The Tube Music Network certifies that during the first quarter of calendar year 2007:

- (1) No programs were broadcast that were produced and broadcast primarily for an audience of children 12 years old and younger.
- (2) Each hour of the network's educational/informational children's programming, as standard practice, was formatted for not more than 10 minutes and 30 seconds of commercial time to be inserted by either the network or affiliates. There were no commercial time overages caused by the network.

Subject: E/I Make-Good on 3/30/07

Dear Affiliate:

Due to an inadvertent airing of the same WILDLIFE JAMS episodes in week #2 (1/13/07) and week #3 (1/20/07), we have scheduled a 90 minute make-good of E/I programming to air on The Tube next Friday, 3/30/07 from 10am ET to 11:30am ET.

As you know at least 50 percent of the core E/I programming counted toward meeting the three-hour guideline cannot consist of program episodes that have already aired within the previous seven days. Thus, The Tube will be airing three extra episodes to ensure that stations meet the average three-hour core programming "safe harbor" for FCC reporting purposes.

We will be notifying all of the guide listings services of this additional E/I program airing.

To prevent the possibility of any future scheduling errors we have begun additional training in-house to all related personnel and increased our quality control checklists on a weekly basis.

Attached please find the updated E/I schedule which includes the make-good episodes.

Please feel free to call me at 818-501-5219 or email me at khurwitz@thetubetv.com with any questions or concerns.

Subject: E/I Make-Good Promotion on 3/24/07

Dear Affiliate:

I have good news regarding advance promotion of the 3/30/07 E/I Make-Good episodes. If you tuned into last Saturday's E/I block then you probably already know about it.

Although it took until midnight Friday night and the efforts of half a dozen people scattered across multiple time zones, we were able to create a :12 second promo message spot to promote the additional Wildlife Jams episodes on 3/30. More importantly, we were able to air this message during the E/I 3-hour block last Saturday, 3/24/07! The folks at Crawford really helped us out to make this happen. The notification spot ran during the E/I block at 10:59am, 11:59am and 12:59pm ET.

Guide services were notified last week of the additional episodes airing this Friday, 3/30/07 from 10am - 11:30am ET and we will be posting this information on our Tube company website this week.

A preview copy of the :12 E/I make-good promo resides on our affiliate site at <http://www.tubeaffiliate.com> site under the E/I Compliance Folder. All of the E/I documents that have been distributed can be downloaded from here including the E/I Overview, As Run E/I schedule, E/I Broadcast Clock, Age 13-16 Target Demo Letter and the Wildlife Jams Series/Episodes descriptions.

Please call/email me with any questions. Have a great week!

Best,
