NB: This agreement does not grant Operator the right to carry Station's signal in high definition format. If you are interested in negotiating for consent to carry our signal in both standard definition and high definition formats, please contact us at retransconsent@cbs.com.

Dear **General Manager:**

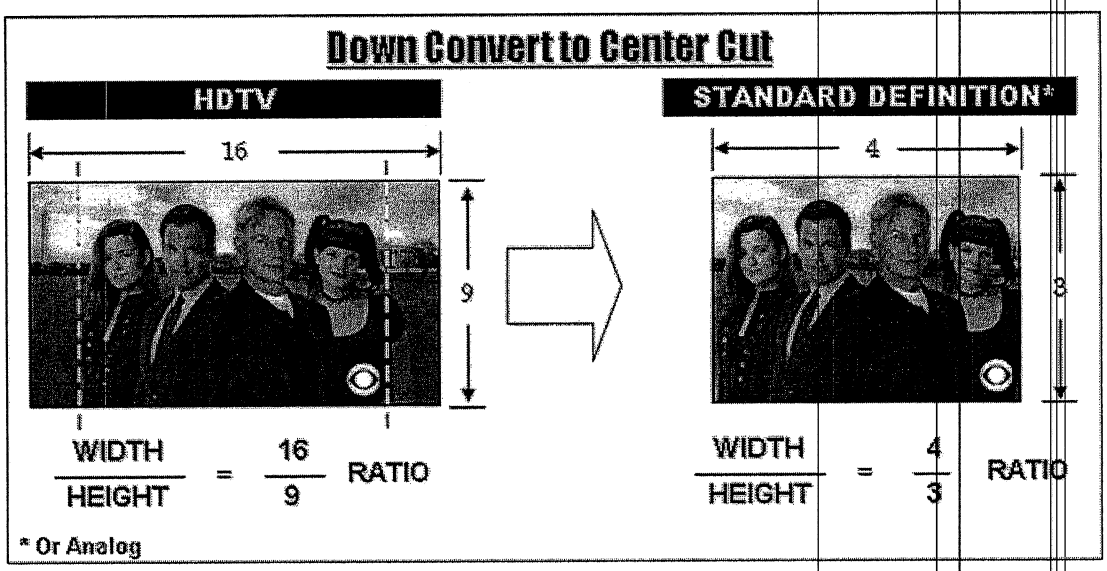
This is in regard to retransmission consent to carry the signal of **KTXA-DT, FORT WORTH/DALLAS TX** ("Station") on a system operated by **Preston Place Apartments** ("Operator") with its headend located at **Preston Place Apartments, Texas** ("System").

The terms of this agreement should be treated as confidential and should not be disclosed to any third-parties or the public.

Effective January 1, 2012, this letter grants retransmission consent to carry the Station's signal **in a standard definition format only (which may be transmitted to subscribers in either down-converted analog format or standard definition digital format)**, for an indefinite period expiring no later than 12:00 midnight on December 31, 2014, subject to the following terms: (i) Station's signal appears to the viewer on the channel on which its analog signal was carried prior to the final transition to digital television on June 12, 2009, or another channel on which we mutually agree; (ii) Operator carries the Station's signal on a level of service that is received by all of System's subscribers; (iii) Station's signal is retransmitted by System in its entirety, except where the deletion of particular programs may be required by FCC rules; (iv) Operator transmits Station's signal in such format or formats as may be necessary to ensure that all programming included in such signal is viewable by all of its subscribers, or deploys set top boxes as necessary to so ensure; (v) Operator passes through all "program related material," as defined below, to all of its subscribers; (vi) System serves subscribers residing in the **Dallas/Fort Worth** DMA; and (vii) such retransmission consent may be unilaterally revoked and terminated by Station, in its sole discretion, on ninety (90) days prior written notice. For purposes of this letter,

"program related materials" shall include (a) closed-captioning information, (b) program identification codes, (c) program ratings information, (d) such other material as may be essential, necessary or appropriate for the delivery or distribution of the Signal, and (e) information and material of a commercial or non-commercial nature that is directly related to the subject matter of the programs broadcast by the Station or specific commercial advertisements contained in the applicable Station's broadcast program schedule, if such information or material is transmitted concurrently or substantially concurrently with its associated program content or commercial advertisement; provided, however, that "program related material" shall not include, and Broadcaster shall obtain Operator's consent before providing, any information or material for which Broadcaster, or any Station receives or seeks a fee from Operator, a System, or any Operator subscriber.

Operator shall down convert the 16:9 high definition image by taking the "center cut" to create a 4:3 standard definition or analog image. Please refer to the illustration below.



<u>This letter does not grant Operator retransmission consent to carry the Station's signal in any high definition or 16:9 format under any circumstances.</u> If you would like to negotiate for consent to carry our signal in both standard definition and high definition format, please contact us at retransconsent@cbs.com.
