Quarterly Responsive Programming Report  
 KVOA Communications, Inc.  
 4th Quarter, October 1, 2005 to December 31, 2005

The following report is representative of responsive broadcasts during the period of October 1, 2005 to December 31, 2005 which have provided KVOA's most significant treatment of community issues as indicated by community leaders throughout the area. The responsive broadcasts are exclusive of NBC network news and public affairs programs that may also deal with these problems on a national basis. Issues addressed and that are important to the Tucson community include: Community, Crime, Economy, Education, Environment, Government, Health, Technology, Safety and Water.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Community	KVOA 5:30 PM Newscast	12/25/2005	5:31:31 to 5:32:55		The Tucson Convention Center filled with thousands of people today. Inside, entertainment and a warm meal for those needing assistance and a little holiday cheer. A chance to come together and celebrate this season of giving.
Community	KVOA 5 PM Newscast	12/13/2005	5:05:06 to 5:06:46		If you were Christmas shopping at Park Place this morning and noticed a lot of law enforcement there... there was not emergency, just a little shopping trip! This is the 26th year that they sponsor their "Shop with a Cop" program and by the smiles on kids faces it was another successful event!
Community	KVOA Noon Newscast	12/16/2005	12:04:16 to 12:05:52		Santa Claus stopped by early in Tucson to visit the Wilson family. Larry and Karin Wilson have their hands full, they're parents to 18 kids, 17 of them with special needs. As Eyewitness News 4's Josh Benson reports, there were lots of presents and even more reasons to be thankful.
Community	KVOA 6 PM Newscast	12/27/2005	6:04:49 to 6:06:37		The Salvation Army has good financial news. Despite a shortage of bell ringers, Tucsonans filled the little red kettles fuller than ever.
Community/ Economy	KVOA 6 PM Newscast	12/28/2005	6:01:08 to 6:03:29		Some Tucson residents say heavy construction work is taking valuable time away from their daily commute. And local businesses say they've been extremely slow during normal peak times. We're talking about heavily-congested spots. I-10, between Marana and Cortaro, also Craycroft between Sunrise and River. But the project with the biggest price tag and causing major headaches ... River and Campbell.
Community	KVOA 5 PM Newscast	12/29/2005	5:04:02 to 5:06:17		Since 1974, the Fox Theatre in downtown Tucson has sat empty... and now, after more than 30 years, it will open back up for business in just two days to ring in the New Year.
Community	KVOA 6 PM Newscast	11/18/2005	6:03:47 to 6:05:44		It's the largest perimeter cycling event in the country and it's happening this weekend in Tucson. Thousands of riders are expected in the 23rd El Tour de Tucson.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Community	KVOA 5 PM Newscast	11/25/2005	5:00:19 to 5:02:19		If you get a parking ticket in Tucson you might be able to act like Santa for a day for your payment. The City of Tucson's Parking Enforcement Department has suggested a "Tickets for Toys" program. Instead of money, you'd bring a toy to the city to pay off your fee.
Community	KVOA 5 PM Newscast	11/10/2005	5:01:07 to 5:02:57		Tomorrow is Veteran's Day. And Tucson's annual parade will pay special tribute to those serving in Iraq and Afghanistan. Army Staff Sergeant Eric Cagle will be in it, representing all those warriors who were wounded.
Community	KVOA 5:30 PM Newscast	10/9/2005	5:31:03 to 5:33:22		Downtown is gearing up for a major annual event as we speak. In just about a half-hour, Tucson's Gay Pride Parade and Block Party is set to kick off. That's right. The event celebrates the pride and diversity of the lesbian, gay, bisexual and transgender community in Tucson.
Community	KVOA 10 PM Newscast	10/9/2005	10:04:20 to 10:05:59		Local churches are pushing Tucson to spend more money on children on youth. The Pima County Interfaith Council wants the city to spend an additional one percent of its budget on youth programs.
Community	Impact	11/27/2005	6a to 6:30a	Johnny Apple, Food Writer for New York Times and author; Don Luria, CIRA Co-founder; Zarela Martinez, Chef & Author; Scott Allmendinger, Restaurant Business Magazine	Tucson played host to some very well known chefs and food writers from across the country. It was the Tucson Culinary Festival. Several restaurants were showcased to bring attention to the locally owned restaurant owners. Also we discussed the industry and how the recent hurricanes have affected the industry.
Community	EWN One on One	12/25/2005	6:30a to 7a	Eddie Dembowski, Pima Co. Libraries	Eddie reads traditional and contemporary Christmas stories to a live audience of children.
Community	Impact	12/11/2005	6a to 6:30a	Jennifer Reardon and employees from Tucson Center for Women and Children; Meghan May, TCWC, Outreach Case Manager; Sherri Barnes, TCWC, Assistant Executive Director; Robin Fasano, TCWC, Development Director	There is a growing problem across the state of Arizona but more specifically right here in Tucson. TCWC has seen a constant trend of having its shelters completely full. In an effort to help fight the problem, the community is being asked to donate and join TCWC's Golden Circle of Friends.
Crime	KVOA 6 PM Newscast	11/10/2005	6:08:45 to 6:13:01		It's a problem that didn't really exist 10 years ago... children being lured into sexual encounters with adults trolling the internet. It's a problem right here in Tucson, and kids just like yours are in danger. We must warn you due to the disturbing and graphic nature of this story, we want to urge viewers who may be offended by such content to leave the room. The language and subject matter are not suitable for children.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Crime	KVOA 10 PM Newscast	11/10/2005	10:01:59 to 10:06:23		How often do you leave the house for a few hours feeling confident your teen is safe at home? That my not be the case. You'd be stunned at how often, how quickly internet predators are meeting kids online, turning conversations into invitations. It can happen in less than one hour. Tonight, The Investigators' Lupita Murillo has part three of our undercover investigation... "Child Sex Sting."
Crime	Impact	10/9/2005	6a to 6:30a	Mike Schwartz, Rural Metro Fire Dept.	"In Case of Emergency" helped out a lot during the London bombings in July. Local phone companies and fire departments are promoting ICE in your cell phone.
Crime	KVOA 5 PM Newscast	10/4/2005	4:59:44 to 5:02:21		Within a 24 hour period... Tucson Police and Pima County Sheriff's deputies have been busy responding to stolen and recovered ATM machines. The areas range Northwest where an ATM machine was stolen on Monday from a gas and convenience store to a Walgreens on River and First. That was an attempted robbery.
Crime	KVOA 10 PM Newscast	11/14/2005	10:02:35 to 10:04:35		Probation officers need your help tracking a man they say traded treats for sex with teenage girls. The Investigators child sex sting has received numerous phone calls and emails. But one call we never expected as a from a probation officer who says one of the men that was featured in our series has been on the run for about two years.
