Dean Erin:

As you may be aware, the FCC's Rules (Section 76.64) require each television station to advise all satellite systems in the station's local television market whether the station elects must-carry status or elects to proceed under the retransmission consent provisions of Section 325(b) of the Communications Act.

This letter is to advise you that KCEN-TV elects the retransmission consent option, effective February 17, 2011 for its HDTV signal. We trust that we will be able to enter a mutually acceptable arrangement with your satellite system that will provide for your continued carriage of KCEN/HDTV signal after February 17, 2011.

We hope to discuss this matter with you further in the near future. Should you have any questions before then, please call me at (214) 812-9600.

We look forward to working with you to provide the best possible service for your subscribers.

Sincerely,

Philip H. Hurley
EVP & COO
