFFIT REMOVED. It makes me terribly angry and sad at the same time because we're supposed to be such a progressive nation and things like this still happen on college campuses. THIS ALL COMES AFTER A SWASTIKA WAS CARVED ON A JEWISH STUDENT'S DORM ROOM DOOR LAST WEEK. THIS WEEKEND THE CAMPUS CENTER FOR GAY AND LESBIAN STUDENTS WAS HIT. POLICE ARE STILL INVESTIGATING.

Palin At CSUS Stanislaus - SHE'S THE BIGGEST STAR IN THE REPUBLICAN PARTY, DRAWING BIG CROWDS NO MATTER WHERE SHE GOES. THAT'S WHY CAL STATE STANISLAUS THOUGHT SARAH PALIN WOULD BE THE PERFECT SPEAKER FOR A SUMMER FUNDRAISER BUT WITH ALL OF THE RECENT BUDGET CUTS.. MANY WONDER HOW THE SCHOOL CAN POSSIBLY AFFORD PALIN. PALIN USUALLY NETS SIX FIGURES FOR SPEAKING ENGAGEMENTS SO WE SENT ANDRIA BORBA TO FIND OUT WHO'S PAYING FOR PALIN? CSU STANISLAUS IS TURNING 50 -- AND IT'S FOUNDATION WANTS TO THROW A PARTY. THE GUEST OF HONOR? FORMER ALASKAN GOVERNOR SARAH PALIN. LIKE NEARLY EVERYTHING HER NAME IS ATTACHED TO -- PALIN'S APPEARANCE AT THE JUNE PARTY IS RAISING EYEBROWS. STATE SENATOR LELAND YEE WANTS TO KNOW HOW MUCH SHE IS GETTING PAID AND WHO'S FOOTING THE BILL. They are closing classes they are cancelling classes, they are raising student fees, the foundations have quite a bit of money and we ought to know exactly how they are spending it. MATT SWANSON SAYS TAXPAYERS AREN'T PAYING FOR PALIN TO VISIT AND NEITHER IS THE UNIVERSITY FOUNDATION. We're not only using no state money, we're not even using existing foundation dollars. Confused yet? So were we - here's how CSU Stanislaus says it's all going to break down. They say they're raising money outside of the foundation to bring Governor Palin to Turlock. In turn, Governor Palin's appearance in Turlock will raise more money for the foundation -- and the money raised by Governor Palin's appearance will go to the students at CSU Stanislaus. The only question that remains is - How much is the governor getting paid? THAT REMAINS A SECRET -- CELEBS LIKE ALAN ALDA FROM MASH MAKE ABOUT 100,000 DOLLARS PER APPEARANCE -- WHICH IS RUMORED TO BE PALIN'S PAYCHECK FROM BEING THE KEYNOTE SPEAKER AT THE TEA PARTY CONVENTION.
STAN STATE STUDENTS AREN'T CONVINCED BY THE ALLEGED PALIN PRICE TAG. Yeah, I don't know what she could say that would be worth 100,000 dollars. I just heard something about it being 500 dollars or something. so i'm assuming it's quite a bite of money to actually pay her. SWANSON SAYS IT'S A CASE OF SPENDING MONEY TO MAKE MONEY FOR STANISLAUS STATE -- LIKELY BRINGING IN MORE THAN 200,000 DOLLARS. THE FOUNDATION PRESIDENT SAYS PALIN'S SPEECH IS CAUSING SOME RIFTS BUT ALSO A MARKETING BUZZ THAT CAN'T BE BEAT. We needed someone who had the celebrite and the appeal and the controversy to some degree can be helpful for us because there's a lot of interested parties on both sides. THE PALIN EVENT IS ALREADY 75-PERCENT SOLD OUT. FOUNDATION ADMINISTRATORS ARE TRYING TO FIND A WAY TO ALLOW SOME STUDENTS TO ATTEND PALIN'S SPEECH WITHOUT PAYING.

Skaters vs Yuba County – There's some unwanted grinding going on in Yuba County and it's grating on some people's nerves. Translation, Skate boarders get ready for a possible crackdown. YOU BREAK IT, YOU PAY TO FIX IT. THAT'S THE NEW ORDINANCE BEING TALKED ABOUT IN YUBA COUNTY, IT'S AIMED AT SKATERS WHO TEAR UP CURBS, STEPS AND BENCHES. THIS IS THE SKATE PARK IN YUBA COUNTY IT'S A FUN PLACE FOR SKATERS TO DO WHAT THEY DO BEST BUT IT'S QUITE THE DRIVE FOR THOSE WHO LIVE IN NEIGHBORING YUBA COUNTY. WE LIVE OUT IN LINDA AND TRAVEL JUST FOR KIDS TO RIDE A SKATEBOARD. CHARLIE BOGGS AND HIS SON RYAN HAVE GATHERED SIGNATURES TO PROMPT YUBA COUNTY TO TURN FERNWOOD PARK INTO A SKATE AND BIKE PARK BUT IN THE MEANTIME YUBA COUNTY LEADERS ARE CONSIDERING A CRACKDOWN OF SORTS ON SKATERS. A NEW ORDINANCE THAT WOULD HOLD SKATERS ACCOUNTABLE FOR THE DAMAGE THEY CREATE. WHEN YOU HAVE NEW SIGN, 800 DOLLARS BE HELD RESPONSIBLE. IT'S A POTENTIAL THEY CAN BE FINED, HELD ACCOUNTABLE FOR DAMAGES FOR WHOLE COMMUNITY. NOT MANY ARGUE THAT IF YOU DAMAGE SOMETHING YOU SHOULD PAY FOR IT BUT WHEN THERE'S NO ALTERNATIVE, LIKE A COUNTY SKATE PARK IT'S WELL KIND OF A GRIND. I ALWAYS RIDE AT SCHOOLS, GRIND ON THE SIDEWALK. YUBA COUNTY LEADERS SAY THEY KNOW THEY NEED A SKATE PARK BUT PARKS DEVOTED TO TEAM SPORTS WILL TAKE A FRONT SEAT AND IN THE MEANTIME A FEW DESTRUCTIVE SKATERS CAN'T BE IGNORED.

Firefighters Facebook – A MODESTO FIREFIGHTER IS IN A MEDICALLY INDUCED COMA TONIGHT A CRITICAL STEP IN HELPING HIM HEAL, WHILE AT THE SAME TIME, THOUSANDS HAVE JOINED TOGETHER TO SHOW SUPPORT FOR HIM. JAMES ADAMS

AND ANOTHER FIREFIGHTER WERE BADLY BURNED LAST WEEKEND WHEN THE ROOF THEY WERE STANDING ON COLLAPSED. MODESTO BUREAU CHIEF, ANDRIA BORBA, SHOWS US THE COMMUNITY IS COMING TOGETHER TO HELP THESE FAMILIES HEAL. WITH SOMBER FACES, MODESTO FIRE INVESTIGATORS SPENT THEIR FOURTH DAY CLEANING UP SINGED DEBRIS FROM A FRIDAY NIGHT FIRE AT THIS HOUSE ON COSTON AVENUE. THE FIRE AND THE ROOF COLLAPSE IT CAUSED SENT FIREFIGHTER JASON CLEVENGER AND ENGINEER JAMES ADAMS TO AREA HOSPITALS WITH EXTENSIVE BURNS. A couple of days of feeling like you got punched in the gut, and we've got work to do and get back to the business of doing our jobs. Fire investigators are piece by piece pulling the roof out of that garage behind me and reconstructing it over there on the lawn. They're trying to figure out what exactly caused it to cave in this weekend. It's part of the healing process, let's find the answers, lets do things better, if there are ways of doing things better, lets just worry about the guys getting better AND FIREFIGHTER JAMES CLEVENGER IS DOING BETTER. TAKEN TO DOCTORS MEDICAL CENTER IN MODESTO WITH BURNS OVER 10 PERCENT OF HIS BODY, THE FOUR YEAR M-F-D VETERAN IS NOW ON MINIMAL PAIN MEDICATION AND HIS DOCTORS ARE ANTICIPATING HIS DISCHARGE IN THE NEXT FEW DAYS. ENGINEER JAMES ADAMS IS IN A MEDICALLY INDUCED COMA AT THE UCD BURN UNIT IN SACRAMENTO, BUT HAS BEEN ATTEMPTING TO BREATHE ON HIS OWN...IT'S A VERY ENCOURAGING SIGN FOR HIS FIREFIGHTING BROTHERS. Allow the body to rest and heal, the body feels less pain when it's in a coma and they can be more aggressive with the pain management. WHILE DOCTORS ARE TENDING TO PHYSICAL PAIN, FACEBOOK IS HELPING WITH THE EMOTIONAL PAIN OF SUCH DEVASTATING INJURIES. THE SON OF A MODESTO FIREFIGHTER STARTED THIS FACEBOOK PAGE - MODESTO FD TRUCK COMPANY FIVE INJURED. IT'S ALREADY GOT MORE THAN FIFTEEN HUNDRED FRIENDS, MANY LEAVING MESSAGES OF SUPPORTS. To see this kind of outpouring, it's beyond description. FIREFIGHTERS WERE BACK ON THE SCENE THIS MORNING.. TRYING AND RECONSTRUCT THE ROOF. INVESTIGATORS WANT TO KNOW WHETHER FAULTY CONSTRUCTION MADE IT COLLAPSE SO QUICKLY.

WHEN SHRINKING CITY BUDGETS MOVED THEIR DEWEY DECIBELS BY 100-THOUSAND DOLLARS LODI LIBRARY DIRECTOR NANCY MARTINEZ REBELED AGAINST THE RECESSION TO EXPAND THE LIBRARY'S COLLECTION. We have one for children's, one for literacy, one for adult fiction, one for adult non-fiction. JUST LIKE THE WISHLISTS SENT TO SANTA EVERY DECEMBER THE LODI LIBRARY HAS 8 ON AMAZON.COM. Much like a bridal registry and so you can create a list of books you would like purchased and that you'd want to receive as gifts. THERE ARE MORE THAN 400 BOOKS ON THE LIST -- FROM GRUMPY GRANDPA TO A BIOGRAPHY ON GHANDI AND IT'S WORKING -- MORE THAN 30 BOOKS HAVE ALREADY BEEN PURCHASED AT AMAZON AND DONATED TO THE LIBRARY. TYPICALLY THE LIBRARY ADDS 8000 TITLES TO THE COLLECTION, BUT MARTINEZ IS THRILLED TO BE "MAKING THE MOST OF HER MONEY" This way we're actually getting titles that would round out the collection and develop it in the we would've if we had the funding. MARTINEZ SAYS EVERY BOOK HAS HELPED -- ESPECIALLY WHEN CIRCULATION HAS GONE UP 20 PERCENT SINCE THE ECONOMY TOOK A NOSE DIVE. Little Saigon - NEIGHBORS IN A TROUBLED PART OF SACRAMENTO HOPE A NEW NAME WILL REVITALIZE THEIR COMMUNITY. TONIGHT, THE SACRAMENTO CITY COUNCIL GAVE THEM THAT OPPORTUNITY.BEN DECI IS LIVE WITH WHAT BROUGHT ONE COUNCILMAN TO TEARS. 70% of the businesses here on this stretch of Stockton are Vietnamese Owned already. So you might ask - what's in a name when the community is already here. For those who live here - it is about identity and opportunity, but real tears greeted the birth of Sacramento's newest neighborhood. Ray Tretheway "I was in Viet Nam and like many in Viet Nam I never knew why, but now that Little Siagon has come to Sacramento. This is a community that sees an American style opportunity. Ben "it's a very large and diverse Asian community, Why Little Saigon. Why not little Beijing?" Kevin P. Nguyen :"people ask us a lot why Little Saigon. Mainly, if you think about soup. You think about Campbells. It's really a brand name." But there's a dark side to ethnic branding. This is less than a week ago, an assassination style murder at a Vietnamese restaurant in what is now Little Saigon. Police suspect it was a spat between rivals in

LuraTech www.luratech.com

one or more of the area's Asian gangs. "I hope the Police department can help us out." and the hope and pride is palpable now among shop owners like Sign No.. Who repairs watches. "many vietnamese have moved to the city, and we hope for more business here." "we've talked about revitalizing the area, creating neighborhood watch programs. We've actually got the support of the Police Captain with Sacramento County." and now they've got a common name, to rally behind the first change you will notice will come next month after the community gathers together enough money, they will put-up signs proclaiming this as Little Saigon.

Mausoleum Damage – CRACKS, LEAKS, WATER DAMAGE, IT'S NOT THE KIND OF FINAL RESTING PLACE FAMILIES WANT FOR THEIR LOVED ONES BUT AT ONE SACRAMENTO CEMETERY THE MAUSOLEUMS ARE PRACTICALLY FALLING APART. AMA DAETZ SHOWS US WHAT'S CAUSING THE DAMAGE AND WHY IT'S TAKING SO LONG TO FIX. FROM THE OUTSIDE, SACRAMENTO MEMORIAL LAWN CEMETERY LOOKS LIKE MANY OTHERS BUT ON THE INSIDE, IT'S BEING SATURATED WITH WATER. CRACKS IN THE CEILINGS, GROUND AND EVEN THE CRYPTS HERE AT SACRAMENTO MEMORIAL LAWN CEMETERY ON STOCKTON BOULEVARD. AND OUR RECENT RAIN MAKES THE PROBLEM EVEN WORSE. There's water leaking in the mausoleum crypts, coming through the granite, damaging

LuraTech www.luratech.com

the bronze and water all over the floor. THIS FORMER MEMORIAL LAWN EMPLOYEE WANTS TO REMAIN ANONYMOUS SO WE'VE ALTERED HER VOICE. It's pretty profound that this type of deterioration has been allowed for so long. People usually buy mausoleums crypts because they want to stay above ground and dry. I CHECKED OUT THE SITUATION FOR MYSELF AND SAW THE CRACKS, PUDDLES AND WATER DAMAGE. In one area there's quite a waterfall of water coming through during the rains AND SHE SAYS FAMILIES DESERVE BETTER THAN THIS ESPECIALLY WHEN THEY'RE PAYING CLOSE TO 10 GRAND TO BURY A LOVED ONE. All of the employees there are wonderful people and all concerned about it but their hands are tied because it really takes the corporate company to do the right thing. SO I MADE THE CALL TO STONEMOR PARTNERS L.P. IN PENNSYLVANIA AND SPOKE TO THE VICE PRESIDENT OF ADMINISTRATION. HE TOLD ME THEY AQUIRED 7 CALIFORNIA CEMETERIES, INCLUDING MEMORIAL LAWN, IN DECEMBER OF 2007 AND MOST NEEDED ROOF REPAIRS. THE VP SAYS THEY'VE SPENT OVER A HUNDRED THOUSAND DOLLARS TO FIX THE PROBLEMS AND MEMORIAL LAWN IS THE LAST TO BE REPAIRED BECAUSE THEY HAD TO PRIORITIZE. HE SAYS THE CEMETERY WILL BE BACK TO THE WAY IT SHOULD BE BY THE END OF JUNE. THE VICE PRESIDENT OF ADMIN ALSO SAYS THE MONEY FOR THE FIX WAS BUILT INTO THE BUDGET LAST FALL... 530 Episcopal Church Lawsuit - LAWSUITS ARE NOT TYPICALLY WHAT COME TO MIND WHEN YOU TALK ABOUT CHURCH BUT THAT IS EXACTLY WHAT'S HAPPENING IN TURLOCK. MODESTO BUREAU CHIEF ANDRIA BORBA BREAKS DOWN THE HOLY WAR. IT'S A TYPICAL SUNDAY MORNING SERVICE AT SAINT FRANCIS ANGLICAN CHURCH IN TURLOCK WITH ONE DIFFERENCE IT'S THE FIRST SERVICE AFTER A LAWSUIT WAS FILED AGAINST SAINT FRANCIS ANGLICAN BY THE EPISCOPAL DIOCESES OF SAN JOAQUIN OVER THE CHURCH'S PROPERTY AND ASSETS -- WORTH A MILLION DOLLARS, MUCH MORE THAN WHAT LANDS IN COLLECTION BASKETS EACH WEEK. They don't teach us about this in any kind of theological formation studies. To understand the root of this lawsuit, take a very close look at the sign behind me, the story evolves from there. YOU CAN SEE THE WORD EPISCOPAL COVERED UP IN BLUE PAINT. IN 2007, SAINT FRANCIS' PARISHONERS VOTED TO LEAVE THE EPISCOPAL CHURCH BECAUSE OF SCRIPTURAL DIFFERENCES, INCLUDING THE ORDINATION OF GAY BISHOPS. 20 MEMBERS LEFT -- AND THE REMAINING CONGREGANTS JOINED THE ANGLICAN CHURCH.
NOW -- THE EPISCOPAL CHURCH IS CLAIMING THE PROPERTY ON EAST MAIN STREET IS RIGHTFULLY THEIRS - A FACT FATHER GERRY GROSSMAN SAYS IS THE OPPOSITE OF BIBLE TRUTH. This property is and has been since 1948, a self-incorporated parish. We have funded and supported ourselves since the beginning. SAINT FRANCIS' ISN'T THE ONLY FORMER EPISCOPAL PARISH GETTING SUED, MORE THAN 50 OTHER ACROSS AMERICA FIND THEMSELVES IN THE SAME SITUATION - LEAVING FOR SPIRTUAL BELIEFS, ONLY TO BE SUED FOR WORLDLY POSSESSIONS. FAITH IS A WORD OFTEN USED AT SAINT FRANCIS, PARTICULARLY NOW. I am filled with faith that I will see my daughter married here, just like I was married here, to me the building is just a building - the church is the people within the building. FATHER GERRY SAYS HE'S MORE THAN OPEN TO SHARING THE PROPERTY WITH CONGREGANTS WHO REMAINED WITH THE EPISCOPAL CHURCH.
HE PRAYS SOMETHING WILL WORK OUT. That is my biggest fear at the end of the day, that all of this will be sold. FATHER GROSSMAN SAYS, NO MATTER WHAT HAPPENS HIS CONGREGATION WILL CONTINUE THOUGH HE SINCERELY HOPES THEY WON'T HAVE TO MOVE.