Crime	KVOA 5 PM Newscast	10/24/2005	5:04:26 to 5:05:56		A man tied to more than a dozen Subway Sandwich Store robberies in Tucson is now in custody tonight. Police have been trying to track down 36-year old Eduardo Gradillas for about a month. Over the weekend, they got their man.
Crime	KVOA 10 PM Newscast	11/21/2005	10:00:47 to 10:02:40		Police are calling him a "person of interest" wanted for a 1996 murder at Tucson's La Paloma Resort. 63 year old Ronald Young was picked up today in Florida after his face was shown on America's Most Wanted over the weekend. A tip came in and he was taken into custody
Crime	KVOA 6 PM Newscast	10/5/2005	5:59:31 to 6:01:14		For the first time, the public is getting a closer look at the faces behind a crime spree. The men in those pictures have reportedly made huge hauls all over Tucson. Taking entire ATMs and now, they have a multi-agency task force on their trail. The FBI, Tucson Police and the Pima County Sheriff's office. A newly formed task force hopes to cash them in soon. After stealing substantial amounts of money from a series of ATMs over the past several months, it's believed they struck again. It happened today at the Tanque Verde Swap Meet. That's where we find Lupita Murillo, with tonight's continuing coverage.
Crime	KVOA 10 PM Newscast	11/15/2005	10:01:37 to 10:06:05		For weeks, Eyewitness News 4 has been telling you about our online "Child Sex Sting." How easily local kids can fall victim to Internet crimes. After our series aired we received numerous calls and feedback from viewers wanting to know what Tucson police had to say so we went to them. The Investigators' Lupita Murillo joins us with their answers.
Crime	KVOA 10 PM Newscast	11/15/2005	10:06:05 to 10:07:42		And here's something else being done to protect your kids from potential sexual predators... The Tucson City Council, tonight, passed an ordinance to implement background checks for all ice cream truck drivers.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Crime	KVOA 5 PM Newscast	11/16/2005	5:00:19 to 5:02:09		We all take for granted when we get our teeth cleaned the person working on our mouth is qualified. Imagine what the reaction of one dentist when he found out the hygienist he hired was a fraud.
Crime	KVOA 5 PM Newscast	11/17/2005	5:00:45 to 5:02:42		More guilty pleas today in a major Southern Arizona drug sting by the FBI. "Operation Lively Green" began in 2001. FBI agents posing as cocaine traffickers recruited military or law enforcement officers to transport the drugs. Those involved accepted bribes to make sure the drugs got thru law enforcement checkpoints.
Crime	KVOA Noon Newscast	11/18/2005	12:03:17 to 12:05:04		Reports of a third grader being handcuffed and shackled to a desk have surfaced out of Phoenix. Teachers and students at Lake View Elementary School say they witnessed the event. Now a demand for accountability. Veronica Sanchez from our sister station KPFX in Phoenix as more.
Crime	KVOA 6 PM Newscast	11/22/2005	6:02:25 to 6:04:07		Now to a herion bust even closer to home. More than 100 police officers from many agencies converged on 10 locations to break up what's believed to be a large herion trafficking organization. A ring that sold to students at Catalina Foothills High School.
Crime	KVOA 10 PM Newscast	11/3/2005	10:04:11 to 10:08:57		Ever wake up and say to yourself "I don't want to go to work today?" Some Arizonans work hard to scam the State Compensation Fund, an insurance carrier, into thinking they can't work. And each year, they walk away with thousands of dollars they don't deserve. But be aware, the comp fund and the state are now cracking down. Tonight, an Investigators Special Report caught on tape.
Crime	KVOA 6 PM Newscast	12/6/2005	6:01:27 to 6:03:25		A local elementary school targeted by vandals. They've broken windows, set a fire that caused thousands of dollars worth of damage at Tulley Elementary. Now a group of Juveniles are under arrest.
Crime/Government	KVOA 5 PM Newscast	12/7/2005	5:03:23 to 5:05:18		Arizona Attorney General Terry Goddard files a lawsuit against 42 pharmaceutical companies, accusing them of cheating Arizona taxpayers. He claims the companies are using a drug pricing scheme that's costing consumers and medicare tens of millions of dollars.
Crime	KVOA 10 PM Newscast	12/8/2005	10:04:56 to 10:06:51		The Motion Picture Association of America is suing a man from Tucson for allegedly swapping movies over the Internet. A growing problem, as Internet speeds get faster and the size of downloads, from file sharing sites, get bigger.
Crime	KVOA 5 PM Newscast	11/28/2005	4:58:48 to 5:00:34		An Internet sting set up Tucson Police has nabbed a Tucson man accused of luring a 14 year old boy to have sex. That "boy" actually an undercover detective.
Crime	KVOA 10 PM Newscast	12/8/2005	10:11:25 to 10:13:24		The long arm of the law may be coming down on fans who tried to bring the goalposts down. University Police are looking for five suspects who they say instigated rowdy and dangerous behavior following the Wildcats victory over UCLA November 5th.
Crime	KVOA 5:30 PM Newscast	11/27/2005	5:36:52 to 5:38:54		Sales, Discounts and huge crowds, it's all part of the holiday shopping season. You've probably already encountered the packed malls and long lines. But the busiest shopping season o the year brings out more than big crowds. Shoplifters are laos on the prowl.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Crime	KVOA 6 PM Newscast	12/19/2005	6:00:15 to 6:02:51		It's been almost a year since the body of Oro Valley resident, Zaraida Lewis, as found dumped in the desert. Still, her co-workers feel like it was just yesterday when they saw her smiling face.
Crime	KVOA 5 PM Newscast	12/20/2005	4:59:17 to 5:01:12		Police have tracked down a suspect wanted in connection with two arson fires. There have been a series of arsons on the Eastside, four of them over the Thanksgiving weekend and the suspect is charged with setting two of them. At this hour, police won't confirm which ones. The first fire was Thanksgiving night at the Broadway Gardens Apartments on East Broadway. There were two more the next night at the Sunquest Apartments, on North Pantano. And the River Oaks Apartments, on East Broadway. The last fire, on the Eastside, was in the garage of a home, in the 7400 block of East Juarez.
Crime	KVOA 6 PM Newscast	12/22/2005	6:02:41 to 6:04:59		A rash of burglaries... totaling over \$25,000.00 on the city's East side. The suspects helped themselves to jewelry, electronics and Christmas presents. Tonight, four of them are behind bars after a special TPD unit caught them "red handed."
Crime	KVOA 10 PM Newscast	12/13/2005	10:00:27 to 10:03:00		Tonight, for the first time, fire officials are linking the fires on the East side. A sixth incident today makes Tucson Fire believe a serial arsonist is back on the job. It began Thanksgiving night. 150,000 dollars of damage up in flames at the Broadway Gardens Apartments on East Broadway. The next day, the Sunquest Apartments on North Pantano Road... and another blaze charred the River Oaks Apartments on East Broadway. Then three days later a fire damaged the garage at a home in the 74 hundred block of East Juarez. Next, a house at 22nd and Prudence. Then today, another attempt. Burning material was thrown on the roof of a home at 29th and Prudence.
