April 1, 2002 – June 30, 2002

WRC-TV attempts to serve the public interest, convenience and necessity by presenting broadcast material, which treats significant issues of the people in the communities served by WRC-TV station. WRC recognizes that it has an ongoing obligation to remain aware of such community issues and to exercise its best judgment as to what broadcast matter should be programmed to treat those needs and interests.

I. TAKING CARE OF OUR CHILDREN and FAMILY

Many children in the Washington effort suffer from being denied the opportunity to grow up in a stable home with parents who can care for them emotionally and financially. WRC-TV helps these children directly through its Wednesday's Child project, described below. The station also broadcasts other news stories on the issue of adoption, some of which are described below.

NEWS FOUR AT FIVE PM. – WEDNESDAY'S CHILD. WRC-TV's Barbara Harrison, on selected Wednesdays, features a child or children who need a home, or celebrates a happy ending to an adoption story. In September, Barbara Harrison, with the Council of Governments, launched a program through which viewers may dial a phone number and find out more about adopting a child through any jurisdiction in our viewing area. Some of the stories are repeated on News 4 Sundays at nine AM. Some of the dates in which Wednesday's Child ran were:

April (4/3, 4/10, 4/17, 4/24)