Church Vandalism - THERE USED TO BE A TIME WHEN PLACES OF WORSHIP WERE OFF LIMITS FOR THIS KIND OF VANDALISM, APPARENTLY NOT ANYMORE. CHRIS BIELE TALKED WITH A GRAFFITI REMOVAL EXPERT ABOUT WHY WE'RE SEEING THIS INCREASE IN GRAFFITI. YOU WON'T FIND GRAFFITI EVERYWHERE ON THE FIRST COMMUNITY BAPTIST CHURCH BUILDING IN MIDTOWN. IT'S MORE THE IDEA OF SOMEONE VANDALIZING A PLACE OF WORSHIP THAT GETS PEOPLE UPSET. IF I SEE IT ON SOMETHING LIKE A HISTORIC BUILDING LIKE OUR CHURCH IS THEN THE 1ST THING I WANT TO DO IS GET IT OFF. IT JUST DOESN'T BELONG THERE. PASTOR MARK TOOTLE DIDN'T NOTICE THIS TAG ON THE BUILDING UNTIL I POINTED IT OUT. IT'S ON THE SECOND FLOOR AND THAT REQUIRES WORK. THERE WAS SOME THOUGHT PUT INTO THIS. IT'S JUST NOT A RANDOM TAG AND THEN GO DOWN THE STREET. SOMEBODY ACTUALLY TARGETED THE CHURCH TO GO IN AND DO IT. PAUL WATTS WITH GRAFFITI REMOVAL SERVICES HELPED GET A TAG OFF AN AC UNIT WHEN I MET HIM AT THE CHURCH. THEY'RE NOT HATE MESSAGES LIKE THIS ONE FOUND LAST MONTH ON A LOCAL JEWISH TEMPLE. STILL PAUL'S SEEING A RISE IN PEOPLE IGNORING THE SANCTITY OF A CHURCH AND TAGGING IT A PLACE HE SAYS USED TO BE CONSIDERED OFF LIMITS. B/C CHURCHES R SO VISIBLE A LOT OF PEOPLE ARE COMING TO THEM THE KIDS ARE FINDING IT MORE OF A CHALLENGE TO GET UP THERE AND PUT THEIR TAGS OUT THERE W/OUT BEING SEEN AND AROUND A HOLIDAY LIKE EASTER THAT'S AN EVEN BIGGER AUDIENCE FOR TAGGERS HITTING CHURCHES AT THE EXPENSE OF THE PEOPLE WHO HAVE TO DEAL WITH IT.

Shroud of Turin Exhibit - YOU'VE SEEN IT ON TV AND MAYBE ON THE INTERNET NOW'S YOUR CHANCE TO SEE IT FOR YOURSELF. WE'RE TALKING ABOUT THE SUPPOSED BURIAL CLOTH OF JESUS. BETTER KNOWN AS THE SHROUD OF TURIN. LONNIE WONG SHOWS US THE REPLICA NOW ON DISPLAY AT OUR LADY OF GUADALUPE NEAR DOWNTOWN SAC. "it's just something I've always believed and my family has believed." but is this the image of Jesus Christ? The shroud of Turin turned up in Europe in the 13 hundreds, imprinted with the image of a crucified man. Father Lino Otero, Pastor Our Lady of Guadalupe "from a scientific point of view it is still debatable how this image was formed." This exhibit, complete with a replica of the 14 foot long burial cloth, gives believers and non-believers alike the chance to examine the debate that's raged for centuries. Lonnie Wong, "the Shroud of Turin is a physical manifestation of a powerful spiritual concept in Christianity, so even a copy evokes strong emotions." Audilo Ortega has no chance of ever seeing the real shroud. A friend told her about the exhibit was here. Audlia Ortega, Exhibit Viewer "and they say I can't miss it, they said was here and so weeps." For the faithful, it's tangible evidence of Christ's sacrifice. Father Lino "it represents a witness to what he suffered out of a love for us." Rita Tichenor, Canadian Tourist "it's just wonderful that we could come." Canadian Rita Tichenor and her husband Duane had to make a side trip in their tour of the states.The exhibit outlines the scientific evidence for and against the shroud's authenticity. It's enough for Duane. Duane Tichenor, Exhibit Visitor - "Not perfect, not infallible, but I never expected that.":27 faith and grace." THE DISPLAY IS BASED ON A SIMILAR ONE DESIGNED FOR AN EXHIBIT IN JERUSALEM AND WAS PAID FOR BY LOCAL BENEFACTORS. THERE ARE ONLY THREE LIKE IN THE WORLD, AND IT'S A PERMANENT EXHIBIT AT OUR LADY OF GUADALUPE PARISH.

No. They'll be lucky if I if I come back to Walmart." Althea Doll - "I might shop somewhere else if I have to pay, or bring my own. But I'm not paying for the bags." Why I have to buy it?" It's déjà vu for Julie Zhurko, who went through this 15 years ago, in her homeland of Russia. But it's also a bit of bashfulness. Julie Zhurko - "It's not about bringing them back. I'll remember to bring them back. It's too embarrassing walking into the store with bags." There are others who feel the blue, it actually about being green. Bianca Carson - "it cuts down on trees. And all that stuff and I'm totally for it." Tonight, this trio did it the hard way. "no actually, this is our first time coming shopping since that happened. We had no idea. When she told us, we're like are you just outta bags? Are you for real?" Arena Task Force Meeting - DESPITE THE BAD ECONOMY, THE REVIEW SUGGESTS THE TIME IS RIGHT TO PUSH FORWARD WITH A NEW ARENA AND THE IMPACT COULD BE HUGE. JOHN LOBERTINI IS LIVE ON K-STREET MALL, ONE OF THE SITES THAT ARENA TASK FORCE IS CONSIDERING. JIM LOCATION, LOCATION, LOCATION. YOU'D BE HARD PRESSED NOT TO SEE THE BEAUTY OF FANS POURING OUT OF AN ARENA HERE ON THE SITE OF THE DOWNTOWN PLAZA. NO FAVORITES FROM TODAY'S REPORT, BUT IT'S CLEAR THE LOCATION OF THIS AREA IS CRITICAL. A NEW KINGS ARENA WOULD CREATE MORE THAN 4-THOUSAND CONSTRUCTION JOBS. AN ARENA PROJECT THAT WOULD TAKE AS MUCH AS THREE YEARS TO COMPLETE: "This is what we need right in our in our community." R.E. GRASWICH IS AN AIDE MAYOR KEVIN JOHNSON, AND A FORMER SPORTS COLUMNIST: Graswich/Mayoral Aide - "We need to know we can build this and get people back to work again. I think the psychological benefit is as great, if not greater, than any other benefit." THE FIRST OF THREE TASK FORCE MEETINGS WAS HELD AT A UNION HALL IN NORTH SACRAMENTO. "We got a commitment from the Carpenters and Laborers Union." TODAY IT WAS JUST THE BASICS, WILL THIS CREATE JOBS? WILL THERE BE AN ECONOMIC STIMULUS? COULD THIS BE A CATALYST FOR OTHER ECONOMIC DEVELOPMENT? Cathleen Dominico/Report Author - "Yes, it could be a catalyst. And location is a big factor based on the case studies. Location is a big factor on whether it can stimulate further real estate development." IN MEMPHIS THE FED-EX FORUM LED AN ECONOMIC BOOM. IT WAS BUILT WITH 100-POINTS OF SALE FOR CONCESSIONS AND STORES; AND BEALE STREET ADDED MUSIC AND CHARM. MEMPHIS CHOSE A DOWNTOWN LOCATION IN DESPERATE NEED OF A FACELIFT; A LOT LIKE SACRAMENTO'S RAILYARD. Chris Lehane/Task Force Co-Chair - "Clearly there's the potential for a project like this to have a significant stimulus impact and, to get that stimulus impact, you want this project to get going as soon as possible." BUILD IT AND THEY WILL COME. TODAYS REPORT SUGGESTS AN ARENA WILL SPUR OTHER DEVELOPMENT; LIKE STORES AND RESTAURANTS. BUSINESS'S THAT WILL BENEFIT FROM THE HUNDREDS OF THOUSANDS OF PEOPLE MOVING IN AND OUT OF A NEW ARENA "And, the benefit today is that it's cheaper. Your land is cheaper, you costs are cheaper. It might be half the price it would've cost two or three years

ago. Now is the time." THE NEXT STEP IS A BIG ONE: THIS TASK FORCE WILL PUBLICALLY DEBATE THE MERITS OF EACH OF THE 9-ARENA SITES SOMETIME IN LATE FEBRUARY AND AGAIN ONE OF THOSE IS THIS DOWNTOWN PLAZA LOCATION. THEN, AND REMEMBER THIS THING IS MOVING QUICKLY, MEMBERS WILL RECOMMEND BY MID-MARCH WHICH ONE OF THE SITES SHOULD BE THE FUTURE HOME OF THE SACRAMENTO KINGS.

Credit Card Changes - TONIGHT WE'RE HELPING YOU WATCH YOUR WALLET BY GETTING TO THE BOTTOM OF SOME NEW CREDIT CARD RULES, ABOUT TO TAKE EFFECT. THE RULES ARE DESIGNED TO HELP CONSUMERS, BUT YOU'LL STILL WANT TO READ THE FINE PRINT ON YOUR STATEMENT. WE'RE TALKING ABOUT THE CREDIT CARD ACCOUNTABILITY RESPONSIBILITY AND DISCLOSURE ACT, WHICH BECOMES LAW ON THE 22ND OF NEXT MONTH. RIGHT NOW IS THE TIME TO CHECK THE FINE PRINT ON ADDITONAL FORMS YOUR BANK MAY BE SENDING OUT SO YOU'RE ARMED WITH INFORMATION. DENNIS SHANAHAN JOINS US LIVE TO SORT OUT SOME OF THE BIGGEST CHANGES. A RECENT SURVEY SHOWED CREDIT CARD DEBT AVERAGES MORE THAN EIGHT THOUSAND DOLLARS PER AMERICAN HOUSEHOLD. THAT'S A TOTAL

LuraTech

OF 972 BILLION DOLLARS OF DEBT, THE NEW RULES AND YOU MAY HAVE RECENTLY RECEIVED A LONG LIST OF THEM FROM YOUR BANK AIM TO SHRINK THOSE NUMBERS. "I can't pay off my debt, so it's just kinda' sitting there in limbo." MICHELE QUINONEZ IS ENJOYING A NIGHT OUT AT THE MOVIES WITH A FRIEND. GOOD THING THEY WON THE TICKETS IN A CONTEST. EVEN THE PRICE OF A MOVIE THESE DAYS CAN BE A LUXURY WHEN FINANCES ARE AS FRAGILE AS A HOUSE OF CARDS. "Priorities are make sure I have gas, and get to my job and have day care for my child." BUT GETTING OUT OF CREDIT CARD DEBT COULD GET A LITTLE EASIER THANKS TO NEW FEDERAL RULES THAT GO INTO EFFECT NEXT MONTH. "It's very motivating to people when they start seeing the impact of their debt going down, and what life will be like without that debt." ROSANNA VENTURINI OF CLEAR POINT CREDIT COUNSELING SOLUTIONS HIGHLIGHTED FOUR OF THE MOST SIGNIFICANT CHANGES FOR US TONIGHT. FOR ONE THING, THE DUE DATE OF YOUR MONTHLY CREDIT CARD PAYMENT WILL STAY THE SAME EVERY MONTH AND IF YOU HAVE A CARD WITH MULTIPLE INTEREST RATES ON YOUR BALANCE, ANYTHING YOU PAY ABOVE THE MONTHLY MINIMUM, WILL GO DIRECTLY TOWARD THE BALANCE WITH THE HIGHEST INTEREST RATE. "which will help you pay off the debt even more quickly." ALSO, IF YOU'RE UNDER 21, YOU WON'T EVEN BE ABLE TO OPEN A NEW CREDIT CARD ACCOUNT UNLESS A GUARDIAN CO-SIGNS, OR YOU PROVE YOU CAN REPAY A DEBT AND ANOTHER CHANGE CREDIT CARD COMPANIES WILL HAVE TO SHOW THE PAY-OFF AMOUNT OF YOUR DEBT ON YOUR MONTHLY STATEMENT, INDICATING HOW MUCH YOU'LL PAY IN THE LONG RUN IF YOU JUST MAKE THE MONTHLY MINIMUMS. IT'S ALL ABOUT ARMING YOU THE CONSUMER WITH MORE INFORMATION TO TAKE CONTROL OF YOUR MONEY. "Really that extra money can be going to investing, or college funds, or vacations." THERE ARE MANY MORE CHANGES. WE'VE LINKED A LIST OF THEM TO OUR WEBSITE FOX40.COM. JUST HIT THE GO BUTTON AND YOU'LL IT. YOU MIGHT ALSO WANT TO WATCH YOUR CREDIT CARD STATEMENTS AND DISCLOSURES VERY CAREFULLY RIGHT NOW BECAUSE SOME BANKS ARE ADDING FEES AND RAISING INTEREST RATES DURING THIS WINDOW BEFORE THE NEW RULES GO INTO EFFECT ON FEBRUARY 22ND.