Crime	KVOA 6 PM Newscast	12/19/2005	6:00:28 to 6:02:29		An international scam traced back to a Tucson business. Fraudulent checks with the local owner's name written all over them. The problem... the man says he had no idea that he was linked to the scam that bilked people around the country out of millions of dollars.
Crime	KVOA 6 PM Newscast	12/12/2005	6:01:50 to 6:03:51		A run-in with the law for U of A basketball player Hassan Adams. The star forward was cited for disorderly conduct after a party near his home this weekend.
Crime	KVOA 5 PM Newscast	12/12/2005	5:00:44 to 5:02:41		Evidence from three criminal cases in Tucson under the microscope tonight. Tucson Police Crime Lab officials say the evidence has been contaminated with the DNA of an unknown female. That same unknown DNA also detected in some criminal cases thousands of miles away in Florida.
Crime	KVOA 5 PM Newscast	11/4/2005	5:05:51 to 5:10:37		There are some Arizonans who work hard to convince the state compensation fund into believing they can't work. Every year, they take thousands of dollars some of them don't deserve. How, the State and the Comp Fund are fed up.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Crime	KVOA 6 PM Newscast	11/7/2005	6:00:31 to 6:02:05		Now to that new information on Tucson's massive heroin bust. 53 people are behind bars facing a laundry list of charges. Tucson police first went on the raids last week. It came after a 9 month investigation reaching all corners of the county, including a local high school.
Crime	KVOA Noon Newscast	11/8/2005	12:00:21 to 12:02:26		A developing story only on four. Tucson police have arrested another man as a result of a tip from the Eyewitness News 4 investigators. 22 year old Daniel Poulsen was arrested last night in Arizona City on 2 counts of luring a minor and 3 counts of furnishing harmful material to a minor. Poulsen was part of a sting conducted by the Eyewitness News 4 Investigators and an online Internet watch group. Due to disturbing and graphic nature of the story, we urge viewers who may be offended by such content to leave the room.
Crime	KVOA 6 PM Newscast	10/11/2005	6:01:23 to 6:03:14		No one likes to wait at railroad crossings... and, it appears, Tucsonans are especially bad at obeying the warning signals. That's why Union Pacific asked local law enforcement to participate in a sting operation today, to catch violators.
Crime	KVOA 5 PM Newscast	10/21/2005	5:00:33 to 5:02:23		At the University of Arizona, they're handing out eviction notices at a record rate. Some are students getting kicked out of the dorms for drug use.
Crime	KVOA 5 PM Newscast	10/6/2005	5:00:11 to 5:02:01		A Tucson man has been convicted of 73 felony counts in connection with a massive steroid distribution operation.
Crime	KVOA 10 PM Newscast	10/6/2005	10:05:10 to 10:07:24		Customers of a woman's fitness center in Tucson are sounding off tonight... claiming the former owner took off with their money and employees of "Naturally Women" say they're owed a month's wages.
Crime	KVOA 10 PM Newscast	10/2/2005	9:59:52 to 10:03:01		It's a story the investigators first told you about in May. Medical records loaded with personal information found tossed in a dumpster. Well, it's happened again. But this time, the investigators find dental records.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Crime	KVOA 10 PM Newscast	11/3/2005	9:59:42 to 10:03:35		The son of a former Tucson Mayor is behind bars tonight accused of being an internet child predator. William J. Corbett is charged with 4 counts of luring a minor for sexual exploitation and 2 counts of furnishing illicit material to a minor over the internet. The arrest comes after the Eyewitness News 4 Investigators and an online internet watch group gave police detailed information from an undercover investigation we were conducting. The details of this case which we are about to present, are graphic, you may want to have any young children leave the room now. 51 year old William Corbett claims to be a girl's softball coach here in Tucson but tonight he's one of the newest arrivals at the Pima County Jail. Detectives arrested Corbett today. He faces 6 charges in all. This all started weeks ago when Corbett began chatting with a volunteer of a national internet watch group know as "Perverted Justice." At the time, Perverted Justice was patrolling the internet at the request of Eyewitness News 4. We had contacted the group to find out how much danger Tucson kids face just chatting on the web. It was a chat room where our volunteer first met William Corbett.
Economy/Health	EWN One on One	10/30/2005	6:30a to 7a	Jocelyn Reiter Casillas, Director of Development at St. Luke's Home	Corbett's conversation starts with "Hi, 51, Tucson Dad." "Hey back," our volunteers says, "13, Tucson Daughter." In less than 2 minutes, Corbett's conversation takes a dramatic turn. Corbett continued his online relationship with this child for weeks evening show off his penis in front of a live web cam and sending links of pornographic material all for someone he thought was 13. Eyewitness News 4 and Perverted Justice made Tucson police aware of Corbett's actions. They took over and arrested him today. They served a search warrant at his midtown home and removed several computers.
Economy	KVOA Daybreak 5a to 7a Newscast	10/7/2005	6:10:12 to 6:12:18		Deeds & Deals 2005 is a new fundraiser to benefit St. Luke's Home, celebrating 25 years as a caring community where low income women and men may live with dignity and independence. St. Luke's is also housing 3 evacuees from Hurricane Katrina. Deeds & Deals runs from October 28, to November 6,
Economy	EWN One on One	11/27/2005	6:30a to 7a	Bruce Wright, Parks Chief Op Officer & U of A Associate President for Economic Development	With gas prices continually rising, everyone is looking for ways to wase that pain at the pump. Credit Card companies now know that more and more are offering gas rebates as an incentive to use their cards. But as Victoria Lim shows ups, that alternative may not pay off for everyone.
Economy	KVOA 10 PM Newscast	10/11/2005	10:10:15 to 10:11:38		Technology Park just turned 10 years old. Discussed where it has come in the past 10 years and where it is going in the future. It's shome to 30 companies and 7,000 employees and contributes 2 billion to Tucson's economy. The goal is to triple its size in the next 10 years.
Economy	KVOA 10 PM Newscast	10/12/2005	10:04:23 to 10:06:23		Now that two dollars a gallon for gas seems like a distant memory, we're all looking for ways to cut the cost of filling up. A couple of Tucsonans have a plan for an energy alternative and they're pumping millions of dollars into the midwest to find it. Across the country, Americans have been getting ready for a big shock, home heating costs this winter. Many of us are expecting jaw-dropping bills, but, here in Tucson, it may not be that bad.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Economy	KVOA Daybreak 5a to 7a Newscast	10/1/405	6:10:32 to 6:12:42		With gasoline prices so high, who doesn't want to save money at the pump? You may have heard... keeping your tires properly inflated can cut down on costs. But, it's what you keep those tires inflated with that can make a real difference in savings.
