**COLORADO GETAWAYS** - Regularly scheduled half-hour show features places to go and things to see throughout Colorado.  
Duration: One half hour – Saturday, 6:30pm

## ISSUES

**EDUCATION - Student drop out rate, adult illiteracy, lack of parental involvement, funding for higher education, and limited funding for early childhood education.**

**CBS4 MORNING** – 01/12/06 The Superintendent of Denver Public Schools says Denver can lead the nation in sending kids to college, but the effort will require the whole city to get involved. One part of the plan has been launched, where students can now attend after-school tutoring sessions. 01/29/06 More than ninety percent of the students that Rene Wilson teaches live in poverty. He says it's critical to reach out to families, going to his students' homes, to make clear to parents that they are equal partners in their children's success. 02/13/06 The Denver Public Schools' Board of Education will discuss whether to consolidate the three manual High Schools. 02/17/06 Manual High School will be closed for a year to convert back from its present set-up. 03/21/06 A bill that would allow parents to leave work to attend parent-teacher conferences or other academic activities has been passed by the House Business Affairs Committee.

**CBS4 AT NOON** – 01/12/06 A series of public meetings is underway regarding an overhaul of the struggling Denver Public School District.

**CBS4 AT 4** – 01/27/06 Every one of Denver Public School teacher Rene Wilson's students scored proficient or advanced on the CSAP in 4<sup>th</sup> Grade Math. 03/10/06 The advocacy group "Great Education Colorado" says many school districts cannot afford to repair and renovate public school buildings.

**CBS4 AT 5** – 01/05/06 A report has found that tens of thousands of college students in Colorado do not receive the financial aid for which they qualify. 01/12/06 Governor Bill Owens says he is recommending the largest total budget for higher education in Colorado History. 01/23/06 The Superintendent of Denver Public Schools wants students to spend more time on Reading and Math, but that means there will be fewer electives. 01/28/06 In Fullerton, California, fifth and sixth graders are being asked to purchase their own laptop computers for classes. 01/30/06 Denver Public Schools has announced there will be a dramatically smaller number of teacher's aides next year, because 600 of the 1,500 classroom aides have not met new requirements under the federal "No Child Left Behind" Act. 02/07/06 State Lawmakers are considering a bill to make the school calendar uniform for all public schools. 02/13/06 There is growing concern that the US is losing its superiority in science and technology, in part, because of our education system.

**CBS4 AT 6** – 01/05/06 The Colorado Commission on Higher Education has launched a drive to boost college attendance in Colorado. 01/27/06 The Denver Public Schools School Board heard a proposal to cut more than \$16 million dollars from next year's budget. 03/22/06 The College in Colorado Organization answers questions about the upcoming change in requirements for college admissions.

**CBS4 AT 10 – 01/11/06** The 2006 State Legislature will debate how the state will spend the money coming in from the recently passed Referendum C. 02/11/06 Denver School Superintendent Michael Bennet met with parents to discuss the District's recommendations to change Manual High School from its three separate learning tracks back to one school.

**POVERTY - Child homelessness, poverty rate is continuing to grow**

**CBS4 MORNING – 02/07/06** Metropolitan State College of Denver tax volunteers will be offering free tax assistance to those earning \$35,000 or less per year. 03/08/06 A dozen students from the University of Denver's Alternative Spring Break Program, will be staying in downtown Denver during their spring break, visiting homeless shelters and meeting with community leaders trying to end homelessness. 03/21/06 The number of uninsured workers is on the rise. One-third of them have full-time jobs and forty-per-cent live in households which earn, at most, double the federal poverty level, which is \$40,000 a year for a family of four.

**CBS4 AT NOON – 01/10/06** Denver Mayor John Hickenlooper is launching a new program to help solve Denver's Homeless Problem. He's asking religious groups from around the city to mentor a homeless family or a senior.

**CBS4 AT 4 – 01/17/06** Denver's ten year plan to end homelessness is a success after just six months. Individuals and businesses have raised one-third of the \$33 million dollar goal for the city's homelessness plan. The plan has created 349 new housing units and helped 156 families avoid homelessness through eviction assistance. 01/20/06 Denver has a new program to help turn homeless families into homeowners. Mile High United Way dedicated a new apartment building for the Transformational Housing Initiative. 01/25/06 Colorado Legislators are working on a bill to give more money to heat assistance programs and to increase the amount of money set aside to improve energy efficiency in low-income homes. 01/31/06 More Coloradans are making donations to Energy Outreach Colorado, but more residents are also asking for help. 03/13/06 211 is the number to call if you need help paying your heating bill, or need other social service assistance.

**CBS4 AT 5 – 01/10/06** The mayor says that 4% of Denver's homeless are seniors and that 43% are women and children. He says the city's cost from the 20% chronically homeless, is nearly \$40,000 per year per person. 02/04/06 LEAP, the Low Income Energy Assistance Program, will help Colorado Families to get some much needed help paying their heating bills. 02/18/06 Sox Place is a temporary shelter for homeless teens. They are in desperate need of items to keep the teens warm. 03/12/06 The Retired and Senior Volunteer Program at Volunteers of America helped 72-year-old Darrell Hoberg to reduce his \$600 per month rent to \$150, through their Benefits Check-Up.

**CBS4 AT 6 –** The Faith Community Leaders are asked to sign up as mentors to homeless families and seniors, to give them basic guidance on how to be self-sufficient, and to commit \$1,200 for rental assistance and other needs.