7 Ways to Save On Food - TIME TO REBEL AGAINST THE RECESSION BY CUTTING DOWN ON ONE OF YOUR BIGGEST MONTHLY EXPENSES. FOOD! STACY JOHNSON SHOWS US HOW TO FILL OUR CARTS WITHOUT EMPTYING OUR BANK ACCOUNTS. The modern grocery store is an easy place to save. Because it's one of the few places on the planet where when you pay more, you often get less. Standup Think about it. Fresh, simple basic ingredients that you find at the store are often much less expensive than the pre-packaged, pre-made things and much better for you. You win both ways. More simple savings? Sometimes generics aren't as good as name brands. But things like flour, sugar, salt or bleach? The only discernible difference is price. Want to save 10% on groceries? Use a list and ignore everything that isn't on it. A good merchant will always place the most profitable items at eye level. Stoop and bend for the best values, and a little exercise. What about coupons? Use em, but only for stuff you normally buy, not to check out new products. And don't forget the Internet! Nowadays you can use coupon search engines to generate savings with the click of a mouse. If you want to save big, buy big at warehouse stores. Want to save more? Check out a salvage grocery store: they sell scratch and dent for up to half off. Standup Remember when you save on that food budget, use those savings to pay down your debt. And that's just the tip of the iceberg. I've got plenty of more tips to save you on food right here on my website. moneytalksnews.com. I'm SJ. SAVING FIVE BUCKS A

DAY ON FOOD MAY NOT SEEM LIKE A WHOLE LOT, BUT THINK OF IT THIS WAY IT CAN MEAN AN EXTRA 10-THOUSAND DOLLARS IN SAVINGS IN JUST FIVE YEARS.

River Cats Job Fair - TODAY THE SACRAMENTO RIVERCATS HELD THEIR FIRST OF TWO PLANNED JOB FAIRS. RALEY FIELD HAS ALWAYS BEEN ONE OF THOSE PLACES PEOPLE ENJOY WORKING AT BUT FOR MANY APPLICANTS THIS YEAR LANDING ONE OF THESE JOBS IS MORE THAN JUST FUN AND GAMES. If you ever needed a sign of just how tough the job market is these days look at this, we're going to let this video run for awhile. The line of job applicants stretches quite a ways back. People hoping to score one of the 200 positions available for the upcoming Rivercats baseball season. I worked for the Rivercats before, not nearly as many people waiting in line. We expected it, but just not as bad. We took a train, a bus and another bus, but this is what you have to do to survive and take care of your family. Concessions,warehouse workers, in seat runners, suites. Many different positions available, but person after person told us, they will take whatever they can get. I need a job, I just moved out and have to pay rent. Like the lines, the stories of what people are going thru, go on and on. For some, this would be their only income. Others say a part-time seasonal job is just what they need right now to help get by. I'm just single, so I don't have any kids, but for people who have families. It'll be great for them to get back to work and things like that. Like a Disneyland ride, the long lines outside are followed by more inside, but the Rivercats say many of the people who were going to land jobs would actually be notified today. The organization says this show of applicants

means it comes away with a win too. It gives us a good pool of people to select from. THE SECOND JOB FAIR IS NEXT SATURDAY FROM 10AM-3PM AT RALEY FIELD, UNLIKE A BASEBALL GAME THIS ONE WILL GO ON RAIN OR SHINE.

FEMA Warning - A MISTAKE BY THE CITY OF SACRAMENTO COULD COST RESIDENTS QUITE A BIT OF MONEY. IMPROPER PERMITS LED TO NEW HOUSES IN THE NATOMAS FLOOD ZONE AND NOW FEMA WANTS THE CITY TO FIX THE PROBLEM. BEN DECI SHOWS US WHY THAT FIX MAY BE HARD TO COME BY. 35 building permits issued for Natomas homes built below the flood plain, despite a virtual ban on construction. "We made a mistake in terms of that and that should not have happened. That should not have happened." The Federal Government agrees... In this letter to the City, FEMA says the problems need to be fixed or we could be denied federal funds in case of a disaster, and the cost of flood insurance will go up for thousands of homeowners. "It's ridiculous, just another cost." Natomas residents like Sam Wijisiriwardane already know how hard it is to keep their homes stocked with groceries and to keep their heads above water. "it's just really bad. It's affecting everybody in the area, and nobody likes it." Six of the K Hovanian homes have already been sold and have families living in them. Now the City has 60 days to fix all the problems, or face the consequences. "it is very serious. This cannot happen again. And #3, we must take action to correct the mistakes we've made in the past." Both the Mayor and FEMA say they believe the City will meet that time line... What they don't know yet is exactly how. Both FEMA and the City Of Sacramento say there are lots of options for how to fix the problems. What we don't know yet is who will do the work and who will pay for and when asked about ho those permits were issued in the first place, the City says simply: that's a personnel issue, and it's been handled.

WITH NEARLY 9.5 MILLION UNEMPLOYED PEOPLE IN THIS COUNTRY JOB APPLICANTS FROM ALL WALKS OF LIFE ARE INCREASINGLY SURFING AND CLICKING THEIR WAY TO A NEW PAYCHECK. OVER THE LAST DECADE -- WEBSITES LIKE "MONSTER-DOT-COM" AND "CAREER BUILDER" BECAME POPULAR. NOW -- SOCIAL NETWORKING SITES LIKE TWITTER ARE BECOMING THE PLACE TO GO FOR WORK. JUST LAST MONTH, 74 MILLION PEOPLE LOGGED ON TO TWITTER AND 340-THOUSAND NEW JOBS WERE POSTED IT. SO, NEW INTERNET SEARCH ENGINES LIKE "TWITJOBSEARCH-DOT-COM" AND "JOBDECK" WERE BORN. HOWARD LEE: "We've been teaching computers to read... specifically to read jobs... so we can make sense of the millions and millions of messages that are posted to services like twitter. Then we actually find the ones that are offers of employment." EMPLOYERS SAY SOCIAL NETWORKING SITES ARE FAST BECOMING THE MOST COMPREHENSIVE JOB SEARCH TOOL OUT THERE. AMY BOHUTINSKY: "This is something that has always been very important in our recruiting strategy. What twitter has been able to do... is really magnify the strategy because our employees and executives can reach so many people." THE OTHER BONUS TO BEING ON THE JOB HUNT ONLINE. Stockton Arena Money Troubles - A CHANGE OF OWNERSHIP FOR THE STOCKTON THUNDER HOCKEY TEAM COULD BE WHAT KEEPS THE CITY'S ARENA FROM GOING UNDER. ANDRIA BORBA SHOWS US HOW THIS DEAL COULD BE JUST THE MONEY SAVER THE CITY NEEDED. JUST A FEW HOURS AFTER THE STOCKTON THUNDER HOCKEY TEAM INTRODUCED THEIR NEW OWNER, CANADIAN BRAD ROWBOTHAM TO THE WORLD, TICKET SALES WERE GOING ON AS USUAL AT THE BOX OFFICE. THE CITY OF STOCKTON WOULD LIKE TO SEE MORE OF THAT ON AVERAGE, THE CITY HAS BEEN LOSING TWO MILLION DOLLARS A YEAR ON THE ARENA, IN LARGE PART DUE TO A LEASE SIGNED WITH MANAGEMENT COMPANY IFG. DEPUTY CITY MANAGER LAURIE MONTES SEES THE OWNERSHIP AT THE THUNDER AS AN OPPORTUNITY TO SAVE TAXPAYER DOLLARS. Probably more quickly move towards getting a new operator in there - someone that will bring more shows, more activities in these very underutilized facilities. SHOWS LIKE WWE SMACKDOWN THAT STOCKTON RESIDENTS WERE BUYING TICKETS FOR. THEY LOVE THE ARENA, BUT HATE THE DEBT MESS IT'S CREATED FOR THE CITY.
I think the Stockton arena is a great arena to see your favorite events and stuff and favorite hockey teams. I hope they'll stop bleeding the money out of this place. it's a great place, good team, good facility.THE THUNDER ITSELF, DOES WELL FILLING SEATS, WITH THE HIGHEST ATTENDANCE IN THE ECHL. NEW OWNER BRAD ROWBOTHAM THINKS STOCKTON'S CASH FLOW WILL IMPROVE -- LEADING TO A BETTER RELATIONSHIP WITH THE ARENA AND THE THUNDER UNDER HIS HELM. Now that the thunder is pretty much the only team in the building, the city is going to make more money on the fact the other teams are gone. THE HOCKEY TEAM HELPS BUT STOCKTON'S DEPUTY CITY MANAGER SAYS SHE WANTS TO GET A NEW MANAGEMENT GROUP TO COME IN AND BOOK SOME HIGH PROFILE ACTS TO HELP GENERATE PROFITS FOR THE ARENA.

Lawmakers back to work - LAW ENFORCEMENT SUFFERED MAJOR CUTS LAST YEAR AS THE LEGISLATURE WAS FORCED TO TRIM A MASSIVE 60-BILLION DOLLAR DEFICIT. TOMORROW LAWMAKERS RETURN TO SACRAMENTO FACING STILL MORE BUDGET PROBLEMS. JOHN LOBERTINI JOINS US LIVE FROM THE CAPITOL WITH WHAT THIS MEANS FOR ME AND YOU. LAWMAKERS WILL ENTER THIS BUILDING TOMORROW AND RUN HEAD ON INTO ANOTHER BUDGET MESS. NEW PROJECTIONS PUT THE DEFICIT AT 15-BILLION DOLLARS, BUT ALL EYES WILL BE FOCUSED ON HOW THE GOVERNOR AND THOSE LAWMAKER SOLVE THIS CRISIS: THERE ARE RUMBLINGS ARNOLD SCHWARZENEGGER IS LOOKING FOR WAYS TO RAID THE GASOLINE TAX TO BALANCE THE BUDGET. A TAX THAT CITY'S AND COUNTY'S USE TO PAY FOR THINGS LIKE POLICE AND FIRE DEPARTMENTS: Elk Grove Captain Jim Cooper - "We can't continue to function with these severe reductions." REDUCTIONS THAT COULD BELONG TO CAPTAIN JIM COOPER BY JUNE, HE'S RUNNING FOR SHERIFF IN SACRAMENTO COUNTY: "Right now the fat's been cut. We're down to the bone. We laid off 120 deputies, so we're very concerned right now we're going to loose more officers." STATE EMPLOYEES ARE ALSO FEELING VULNERABLE: LAST WEEK, THE GOVERNOR'S FURLOUGH ORDER PLAN WAS DECLARED ILLEGAL; EMPLOYEES COULD BE DUE 100-MILLION IN BACKPAY. THE FALLOUT COULD MEAN LAYOFFS: Yvonne Walker/Service Employees Int'l Union "It's been a horrendous experience and a horrendous experience for California." THE BUDGET IS CLOSELY TIED TO THE ECONOMY. WHEN HIGH TECH WAS BOOMING AND HOMES WERE SELLING THERE WAS MONEY TO PAY THE BILLS: "The budget won't recover until the economy recovers." STATE ASSEMBLYMAN ROGER NIELLO SAYS HIGHER TAXES AREN'T THE ANSWER BUT LIFTING REGULATORY RESTRICTIONS COULD MEAN ADDITON BY SUBTRACTION. RESTRICTIONS THAT HAVE DRIVEN BUSINESS OUT OF CALIFORIA: Assm. Roger Niello (R) Fair Oaks – "That's gonna have to be.....business to recover." SERVICES FOR THE POOR COULD SUFFER MORE CUTS; AND EDUCATION BECAUSE IT'S THE BIGGEST PIECE OF THE BUDGET: OVER THE PAST 3-YEARS THE LEGISLATURE HAS DIVERTED 3-AND-A-HALF BILLION DOLLRS OF MOSTLY GAS TAX MONEY. FOR JIM COOPER IT'S A DOUBLE WHAMMY; HE'S ALSO A MEMBER OF THE ELK GROVE CITY COUNCIL: "The impacts are being felt by the average citizen. These people are taxpayers. They should expect a certain level of service." ARNOLD SCHWARZENEGGER'S FINAL STATE OF THE STATE ADDRESS IS SET FOR WEDNESDAY HERE AT THE CAPITOL. HE WILL RELEASE HIS 2010 BUDGET ON FRIDAY.

Green Appliances - SO HOW DO YOU KNOW WHICH APPLIANCES ARE "ENERGY EFFICIENT". YOU LOOK FOR THE "ENERGY STAR STICKER" OF COURSE. THE GOVERNMENT'S 17-YEAR OLD ENERGY INCENTIVE PROGRAM IS MEANT TO HIGHLIGHT THE BENEFITS OF THESE "GREENER" MACHINES BUT A NEW CONSUMER AUDIT SAYS WE MAY NOT BE ABLE TO TRUST THE STICKER AT FACE VALUE. "The tests are out of date, the manufacturers themselves supply the information to the govt, the govt isn"t checking it or having an indept 3rd party certifier that what the manuf is giving them is correct." THE ENVIRONMENTAL PROTECTION AGENCY SAYS IT IS WORKING ON ENHANCING SOME OF THE TESTING FOR THE PRODUCTS BUT OFFICIALS SAY IT SAVED AMERICANS 19-BILLION DOLLARS ON THEIR ENERGY BILLS JUST LAST YEAR.

SEIU Lawsuit - WE TOLD YOU LAST WEEK HOW THE "SEIU" WON A COURT BATTLE TO STOP FURLOUGHS AND POSSIBLY COLLECT BACK-PAY. IF THAT RULING STICKS SOME STATE WORKERS COULD GO FROM FURLOUGHED TO FIRED. SOME SEIU MEMBERS SAY THE FIGHT BETWEEN THEIR UNION AND THE GOVERNOR NEEDS TO STOP. THEY SAY THEY'LL TAKE THE FURLOUGH ESPECIALLY IF IT'LL MEAN A GUARANTEED JOB. That's a no win situation I think everybody can share in the pain. ANTONIO MITCHELL WHO'S BEEN A STATE WORKER FOR 19-YEARS IS MAD AS HECK AT THE UNION THAT REPRESENTS HIM IN FACT HE'S USING FOX40 TO SEND THEM A DIRECT MESSAGE. Ok let me look in the camera if your listening union reps save everyone's job I think it's better for us to take the 15% then for some to loose their jobs. MITCHELL AND OTHER WORKERS BELIEVE THE RECENT COURT BATTLE THE S-E-I-U WON TO STOP FURLOUGHS WILL EVENTUALLY MEAN THEIR JOBS WILL BE GONE. THE REASON - THE STATE WAS SAVING MORE THAN A BILLION DOLLARS FROM THOSE FURLOUGHS, TO TIGHTEN ITS BUDGET. If were blocked from doing the furloughs at the supreme court level...then we're going to have to do pay-cuts and lay-offs. AARON MCLEAR WITH THE GOVERNOR'S OFFICE SAYS SCHWARZENEGGER IS HOPING THE LEGAL BATTLE WITH THE UNION WILL END...BUT IT'S LIKELY THE HIGH COURT WILL DECIDE THE CURRENT 24-LAWSUITS SOME OF WHICH ARE FORCING THE GOVERNOR TO GIVE BACK PAY FOR THOSE FURLOUGHED IN THE PAST. BUT SCHWARZENEGGER INSISTS HE'S NOT GIVING OUT MORE MONEY. We should be doing in government what the private sector is doing is cutting back. BUT FOR SEIU MEMBERS LIKE ANTONIO HE'S WILLING TO TAKE A REDUCED WORK WEEK IF IT WILL MEAN A GUARANTEED PAYCHECK ALL THIS YEAR. Everyone wants to keep their job...no one wants to loose their job. THE SEIU SAYS THEY WILL CONTINUE TO FIGHT THE GOVERNOR FOR EVERY JOB BUT ONCE AGAIN THIS BATTLE PROBLABY WONT END UNTIL IT REACHES THE SUPREME COURT.