Economy	EWN One on One	10/16/2005	6:30a to 7a	Toni Hellon, Arizona State Senator; Shellil Hall, Director of Tucson Film Office; Ron Anderson, Owner of Misti Production Services	Why Arizona film industry is down? What needs to be done to increase it? Hellon's legislation of offering tax incentives to people who make movies in Arizona. Jobs the industry provides, what the Tucson Film Office does and upcoming Mexican film Festival among other things.
Economy	KVOA Noon Newscast	10/27/2005	12:10:44 to 12:12:39		The nation's oil companies made huge profits from this summer's high gas prices. The numbers are gigantic. The biggest coming this morning from Exxon, Mobil, earning July, August and September more than Walmart, Microsoft and Boeing combined.
Economy	KVOA Noon Newscast	11/17/2005	12:23:18 to 12:25:00		Heating homes this winter won't be cheap and neither will a trip to the grocery store. The high price of oil driving up the cost of putting food on the table.
Economy	KVOA 10 PM Newscast	12/14/2005	10:02:58 to 10:05:05		A Tucson taxpayer wondered... for years... why some TUSD schools were using air conditioners in the cold winter months and why the units run when the schools aren't event open. Are tax dollars going to waste?
Economy	KVOA Noon Newscast	12/21/2005	12:12:00 to 12:14:17		Today is also the first day of winter. And, with energy costs rising and the temperature dropping, a lot of Americans are getting sticker shock when the heating bill comes in the mail. But, if you're willing to do a little work at home, you could save a bundle.
Economy	KVOA 5 PM Newscast	11/21/2005	5:03:01 to 5:04:56		Today, experts released a holiday spending forecast that retailers are gonna like. Sales are expected to increase 5% from there they were last year.
Economy	KVOA 10 PM Newscast	10/19/2005	10:04:59 to 10:06:59		The price of college tuition keeps going up. In fact, the college board says tuition prices are outpacing the US rate of inflation. The University of Arizona is one campus affected.
Economy	KVOA 6 PM Newscast	12/9/2005	6:04:02 to 6:05:47		Consumer confidence is on the rise... gas prices are on the decline but donation and volunteer numbers have gone flat. The Salvation Army says its feeling the pinch this holiday season.
Economy	KVOA 5 PM Newscast	12/12/2005	5:07:42 to 5:09:32		We've all known energy bills would go up this winter. Even in mild climates, like Tucson, bills could still be costly. The bad news doesn't end there. The government predicts prices will eventually go down but in a couple of years.
Economy	KVOA 6 PM Newscast	12/27/2005	6:02:40 to 6:04:49		If you haven't been to Summerhaven lately, you might be in for a bit of a surprise. New homes are popping up all over and business owners say business is booming. Eyewitness News 4 Erica Heartquist spent the day at Mount Lemon.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Economy	KVOA 10 PM Newscast	10/20/2005	10:06:21 to 10:07:55		You've heard about the housing boom and the housing bubble. Regardless of what happens to the market, all the frenzy's lured a major new employer to Tucson. The Pella Corporation which makes windows and doors.
Economy	Impact	11/6/2005	6a to 6:30a	Dick Wroldsen, Long Realty Foothills Office	Tucson Real Estate. What's driving it up? Is it leveling off? What will burst the bubble? Where are we headed? High income versus low income housing? Zoning? The list goes on.
Education/Economy	EWN One on One	10/23/2005	6:30a to 7a	Jose Felipe Garcia, Convention & Visitors Bureau; Shell Hall, Tucson Film Office; Jennifer Jenkins, Ph.D. U of A Media Arts	We will discuss the first and only U.S. festival dedicated to premiering the best in Mexican and Mexican American films. We will show a short entry and talk about the importance of such a festival and it's economic impact on Tucson.
Education	KVOA 5 PM Newscast	11/8/2005	5:06:34 to 5:08:09		Tucson's largest school district is making extra efforts to make sure your student passes the Aims test and graduates from high school. Eyewitness News Sandy Rathbun reports Tucson Unified School District board talks about it at tonight's meeting.
Education	KVOA 5 PM Newscast	11/18/2005	5:05:12 to 5:06:57		A global research project centered here in Tucson at the University of Arizona. National Geographic and IBM are collecting DNA samples from all over the world to learn more about our ancestors. Who they were, where they came from and when.
Education	KVOA Daybreak 5a to 7a Newscast	12/16/2005	6:10:56 to 6:12:41		Sick of being passed over for promotions? Well, it may not be your skill level but rather your behavior that's keeping you down. NBC's Meredith Land with ways for women to get ahead.
Education	KVOA 5 PM Newscast	12/21/2005	5:00:12 to 5:02:42		The Aims Test results are in and as of right now, about 20,000 students in the State of Arizona will not graduate. That number includes 300 students in Tucson's largest school district. A quarter of TUSD's seniors have failed the exam. This afternoon, some surprising alternatives are on the table.
Education	KVOA 5 PM Newscast	10/21/2005	5:02:23 to 5:04:18		It's called "cyber bullying" and school counselors say it's happening all the time. Bullying classmates on the internet. Tonight, TUSD officials are urging parents to take action... monitor your kids.
Education	KVOA Noon Newscast	10/24/2005	12:23:26 to 12:25:25		Learning CPR has just gotten easier... Instead of sitting through long classroom training... a new 25-minute course is now available to do in the comfort of your own home.
Education	KVOA Saturday Morning Newscast	12/24/2005	6:58:03 to 6:59:57		When it comes to flying it seems like there's been plenty of potential problems in the sky lately, especially in terms of mechanical issues. So would you know what to do if your plane had problems? Erica Heartquist asked that very question.
Education	KVOA 6 PM Newscast	10/24/2005	6:04:25 to 6:06:09		The University of Arizona could soon be getting it's first official gay fraternity on campus. Delta Lambda Phi has been around since the early 90's but never gained official status.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Education	KV/OA 5 PM Newscast	10/7/2005	5:02:42 to 5:04:17		Here in Tucson interest is growing in ROTC programs... where teenagers combine marching, and military orders, with volunteer work. Sandy Rathbun takes us, now to Sahuarita High School where it's program is considered one of the best in the county.
Education	KV/OA 5 PM Newscast	12/12/2005	5:24:08 to 5:25:48		A new anti-drinking campaign targets teenage girls and their moms to curb underage drinking. A survey, funded by the Central Council, reports 38% of moms think it's okay for their undergraduate daughters to drink on special occasions. And another 20% think it's part of growing up. The "girl talk" campaign wants to change that.
Education	Impact	11/20/2005	6a to 6:30a	Gracie Quiroz, Director at Catholic Tuition Support Organization; Mike Quigley, Parent	CTSO - Catholic Tuition Support Organization. This is money donated to the diocese to help families pay tuition and costs of a parochial school education. Donors receive a dollar for dollar Arizona tax credit. The amount you can donate went up in 2005 to \$500 individual or \$825 per couple. We look at how many families this has helped.
