Program: 4 P.M.

Date: 2/24/11

Description: A report that Lancaster ISD could lose about \$4 - \$6million in state funding.

Length: :18

Program: 4 P.M.

Date: 2/24/11

Description: A report that members of the Transport Workers Union of America announced plans today to create a worldwide labor council, in conjunction with the OneWorld Alliance and the International Transport Worker's Federation. Union leaders say they hope this will increase pressure on American Airlines for fair contract negotiations, which has been in negotiations with the unions for over 4 years.

Length: :34

Program: 4 P.M.

Date: 2/24/11

Description: A report that gas prices are on the rise. Experts are saying we could expect to pay \$4 by summer.

Length: 3:20

Program: 10 P.M.

Date: 2/24/11

Description: A report that the space shuttle Discovery launched for the final time today. Discovery is oldest of NASA's 3 surviving space shuttles. The shuttle program has 2 more flights planned.

Length: :22

ECONOMIC DEVELOPMENT

Program: 4 P.M.

Date: 2/28/11

Description: A report that more than 500 Dallas teachers have already taken advantage of the DISD retirement package of \$10,000 to teachers who voluntarily retire early.

Length: 1:25

Program: 4 P.M.

Date: 3/01/11

Description: A report that Cedar Hill has voted unanimously to close Beltline Intermediate School to prepare for impending budget cuts. The 340 Beltline students will be transferred to either Joe Wilson or West Intermediate. The board has also approved eliminating 104 positions.

Length: :21

Program: 4 P.M.

Date: 3/01/11

Description: A report that the big 3 automakers all saw sales increases over the last 2 months.

Length: 1:55

Program: 6 P.M.

Date: 3/01/11

Description: A report that Lone Star Park will host 3 more job fairs looking for full and part-time employees for the upcoming thoroughbred season.

Length: :17

Program: 10 P.M.

Date: 3/03/11

Description: A report that the Dallas Police department is considering a new policy that would require all officers to wear bulletproof vests. If they don't, the DPD could lose funding for those vests from the US Justice department.

Length: :17

Program: 5 A.M.

Date: 3/15/11

Description: A report that thousands of teachers are back in North Texas after they banded together to protest \$10 billion in proposed budget cuts, asking state lawmakers to dip into the \$9.4 billion rainy day fund.

Length: :23

Program: 4 P.M.

Date: 3/15/11

Description: A report that Lone Star Park is hiring for the spring thoroughbred season.

Length: :26

ECONOMIC DEVELOPMENT

Program: 4 P.M.

Date: 3/15/11

Description: A report that looks at the ramifications in technology stemming from the earthquake in Japan.

Length: 1:50

Program: 6 P.M.

Date: 3/21/11

Description: A report that AT&T has announced that it plans to acquire T-Mobile for \$39 billion.

Length: 1:28

Program: 4 P.M.

Date: 3/28/11

Description: A report that some merchants were violating their agreements with credit card processing companies by placing minimum limits on purchases. Merchants can now set a \$10 minimum limit as long as they don't discriminate against one card or another.

Length: :22

Program: 4 P.M.

Date: 2/17/11

Description: A report that Texas police chiefs and sheriffs spent the day in Austin speaking out against Arizona-type legislation that would require them to enforce federal immigration laws. Departments are already strapped for funding and struggling with local crime and community issues. Legislatures are proposing to cut funding for officer training because the state faces a budget shortfall of at least 15 billion dollars.

Length: :38

Program: 4 P.M.

Date: 2/17/11

Description: A report that Capitol Hill is discussing crib safety. An average of about 9,500 children a year are being rushed to the hospital with serious crib related injuries. Most were from falls out of the cribs.

Length: :40

Program: 6 P.M.

Date: 2/17/11

Description: A report that new information from the 2010 census shows that the booming Latino population is now 38% of the population. African Americans make up 11 and a half percent. Anglos are now less than half in Texas.

Length: 1:38

Program: 4 P.M.

Date: 2/24/11

Description: A report that the CDC reported last year there were over 21,000 the number of cases of whooping cough. Last year was one of the worst years on record. Most infants receive the whooping cough vaccine, which experts say is highly effective. Many teens and adults may not be immunized because a vaccine for that age group was licensed only 6 years ago.

Length: :23

Program: 4 P.M.