Cat Licensing - THE CITY SAYS... IT'S ALL ABOUT OVER-CROWDING BUT MANY PET OWNERS THINK MONEY IS THE TRUE MOTIVATOR. A NEW LAW FOR CAT OWNERS IN ROSEVILLE COULD MEAN YOU'LL HAVE TO PAY MORE TO HAVE THAT FELINE. THE CITY WANTS YOUR CATS LICENSED JUST LIKE DOGS AND AS RICK BOONE TELLS US, THE DEBATE IS CAUSING HEATED DISCUSSION BETWEEN ALL PET OWNERS. FOR YEAR'S CATS IN ROSEVILLE HAVE HAD IT EASY. THEY DIDN'T NEED TO BE TAGGED, OR CHIPPED, AND THERE WAS NO REQUIREMENTS FOR EVEN RABIES BUT THERE PERRRRFECT DEAL COULD CHANGE. NO THIS ISN'T THE CAT EDITION OF COPS BUT ONCE THESE BAD BOYS AT THE SHELTER ARE ADOPTED THEIR NEW OWNERS WILL LIKELY PAY A LITTLE MORE THAN THE ADOPTION FEE. WE'RE TALKING AS MUCH AS 30-BUCKS FOR A LICENSE JUST LIKE DOGS OWNERS HAVE TO PAY AND THAT'S GOT SOME CATS A LITTLE FIESTY. It seems to me animals have rights as well. JUDY VENTERINI WHO HAS 3-CATS SAYS PAYING 30-BUCKS PER CAT IN THE CITY OF ROSEVILLE AS A WAY TO CONTROL POPULATION IS AS DIFFICULT TO SWALLOW AS A FUR BALL. I think the government's over stepping itself. I have 3-dogs I pay my share,I think cat owners should do the same. CINDY PAUL WHO OWNS, Le Rue De Paris SAYS SINCE SHE HAD TO PAY FOR HER SHOW DOG'S LICENSE, CHIP, AND RABIES SHOTS...CAT OWNERS NEED TO PAY UP TOO...BUT STILL THINKS THE POPULATION CONTROL IDEA REALLY WONT DO ANY GOOD. Cat owners generally don't keep as tight of leach on their cats as dog owners, Like the one you got now right. RIGHT NOW THE SAME ORDINANCE IS IN EFFECT IN PARTS OF SACRAMENTO COUNTY, IT'S 75-BUCKS TO LICENSE A CAT NOT FIXED BUT JUDY THE CAT LADY SAYS EVEN IF ROSEVILLE ADDS THE FEE...SHE'S STILL GOING TO EXPAND HER LITTER. If I could afford more, I would have 20 more, they are the joy of my life.

Pensions Drain Budget - AS WE'VE LEARNED DURING THE PAST FEW YEARS SMALL FIXES AREN'T GOING TO FIX CALIFORNIA'S LARGE BUDGET PROBLEMS. RICK BOONE IS LIVE AT THE CAPITOL WITH ONE OF THE MOST IMPORTANT ISSUES LAWMAKERS NEED TO ADDRESS. A CALIFORNIA PENSION IS A SWEET DEAL IF YOU CAN GET IT. SOME EMPLOYEE'S RECEIVE ALMOST 100-PERCENT OF THEIR SALARY IN RETIREMENT FOR THE REST OF THEIR LIVES AND YOU'RE PAYING THE PRICE. We are already putting in there every year more than $3 billion towards pensions. That amount will go up to $10 billion AND ALL THAT CASH PLUS MORE SCHWARZENEGGER IS TALKING ABOUT IS FOR STATE PENSIONS THAT'S COMING FROM YOUR TAX DOLLARS AND SOME BELIEVE THOSE GUARANTEED CALPERS PENSION PAYMENTS TO 15-THOUSAND FORMER STATE AND LOCAL GOVERNMENT WORKERS IS WHY CALIFORNIA CAN'T BALANCE ITS BUDGET. MARCIA - It's the most incredible investment you can have is a pension promise in the state of California. WATCHDOG MARCIA FRITZ WITH THE CALIFORNIA FOUNDATION FOR FISCAL RESPONSIBILITY SAYS WORKERS WITH ONLY A FEW YEARS ON THE STATE PAYROLL WILL HAVE A FAT CHECK. LOOK AT THIS IF THE AVERAGE STATE EMPLOYEE MAKES 62-GRAND AND WORKS FOR 20-YEARS TO RETIRE AT 60 THEY'LL BRING HOME $26,000 EVERY YEAR FOR THE REST OF THEIR LIFE PLUS SOCIAL SECURITY. MARCIA - We could loose every penny we invest and we still have to pay you. MARCIA EVEN HAS ON HER WEBSITE A 100-THOUSAND DOLLAR CLUB OF THOUSANDS OF FORMER STATE EMPLOYEE'S RAKING IN THE DOUGH AND THE SWEET DEAL MUST BE A TOUCHY SUBJECT WE TRIED TO ASK CURRENT STATE WORKERS ABOUT THEIR COLLEAGUES GETTING THE CASH - ALL WE GOT WAS NOTHING. NOW MARCIA HAS AN ALLY IN THE GOVERNOR WHO SAYS HE'S DETERMINED TO STOP THE PENSION GRAVY TRAIN. ONCE AGAIN THIS YEAR THE GOVERNOR WILL CHALLGENGE LAWMAKERS TO REVISE STATE PENSIONS BUT IT'S EXPECTED TO BE AN UPHILL BATTLE.

TO CUT DOWN ON OVER-POPULATION THE CITY WAS CONSIDERING LICENSING CATS JUST LIKE DOGS. Prop 8 Broadcast Controversy - WE WANT TO GO BACK NOW TO THE DEBATE OVER PROP 8 AND YOUTUBE. SOME WANT TO KEEP THE FEDERAL HEARING FROM BEING BROADCAST TO THE PUBLIC. ROWENA SHADDOX WITH THE ARGUMENTS ON BOTH SIDES. THE NINTH CIRCUIT COURT OF APPEALS DECIDED JUST TONIGHT, NOT TO GET INVOLVED. THAT MEANS YOU COULD TUNE IN ON YOU TUBE COME MONDA

LumaTech www.lumatech.com

From a fat cat clinking on the keys to music icon Michael Jackson, YouTube is the Internet site to find just about anything and come Monday, it'll be the place to watch a federal trail unfold for the very first time, and not just any case - the CONSTITUTIONAL CHALLENGE TO PROP 8 CALIFORNIA'S BAN ON SAME SEX MARRIAGE. Andy Pugno, attorney for Protect Marriage "there's got to be some dignity for the courts protected here and some dignity for the process." BUT SOME PROP 8 SUPPORTERS DON'T WANT IT PUBLIC. THEY filed an emergency petition with the U.S. 9th Circuit Court of Appeals EARLIER TODAY to prevent the broadcast but late tonight, word came down that the circuit court will not step in. Andy Pugno - "we're very concerned that the televising of this trial creates a risk of it turning into a circus or a show." Assemblyman Mark Leno, who authored the gay marriage bill, disagreed. Mark Leno - "there's absolutely no good argument to suggest that the public, the taxpayers who pay the bill for our judiciary system, to have an opportunity to view this trial as it unfolds." On YouTube, opponents of prop. 8 support the judge's decision to broadcast the proceedings. Theodore Olson, American Foundation for Equal Rights - "this is a great step for the American people and everyone affected by Prop. 8 will have the opportunity to see the justice system work." Live feeds of the trial will be sent to federal courtrooms in other states. Uploads of the *entire trial will also be put on YouTube with a slight delay. Lisa Praypher - "I think YouTube's a great way to get it out. Let the public see what the differences are between for or against it." Andy Pugno, attorney - "regardless of what side of the issue you happen to be on. I think most people would agree, this is just something the federal court shouldn't get into." THERE WILL BE A TIME DELAY ON YOUTUBE, BUT THE PROCEEDINGS WILL BE IN ITS ENTIRETY.

CA Budget Woes - TONIGHT, GOVERNOR SCHWARZENEGGER IS IN OUR NATION'S CAPITOL LOBBYING FOR A LITTLE "FINANCIAL AID". LOOKING DOWN THE BARREL OF A 20 BILLION DOLLAR DEFICIT, CALIFORNIA GOVERNOR ARNOLD SCHWARZENEGGER SAYS HE NEEDS 6.9 BILLION FEDERAL DOLLARS TO KEEP THE STATE AFLOAT. SCHWARZENEGGER says: "We seek more flexibility to prioritize our own resources and manage our own budget. Right now the federal government is forcing us to spend money we don't have." THE GOVERNOR SAYS THIS IS NO BAILOUT, BUT MONEY THE STATE'S OWED FOR MEDICARE, BORDER PROTECTION, PRISONS AND OTHER FEDERAL PROGRAMS. CALIFORNIA TAXPAYERS SEND MORE MONEY TO THE FEDERAL GOVERNMENT THAN ANY OTHER STATE AND GETS BACK JUST 78 CENTS ON THE DOLLAR - 20% LESS THAN IT GOT BACK UNDER THE CLINTON ADMINISTRATION. MALDONODO says: "We're giving to Washington and they're just sending out to other states." 42 STATES ARE PROJECTING A DEFICIT IN THE COMING FISCAL YEAR AND - LIKE CALIFORNIA - NEW YORK, NEW JERSEY, FLORIDA, AND ILLINOIS ALL EXPECT TO BE BILLIONS IN THE RED, MAKING CONGRESS WARY OF SETTING A PRECEDENT BUT ECONOMISTS SAY LETTING CALIFORNIA DROWN IN RED INK COULD HIT THE NATIONAL ECONOMY HARD BECAUSE THE GOLDEN STATE IS HOME TO 12% OF THE US POPULATION AND PRODUCES 13% OF THE NATION'S GROSS DOMESTIC PRODUCT. DE VOL says: "It's probably an analogy that we are too big to fail. it does mean that we have some difficulties that we need to address ourselves, but a failure for California will be a failure for the country." LAST WEEK, GOVERNOR SCHWARZENEGGER PROPOSED CUTTING PROGRAMS ACROSS THE BOARD AND RAIDING AN UNUSED STATE FUND IN ORDER TO GIVE TAX-BREAKS FOR JOB CREATORS.

ALSO THE PROFESSOR BELIEVES THE CAMERA CAN HURT WHO'S ON THE BENCH. Judges don't want to be recognized AND TOO MUCH COVERAGE COULD MEAN AN INCREASE IN THREATS AND UNEXPECTED REACTION FROM THE CROWD WHICH WILL SLOW DOWN THE CASE. Public disruption can have an influence in the justice in a negative way. BUT FOR FORMER O.J. ATTORNEY BLASIER HE SAYS BRING THOSE CAMERA'S ON, BECAUSE NO MATTER THE CASE - IT CAN BE A TOOL FOR US ALL. They do serve a worth-wild purpose of educating people. NOW ATTORNEY'S SAY IF CAMERA'S DO COME TO THE FEDERAL COURT DON'T EXPECT TOO MUCH EXCITEMENT. THEY SAY FEDERAL COURT TO THEM IS JUST TOO BORING.

Strong Mayor - MORE THAN 100-PEOPLE SHOWED UP AT THE RADISSON IN SACRAMENTO TONIGHT TO DEBATE THE PROS AND CONS OF A STRONG MAYOR SYSTEM. RESIDENTS WILL BE VOTING ON THE PROPOSED CHANGE TO CITY GOVERNMENT THIS JUNE. BEN DECI IS LIVE AT CITY HALL WITH WHAT PLAYED OUT TONIGHT. DON'T DOUBT IT THE STRONG MAYOR QUESTION IS THE MOST IMPORTANT THING PEOPLE IN SACRAMENTO WILL BE VOTING ON THIS SUMMER BUT THERE'S A DIFFERENCE BETWEEN WHAT THOSE WORDS MEAN, AND WHAT THEY MIGHT MEAN TO YOU AND TONIGHT, THAT'S OUR STORY. Seems like a lot of fuss over the Mayor's muscles, "A strong mayor, Is that a little bit frightening or intimidating? I think it's unfortunately misleading. Really it's about accountable government." Is the opposition holding the idea accountable for its quirky name? "I think no matter what you call this, Sacramento will understand how dangerous this initiative is." You want to talk danger? Let's talk about the number three. By January 3rd, there were 3 homicides in Sacramento this year. The latest police promotion ceremony saw only three new badges handed out. Police estimate you'd need more than 300 to keep us safe. Kevin Johnson has suggested a strong Mayor could better get that done. "Do you think it's fair to use public safety in the politics of this in that way? I think its an unfair characterization of what Mayor Johnson can do with the power he has. He's an incredibly charismatic and influential mayor." "Right now the City manager proposes the budget. It's then acted upon by the City Council. Under this charter initiative, the mayor proposes a City Budget."

Witness Responsibility Act - A NEW BILL WILL REQUIRE A PERSON WHO WITNESSES A VIOLENT CRIME TO REPORT IT TO POLICE AND IF THAT PERSON DOESN'T ALERT POLICE. PAUL CHAMBERS TELLS US THEY COULD BE FINED AND SERVE TIME BEHIND BARS. CARDOZA says: "What are you going to have in jail, people that don't report violent crime, yet the one who did the violent crime is going to be out in the street." DEFENSE ATTORNEY MICHAEL CARDOZA SAYS THE BILL KNOWN AS THE WITNESS RESPONSIBILITY ACT WOULD BE A GOOD TOOL FOR LAW ENFORCEMENT BUT THAT IT ALSO COULD INTIMIDATE WITNESSES MAKING THEM MORE RELUCTANT TO REPORT A CRIME. THE BILL WAS INTRODUCED TODAY BY ASSEMBLYMEMBER PEDRO NAVA IN THE WAKE OF THE BRUTAL GANG RAPE OF A RICHMOND TEENAGE LAST YEAR. GAGAN says: "In this Richmond High rape there are several people who emerged as having been there seen what was happening and failed to report." NOW IF THIS BILL BECOMES LAW ANYONE WHO WITNESSES OF ANY OTHER VIOLENT CRIME SUCH AS MURDER COULD BE CHARGED WITH A MISDEMEANOR. SERVE UP TO 6 MONTHS IN JAIL AND PAY A MAXIMUM FINE OF 15 HUNDRED DOLLARS. IF THEY DO NOT REPORT THE INCIDENT A CURRENT STATE LAW MAKES IT ILLEGAL NOT TO REPORT A WITNESSED CRIME AGAINST A CHILD UNDER THE AGE OF 14. NAVA'S LAW WOULD KEEP THE SAME PUNISHMENT BUT ELIMINATE THE AGE RESTRICTION. NAVA says: "What happened in Richmond was the young lady was 16 years old and so law enforcement is very, very frustrated because they don't have the ability to encourage witness to come forward with the threat of prosecution and so i thought the best way to resolve that is just to eliminate the age restriction entirely." RICHMOND POLICE SAY IF THOSE WHO WITNESS THE ATTACK WOULD HAVE CALLED POLICE AS SOON AS THEY SAW IT GOING ON THE ATTACK COULD HAVE BEEN QUICKLY STOPPED. GAGAN says: "We would have responded immeadiately, it would have cut our victims ordeal in half by three quarters. Who knows what we could have prevented." CARDOZA says: "If it helps in one case I suppose its a good law. But will accomplish what they want it too? Absolutely not." THE BILL HAS PASSED THE COMMITTEE AND WILL NOW MOVE TO THE FULL ASSEMBLY.