Education/Health	Impact	11/13/2005	6a to 6:30a	Dr. Eugene Evans, Psychologist and Kindergarten Teacher, Kay Spencer from Ventana Vista Elementary School	Preparing you and your child for kindergarten.
Education/Economy	Impact	10/16/2005	6a to 6:30a	Michael LaCoss, Manager, Fitness Together CPT, Sarah Swain, Certified Personal Trainer	We'll be discussing why people try and work out and so often times fail. We'll look at losing weight, getting in shape and everything that relates to fitness. A closer look at getting in shape with running, lifting and eating right.
Education	EWN One on One	12/18/2005	6:30a to 7a	Tucson Police Dept.	We will be discussing drunk driving during the holidays and that many people don't realize they can get a DUI even if they blow "below" the legal limit. If an officer suspects you're drunk, you can get pulled over and get a DUI.
Environment	KV/OA 10 PM Newscast	11/28/2005	10:09:47 to 10:11:55		There's a debate brewing between residents on the Southwest side and the Bureau of Land Management. What to do with the contaminated soil in the 540 acre Saginaw Hill area. Saginaw Hill is located near Valencencia and Camino de Oeste. It was mined from the late 1800's through the 1950's. The public met tonight with the BLM to talk about clean-up of the toxic lead and arsenic contaminating the soil and ground water. Residents have two more weeks to comment.
Environment	KV/OA 5 PM Newscast	12/20/2005	5:24:48 to 5:26:23		Also today, scientists released the strongest evidence yet that long-term exposure to air pollution can cause heart disease. It's often assumed that the air we breathe is within federal guidelines... but as NBC's Tracie Potts reports, researchers at NYU say that may not be the case.
Environment	KV/OA 10 PM Newscast	10/22/2005	10:01:01 to 10:02:46		The Ina Road Sewage Treatment Plant is the focus of much attention tonight. As much as 18 million gallons of sewerage from the plant was diverted today so workers can begin upgrades on the facilities power plant.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Environment	EWN One on One	11/13/2005	6:30a to 7a	Tim, Arizona Sonoran Desert Museum; Animal Lady; Baby Deer	We talk to the Arizona Sonoran Desert Museum about coyotes coming down from the hills and how to protect your small animals... also events going on at the museum including a new addition, a baby deer that they are hoping to bring to the studio.
Environment	KVOA 6 PM Newscast	12/26/2005	6:10:00 to 6:11:51		Now that Christmas is over, a lot of American households are overflowing with boxes, wrapping, ribbon and tinsel - almost all of which will end up in our landfills. But some Environmentalists are trying to cut down on the massive waste generated by the holidays.
Environment	KVOA 10 PM Newscast	12/4/2005	10:00:16 to 10:02:19		Brace yourself, tonight's going to be a cold one and in case you haven't been outside within the past few hours temperatures are already dropping significantly. Forecasters say the overnight lows will range from the mid 20s to the upper 30s and the rest of the week is expected to cool off even more.
Environment	KVOA Noon Newscast	10/6/2005	12:21:39 to 12:23:40		Sunshine in Arizona is nothing new... but given the recent news about the possibility of high energy prices this winter, it may encourage some people to take a closer look at how the usn can help cut costs.
Environment	EWN One on One	10/9/2005	6:30a to 7a	Deron Beal, Executive Director & Founder, Freecycle; Wilson Hughes, City of Tucson Environmental Services	The City of Tucson is launching a new initiative to better inform citizens about the city's recycling program. The goal of the program is to teach people what they can toss into their blue bins and what they cannot pitch in the blue bins. A program called Freecycle will take many of the items you cannot recycle. It was started here in Tucson and has now spread across the country. People with items like desks and lamps, list the unwanted items on the website and those who need the items, pick them up.
Government	KVOA 10 PM Newscast	10/11/2005	10:00:05 to 10:01:56		Here in Tucson there's unhappiness with recruiting efforts especially on school grounds. Tonight, the Sunnyside High School District voted on a measure to cut down the number of times recruiters can visit campus.
Government	KVOA 5 PM Newscast	11/9/2005	5:02:22 to 5:03:50		The results of yesterday's election took many by surprise. Including Republicans. Democrats are now the majority on city council, and so are women. That's a first for the city of Tucson.
Government	KVOA 5 PM Newscast	11/11/2005	5:24:38 to 5:26:28		The House of Representatives postponed a vote on a 51 billion dollar budget cut until next week. Republican leaders were worried they couldn't get enough votes to pass the bill. The proposed cuts could greatly affect students, by slashing more than 14 billion dollars from the federal student loan program.
Government	KVOA Daybreak 5a to 7a Newscast	11/14/2005	5:39:04 to 5:40:29		You may remember a US Congresswoman's comments raised a few eyebrows last week. North Carolina Republican Sue Myrick claimed three Al Qaida members crossed the border in the United States. Turns out, she got her facts wrong. It was only after Eyewitness News 4 raised questions about her claims that Myrick's Chief of Staff admitted she made a mistake.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Government	KVOA Daybreak 5a to 7a Newscast	10/13/2005	5:46:55 to 5:48:04		Just when you think the lines at the Motor Vehicle Department couldn't get any worse it happens. A warning from the DPS, cracking down on out of state registration has a lot of long-time locals and a lot of new faces showing up to get legal.
Government	KVOA 5 PM Newscast	11/23/2005	4:58:57 to 5:02:42		A Southern Arizona congressman how spent decades in office announced his retirement this afternoon. Congressman Jim Kolbe says he won't seek re-election for another term. The news of Kolbe's retirement perked the ears of political figures all across the state. Whiel some expected the decision, for others it came as a total surprise, and in classic political fashion. Discussion of next year's election is already underway.
Government	KVOA Noon Newscast	11/30/2005	12:12:10 to 12:13:47		For the first time in more than 5 years the issue of abortion is back before the Supreme Court. The question, how far states can go in restricting access to abortion and whether state laws must contain an exception to protect women's health.
Government	KVOA 10 PM Newscast	11/28/2005	9:59:52 to 10:01:49		The President's quick visit to Tucson brought out about 1,000 people to Davis Monthan Air Force Base. His immigration reform policies embraced by some and scrutinized by others.
Government	KVOA 10 PM Newscast	10/13/2005	10:03:05 to 10:06:13		In many states, if someone commits murder they'll most likely be spending the rest of their life in prison and it doesn't matter how old they are when they do it. Now, Amnesty International and Human Rights Watch are criticizing the United States for this practice. For the first time, a national study was conducted on trying kids as adults. According to the group's report, the US is one of only 13 countries in the world that allow children to be tried as adults. Right now, outside the US, there are about 12 people serving life sentences for crimes committed when they were under 18. In the United States, there are 2,234 people serving life sentences under these circumstances. Of them, 16% were between 13 and 15 years of age when they committed their crime. For well over half of them, it's their first conviction. Right now, 42 states allow underage people to be sentenced to life without parole. Arizona is one of them.
