

ISSUES AND PROGRAMS LIST

WPDE

FLORENCE, SOUTH CAROLINA

APRIL 1 – JUNE 30, 2008

LIST OF ISSUES

1. **ECONOMY/PERSONAL FINANCE** LAY-OFFS ARE CONTINUING AT LOCAL PLANTS. ASSISTANCE PROGRAMS NOT SUFFICIENT TO COVER NEEDS.
2. **HEALTH CARE/COST** SOUTH CAROLINA HAS ONE OF THE HIGHEST RATES OF HEART DISEASE IN THE NATION. DEATH RATE IS HIGH FOR NEW BORN DUE TO POOR HEALTH PRACTICES AND COST. ELDERLY HEALTH CARE IS INADEQUATE DUE TO FIXED INCOME AND HIGH COST OF MEDICINE AND TREATMENT.
3. **CRIME** HIGH CRIME RATE DUE IN PART TO THE ECONOMY. ALSO ATTRIBUTED TO LACK OF EDUCATION. GUNS AND DRUGS ARE EXTREMELY EASY TO GET.
4. **DRUG USE/PREVENTION** HIGHEST RATE OF DRUG USE IN THE STATE. I-95 IS CONSIDERED THE "PIPELINE" FROM FLORIDA TO NEW YORK AND DRUGS FLOW FREELY INTO THE AREA.
5. **EDUCATION** AREA HAS EXTREMELY HIGH RATE OF DROP-OUTS. LACK OF INTEREST IN FURTHERING EDUCATION. LACK OF FINANCIAL ASSISTANCE IS A DIRECT CAUSE OF LACK OF EDUCATION.
6. **ENVIRONMENT** DUE TO PROXIMITY TO NUCLEAR PLANT, AND SEVERAL OTHER PLANTS THAT DUMP WASTE, WE ARE MORE AWARE OF ENVIRONMENTAL NEEDS OF OUR AREA.
7. **PREJUDICE/INTOLERANCE** THIS IS BECOMING MORE OF A PROBLEM AS MINORITIES LOSE JOBS DUE TO LACK OF TRAINING AND EDUCATION. THEY FEEL THEY ARE NOT FAIRLY TREATED BY OUR LOCAL LEADERS.

Dear Mr. Huggins:

Around the world, around the nation, around the corner – there is a place where people help others in need. That place is Georgetown, Horry and Williamsburg counties, and those people are friends such as you. Due to your generous gift of \$5,000.00 on Wednesday, April 09, 2008 the Red Cross has been able to respond to disasters affecting our community and our neighbors.

Since July 1st the Chapter has responded to the needs of 710 local residents (266 were children) spending \$119,111 to meet their immediate emergency needs for food, clothing and shelter. The Chapter also provides disaster crisis counseling as well as recovery planning and networks with other community groups to assist with the families' recovery.

While media attention is primarily drawn to the high-profile disasters such as hurricanes, the need for disaster relief and emergency-preparedness services locally never subsides. Dozens of victims of local disasters are given shelter, food, comfort, care, and mental health counseling each year. The Coastal South Carolina Chapter provides critical emergency communications with military families. We also train hundreds of individuals in lifesaving skills. Providing education to prevent and prepare for emergencies is part of our mission. We share that information with schools, community groups, businesses, and the general public. The Red Cross also provides nearly half of America's blood supply. None of these vital services would be possible without the thoughtful support of friends such as you. By strengthening our own community, we can continue to support our world community.

Sincerely,

Angela Nicholas

Dear Billy,

On behalf of our Board of Directors, volunteers, and over 15,000 students who have benefited from the Limos For Learning™ reading incentive program this past year, thank you and the WPDE TV-15 team for your financial support, believing in children and supporting our mission to improve their education and lives. Thanks to you, we've come a long way since that fateful meeting in your office three years ago.

Our work has just begun! We presently have a waiting list of 32 schools requesting participation for next year in addition to the 69 SC elementary schools presently served. Additional requests have come from 11 other states. We are exploring expansion opportunities to reach more SC schools and students, as well as a potential partnership with Waccamaw Community Foundation. I would appreciate the opportunity to personally update you on the progress of the Limos For Learning™ program and share with you as an invaluable Partner the success and smiles of young readers on the road to reading excellence.

Would you be willing to meet to share your insight and discuss how we might expand our partnership with WPDE TV-15? Please have your scheduler contact me at 864-923-3179, or by email at flagmaker@earthlink.net to establish a convenient appointment time.

With sincerest appreciation,

Dear Billy,

On behalf of the Murrells Inlet 2007 Board of Directors, I extend to you our sincerest appreciation for your donation of the WPDE promo spots in support of our 2008 *Race for the Inlet* fundraiser on March 29, 2008. The event was a smashing success, exceeding all of our wildest expectations! With your contribution, we were able to raise over \$7,000 at the event. These funds will allow Murrells Inlet 2007 to continue working towards its goals of making Murrells Inlet a nice place to live, work and visit. We are also pleased to report that over 360 people participated in the event – a 40% increase over last year's attendance! I attribute that increase to your advertising. Thank you, thank you! And 50% of the attendees were Murrells Inlet residents. So we have a great event that not only attracts visitors to our community but also serves our own community's interest. We can all be proud!

Given the event's growing success over the past three years, we plan to continue to run the race annually. We hope you will join us as an advertising sponsor again next year. Save the date for March 28, 2009! We thank you for your support over this past year and look forward to working together with you in the future.

With Warmest Regards,

Susan M. Sledz

Hello Billy,

When I sat in your office a little over four years ago and pitched our Limos For Learning concept to you, you took a leap of faith with us. It's been an incredible ride thus far and the demand for and successes of the program continue to grow by leaps and bounds. Thank you for believing in us then and for your continued support of our work. Because of your incredible partnership and the community awareness WDPE has generated in the Pee Dee, good things are falling into place to help insure the continuity and expansion of the program.

Before it becomes public knowledge next week, I wanted to personally let you know that Limos For Learning is the recipient of a \$28,000 Waccamaw Community Foundation grant which will be awarded during the Annual Awards Banquet held at the Dunes Club on June 5th. This funding will help provide for the expansion of the program in Horry and Georgetown counties. This simply would not have happened without WPDE TV-15 on our side!

With deepest gratitude,

Betsy

Greetings,

Once again WPDE proves to be a fabulous business partner!

With middle school cheerleading tryouts complete, Coach Blosser asked me to try finding a business partner, who could be a positive role model for our squad.

Kristen has been a presenter in Science class; I recalled from her bio that she was a cheerleader.

Wow! Kristen is not just a Weather Forecaster, she did a fabulous job speaking with the students about positive choices, being a role model, treating others with respect, and handling criticism appropriately. In addition, Kristen made connections from her cheerleading days to her present career. The students will surely be tuning into WPDE News from now on.

What a fabulous weather team, congratulations for participating in our wonderful Horry County School and community.

As always, we look forward to future partnerships.

Sincerely,

Eileen