Uncashed IOUS - CALIFORNIA IS LOOKING TO HAND OUT MILLIONS IN CASH. THIS PAST SUMMER THE CONTROLLER'S OFFICE ISSUED IOU'S WHEN THE STATE COULDN'T PAY ITS BILLS. FOR SOME REASON NOT EVERYONE IS COLLECTING. JOHN LOBERTINI IS LIVE AT THE CAPITOL WITH HOW THE STATE IS SPENDING MONEY TO GIVE MORE MONEY. THIS LETTER WAS SENT OUT TO 89-THOUSAND PEOPLE TODAY. IT'S NOT CLEAR WHY PEOPLE HAVEN'T CASHED-IN 50-MILLION DOLLARS IN REGISTERED WARRANTS, IOU's, BUT WE'VE LEARNED IT MAY NOT BE THAT SIMPLE: "I'm still waiting to cash in this IOU." JOHNNY TERRELL AND HIS WIFE WERE PREGNANT LAST SUMMER WHEN THEY RECEIVED AN IOU FROM THE STATE; INSTEAD OF A 15-HUNDRED DOLLAR TAX REFUND. A HARDSHIP THAT FORCED THIS HIGH SCHOOL ENGLISH TEACHER TO GET A SECOND JOB: "I have a family to take care of. They expect you to make it off of IOU's and I don't understand that." DURING THE BUDGET CRISIS LAST SUMMER, TWO-POINT-6-BILLION DOLLARS IN IOU's WENT TO TAXPAYERS, STATE EMPLOYEES AND PEOPLE WHO DO BUSINESS WITH THE STATE. THEY WERE ISSUED BETWEEN JULY SECOND AND SEPTEMBER THIRD: "This is the first mailing of its kind." BUT 50-MILLION IN WARRANTS IS STILL UNCASHED: "Warrants from the state typically expire within a year. Again, I don't know

LuraTech www.luratech.com

if any other mailings are planned. We'll look to see the response to this mailing first before making any determination like that." LOS ANGELES COUNTY IS THE BIGGEST OFFENDER WHERE 23-THOUSAND IOU'S TOTALING ALMOST 10-MILLION DOLLARS ARE STILL OUTSTANDING. IN SANTA CLARA COUNTY MORE THAN FOUR THOUSAND ACCOUNT FOR ALMOST 2-AND-A-HALF MILLION DOLLARS AND IN SACRAMENTO CLOSE TO 700-THOUSAND DOLLARS IS TIED UP IN MORE THAN 2-THOUSAND UNCASHED WARRANTS: "Put it in the general fund." IT'S NOT KNOW IF THESE IOU's WILL BE HELD TO THEIR EXPIRATION DATES BUT YVONNE SILAO OFFERED THIS AS SHE SPENT ANOTHER FURLOUGH FRIDAY WITOUT A PAYCHECK: "What do you think the state ought to do with the money? Give us the money?" SOME IOU's WERE BOUGHT AND SOLD ON THE INTERNET BUT THE STATE SAYS IF YOU HOLD ONE IN SOMEONE ELSE'S NAME YOU'LL HAVE TO HAVE A NOTORIZED BILL OF SALE: "I have a wife and a little daughter, little janaya." THIS 24-YEAR OLD FATHER SURE COULD USE THE MONEY FROM HIS IOU, BUT HE SAYS REDEEMING IT HAS BEEN COMPLICATED AND FRUSTRATING: "I guess I'm supposed to call then and see what the process is. I call them and keep getting hung up on. Not getting through, so I kind of gave up." WE DON'T KNOW HOW TRUE THAT IS, BUT THE STATE IS WORKING OVERTIME TO GIVE THIS MONEY AWAY. WE'RE TOLD YOU'LL FIND ALL THE HELP YOU NEED AT THE WEB SITES FOR THE STATE CONTROLLERS AND THE TREASURER BUT IF ALL ELSE FAILS YOU CAN STOP BY THE CONTROLLERS OFFICE AND THEY'LL CUT YOU A CHECK ON THE SPOT. YOU CAN FIND THOSE TWO WEB SITES AT FOX 40.COM UNDER THE GO BUTTON.

Mayor Supports Banks - BLOWING TAX PAYER MONEY, TACKING ON EXTRA FEES, THE BIG BANKS DON'T HAVE A LOT OF FANS THESE DAYS BUT THEY ARE GETTING SOME UNLIKELY ADVERTISING FROM SACRAMENTO'S MAYOR. KEVIN JOHNSON ANNOUNCED A LOCAL CAMPAIGN THIS WEEK TO ENCOURAGE FAMILIES TO START ACCOUNTS WITH BANKS BUT IS THE MAYOR'S STRATEGY REALLY A SMART WAY FOR STRUGGLING FAMILIES TO SAVE? BEN DECI IS LIVE IN SACRAMENTO WITH A CLOSER LOOK. FOR SO MANY OF US MANAGING MONEY MEANS A LOT OF TRIPS HERE, NOW IMAGINE MANAGING WITHOUT BANKS. FOR THOUSANDS IN SACRAMENTO, THAT'S THE REALITY

LaraTech www.laratech.com

AND IT'S A HARSH REALITY. DEPENDING ON WHO YOU LISTEN TO 30,000 Sacramento house-holds don't have a bank account of any kind. The Mayor wants that to change. "These are some of the self-same institutions that lead to the largest recession in out life-time. Should we really be doing advertising for these institutions?" Mayor Johnson : "Yeah... I wouldn't look at it that way." The way Mayor Johnson figures it, the average worker spends $800 a year on services like check-cashing, and pay-day-loans... services you might be able to get more cheaply if you belong to a bank. Mayor : "What banking institutions are saying is: you know what? We're going to work with you especially in a down economy." But if you're like me... you may not feel like banks are being all that cooperative, piling on usage fees... and convenience charges... and overdraft penalties. "I know employees with Bank of America who've been hit with their own Bank's overdraft fees. And they acknowledge it's just outrageous and out of control." I called Mazher Ali, with United for a Fair Economy to see if he thinks banking is a way to battle poverty. Mazher Ali "For starters, where are a lot of these low income people going to find money to start a bank account if they don't already have one?" But the Mayor sees Banks it as a way out of the poverty cycle. Mayor Johnson " There's protection and guard-rails in place to make sure these folks are not taken advantage of, and I think it's a good program." Certainly good for banks too, who can look forward to thousands of new customers in Sacramento.

SENATOR YEE SAYS DISPOSING AND RECYCLING 165-THOUSAND TONS OF PHONE BOOKS COSTS STATE TAXPAYERS $17- MILLION DOLLARS A YEAR WHEN THE SAME INFORMATION IS READILY AVAILABLE ONLINE.HE'S WRITTEN LEGISLATION THAT WOULD LIMIT DISTRIBUTING WHITE PAGES TO PEOPLE WHO SPECIFICALLY ASK FOR IT. THAT CONCERNS SOME RATEPAYER ADVOCACY GROUPS: SPATT SAYS: "we can't make public policy on the basis of the assumption that every consumers has fast broadband access and a working computer. that's simply not the case." SPATT SAYS MANY AMERICANS STILL RELY ON THE PHONE BOOK TO CONTACT GOVERNMENT OFFICES, LOCAL MERCHANTS AND FRIENDS. COWAN SAYS: "critics argue instead of taking the directory away, better to let people know they can cancel their delivery with a call to their phone book provider. such opt-out programs have worked well in states like Alaska and New York." ENVIRONMENTALISTS SAY REQUIRING PEOPLE TO REQUEST DIRECTORIES WOULD ENSURE FEWER ARE PRINTED, POINTING TO PILOT PROGRAMS IN MIAMI, ATLANTA AND AUSTIN WHERE "OPT-IN" RATES ARE AS LOW AS 1-PERCENT. WITH GOVERNMENT AND TELECOMMS LOOKING TO SAVE MONEY, THIS PLAN IS LIKELY TO GET A LOT OF SUPPORT BUT DON'T EXPECT THE *YELLOW PAGES TO GO AWAY ANYTIME SOON - THOSE GENERATE $14 BILLION DOLLARS A YEAR IN AD REVENUE. Furlough Bill - MANY OF YOU ARE IMPACTED BY THIS BUT COULD THE DAYS OF FURLOUGHS BE COMING TO AN END? TODAY THE STATE SENATE APPROVED A BILL TO STOP FURLOUGHS FOR SOME GOVERNMENT AGENCIES. BEN DECI IS LIVE AT THE CAPITOL TO BREAK DOWN WHO COULD BE AFFECTED AND WHAT THE GOVERNOR SAYS ABOUT THIS. THE GOVERNOR'S OFFICE HAS RELEASED A LIST OF SENATORS WHO TODAY VOTED TO END THE FURLOUGHS EARLY 20 OF THEM VOTED FOR THE BUDGET THAT FEATURED FURLOUGHS IN THE FIRST PLACE. THE GOVENOR'S PEOPLE CALL IT A FLIP-FLOP. THE SENATORS SAY FURLOUIGHS WERE ONE LINE IMBEDDED IN A BUDGET THEY NEVER MUCH LIKED IN THE FIRST PLACE. No one will tell you that they wanted the furloughs in the first place. "We had proposed pay-cuts but the legislature rejected those pay-cuts." "My point is that the way they've gone about it has not saved the money they claim it saved." Now the push is on to put an early end the forced 3-days off a month. The reason: in some cases the policy may have cost the State money. "65 million dollars saved to the personnel costs at the Franchise Tax Board, but we are losing $465 million dollars because we don't have the workers to audit and bring in the money we are owned." The bill would also end furloughs at the DMV, because thier pay-roll doesn't come from the State's general fund it comes from vehicle license fees and the like. The furloughs were originally scheduled to sun-set in June anyway... if this measure passes, they could end weeks, or even months early, depending on the Bill's final language but the question remains "Does the Governor veto? Well, we haven't seen the bill yet but I can tell you, the governor opposed trying to not do the compensation cuts." But the State's assembly will have it's say first... Steinberg told me today he's confident the Bill will pass. NOW THE STATE'S SENATE PASSED THE BILL WITH A VETO PROOF MAJORITY. IF THE ASSEMBLY DOES THE SAME...HE GOVERNOR won't HAVE ANY SAY, BUT HE'S ALREADY PROPOSING A NEW BUDGET THAT WOULD REPLACE FUROUGHS WITH PAY CUTS.

Phil Harvey, Petrovich - We want people to be aware there's an issue here and we want people to remain off the site. Some neighbors don't like the fact that the signs are so visible. Developers say they're required to do it and they're hoping that vandals who have been causing trouble will see the signs and stop coming in. Healthy Backsides - I'M NOT SURE WHICH WORD TO USE HERE BUT IF YOU KNOW A WOMAN WHO HAS A LARGE BACK-SIDE CHANCES ARE SHE'S HEALTHIER THAN MOST WOMEN. A NEW STUDY OUT OF HARVARD FOUND THE BIGGER THE BOOTY THE BETTER YOU FEEL. RESEARCHERS SAY THE FAT AROUND THE HIPS -- THIGHS AND BUTTOCKS -- IS GOOD -- IN FACT THEY SAY THE SIZE COULD FIGHT OFF DISEASES LIKE DIABETES, BY HELPING THE BODY BETTER REGULATE INSULIN. It is better for your health but what it's proving -- it's the subcutaneous cells---these fat cells are different than the adcutaneous fat cells in their ability to have beneficial effects." THE DOC SAYS IT'S BETTER TO HAVE WEIGHT ON YOUR BOTTOM RATHER THAN AROUND YOUR TUMMY BECAUSE THAT SPARE TIRE COULD LEAD TO A HIGHER INCREASE OF HEART DISEASE.

Medical Marijuana Limits – IT'S A RULING SOME EXPERTS SAY COULD HAVE AN IMPACT FAR BEYOND MEDICAL MARIJUANA. HERE ARE THE BASIC'S, SINCE 2003 LAWMAKERS ONLY ALLOWED PATIENTS TO HAVE 8 OUNCES OF MARIJUANA AT A TIME BUT TODAY THE STATE SUPREME COURT CALLED THAT AN "ILLEGAL REVISION" OF PROPOSITION 215. THAT MEANS PATIENTS CAN HAVE AS MUCH POT AS A DOCTOR RECOMMENDS. BEN DECI IS HERE NOW WITH WHY THE DECISION IS OPENING UP A LOT OF QUESTIONS. AS MUCH POT AND AS MANY MARIJUANA PLANTS GROWING REALLY AS A PATIENT WANTS, GUYS BUT IT LEAVES A LOT OF QUESTIONS UNANSWERED ESPECIALLY FOR POLICE, WHO NOW REALLY DON'T HAVE A SPECIFIC GUIDELINE FOR KNOWING WHO'S GOING TO FAR. SO THINGS ARE ALREADY PRETTY UNCLEAR BUT JUST HANG-ON SOON, LAWMAKERS COULD PUT FORWARD A MEARUE THAT WOULD MAKE POT USE LEGAL FOR EVERYBODY AND THE GAME WILL CHANGE AGAIN.

Snow Helps Drought - THE GOOD NEWS ALL THIS RAIN HAS ALMOST PUT OUR SIERRA SNOWPACK BACK TO NORMAL, SO DOES THIS MEAN THE DROUGHT IS FINALLY OVER? JOHN LOBERTINI IS LIVE AT THE SACRAMENTO RIVER WITH WHAT THE EXPERTS ARE SAYING. THIS STORM IS THROWING ALL THE PUNCHES YOU EXPECT FROM A CLASSIC EL NINO. IT'S WET, IT'S RUGGED AND IT'S HITTING HARD WITH BIG STORMS EVERY 12-TO-24-HOURS. TO HEAR SOME TELL IT MORE WEATHER LIKE THIS COULD SPELL THE END OF OUR DROUGHT. JUST FIVE DAYS INTO THIS SUPER SOAKER AND THE SACRAMENTO RIVER IS JUST ONE STEP BELOW FLOOD STAGE. "In particular we're looking at the snow above lake Oroville." STATE WATER OFFICIALS ARE PAYING CLOSE ATTENTION TO THE CALIFORNIA'S TWO MOST IMPORTANT RESERVIORS, OROVILLE AND LAKE SHASTA. Dave Rizzardo, Dept. of Water Resources - "We've gained 6-8 inches of snow water content, which is 20-25-percent of what we need by April one. That's a huge boost in one weeks' time." BETTER SILL, THE WATER CONTENT IN THE SIERRA SNOW PACK IN 96-PERCENT OF WHERE IT SHOULD BE, "It's looking like a more classic typical El Nino." THE NATIONAL WEATHER SERVICE SAYS THIS WEEKS STORM HAS ALL THE TRAITS OF A MODERATE TO STRONG EL NINO. THE FLOODS OF 1997-98 WERE THE PRODUCT OF A

STRONG EL NINO. Cindy Palmer/National Weather Service. - "The climate prediction center is showing the three month outlook for February, March and April a better chance of having above normal precipitation across the whole state of California." THE SCARRS FROM THREE YEARS OF DROUGHT ARE STILL VISIBLE ON FOLSOM LAKE. STATEWIDE RESERVIORS HAVE JUST 74-PERCENT OF THE WATER THEY SHOULD BE HOLDING THIS TIME OF YEAR BUT THE WATER IS RISING IN PLACES LIKE THE SACRAMENTO RIVER AND THE HEAVY RUNOFF IS JUST BEGINNING TO SHOW ITSELF. "We're about a half to 2/3's of the snow pack that we need." IT'S GOING TO TAKE A BALANCE OF RAIN AND SNOW TO END THE DROUGHT OF 2007, EIGHT AND NINE. TWO MORE WEEKS LIKE THIS, THIS THOUGH, COULD SIGNAL THE END. "For this year this was a nice needed shot. And then from here on out we'd like to see a more comfortable pace." ONE MEMBER OF THE NATIONAL WEATHER SERVICE IN THE BAY AREA IS GOING WAY OUT ON A LIMB; HE'S COMPARING THIS TO THAT EL NINO THAT CAUSED MASSIVE FLOODING IN THE LATE 90'S. TRUTH IS: EL NINO'S ARE WILDLY UNPREDICTABLE. A MODERATE EL NINO CAN BE VERY WET OR IT CAN BE VERY DRY AT THIS POINT ALL INDICATIONS ARE, THIS ONE HAS THE RIGHT STUFF TO GET US OUT OF THAT DROUGHT.