Government/ Economy	KVOA Daybreak 5a to 7a Newscast	10/12/2005	5:19:22 to 5:21:08		Grab the blankets and get out the space heater. Today, the Department of Energy will issue its forecast on just how high your energy costs will be this winter.
Government	Impact	10/23/2005	6a to 6:30a	Dr. John Arnold, CEO Project PPEP; George Long; a housing development specialist	Dr. Arnold and George Long traveled with eleven 18 wheelers and three 26 ft. trucks to Mississippi, full of supplies from Tucson's Worldcare. They share pictures and observations of the relief effort.
Government	EWN One on One	11/20/2005	6:30a to 7a	Nina Trasoff (D), City Council Member Elect; Karin Uhlich (D), City Council Member Elect	Tucson's new council members react to their landslide victories and discuss what their elections mean to the city and the entire valley.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Government	KVOA 5:30 PM Newscast	10/30/2005	5:29:31 to 5:32:29		There's a big question on the table tonight... Do women have the right to breast-feed anywhere they want in public? In Chandler, Arizona they do. Chandler recently became the second city in the country to enact a breast-feeding law. So, will Tucson be next?
Government	KVOA 5:30 PM Newscast	10/30/2005	5:34:43 to 5:36:14		A stricter state law goes into effect on Tuesday... it's cracking down on illegal drivers. It will allow law enforcement agencies to seize your vehicle for up to 30 days for not having a driver's license along with a variety of other reasons.
Government	KVOA 10 PM Newscast	12/31/2005	10:12:05 to 10:14:08		A trip to the pharmacy will never be the same again for the 43 million Americans on Medicare. The government's new prescription drug benefit kicks in tomorrow - but throughout the day, pharmacists have been busy trying to work out the kinks.
Government	KVOA 5 PM Newscast	11/1/2005	5:06:36 to 5:08:46		Medical experts have been warning about a possible flu pandemic for years. President Bush says this is the time to act. He announced a seven billion dollar plan to speed up vaccine production and coordinating responses from the international level right down to local communities.
Government	KVOA 5 PM Newscast	11/4/2005	5:02:00 to 5:03:55		The race for the City Council seat representing Ward 3 is heating up even more. Republican Councilwoman Kathleen Dunbar has followed through on her threat to sue her democratic opponent Karin Uhlrich over a campaign mailer. The lawsuit was filed yesterday.
Government	KVOA 5 PM Newscast	11/3/2005	5:02:57 to 5:04:54		We're less than a week away from Tucson's general election and two council seats are up for grabs. Ward 3 and Ward 6. Tonight, Fox 11's Ryan O'Donnell takes a look at the candidates in Ward 6, incumbent Fred Ronstadt and Challenger Nina Trasoff.
Government	KVOA 5 PM Newscast	12/16/2005	5:04:31 to 5:06:30		Meanwhile, Washington is in an uproar over word of a secret domestic spying program. It was, apparently, ordered by the President, after 9/11, even though the Intelligence Agency tasked with the job, was reluctant.
Government	KVOA 5 PM Newscast	12/21/2005	5:24:18 to 5:25:43		This week, US Customs seized several shipments of counterfeit Tamiflu. The fake drugs were sent from Asia, to people who'd placed orders over the internet. Today, signs that the real drug may not be able to fight off every case of the flu.
Government	KVOA 10 PM Newscast	12/22/2005	10:07:04 to 10:09:13		In Washington, The Bush Administration is offering a formal defense of its domestic spying program. The Justice Department sent a letter to Congress arguing that the nation's security outweighs privacy concerns of those targeted for eavesdropping. The Justice Department says President Bush authorized warrantless electronic surveillance in an effort to thwart terrorist acts. The letter comes as the house scraps a senate plan to extend the Patriot Act for six months. Instead they've agreed to a five week extension that guarantees more debate and more fighting.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Government	KVOA 5 PM Newscast	12/22/2005	5:09:28 to 5:11:16		Starting today, you can pack a few extra things into your carry-on bag. The Transportation Security Administration relaxed the rules to allow scissors and small tools past security. However, flight attendants and some lawmaker's say it's a dangerous decision that could lead to another 9/11.
Government	KVOA Noon Newscast	11/8/2005	12:03:55 to 12:05:57		Though it's an off-year, political experts say this day could be a good snapshot of where the two parties and the President stand with the American people. We start our election coverage close to home. In Tucson, two contested city council seats and two propositions are on the ballot. But, they're not expected to draw lots of voters to the polls. Eyewitness News 4 Dara Denni is live at the Northwest Center on 6th Avenue with a look at the numbers.
Government	KVOA Noon Newscast	11/2/2005	12:10:12 to 12:12:04		NBC News has confirmed a report in today's Washington Post that the CIA is running secret prisons. Reports indicate that more than 100 terrorists experts including top Al Qaeda leaders have been interrogated in hidden CIA prisons.
Government	KVOA 6 PM Newscast	11/2/2005	5:59:35 to 6:01:19		Almost 3 months ago, Governor Janet Napolitano, declared a State of Emergency along the Arizona-Mexico border. Today, she travelled South for a closer look at just how the emergency money is being spent.
Government	Impact	12/18/2005	6a to 6:30a	Dr. John Arnold, CEO Project PPEP; George Long, a housing development specialist	Dr. Arnold and George Long traveled with eleven 18 wheelers and three 26 ft. trucks to Mississippi, full of supplies from Tucson's Worldcare. They share pictures and observations of the relief effort.
Government	KVOA Daybreak 5a to 7a Newscast	10/4/2005	5:46:27 to 5:48:45		An Arizona Lawmaker is catching national criticism for building a Iwa that keeps permanent border patrol checkpoints out of the Tucson sector. According to Business Week Magazine, Congressman Jim Kolbe is protecting the interests of Tubac land developers who say permanent checkpoints are bad for business.
Government/Safety	KVOA 10 PM Newscast	10/7/2005	10:02:56 to 10:05:05		More riders are getting hurt, or killed, on ATV's across the country. That's the word from the Consumer Product Safety Commission, but will minor changes to regulations bring major safety improvements?
Government	KVOA 6 PM Newscast	10/5/2005	6:06:33 to 6:08:09		Today the Arizona Game and Fish Department launched a program to track mountain lions here in Tucson. The goal is to help lions and Tucsonans co-exist.
Government	Impact	12/25/2005	6a to 6:30a	Deputy Maria Stengel, SAV Coordinator; Mort Sweeney, SAV	Discussed the importance of the sheriff's auxiliary volunteers. They have been around since 1977 and have been recognized nationally. They save county tax payers a great deal of money by providing support to commissioned deputies. They perform a number of duties from directing traffic to administrative support.
