ISSUES AND PROGRAMS LIST

WPDE

FLORENCE, SOUTH CAROINA

APRIL 1 – JUNE 30, 2006

LIST OF ISSUES

1.	**ECON0MY/PERSONAL FINANCE**	LAY-OFFS ARE CONTINUING AT LOCAL PLANTS. ASSISTANCE PROGRAMS NOT SUFFICIENT TO COVER NEEDS.
2.	**HEALTH CARE/COST**	SOUTH CAROLINA HAS ONE OF THE HIGHEST RATES OF HEART DISEASE IN THE NATION. DEATH RATE IS HIGH FOR NEW BORNS DUE TO POOR HEALTH PRACTICES AND COST. ELDERLY HEALTH CARE IS INADEQUATE DUE TO FIXED INCOME AND HIGH COST OF MEDICINE AND TREATMENT.
3.	**CRIME**	HIGH CRIME RATE DUE IN PART TO THE ECONOMY. ALSO ATTRIBUTED TO LACK OF EDUCATION. GUNS AND DRUGS ARE EXTREMLY EASY TO GET.
4.	**DRUG USE/PREVENTION**	HIGHEST RATE OF DRUG USE IN THE STATE. I-95 IS CONSIDERED THE "PIPELINE" FROM FLORIDA TO NEW YORK AND DRUGS FLOW FREELY INTO THE AREA.
5.	**EDUCATION**	AREA HAS EXTREMELY HIGH RATE OF DROP-OUTS. LACK OF INTEREST IN FURTHERING EDUCATION. LACK OF FINANCIAL ASSISTANCE IS A DIRECT CAUSE OF LACK OF EDUCATION.
6.	**ENVIRONMENT**	DUE TO PROXIMITY TO NUCLEAR PLANT, AND SEVERAL OTHER PLANTS THAT DUMP WASTE, WE ARE MORE AWARE OF ENVIRONMENTAL NEEDS OF OUR AREA.
7.	**PREJUDICE/INTOLERANCE**	THIS IS BECOMING MORE OF A PROBLEM AS MINORITIES LOSE JOBS DUE TO LACK OF TRAINING AND EDUCATION. THEY FEEL THEY ARE NOT FAIRLY TREATED BY OUR LOCAL LEADERS.

Dear Michelle,

I just want to thank you and tell you how much we appreciate your sponsorship of the 20th Annual Rivertown Jazz and Arts Festival. The festival was a success in large part due to the amazing airtime we received on WPDE. We could not have done it without you.

Soon you'll receive an invitation to Conway Main Street's Annual Meeting - June 29. We hope you'll attend so we may recognize your contribution as ongoing support of Conway Main Street USA.

Again, thanks for all you do for us. Your support has helped Conway become a better place.

Sincerely, Ashley DaSilva

Re: *Carmen*

Dear Mr. Huggins and Ms. Camp,

On behalf of the membership, staff, board, and supporters of the Carolina Master Chorale, I am writing to express our profound appreciation for the generous and professional manner in which you elevated the local Arts by producing and airing a 30-second commercial for our recent concert performance of Bizet's great and popular opera, *Carmen*.

During our preparation for this production it became clear that we had navigated into an artistic gold mine through the opportunity to work with Kirstin Chávez, the world's leading interpreter of the title role in *Carmen*. Ms. Chávez' commitment to the project opened the door for us two engage four other spectacular professional singers for the other major roles, while delegating the smaller opportunities, ones they would never otherwise encounter, to our better local singers. We had a great venue, first-class collaborators in stage direction, sound and lighting, and the capable artistic accompaniment of the Long Bay Symphony. Most participants in this project worked for free or at deeply discounted fees. What we lacked, on our budget, was a vehicle for spreading the word.

WPDE stepped forward for us, producing an eye- and ear-catching spot and airing it repeatedly at times that our constituency would see it. We were able to present the pinnacle performance of our 24-year history in front of the largest and most enthusiastic audience we have attracted in years. *Carmen*, performed at the level represented in our production, was a new high-water mark for our community in the realm of classical-musical-theatrical art, and thanks to WPDE, it was witnessed by a very large and very vocal audience. The Carolina Master Chorale is committed to elevating the cultural climate of the Grand Strand and, indeed, all of the Eastern Carolinas. With a media partner of the quality of WPDE, we have perhaps taken the largest step in our history.

We extend a special thank-you to Michelle Camp, with whom every aspect of our interaction was overwhelmingly positive. We simply can't say enough to both of you, your station, and our community, about how WPDE has stepped forward and made a spectacular contribution to our quality of life. You have done a GREAT service for our organization, and more importantly, for our community.

Very best regards,

Tim Koch, Music Director

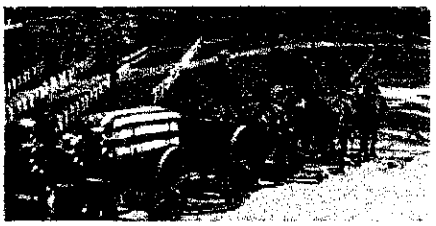
ARLINGTON : IN ETERNAL VIGIL

Arlington National Cemetery is the final home of explorers & medical pioneers, of civil rights activists & astronauts, of Presidents & scoundrels and authors & artists. It is home of the greatest among us and the least among us – of individuals we all know and those we will never know who served and sacrificed, not for wealth or power, but for the country they believed in and for the cause of freedom around the world.

Arlington : In Eternal Vigil is a treasury of rich untold stories that span America's history – stories of men and women whose courage, commitment, and spirit have uniquely defined America generation after generation. It's a story of hope and inspiration for us all.



Surprising and unexpected stories like:

...the inspiring, untold stories of countless ordinary men and women, from the Revolutionary War to Iraq, who understood that "freedom has a price" and, through their commitment and dedication, paid that price.

...the legendary black hero whose boxing prowess brought all of America together in the 1930's in his historic fight with Adolf Hitler's icon of the Aryan super race.

...the young man court marshalled and dismissed from the Naval Academy for a long record of disobedience, who went on to lead the most daring mid-winter rescue in maritime history across Alaska, saving the lives of 200 American soldiers.

...the obscure Harlem garage mechanic who placed the first American flag on the North Pole, the achievement for which famed Arctic explorer Robert Peary became a national hero.