DOCTORS SAY IN ORDER TO FULLY WATCH 3-D MOVIES, EACH OF YOUR EYES HAS TO HAVE 20-20 VISION MUSCLE PROBLEMS OR ONE EYE BEING STRONGER THAN THE OTHER COULD RUIN THE EFFECT, AND LEAVE YOU WITH A HEADACHE! "The technology is 2 different images projected onto a screen that aren't exactly overlapping and unless you have full 3-dimensional capability with your eyes, you probably won't see the full effect." Contaminated Town - MORE THAN A YEAR AFTER COMPLAINTS FIRST SURFACED, GOVERNOR SCHWARZENEGGER IS DIRECTING TWO STATE AGENCIES TO INVESTIGATE. THE TOWN IN QUESTION IS CALLED "KETTLEMAN CITY" IN KINGS COUNTY. ANITA VOGEL EXPLORES WHETHER A NEARBY "HAZARDOUS WASTE FACILITY" MAY HAVE SOMETHING TO DO WITH THIS. HERNANDEZ says: "As a new mother I hope for a normal healthy baby, but when he was born i was surprised he was born with a cleft palette" ONE IN EVERY 700 AMERICAN CHILDREN IS BORN WITH A CLEFT PALETTE, BUT IN KETTLEMAN CITY, CALIFORNIA IN 2008...THE NUMBER WAS 1 IN 12....58 TIMES HIGHER THAN THE NATIONAL AVERAGE. SAUCEDO says: "we ask you for there to be an investigation of why the children are being born this way" ROMERO says: "The doctor said her baby might have been born with cleft palate because she must have been exposed to chemicals or pesticides." STATISTICALLY, BIRTH DEFECTS IN KETTLEMAN CITY ARE OFF THE CHARTS AND EXPERTS HAVE POINTED FINGERS AT EVERYTHING FROM PESTICIDES USED BY LOCAL FARMS TO POLLUTION FROM THE INTERSTATE. ENVIRONMENTAL ACTIVISTS AND SOME RESIDENTS BLAME THIS LANDFILL THREE MILES OUTSIDE OF TOWN. ANGEL says: "what we have on our hands in kettleman city is a toxic and radioactive time bomb. we have babies dying for some reason we dont know why. we happen to think it is from some environmental pollution " THE KETTLEMEN CITY LANDFILL IS THE LARGEST TOXIC WASTE FACILITY WEST OF THE ROCKIES BUT COMPANY OFFICIALS SAY THE SITE IS STRICTLY REGULATED AND THERE IS NO EVIDENCE OF GROUND WATER CONTAMINATION. HERRERRA says: "we have got a record of thirty years of doing business here we have got a clean record which we stand by" BOTH THE ENVIRONMENTAL PROTECTION AGENCY AND THE CALIFORNIA DEPARTMENT OF HEALTH WILL INVESTIGATE THE SITUATION IN KETTLEMAN BUT NEITHER WILL COMMIT TO TAKING SOIL OR AIR SAMPLES. MEANTIME LOCALS ARE GOING AHEAD WITH THEIR LAWSUIT TO BLOCK THE EXPANSION OF THE LANDFILL.

New Flu Strain - A NEW HEALTH WARNING TONIGHT JUST WHEN WE THOUGHT THE H1N1 VIRUS HAD DIED DOWN, A NEW FLU STRAIN IS CAUSING CONCERN AMONG DOCTORS. ROWENA SHADDOX IS LIVE IN SOLANO COUNTY WHERE THIS MYSTERY STRAIN IS POPPING UP. ER's are packed, and this time around doctors could be seeing a different strain of H1N. Different strain or a whole new virus all together?"I suspect it's a different virus of the swine flu or H1N1." While they're not quite sure, doctors have seen the symptoms change in the past three months. "what's been coming in the past few days, really young kids are having fevers, but older kids, adolescence, no fever. Just muscle aching and that' kinds of an unusual presentation for H1N1." In Solano County, ER's are experiencing five times what they'd normally see. Just last night here at Vaca Valley, they treated eight kids with high fevers, and just as many with no fevers, but flu-like symptoms. Dr. Kyle Holmes, NorthBay Health Care Systems "we had a big resurgence with viral illnesses around November. And then it fell off. We hadn't seen much until the last week or so. The past three days, it really picked up." Jason Pierce has four kids and knows what it's like to battle the flu. Jason Pierce - "they've missed quite a bit of school, one after another, if not all at the same time." Doctor say the key is for parents not to wait Tamiflu is most effective if it's given within the first 48 hours. "as a parent, with the whole swine flu scare as soon a one of my kids were sick, I've feared, ok is this the swine flu?" The Oglesby family is grateful to be healthy. John Oglesby - "so far, so good. We've all been vaccinated except of malcolm here. He just turned six months and we'll get him vaccinated pretty quick." cough, low-grade fever, not so much to worry about. really fatigued, vomiting, moving into lung, blue lips. That's much more important. ABOUT A MILE AWAY SIMILAR HATE MARKINGS WERE SCRAWLED ON AT LEAST FOUR CARS PARKED IN FRONT OF WOODSIDE EAST APARTMENT COMPLEX. Cheryl Benson, resident - To get all the grafitti off they probably have to be re-painted. That's terrible. SACRAMENTO SHERIFF INVESTIGATORS BELIEVE BOTH CRIMES ARE LINKED. NOW RABBI BAILEY AND HIS CONGREGANTS ARE STARTING THE NEW YEAR BY FIGHTING BACK WITH A STRONGER MESSAGE. Rabbi Bailey - We are intolerant of intolerance. We don't appreciate it and we want people to join together with a more positive message. Rabbi Bailey says it's so sad because the sanctuary's only a few years old.

Jewish Hate Attacks - WHILE TROUBLING THE ATTACKS AGAINST THE JEWISH COMMUNITY ARE NOT SURPRISING. A HATE CRIME REPORT BY THE STATE ATTORNEY GENERAL'S OFFICE REVEALS CRIMES AGAINST JEWS ARE ON THE RISE. THINK ABOUT THIS! THE HOSTILITY DIRECTED AT JEWS GOES BACK TO EUROPE AND THE MIDDLE AGES HUNDREDS OF YEARS AGO. IT WASN'T THAT LONG AGO--THE 1930's AND 40'S--- THAT MILLIONS WERE KILLED IN THE HOLOCAUST AND NOW IN 2010; THAT HATRED STILL LIVES: THE NOVEMBER 10TH ATTACK ON TEMPLE BETH SHALOM STANDS OUT. IT MARKS THE 70TH ANNIVERSARY OF "KRYSTALL NACHT"; AN ADOLPH HITLER LED ASSAULT THAT INVOLVED THE DESTRUCTION OF MORE THAN 7-THOUSAND JEWISH BUSINESS'S AND MORE THAN 100-SYNOGOGUES. "Somebody actually went to the trouble to spell Krystall Nacht, " SOMEBODY WHO UNDERSTOOD THE HISTORY AND MAYBE THEIR HATE. MICHEL KOHANE, IS THE EXECUTIVE DIRECTOR OF THE JEWISH FEDERATION OF SACRAMENTO. Michel Kohane, Executive Director Jewish Federation - "I'm not feeling like anybody's against us but you know you have to look behind your shoulder and make sure the road's clear." ACCORDING TO THE CALIFORNIA ATTORNEY GENERAL'S OFFICE HATE CRIMES TARGET JEWS MORE THAN ANYONE ELSE. THERE WERE 184-REPORTED IN 2008, A 37-PERCENT INCREASE OVER 2007 AND, THAT'S MORE THAN DOUBLE INCREASE INVOLVING CRIMES AGAINST GAYS. MODERN DAY ANTI-SEMETISM IS MOST VISIBLE UNDER THE COVER OF THE INTERNET. ELDAD ESHEL IS A 28-YEAR OLD JEWISH MAN. IN FACT, WE APPROACHED A CROSS SECTION PEOPLE TO SEE WHO

REALLY KNOWS THE MEANING OF "ANTI-SEMETISM." ANTONIA VORSDER IS A LONGTIME SACRAMENTO RESIDENT AND A DUTCH IMMIGRANT. SINCE THE EARLY 1990'S THERE HAVE BEEN AT LEAST A DOZEN ATTACKS ON SYNOGOGUES IN THE SACRAMENTO AREA BUT AT LEAST ONE MEMBER SAYS THE INCIDENT AT KENNESSETT ISRAEL TORAH LOOKS MORE LIKE AN ACT OF VANDALISM THAN A SYMBOL OF HATE AND UNLIKE KRSTALL NACHT, THESE JEWS ARE NOT ALONE. "The police were here, the sheriff was here, the FBI was here. If this was Poland 1940, nobody would've been here." FOR LOCAL JEWS THERE ARE DEGREES OF HATE; SOME INCIDENTS ARE CLEARLY MORE DANGEROUS THAN OTHERS. HERE AT KENNESSETT ISRAEL THEY STILL TALK ABOUT THE 1999 FIRE THAT DESTROYED THIS TEMPLE; AND THE WORK IT TOOK TO REBUILD.

Murder Victim Family - PICKENS' FAMILY WANTS ANSWERS TOO AND TONIGHT WE'RE LEARNING MORE ABOUT HOW PROMOTERS ORGANIZED THIS PARTY THAT TURNED FATAL. ANDRIA BORBA REVEALS SOME SURPRISING DETAILS ABOUT HOW THIS ONE-NIGHT- ONLY NIGHTCLUB POPPED UP. Because this was a special night, new years celebration we wanted the kids to have something safe to do - some place safe where we can go. LITTLE DID THE OWNER OF THE DEL PASO ROAD STUDIO KNOW THAT HIS PLANNED SAFE HAVEN FOR SACRAMENTO TEENS WOULD TURN INTO A MURDER SCENE NEW YEARS EVE. Studio 18 normally isn't a nightclub, in fact normally it's a ballroom studio. Owner James Smith told me on the phone this afternoon that the promoters of last night's party approached him on Wednesday about hosting the event. James Smith, Studio 18 - This was a reach out to the community of Sacramento, to have parents know that they're kids are some place safe, that they can go with no alcohol and they can dance, that's what this was meant to do. THE VICTIM'S STEPFATHER, LOUIS THOMPSON, SAYS IN GENERAL EVEN NIGHTCLUBS THAT DON'T SPRING UP OVERNIGHT FOR ONE EVENT, ARE TROUBLE. Clubs is not a good place to be hanging out in the first place. That's a red flag. I TRIED TO CONTACT THE PROMOTERS OF THE NEW YEAR'S MASQUERADE PARTY -- WHICH WAS ADVERTISED AS FREE WITH ENTRY BEFORE 10 P.M. --- ONLY TO GET A DISCONNECTED NUMBER AT DIVERSIFIED MANAGEMENT CONSULTANTS AND NO WAY TO GET CONTACT INFORMATION FOR ON POINT ENTERTAINMENT ON THEIR WEBSITE. SACRAMENTO CITY CODE STATES THAT NIGHTCLUB PERMITS ARE NOT TRANSFERABLE TO ANOTHER PERSON OR LOCATION -- SO HOW DID A NIGHTCLUB MANAGE TO SPRING UP WITH LESS THAN 48 HOURS NOTICE DURING A HOLIDAY WEEK? NONE OF THESE DETAILS MATTER TO THOMPSON -- WHO MISSES HIS STEPSON. I would just give him a hug and tell him I love him.

5th Ave Home Invasion - SHE'S ONLY 5 FEET TALL BUT THAT DIDN'T STOP A SACRAMENTO WOMAN FROM FIGHTING OFF AN INTRUDER WHO BROKE INTO HER KITCHEN. ROWENA SHADDOX IS LIVE IN THE CURTIS PARK NEIGHBORHOOD WHERE POLICE WORRY THIS MAN MAY STRIKE AGAIN. THAT'S WHAT'S VERY SCARY ABOUT THIS ONE. THEY AREN'T SURE WHY HE BROKE IN, AND THEY DON'T KNOW YET IF HE'S FROM THE NEIGHBORHOOD. "It was a little nightmarish...""It was very scary..." In the morning, New Year's Day, "my dogs were barking like crazy after hearing THE DOGS for 15 minutes non-stop, homeowner Joan Maredyth went outside to check on them.
Joan Maredyth - "I assumed they were chasing a cat or a possum." So Joan brought her dogs inside and shut the door, "then I went and took a shower." once she was done, everything seemed normal. The dogs were relaxed and on the couch. "and I opened the door that goes into the kitchen, and this man was standing as close as we're standing to each other, "then Joan did something she didn't think she had in her. She fought back. "... he came towards me as if to grab me. I completely surprised myself and pushed him hard, which I never would've thought I would do. And I screamed for the dogs to get him, get him." Sgt. Norm Leong - "luckily she was able to scream and scare the suspect off." Joan ran out the front door, WHILE THE SUSPECT took off to the back. Sgt. Norm Leong, Sacramento Police Department "it is alarming." Cops call them cat burglars, those who go inside homes knowing people are there. "It does concern us whenever we do have a cat burglary because it's not uncommon. But it doesn't happen everyday." Police say

www.luratech.com

it's also unusual for someone to break in, knowing dogs are present. It's also not clear what the intruder wanted. Norm - "we don't know. We don't know if it's for burglaries or for other reason." "since we don't know this guy's motivation was, all of us living alone should be especially cautious." ONE MORE UNUSUAL NOTE, JOAN SAID THE BURGLAR ALSO TOOK A CAN OF DOG FOOD OUT OF HER REFRIGERATOR, SHE BELIEVES TO TRY AND DISTRACT HER DOGS. THE SUSPECT IS DESCRIBED AS WHITE, WITH BLUE EYES, 5'6 AND SLENDER.

Modesto Firefighters Injured - INVESTIGATORS IN MODESTO ARE TRYING TO DETERMINE WHETHER FAULTY CONSTRUCTION IS TO BLAME FOR A ROOF COLLAPSE THAT INJURED 2-FIREFIGHTERS. MODESTO BUREAU CHIEF ANDRIA BORBA SHOWS US...HOW IT HAPPENED. This is a bread and butter fire for the Modesto Fire Department, I have got captains with 30 years experience saying that they've never seen a collapse occur that rapidly in a house. JUST AFTER 11:30 FRIDAY NIGHT, MODESTO FIREFIGHTERS WERE CALLED OUT TO THIS HOME ON COSTON AVENUE -- A FIRE BEGAN IN THE GARAGE WHEN THE HOME'S OWNER TRIED TO LIGHT A GAS-POWERED GENERATOR AND DROPPED THE CANDLE SHE WAS HOLDING. MFD'S TRUCK FIVE ARRIVED WITHIN 6 MINUTES AND GOT TO WORK CUTTING A HOLE IN THE ROOF -- STANDARD PROTOCOL IN FIREFIGHTING. THAT'S WHEN THINGS WENT HORRIBLY WRONG FOR FIREFIGHTER JASON CLEVENGER AND ENGINEER JAMES ADAMS. As the firefighter expressed it, he said it felt like he was standing on a mattress and the whole roof collapsed. CLEVENGER AND ADAMS FELL INSIDE -- THEY WERE PULLED OUT WITHIN JUST TWO MINUTES -- BUT BOTH SUFFERED SERIOUS BURNS. THIS MORNING NEIGHBORS WERE STILL TALKING ABOUT WHAT THEY'D SEEN THE NIGHT BEFORE. Roy Everett - We seen them get drug out of the house on fire and it was not a pretty sight. Sumila Prasad, Neighbor - they did such a hard work, I feel sorry for them. FIREFIGHTERS CALLED FOR AIR AMBULANCES TO GET THEIR FALLEN BROTHERS TO THE HOSPITAL, BUT IT WAS TOO FOGGY WITH BURNS COVERING 40 PERCENT OF HIS BODY-- ADAMS WAS EVENTUALLY TAKEN BY POLICE ESCORT TO U-C-D MED CENTER. INVESTIGATORS ARE STILL LOOKING INTO WHETHER THE HOME'S ROOF HAD BEEN BUILT OR REPAIRED IMPROPERLY -- CAUSING IT TO FAIL PREMATURELY. MODESTO FIREFIGHTERS ARE SOMBER TONIGHT -- KNOWING THAT SOMETHING LIKE THIS COULD HAVE HAPPENED TO ONE OF THEM. It tugs it at your hearts strings, it hits you in the belly, so I got here as quickly as I could. JAMES ADAMS IS RECOVERING FROM BURNS ON 40-PERCENT OF HIS BODY AT THE UC DAVIS MED CENTER BURN UNIT. HE IS EXPECTED TO SURVIVE. JASON CLEVENGER WAS BURNED ON 10-PERCENT OF HIS BODY AND IS AT DOCTOR'S MEDICAL CENTER IN MODESTO.