Health	Impact	10/2/2005	6a to 6:30a	Cynthia Fagyas, AARP Communications Director for Arizona	We look at how AARP benefits members in tangible ways. Like discount prescription drugs and health services, insurance, travel etc, as well as the issues that AARP tackles on behalf of it's members like Medicare and Social Security. Because of AARP, I just saved a bunch of money on my car insurance.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Health	KVOA 5 PM Newscast	10/14/2005	5:23:07 to 5:24:33		A new lens corrects for both near and far sightedness. It's not like a contact lens, this lens is permanently installed in the eye. So it won't fall out or get lost.
Health	KVOA Noon Newscast	10/17/2005	12:23:39 to 12:25:47		Right now, a mammogram is considered one of the best screening tools for breast cancer. It is not perfect, though. Mammograms can miss cancer. An MRI is not a replacement for a mammogram. But it is a tool that may help doctors get another look.
Health	KVOA Daybreak 5a to 7a Newscast	10/18/2005	5:45:48 to 5:48:07		The United Nations Food and Agriculture Organization warns of a high risk for a human pandemic stemming from the Avian Flu. The deadly strain was discovered in mainland Europe last week. Just yesterday it was found in Greece. The bird flu is hitting Asia the hardest so far. Greece doesn't want to be next so it's taking action to limit the spread of the disease. Now we're are doing the same thing on the US Mexico border.
Health	KVOA 10 PM Newscast	10/23/2005	10:12:01 to 10:14:16		HIV and Aids remain the biggest epidemic the world has ever seen. With an estimated 2 thousand local cases, Tucsonans have not given up the fight to eradicate the deadly disease. The Tucson Interfaith HIV Aids Network held a conference this afternoon to educate the community on this growing epidemic.
Health	KVOA Daybreak 5a to 7a Newscast	10/24/2005	6:28:03 to 6:29:26		Nutrition during pregnancy is key to a developing baby's health. The latest research suggests genes may influence a woman's ability to pass on those nutrients to her unborn baby.
Health	KVOA Daybreak 5a to 7a Newscast	10/20/2005	6:25:55 to 6:27:13		A hi-tech magnet is showing promise in detecting one of the most aggressive forms of cancer - before it has a chance to spread. New research suggests a new type of magnetic resonance imaging MRI can spot tiny tumors in the pancreas. Other scans may miss.
Health	KVOA 5 PM Newscast	10/24/2005	5:02:26 to 5:04:26		A University of Arizona scientist now has a better idea of exactly what people are breathing in, in communities like Sierra Vista, where cancer clusters have been found.
Health	KVOA Daybreak 5a to 7a Newscast	10/21/2005	12:21:37 to 12:23:33		If you look around at the soaps in your house, chances are most of them are antibacterial soaps. But yesterday, the Food and Drug Administration Panel said antibacterial soaps and washes aren't any better than plain, old soap and water for fighting illness. They warned manufacturer's may have to prove their product's benefits or be restricted from marketing them.
Health	KVOA Noon Newscast	11/3/2005	12:23:02 to 12:25:04		The benefits of eating fish have been widely publicized. Now, for the first time, there's solid evidence that eating fish can reduce the memory loss that's associated with growing old.
Health	KVOA Morning News	12/31/2005	7:07:44 to 7:09:38		It's time for New Year's resolutions. Instead of shopping malls, crowds will soon pack local gyms and health clubs. 2006 is sure to bring a menu of new diet and fitness trends.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Health	KVOA 5 PM Newscast	11/8/2005	5:23:55 to 5:25:28		A cup of coffee in the morning does not increase the risk of high blood pressure in women, according to a study published in the Journal of the American Medical Association. But other caffeinated drinks could be linked with high blood pressure.

Health	KVOA 6 PM Newscast	10/31/2005	6:05:48 to 6:07:50		Concerns tonight over what may become the first over the counter aids test. The Food and Drug Administration could approve the test later this week. Meanwhile, health officials are worried that the test isn't ready for market.
Health	KVOA 5:30 PM Newscast	11/12/2005	5:34:02 to 5:35:56		It's a first for the Tucson Convention Center. Experts from around the world offering healing options for all kinds of ailments - including one that millions of people are losing sleep over.
Health	KVOA 5 PM Newscast	11/16/2005	5:24:43 to 5:26:23		The Centers for Disease Control reports more people are getting a flu shot to protect against the everyday flu. Another vaccine option is a nasal spray. Doctors say the spray has been a tough sell to patients even though it may be stronger than a shot.
Health	KVOA 5 PM Newscast	12/13/2005	5:24:13 to 5:25:53		The biggest study ever of arthritis and heart disease will try to determine which pain reliever, Celebrex, Aleve or Motrin works the best, without causing heart problems.
Health	KVOA Noon Newscast	12/27/2005	12:21:56 to 12:24:25		There was a time when doctor house calls were commonplace and the amount of time you actually spent with your doctor was more than a couple of minutes. Those days may be coming back but they come with a very big price tag; in fact, several thousand dollars on top of the cost of your office visit.
Health	KVOA Saturdyday Morning Newscast	12/24/2005	7:22:32 to 7:24:16		MP3 Players are certainly a hot commodity this holiday season. But ear experts say you should keep in mind the potential for hearing loss when you're shopping for the portable music players on your holiday list.
Health	KVOA Noon Newscast	12/21/2005	12:22:57 to 12:25:02		'Tis the season for shopping traveling, sniffing and coughing. In fact, the CDC is confirming flu activity in more than half of the US. Diana Gonzalez tells us how to stay healthy for the holiday as we make plans for special trips and family get togethers.
Health	KVOA Daybreak 5a to 7a Newscast	12/27/2005	6:26:01 to 6:27:48		Illegal steroid use is a problem being addressed in professional sports. But what about student athletes? Well, one Florida school district is about to institute mandatory steroid testing for it's athletes. And that's on top of mandatory drug testing already in place.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Health	KVOA Noon Newscast	12/19/2005	12:22:24 to 12:24:02		The holidays can create a lot of temptations. For the millions of Americans who have diabetes or pre-diabetes the season can present even greater challenges. Christy Feig has tips on how to stay on track during the holidays.
Health	KVOA 10 PM Newscast	12/20/2005	10:01:53 to 10:04:02		Did you know Doritos are made with milk? And plain milk chocolate bars carry a peanut warning? People with food allergies know this and you might take interest too if you're in the food service or childcare industry. Starting January 1st, ingredient labels will change. Eyewitness News 4's Lorraine Rivera has tonight's new information.
Health	KVOA Daybreak 5a to 7a Newscast	12/12/2005	6:24:35 to 6:26:25		Gum disease is a big problem affecting more than half the adult population. Problem is, many people don't know they have it and often the traditional treatment is painful gum surgery. A quicker easier and less painful solution is now available.
