Dear Billy :

The 21<sup>st</sup> annual **Pawleys Island Festival of Music and Art** would like to thank you so much for your support and generous donation. This year's Festival would not have been possible without your generosity. On behalf of the Board of Directors, committee members and Festival staff, we would like to express our gratitude to you. Every year we strive to bring the best in entertainment both in the performing and visual arts to our community.

Your contribution also made it possible for us to continue our founder, Dr. Lee Minton's, mission and vision that everyone deserves an equal opportunity to be exposed to the arts. We believe that the Festival has a responsibility to the community to support the artistic growth and development of the youth in our community. With the support of several grants and your personal contribution we were able to impact the lives of over 700 students in Horry and Georgetown County schools. Music and visual arts workshops were led by the same trained professional artists who provided all of us with exceptional entertainment this year.

We are beginning to make plans for 2012. Please contact us with your personal suggestions for performers or visual arts for the upcoming year. Your support is crucial to the continued success of the Pawleys Island Festival of Music and Art. We look forward to another exciting year and would love to hear your comments.

With warm regards,

Dear Billy:

Thank you so much for your gift of 4 Tickets to a Carolina Panthers football game to encourage participation in the Conway Medical Center Foundation 2011 Employee Giving Campaign. Conway Medical Center Employees have always been generous, but adding the opportunity to win a prize adds another element of excitement to the campaign.

We thank you again for your valuable support and for helping to make our campaign a great success. Please see the enclosed copy of the Special Edition Employee Newsletter for information about the campaign and how donations to the CMC Foundation are used.