Sacramento Violence – A deadly start to 2010, three murders on the books and that's just in the past 24 hours, POLICE HAVE MADE NO ARRESTS. ROWENA SHADDOX IS LIVE IN SACRAMENTO WITH WHAT INVESTIGATORS ARE UP AGAINST TONIGHT. IT'S NOT HOW SACRAMENTO LAW ENFORCEMENT HOPED TO RING IN THE YEAR. THREE PEOPLE DEAD IN 24 HOURS AND TONIGHT THREE HOMICIDE CASES UNSOLVED. LET'S START IN NORTH HIGHLANDS WHERE A MAN WAS KILLED IN A BLOODY SHOOTOUT ON ROCKWELL COURT. A witness, shaken from what she saw, feared for her life and asked us not to show her face. "I heard three shots fired, and I came out from the back, the back house, and my neighbor was down on the ground. I ran back in to get a towel, and told everybody to get away. Not to move him. "I was just feet behind him, Just feet behind him. That could've been me." "... What we believe happened, the black males came down towards the residence fired some shots the Hispanic males returned the shots. The victim was with the group on Rockwell." SWAT EVACUATED SEVERAL APARTMENTS IN THE SEARCH for the shooters, but haven't found them. SEVERAL HOURS BEFORE THIS, MURDER AT THE DOOR OF A "W" STREET APARTMENT IN DOWNTOWN SACRAMENTO. POLICE SAY THE GUNMAN KICKED IN THE DOOR AND SHOT AND KILLED A MAN IN HIS 50S INSIDE. Investigators don't believe this was random BUT THE KILLER'S STILL OUT THERE AND THE FIRST HOMICIDE VICTIM OF 2010 A 15 YEAR OLD GIRL. OFFICERS SAY ALIYAH SMITH WAS SHOT TO DEATH EARLY THIS MORNING INSIDE A FRIEND'S APARTMENT ON NEDRA COURT IN SOUTH SACRAMENTO. A FIGHT AT A PARTY EARLIER IN THE NIGHT MAY HOLD THE CLUE TO CATCHING HER KILLER. "There were a lot of people at that party and we believe someone there may know something." FOR BOTH THE SACRAMENTO SHERIFF AND POLICE DEPARTMENT... TODAY'S MURDERS ARE CAUSE FOR CONCERN. "Homicides in 2009 compared to 2008. We

had 19 less homicides. Today, we're into our third day of the New Year. This is our second homcide of the year and I hope this isn't an indicator of what's to come."

Nevada County Marijuana Robbery - INVESTIGATORS SAY HE WAS THE VICTIM OF A HOME INVASION. BUT TONIGHT HE'S FACING MURDER CHARGES. THAT'S BECAUSE THE VICTIM CHASED DOWN THE SUSPECTS IN THE NORTH SAN JUAN AREA OF NEVADA COUNTY AND CAUSED A DEADLY CRASH. AMA DAETZ SHOWS US HOW IT ALL WENT DOWN. THIS VIDEO, POSTED ON YOU TUBE BY "NOTROD17," SHOWS THE AFTERMATH OF A NEVADA COUNTY HOME INVASION. IT WAS SATURDAY MORNING. THAT'S WHEN THE SHERIFF'S DEPARTMENT SAYS TERRY MCLEOD OF SACRAMENTO AND HIS PARTNER TIMOTHY FITZPATRICK OF ELK GROVE, WENT TO A HOME DRESSED AS POLICE OFFICERS. They indicated they're part of a narcotics task force, ultimately they handcuffed the individuals using both metal police type handcuffs and plastic zip ties. THEY ROBBED THE HOME AND LEFT. CHRISTOPHER TEACHOUT FREED HIMSELF FROM A ZIP TIE, HOPPED IN HIS TRUCK AND TOOK OFF AFTER THE SUSPECTS. THE SHERIFF SAYS TEACHOUT RAMMED THE SUSPECTS TRUCK WHO THEN OPENED FIRE ON TEACHOUT WHO RAMMED THEM A SECOND TIME. It's that second time that forces them off the road, they hit a tree, the driver immediately dies on impact. The passenger, McLeod, is here at the Wayne Brown correctional facility. He faces several charges, including murder for the death of the driver, but Teachout is here as well, also charged with murder for the death of the driver. IT COMES DOWN TO WHETHER THERE WAS AN IMMEDIATE THREAT. THE SHERIFF SAYS ONCE THE SUSPECTS LEFT SO DID THE THREAT. Here we have somebody who jeopardizes his own life, the life of the suspects, whether you condone that or not, and thirdly because of his actions he jeopardized other individuals who may have been on the roadway or in the surrounding community. BUT MANY IN THE SMALL COMMUNITY ARE CALLING TEACHOUT A HERO, EVEN IF HE DID TAKE IT OUT ONTO THE ROADS. I don't know if I'd say it was justified, but I don't think he should go down for murder. THE SECOND ROBBERY SUSPECT.. WHO WAS A PASSENGER IN THE WRECKED CAR IS ALSO CHARGED WITH MURDER. INVESTIGATORS SAY HE PLAYED A PART IN WHAT ULTIMATELY LED TO HIS PARTNER'S DEATH.

Colver Witt Hearing - THE TEENAGED LOVERS ACCUSED OF MURDERING AN EL DORADO HILLS MOTHER APPEARED "TOGETHER" IN COURT TODAY. 15 year old Tylar Witt and her 19 year old boyfriend Steven Colver appeared in court to set a preliminary hearing date. They are accused of planning the stabbing death of Tylar's mother, Joanne Witt in her El Dorado

Hills home. The motive? She supposedly disapproved of the young couple's secret illicit affair. Judge Douglas Phimister will decide if the pair should stand trial for murder. Lisette Sudor, El Dorado County Prosecutor "The judge has to hear the evidence and determine whether that more likely than not that he believes that the two defendents committed this crime in order for them to be held to answer up to superior court." "The prosecution plans to call several sheriff's investigators as key witnesses and based on previous court hearings, we already have a hint as to what they might tell the judge. Another judge ruled that Tylar Witt should be tried as an adult after hearing investigators on the witness stand. They said Tylar planned the murder with her boyfriend, who stabbed Joanne Witt nearly 20 times. Detectives also said the couple partied with friends after the killing and told them they committed the murder. When ruling on Tylar's juvenile status, judge James Waggoner said. "Tylar Witt, by her own admissions drugged her mother, waited for her to pass out and then called over and watched as he stabbed her to death." Tylar's attorney is claiming the murder was Colver's idea. "The evidence will speak for itself." A RULING ON WHETHER THE PAIR WILL STAND TRIAL FOR MURDER WILL BE MADE FOLLOWING THEIR PRELIMINARY HEARING SCHEDULED TO BEGIN THURSDAY.

Airport Bird Strikes - AIRPORT OFFICIALS ARE INVESTIGATING THE EXTENT OF THE DAMAGE.. AFTER A BIRD BECAME LODGED IN THE ENGINE OF AN HAWAIIAN AIRLINES PLANE WITHIN THE LAST HOUR. DENNIS SHANAHAN IS LIVE AT SAC INTERNATIONAL WITH WHAT WE KNOW TONIGHT.THIS IS MIGRATORY SEASON FOR MANY BIRDS. EVEN SO, A SOUTHWEST AIRLINES SPOKESMAN TOLD US IT IS UNUSUAL TO HAVE TWO PLANES FROM THE SAME AIRLINE STRIKING BIRDS ALMOST WITHIN THE SAME HOUR. IT'S NOT THE FOG THAT SHOULD CONCERN PASSENGERS FLYING IN AND OUT OF THE SACRAMENTO INTERNATIONAL AIRPORT. "Birds?" THAT'S RIGHT. THIS AIRPORT IS NUMBER ONE ON THE WEST COAST WHEN IT COMES TO PLANES HITTING OUR FEATHERED FRIENDS. "You know, we're in their air space." EARLY THIS AFTERNOON, THE CREW OF AN INCOMING SOUTHWEST FLIGHT FROM ONTARIO REPORTED HITTING SOME BIRDS THREE MILES AWAY FROM THE AIRPORT AND ABOUT AN HOUR LATER, ANOTHER SOUTHWEST PLANE, DEPARTING SACRAMENTO FOR LAS VEGAS, HAD TO TURN AROUND AND LAND AFTER A COUPLE OF LARGE BIRDS COLLIDED WITH THE WINDSHIELD WITHIN ONE MINUTE OF TAKE-OFF. "All the passengers were fine. Both aircraft landed safely. There was no damage to either aircraft." IT DOESN'T SOUND LIKE A BIG DEAL BUT WITH IMAGES FRESH IN OUR MINDS OF A PLANE LANDING IN NEW YORK'S HUDSON RIVER LAST YEAR THE RESULT OF BIRD STRIKES MANY PASSENGERS ARE AWARE OF THE DANGER. "I worry about birds, but I don't know what you can do about it." SACRAMENTO INTERNATIONAL DOES DO SOMETHING ABOUT IT, USING LOUD NOISES AND DISTRESS CALLS TO SCARE BIRDS AWAY FROM RUNWAY AREAS. BUT ALL THE PASSENGERS WE SPOKE WITH SEEM TO ACCEPT THAT THE UNEXPECTED IS PART OF LIFE, KIND OF LIKE THE WHEEL CHAIR GOING ROGUE BEHIND THIS GIRL DURING AN INTERVEW. BUT JUST LIKE THE GUY WHO SPRINGS INTO ACTION TO PULL THE CHAIR OUT OF TRAFFIC, PEOPLE TRUST THAT PILOTS ARE PREPARED TO HANDLE SUDDEN EMERGENCIES. SO WHY WORRY? "Once you're up, you're up. That's it." "It's like a car crash. Chances are slim." BOTH PLANES WERE ABLE TO TAKE OFF AGAIN TODAY. ONE OF THEM DID HAVE A WINSHIELD WIPER REPLACED BECAUSE A BIRD APPARENTLY MADE QUITE A MESS OF IT AND ACCORDING TO THE AIRPORT, BOTH INCIDENTS HAPPENED IN AIRSPACE THAT IS NOT CONTROLLED BY THE AIRPORT.

Attempted Sex Crime - A SACRAMENTO MAN IS IN JAIL TONIGHT, SUSPECTED OF STALKING A 12 YEAR OLD GIRL TO HAVE SEX WITH HER. LONNIE WONG TELLS US HOW HIS BRAZEN BEHAVIOR LANDED HIM BEHIND BARS.
August HERNDON, Neighbor - "That's very frightening, I mean I'm very scared now." August Herndon says there's no way 21 year old Marco Garcia-Enriquez should have been at this South Sacramento apartment complex asking for a 12 year old girl who lives here. The suspect demanded the girl's younger brother go get her. The boy called cops instead. The girl first encountered Garcia-Enriquez on New Year's Eve when she was walking home from the store. Konrad von Schoech, Sacramento Police Department "he got close enough to her to grab her arm and propositioned her for sex." Garcia-Enriquez followed the girl home after she broke away, but eventually left. Lonnie - Police say Garcia-Enriquez came here a second time after seeing her again. When a maintenance man here told him that the girl was a minor and to get lost, Garcia-Enriquez told him that he'd stay and wait for police. Police arrested him here, charging him with Intent to Commit Sexual Assault. He's in jail on 250 thousand dollars bail, to the relief of neighbors. August Herndon, Neighbor "A grown man should not be talking to a child like that. That's very rude and you need to get a life. Something's very wrong with you for it. Police say suspicious and erratic behavior has to be reported. Conrad Vonschoech - "we're very thankful that nothing more serious happened in this case, but it's definitely a reminder to parents to keep an eye on their kids and be aware of what they're doing at all times." POLICE OFFICERS SAY THEY'LL GLADLY CHECK OUT ANY ODD OR SUSPICIOUS CHARACTERS IF YOU GIVE THEM A CALL.

Gay Website Robbery - POLICE SAY A SACRAMENTO MAN PICKED HIS VICTIMS BASED ON THEIR SEXUALITY. HE THOUGHT THEY'D BE TOO EMBARRASSED TO CALL THE COPS BUT AS AMA DAETZ SHOWS US THAT FALSE ASSUMPTION ULTIMATELY LANDED

HIM BEHIND BARS. Police arrested 22 year old DeCarlos Muhammed of Sacramento, after they say he worked an internet scam to rob people. The suspect in this case is going online to different website that cater to gay men. He's putting up a fraudulent profile, he's making contact with people via the profile and making arrangements to meet up with these particular people with the intent of robbing them which is what police say he did last month to a UC Davis employee, they say he even had a getaway driver that person hasn't been identified but police say they've figured out why he targeted gay men. A lot of victims are gonna be too embarrassed to report it they don't want police involved in their personal life and that in many ways it's kind of a perfect crime in that nobody reports it and he still gets away with whatever it is he's stealing. Well, it WAS the perfect crime until he pepper sprayed and robbed the UC Davis employee, the victim actually chased him out the door. As the two fought, the suspect dropped his coat, leaving it behind. fortunately for police, the suspect's personal cell phone was in the pocket. DECARLOS MUHAMMED FACES CHARGES FOR ASSAULT, BURGLARY AND ROBBERY. POLICE BELIEVE THERE ARE MORE VICTIMS AND ARE ASKING ANYONE WHO KNOWS ANYTHING TO COME FORWARD.

Stolen Car Takedown - CROOKS DRIVING STOLEN CARS MAY NOT BE ABLE TO GET LOST IN THE CROWD. HI-TECH CAMERAS AT ARDEN FAIR MALL ARE WATCHING THE PACKED PARKING LOTS CLOSELY AND AS OUR CHRIS BIELE SHOWS US THEY'RE ABLE TO LEAD POLICE TO THE RIPPED-OFF WHEELS. "JUST CONFIRMED IT WAS A STOLEN VEHICLE" STEVE REED IS THE MAN TASKED WITH KEEPING FOLKS SAFE AT ARDEN FAIR. PART OF THAT JOB IS USING A RELATIVELY NEW WAY TO SPOT STOLEN CARS. IT'S A TECHNOLOGY THAT ONLY SEEMS TO BE A SECRET TO SUSPECTS LIKE OLEG BABIN, SEEN HERE GETTING ARRESTED. "OBVIOUSLY I CAN'T STOP STUPID AND SOMETIMES PEOPLE CONTINUE TO BRING STOLEN VEHICLES WE'RE MORE THAN WILLING TO ABLIGE THEM AND TAKE THEM DOWN TO SAC JAIL. MALL SURVEILLANCE SHOWS A SECURITY TRUCK MAKING A ROUTINE ROUND. BUT THE TRUCK'S EQUIPPED WITH A DEVICE THAT SCANS LICENCE PLATES FOR STOLEN CARS THE SECURITY GUARD GOT A HIT SUNDAY NIGHT AND CALLED POLICE. This technology has only been in place here for a year. In that time, we're told they recovered 26 stolen vehicles. This marks the first of the year, and along the way, more than 2,000,000 plates were scanned. OLEG BABIN WAS BOOKED ON SUSPICION OF VEHICLE THEFT AND RECEIVING STOLEN PROPERT SO THERE'S A MORAL TO THIS STORY. THE MALL WANTS YOU TO KNOW IF YOUR CAR GETS STOLEN AND ENDS UP IN THEIR LOT THERE'S A CHANCE SECURITY WILL SPOT IT. IT'S FUN, EVERYBODY HAS A SENSE OF PRIDE AND ACCOMPLISHMENT WHEN THEY DO IT. OUR GUYS R VERY HANDS OFF THEY OBSERVE AND REPORT, THEY DON'T GET INVOLVED. BUT THIS TIME OBSERVE AND REPORT WAS ENOUGH TO RECOVER A

STOLEN CAR. MALL SECURITY SAYS ONE OF THE REASONS IT HAS A SYSTEM LIKE THIS IS BECAUSE IT OFTEN LEADS THEM TO STOLEN MERCHANDISE INSIDE THE STOLEN CARS.