Health	KVOA 5 PM Newscast	11/14/2005	5:24:03 to 5:25:23		Dyslexia causes people to see a jumble of letters and words, when the rest of us read sentences and paragraphs. It's a serious learning disorder that may be genetic and a Yale University study says the earlier students are tutored for the disorder, the better.
Health	KVOA Daybreak 5a to 7a Newscast	12/1/2005	6:25:39 to 6:27:14		Health problems like heart disease and diabetes may not be the only deadly side effects to the country's obesity epidemic. Research suggests obese people can't fight off the flu as well as their thinner peers.
Health	KVOA 5 PM Newscast	11/15/2005	5:06:22 to 5:08:37		It's the first day Medicare recipients can sign up for one of the government's new prescription plans. The average senior citizen pays \$1500 a year for prescriptions. This program will pick up much of that cost. Some lawmakers say the process is too confusing and seniors need more time to make a choice.
Health	KVOA 5 PM Newscast	12/5/2005	5:05:07 to 5:07:07		Our change in weather signifies it's not only the holiday season... it's cold and flu season. Just take one step into an urgent care clinic in town and you'll find a packed waiting room.
Health	KVOA 5 PM Newscast	12/5/2005	5:24:03 to 5:25:38		Arizona State Officials are in Washington today, learning how to prepare for a flu pandemic. Health experts believe the Avian Flu could spread to the US. Today, the Federal Government urged states to prepare.
Health	KVOA Daybreak 5a to 7a Newscast	12/6/2005	6:25:20 to 6:26:44		New research adds to the growing evidence that a woman's lifestyle during and even before pregnancy has a major impact on a child's health specifically the risk of obesity.
Health	KVOA 5 PM Newscast	12/15/2005	5:22:23 to 5:24:18		A rare cancer treatment option is available in our own backyard. The Arizona Cancer Center is one of 70 centers in thenation and the only one in Arizona to offer Interleuken-2 Therapy for advanced stages of kidney and skin cancer. It was exactly what the doctor ordered for one Arizona man.
Health	KVOA 5 PM Newscast	11/17/2005	5:23:38 to 5:24:53		New research shows diet pills can't take off the pounds alone. A study determined obesity drugs work best when combined with changes in diet and exercise.

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Health/Technology	KVOA Noon Newscast	12/9/2005	12:21-40 to 12:23:41		More and more kids are becoming overweight. Many of them aren't getting enough exercise. Doctor Deanna Lites shows us how new technology is getting kids excited about hitting the gym.
Health/Technology	KVOA Noon Newscast	11/28/2005	12:21:51 to 12:24:26		Everyone expecting a baby worries about the health of their unborn child. A new test can help ease that anxiety sooner than before. The test is called the ultra-screen instant risk assessment... or IRA. It screens for the two most common chromosomal abnormalities. And with this test there's no risk to the baby.
Technology	KVOA 6 PM Newscast	10/25/2005	6:10:53 to 6:12:39		Imagine knowing the exact spot NASA could have put a sensor on the space shuttle Columbia that might have kept it from exploding. An impressive mind at the University of Arizona is researching the idea and his work is being funded by the US Air Force.
Technology	KVOA Daybreak 5a to 7a Newscast	10/26/2005	6:26:03 to 6:27:42		Do you ever forget to take your medicine, then worry yourself sick over the consequences? Now you don't have to, thanks to a new pill bottle that sends you reminders.
Technology	KVOA 6 PM Newscast	11/17/2005	6:05:15 to 6:06:53		Tucson is one of the first cities in the nation to put cameras on fire medic trucks to take doctors right to the scene. The cameras will transmit live pictures of an accident so doctors can evaluate and begin care miles from the emergency room. It could save your life.
Technology	KVOA Daybreak 5a to 7a Newscast	10/31/2005	6:07:25 to 6:09:38		Just twelve men in all of history have walked on the moon... the last stepping foot there in 1972. But if manned space travel hasn't gone any farther since then, technology created by man certainly has. Garvin Thomas shows us a view of the moon like we've never seen before.
Technology	KVOA Daybreak 5a to 7a Newscast	12/27/2005	6:10:02 to 6:11:27		Don't let being halfway around the world stop you from watching local TV. You can even watch us here at KVOA with a new invention making local TV available anywhere there's an internet connection.
Technology	KVOA 5 PM Newscast	10/26/2005	5:05:12 to 5:07:02		Twenty years in the making, a powerful telescope atop Mt. Graham is capturing it's first real images from space. Images ten times sharper than the Hubble space telescope. Scientists all over the world including here at the University of Arizona are jumping up and down over the possibilities that this new telescope brings...
Technology/Health	KVOA 5 PM Newscast	11/21/2005	5:23:03 to 5:25:38		Since Lasik corrective eye surgery started ten years ago there have been many advances in the technology. A new version uses a laser to adjust to the natural movement in the eye which means it can help correct previously inoperable problems like astigmatism.
Technology	KVOA Noon Newscast	10/18/2005	12:23:10 to 12:25:28		Navigation systems aren't just for your car. Now, surgeons are using them for knee replacement surgery. One doctor says the difference between the old way of doing surgery and the new way is like trading a map for GPS.
Safety	KVOA 5:30 PM Newscast	12/3/2005	5:29:49 to 5:31:47		It's another busy holiday weekend. If you're out and about, Tucson police say "beware." So are thieves. To help protect you and your car, police launched a citywide campaign today called "Lock it or lose it."

ISSUE	PROGRAM	DAY/DATE	TIME	PARTICIPANTS	SUMMARY OF DISCUSSION
Safety	KVOA Daybreak 5a to 7a Newscast	12/6/2005	6:10:18 to 6:12:09		Distracted drivers is the number one cause of car crashes, according to OSHA. Now, a unique study reveals just how dangerous distracted drivers are to you on the road.
Safety	KVOA 5 PM Newscast	10/3/2005	5:03:53 to 5:05:42		The number one killer of children ages one to fourteen is car crashes. There's concern that kids are allowed out of car seats at too young an age.
Water	KVOA 5:30 PM Newscast	12/10/2005	5:32:48 to 5:34:33		A neighborhood near University Medical Center is drying out tonight after a water-pipe break. One million gallons of water were sent gushing through the streets for hours.
Water	KVOA 10 PM Newscast	10/4/2005	10:09:12 to 10:10:54		A battle's brewing in Marana. It began with a proposed increase in the cost of water. But it's now at the point that some citizens are calling their town council corrupt and even un-American.
Water	KVOA 10 PM Newscast	10/3/2005	10:05:56 to 10:07:28		New water worries on the Northwest side of town. Falling water levels have some hydrologists as well as the metro water district concerned. They say, we need a treatment plant and pipes to deliver water years earlier than expected.
Water	KVOA 10 PM Newscast	10/25/2005	10:11:05 to 10:13:05		How safe is your drinking water from a terrorist attack? No one seems to know. A group of University of Arizona researchers is working on a one of kind project designed to give all Americans peace of mind at the tap.