**CBS4 AT 10 – 02/20/06** Sox Place, a Denver shelter for homeless teenagers, has been able to keep running, thanks to all the donations made in the last few days.

## **WOMEN - Awareness of women's issues**

**CBS4 MORNING** – 02/20/06 A proposed bill would allow women to bypass a doctor and receive the “morning-after” pill from a pharmacist. 02/25/06 An event called “Day of Dance” encourages women across the country to get up and dance their way to good health. 03/27/06 House Bill 1344 would provide committed same-sex couples with many of the legal protections and responsibilities now legally granted to straight couples.

**CBS4 AT NOON** – 02/24/06 Dr. Gary Grassmick reviews the top four concerns in women’s health; heart disease, cancer, osteoporosis and hormones.

**CBS4 AT 4** –02/01/06 The National Institutes of Health Researchers say it is harder to diagnose heart disease in women than men because women tend to have hard-to-spot build-up in smaller vessels, rather than bulky clogs in main arteries. 02/03/06 Women’s heart trouble symptoms are very different from men’s. 02/08/06 a study in the NEJM says women who take antidepressants in the last few months of pregnancy run the risk of having a baby with severe lung disease. 02/21/06 More women should be aware of the value of bone density screening and the guidelines to determine when testing is suggested. 02/24/06 Arapahoe County authorities are issuing a warning for women drivers to be especially alert while pumping gas. 03/03/06 People are waiting to see if the governor of South Dakota will sign a bill which would ban nearly all abortions in the state. 03/13/06 Doctors warn not to take aspirin therapy along with Plavix. 03/27/06 A study from the American Cancer Society shows 80% of women who lifted weights twice a week after therapy for breast cancer had better upper body strength, more self confidence and a better outlook on life in general. 03/30/06 Fifty percent more women in America are having caesarian sections than ten years ago.

**CBS4 YOUR HEALTH** - 01/25/06 Dr. Dave Hnida addressed the issue of estrogen and hormone replacement therapy. 02/15/06 Dr. Dave detailed all the precautions to prevent osteoporosis. 02/28/06 The Obstetrics and Gynecology Medical Journal says the best relief for menopause symptoms is a combination of S t. John’s Wort and Black Cohosh.

**CBS4 AT 5** – 02/03/06 Heart disease is the number one killer of women in America. The Wear Red for Women Campaign urges women to take charge of their health. 02/09/06 Cancer has been the number one cause of death in America since 1930. It is now number two, and the numbers are dropping for the first time ever. 02/10/06 The National Center on Addiction and Substance Abuse says women get addicted more quickly than men, and that they get addicted using smaller amounts of the substances. 02/17/06 A new study finds that women who use the patch have double the risk of developing a blood clot compared to women on the birth control pill. 02/23/06 Boulder Community Hospital is offering women free health information and low-cost screenings. 02/25/06 Sheryl Crow urged women to be pro-active in their early detection of breast cancer. 02/28/06 Fifty-three percent of Americans, mostly women, are low in two simple nutrients; iron and magnesium, resulting in low energy.

**CBS4 AT 6** – 01/30/06 Cancer-screenings that women should have are; pap smears, mammograms and colonoscopies. 02/03/06 a new study says that being overweight going into a pregnancy is as much of a risk factor for birth defects as things like smoking and drinking. 02/23/06 Doctors say that things like osteoporosis, heart disease and breast cancer are threats that women over age 29 need to start thinking about.

**CBS4 AT 10** – 01/07/06 Delivering cancer-fighting chemicals straight to the abdomen may help women with ovarian cancer to live longer. 03/07/06 Research reveals that twice as many non-smoking women contract lung cancer as non-smoking men. 03/08/06 An organization called The National Center for Men is filing a lawsuit that it calls Roe vs. Wade for Men. 03/17/06 Health experts say at least seven women have died in the US since the RU-486 Abortion Pill went on sale in 2000.

#### **HEALTHCARE - Lack of healthcare for children and low-income families**

**CBS4 AT NOON** – 03/14/06 President Bush is promoting Medicare's new prescription drug benefit plan. He says it is now working to save money for the elderly.

**CBS4 AT 4** – 03/28/06 The Colorado Children's Campaign is reminding lawmakers at the Capitol of the importance of accessible healthcare and education for all young people.

**CBS4 AT 6** – One-third of the money from Referendum C will go to healthcare.

**CBS4 AT 10** – 01/06/06 During the first week of the new Medicare Drug Benefits Plan, many low income seniors who used to be on Medicaid were randomly switched to the new Medicare system.

#### **SAFE HAVEN – Need to raise awareness of the Colorado Safe Haven Law**

**CBS4 MORNING** – 03/11/06 A woman in Fort Collins has taken advantage of Colorado's Safe Haven Law. She gave birth in a fire station, and left the baby with firefighters.

**CBS4 AT NOON** – 03/14/06 The baby left with Fort Collins firefighters under Colorado's Safe Haven Law, is out of the hospital, and a court hearing has been set to determine his future. Parental rights of both the mother and father must be terminated before the child can be adopted.

**CBS4 AT 6** – 02/11/06 a baby boy is in good condition after being delivered at a fire station in Fort Collins and then left by the mother.

**CBS4 AT 10** – Colorado's Safe Haven Law allows a mother to drop off a baby at a fire station, with medical workers, or at a hospital, within 72 hours after giving birth.