Crime Alert Speaker - ERIC MEE LOST HIS SIGHT AFTER SAVING A YOUNG GIRL'S LIFE DURING AN ATTACK ALONG THE AMERICAN RIVER. ROWENA SHADDOX JOINS US WITH HOW THIS YOUNG HERO HAS NOW FOUND A WAY TO MAKE OTHERS LAUGH
WE MET ERIC MEE TONIGHT, AT A CRIME ALERT FUNDRAISER. HE WAS ASKED TO BE THE GUEST SPEAKER, NOT ONLY TO SHARE HIS INCREDIBLE STORY OF HEROISM, BUT

TO ALSO SHARE SOME CHEER. You wouldn't know it from seeing him today, but two years ago this 20-year-old man nearly died after being stabbed in the chest "and I'm cracking jokes. I can't even be serious when I'm dying." Eric Mee remembers making the paramedics chuckle as he lay there, literally bleeding to death. But the incident was no laughing matter. A drunken, man armed with a knife threatened Eric and his friends one summer night along the American River. The suspect came dangerously close to a 7-year-old girl. "I was scared so I just grabbed the girl's shoulders and I backed up and I said, 'are you kidding. There's a little girl here.' He said, 'I don't give an F,' stuck me in the chest, turn around and ran off." Officers who responded that night, remember Eric's bravery. Sgt. Ken Georges - "Eric even pleaded with him at one point, saying I'm just trying to get this small child out of the way." "I lift up my shirt and it was just thick with blood. Alright I need a hospital. So I grabbed the girl's shoulders and I spun around so she stayed behind me the whole time." Insuring her safety, Eric bled so heavily, it cut the flow to his optic nerves, "which made it die because of low blood flow." Today, he is blind, But sees a bright future "god has a different purpose for me." Tonight, at a Crime Alert crab feed, ERIC debuted as a standup comedian "ever since I went blind, I kinda just crack jokes. It kinda lightens up the situation about going blind. There's always a funny side to everything." "He's turned this whole thing around into a positive thing." THE SUSPECT WHO STABBED ERIC IS NOW SERVING A 14-YEAR PRISON SENTENCE.

DNA Warrents - CALL THIS ONE A VICTORY FOR COPS, PROSECUTORS AND ANYONE WHO'S BEEN THE VICTIM OF A VIOLENT CRIME. TODAY THE CALIFORNIA SUPREME COURT RULED, ARREST WARRANTS CAN BE ISSUED EVEN IF THERE'S NO NAME ON THEM. THIS ALL STEMS FROM A SERIAL RAPE CASE HERE IN SACRAMENTO.HE WAS KNOWN AS SACRAMENTO'S SECOND STORY RAPIST, HE PREYED ON WOMEN BY CLIMBING INTO THEIR UPSTAIRS APARTMENTS. HIS ATTACKS BEGAN IN 1993. HE SHOULD BE CAUGHT AND HE SHOULD BE HURT FOR WHAT HE DID TO HER. AFTER A STRING OF RAPES, FEAR TURNED TO ANGER BUT STILL NO SUSPECT, THE ONLY CLUES DNA LEFT BEHIND, SPECIFICALLY IN A RAPE IN 1994. IT IS THE SILENT WITNESS TO THE TRUTH. DEPUTY DA ANNE MARIE SCHUBERT THE PROSECUTOR WITH THE GUMPTION TO GO OUT ON A LIMB. YOU SEE IN AUGUST OF 2000, WHEN THIS SERIAL RAPIST WAS STILL ON THE LOOSE, HIS NAME, STILL UNKNOWN THE STATUTE OF LIMITATIONS FOR HIS LAST ATTACK WAS ABOUT TO EXPIRE. FACED WITH HAVING TO THROW OUT THE EVIDENCE, SACRAMENTO POLICE DETECTIVE PETE WILLOVER REFUSED TO GIVE UP, HE CONTACTED THE DA'S OFFICE AND IT WAS SCHUBERT WHO SAID, LET'S GET AN ARREST WARRANT WITH NO NAME ON IT WE'LL IDENTIFY THE SUSPECT BY HIS DNA CODE INSTEAD. IT HAD NEVER BEEN DONE IN THE STATE OF CALIFORNIA, I DON'T WANT TO TAKE CLAIM, SAW PAPER, ANOTHER STATE TOOK THE BALL AND DID IT HERE IN CALIFORNIA. LESS THAN A MONTH LATER, IN A SACRAMENTO CRIME LAB, A COLD HIT MATCHING THE SUSPECT'S DNA TO PAUL ROBINSON WHO WAS THEN ARRESTED AND CONVICTED ON CHARGES OF RAPE. THE DEFENSE CRIED FOUL AT HOW DETECTIVES GOT AROUND THE STATUTE OF LIMITATIONS, BUT TODAY THE STATE SUPREME COURT SAID, IT'S PERFECTLY LEGAL. THIS CASE MAY END UP GOING THE US SUPREME COURT BUT IN THE MEANTIME, TODAY'S DECISION MEANS "NO NAME" WARRANTS CAN BE USED IN ANY CASE WHERE THE OFFENDER LEAVES DNA EVIDENCE BEHIND.

Inmate Release - RELEASING INMATES EARLY AS A WAY TO SAVE CASH. TODAY, THE SACRAMENTO SHERIFF'S DEPARTMENT STARTED EXECUTING THE STATE ORDER PUTTING HUNDREDS OF CRIMINALS BACK ON THE STREETS. ROWENA SHADDOX IS LIVE WITH WHO'S BEING RELEASED.Thank god. Thank god. Being locked up sucks." These two guys are among 250 inmates in Sacramento County, released early from their sentence, within the past 24 hours. Sheriff McGinness - "there's no matter of an opening of the flood gates and a huge number of inmates being released at any one time. It's just a continuing stream of inmates being released very much in the normal process." It's all a part of the state's NEW early release program, to help save money. What does that mean for public safety? "... the potential for them to fall into bad behavior and act out a negative way is a reality." and those eligible are supposed to have committed non-violent offenses. But we found George Ibarra, who served a year for robbery and George Ibarra "assault deadly weapon, and a strike. So what do you think. A new beginning for you? Yup." It's unclear as to why Ibarra fit the criteria for early release. One explanation. Sheriff John McGinness "these are misdemeanates, only by the virtue that there was a plea deal arranged, or through ajudicating their charge, they got it reduced from a felony to a misdemeanor." Jan Hair's only been in custody for four weeks, for drug possession. But she was told today she was going home two weeks early. "i'm just glad to be going home. I know a lot

of girls in there, one girl, she was just crying in tears. She was so happy. She'd been here for a long time." "How does it feel to get out a little early? Good. It feels good? Yeah.
They're taking to Mcdonald's tonight for dinner is that good? Yeah. As long as it's not jail food."

Inmate Release - PETERSON'S ARREST HAS SPARKED A BACKLASH OVER SACRAMENTO'S EARLY RELEASE PROGRAM. THE COUNTY IS RELEASING AS MANY AS 500 JAIL INMATES. THAT'S A HUGE NUMBER WHEN COMPARED TO OTHER COUNTIES NEVADA COUNTY HAS RELEASED JUST TEN SO FAR, SOLANO COUNTY – 20, EL DORADO COUNTY – 25, AND YUBA COUNTY, PLANS TO RELEASE 30 A YEAR. PART OF THAT COMES DOWN TO JAIL SIZE... BUT MARK DEMSKY SHOWS US WHY COUNTIES ALSO HAVE A CHOICE IN HOW MANY INMATES THEY SET FREE. THE EARLY RELEASE PROGRAM HAS ONLY BEEN ON THE BOOKS NOW FOR A WEEK AND A HALF BUT SACRAMENTO COUNTY HAS SET THE BAR HIGH FOR IT TO HAVE A DRAMATIC IMPACT FOR THE REST OF THE STATE. What's up for debate is, when does it trigger? On the 25th when it took effect, or is it retroactive? THE SO-CALLED "GOOD-TIME" CREDITS ALLOW NON-VIOLENT, LOW-LEVEL OFFENDERS TO EARN A DAY FOR EVERY DAY SERVED. It's significant. Now an inmate with a 180 day sentence can be out in 90-days if they've already served 90 days, they are out...before they would have served 120 days. SACRAMENTO COUNTY HAS CHOSEN TO GIVE THE CREDITS RETROACTIVELY. IT'S SPARKING A HUGE DEBATE GIVEN KEVIN PETERSON'S ARREST FOR ALLEGEDLY RAPING A WOMAN ONLY HOURS AFTER HIS RELEASE THIS WEEK. They have taken a liberal view by giving them retroactively nothing in the stature calls for that it's an interpretation that Sacramento has and it leads to 500 people getting out. SACRAMENTO COUNTY SHERIFF JOHN MCGINNESS HAS ALREADY SAID HE'S AGAINST RELEASING THE INMATES BUT HIS HANDS ARE TIED. A SPOKESMAN FOR THE STATE CORRECTIONS DEPARTMENT SAYS IT ALL COMES DOWN TO FUNDING AND THAT'S DIFFICULT WHEN YOU'RE DEALING WITH A 20 BILLION DOLLAR DEFICIT.

911 Mishaps - WHEN YOU'RE IN AN EMERGENCY YOU COUNT ON 9-11 OPERATORS TO HELP YOU QUICKLY BUT AS FOX 40 FIRST REPORTED THOSE CALLS AREN'T GETTING ANSWERED FAST ENOUGH. ROWENA SHADDOX IS LIVE AT THE 911 COMMUNICATIONS CENTER IN RANCHO CORDOVA WHERE OFFICERS ARE TAKING ACTION TO FIX THAT. AT TIMES, IT MAY SEEM LIKE IT TAKES 911 FOREVER TO ANSWER WHILE YOU'RE DRIVING ALONG THE FREEWAY, THE GOOD NEWS IS, CHP IS ANSWERING 911 CALLS A LOT QUICKER. 911 what's your emergency? They're the words we want to hear when faced with a life-threatening situation but often those words don't come fast enough. Take this South Natomas apartment fire in October. Neighbors tried calling 911 from their cell phones, but in some cases only got a recording. Since that time, the CHP says it's response time has gotten much better, after looking at ways to improve their service. In January, Sacramento's CHP communications center answered 55,400 911 calls. 90 percent of those were answered within 10 seconds that's three rings or less. It's a nine percent improvement since the same time last year. Still, dispatchers have to deal with silly calls that clog the system, wasting dispatchers' time and ultimately delaying a response to the real emergencies. "I lost my wallet. You lost your wallet? Yeah." these are real calls to local CHP dispatchers. "my mom lost her passport. Passport? Do you know what a passport is? Yes, I know what a passport is, but I'm not sure why you're calling 911 for life and death emergencies."

Gym After School Program - IT'S THE SAME SITUATION IN JUST ABOUT EVERY CITY BUDGET CUTS LEADING TO LESS MONEY FOR CRIME PREVENTION. SO, A STOCKTON BUSINESS OWNER DECIDED TO TAKE IT UPON HIMSELF TO KEEP KIDS OFF THE STREETS AND OUT OF TROUBLE.USUALLY WHEN OUR CAMERAS COME TO STOCKTON WE'RE OFTEN CHASING CRIME SCENE TAPE. IN AN EFFORT TO CHANGE THAT PERCEPTION, JOEY STEELMAN IS DOING SOMETHING UNPRECEDENTED. IN ERA OF SHRINKING BUDGETS AND DISAPPEARING OR NON-EXISTANT AFTER SCHOOL PROGRAMS, HE'S OFFERING GYM MEMBERSHIP TO KIDS 19 AND UNDER FOR FIVE BUCKS A MONTH AT THE LORD'S GYM. IT'S PART OF AN AFTER SCHOOL PROGRAM DESIGNED TO KEEP CRIME DOWN IN STOCKTON. It's a safe haven, it's a diamond in the rough right now for young kids to come an turn their life around, a place where they can got some constructive criticism and some guidance. DALLAS BRADEN MAY BE A MAJOR LEAGUE PITCHER NOW, BUT HE GREW UP ON STOCKTON'S MEAN STREETS. HE'S HAPPY THAT IN A CITY WHERE CRIME DOMINATES SO MUCH OF THE CONVERSATION STOCKTON'S YOUTH NOW HAVE A PLACE TO JUST HANG OUT -- WHERE GANG COLORS DON'T COME INTO PLAY. If it's an extra video game session that keeps them off the street at 10 o clock at night or if it's an early morning workout that gets them going for the day , you have no idea what kind of impact that has. IT'S NOT JUST A WORKOUT OUT THE KIDS CAN GET -- THE GYM IS ALSO VIDEO GAMES, TUTORING AND EVEN POOL. JOEY STEELMAN SAYS WHILE THE FIVE DOLLAR MEMBERSHIP MAY NOT MAKE A LOT OF MONEY -- HE HOPES IT WILL FOSTER SOMETHING MORE IMPORTANT. Maybe they're going down the road of gangs or violence or drugs. if one person can be helped by us, "Hey you don't have to go down that road" get em on the right path, hey, it's worth it. STEELMAN SAYS THE PROGRAM IS PART OF HIS PLAN TO MAKE SURE STOCKTON NEVER ENDS UP ON FORBES "WORST PLACES TO LIVE" LIST AGAIN.

Cyber Bullying - MORE SCHOOLS ARE GETTING PRO-ACTIVE IN THE FIGHT AGAINST CYBER-BULLYING BUT THE FEDERAL COURT SAYS ONE CALIFORNIA SCHOOL TOOK IT TOO FAR.CASEY STEGALL SHOWS US HOW FAR STUDENTS CAN NOW GO WITHOUT GETTING IN TROUBLE. KIDS BULLYING EACH OTHER IN THE HALLWAYS OR AFTER SCHOOL IS CERTAINLY NOTHING NEW -- BUT IN RECENT YEARS THE TEASING, NAME CALLING, AND HAIR PULLING HAS GONE VIRAL. THE INVENTION OF SITES LIKE MYSPACE, FACEBOOK, AND YOUTUBE NOT ONLY ALLOW KIDS TO KEEP IN TOUCH -- IT ALSO MEANS GOSSIP CAN BE SPREAD AT AN ALARMING RATE. THIS HAS CREATED NEW QUESTIONS FOR EDUCATORS. IF STUDENTS ARE BULLYING OTHER STUDENTS OFF SCHOOL PROPERTY -- CAN THE SCHOOL STEP IN? FREE SPEECH ADVOCATES

LuraTech

ARE WORRIED THAT RECENT HIGH PROFILE CYBERBULLYING INCIDENTS HAVE CAUSED SOME SCHOOL DISTRICTS TO OVERSTEP THEIR BOUNDS. VOLOKH: "Statements that are merely derogatory opinions or statements that in context are stood to be hyperbole or just insults, those things are protected by the first amendment. They don't fall within the libel/slander/false statements of fact exception" AND THAT WAS EXACTLY HOW A COURT RULED IN A RECENT CASE IN BEVERLY HILLS, WHERE AN EIGHTH GRADER WAS SUSPENDED FROM SCHOOL AFTER POSTING A MEAN VIDEO OF ANOTHER STUDENT ON YOU TUBE. THE JUDGE SIDED WITH THE CYBERBULLY -- SAYING THE COURT CAN'T UPHOLD SCHOOL DISCIPLINE OF STUDENT SPEECH -- BECAUSE YOUNG PERSONS ARE QUOTE "UNPREDICTABLE OR IMMATURE." THE STUDENT'S SUSPENSION IS EXPECTED TO BE REMOVED FROM HER RECORD.