Date: 2/24/11

Description: A report that McKinney ISD says personnel costs made up more than 80% of district's budget last year. To compensate for the millions the district expects to lose in state funding, employees will have to be let go. The district will make a decision about layoffs on April 12th

Length: :21

Program: 4 P.M.

Date: 2/24/11

Description: A report that Lancaster ISD could lose about \$4 - \$6million in state funding.

Length: :18

GOVERNMENT

Program: 10 P.M.

Date: 2/24/11

Description: A report that the space shuttle Discovery launched for the final time today. Discovery is oldest of NASA's 3 surviving space shuttles. The shuttle program has 2 more flights planned.

Length: :22

Program: 10 P.M.

Date: 2/24/11

Description: A report that the government has quietly pulled airport trace detection machines since the technology never fully worked after a \$30,000 investment.

Length: 2:35

Program: 10 P.M.

Date: 2/28/11

Description: A report that the CDC is trying to track down Southwest Airlines passengers who may have been exposed to measles during a February 22nd flight.

Length: :20

Program: 10 P.M.

Date: 2/28/11

Description: A report that American Airlines was slapped with a \$90,000 penalty for not telling passengers they had to pay a \$30 fee to redeem vouchers they receive when bumped from an overbooked flight.

Length: :22

Program: 4 P.M.

Date: 3/01/11

Description: A report that Cedar Hill has voted unanimously to close Beltline Intermediate School to prepare for impending budget cuts. The 340 Beltline students will be transferred to either Joe Wilson or West Intermediate. The board has also approved eliminating 104 positions.

Length: :21

Program: 6 P.M.

Date: 3/01/11

Description: A report that the state Attorney General says a radar gun used by the North Richland Hills Police Department isn't allowed in Texas. The guns record images of your car, while recording your speed.

Length: :22

Program: 6 P.M.

Date: 3/01/11

Description: A report that Lewisville city officials are hosting a meeting right now to teach residents how to safely keep coyotes out of the area, and what to do if there is a sighting.

Length: :16

GOVERNMENT

Program: 10 P.M.

Date: 3/03/11

Description: A report that the Dallas Police department is considering a new policy that would require all officers to wear bulletproof vests. If they don't, the DPD could lose funding for those vests from the US Justice department.

Length: :17

Program: 5 A.M.

Date: 3/15/11

Description: A report that thousands of teachers are back in North Texas after they banded together to protest \$10 billion in proposed budget cuts, asking state lawmakers to dip into the \$9.4 billion rainy day fund.

Length: :23

Program: 4 P.M.

Date: 3/22/11

Description: A report that the Arlington City Council is considering plans to help flooded residents from tropical storm Hermine last September. Dozens of homeowners are cashing in on the city's offer to buy them out.

Length: 1:37

Program: 4 P.M.

Date: 3/28/11

Description: A report that Texas legislators have been working on making it easier for military personnel who are far from home to vote. A federal law requires states to provide ballots to military personnel at least 45 days before an election. Texas may consider changing March primary and runoff dates to give members the military enough time to vote.

Length: :20

Program: 4 P.M.

Date: 3/28/11

Description: A report that the Supreme Court is taking on the largest job discrimination case in American history. The Supreme Court will decide if over a million women claiming discrimination from Wal-Mart in pay and promotions.

Length: 1:50

Program: 5 P.M.

Date: 3/28/11

Description: A report that Raquel Medrano is accused of illegal voting for casting a ballot in an election involving a relative in a district where she does not live.

Length: 1:35

GOVERNMENT

Program: 4 P.M.

Date: 3/29/11

Description: A report that a government panel plans to meet this week to consider the possible link between hyper activity in children and food dyes.

Length: :23

Program: 4 P.M.

Date: 3/30/11

Description: A report that Plano announced 344 layoffs, with two-thirds of which are teachers. Parents say that they are concerned about class sizes.

Length: :30

Program: 4 P.M.

Date: 3/30/11

Description: A report that a new study shows swapping out canned food and plastic containers for organic fruit and vegetables can significantly lower levels of BPA in the body. The FDA has not said the chemical is unsafe.

Length: :29

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 1/03/11

Description: A report that Johnson & Johnson signed on with scientists in Boston to bring a blood test for cancer to the market.

Length: 2:03

Program: 4 P.M.

Date: 1/03/11

Description: A report that Yale University researchers found that overweight and obese adults who drank a milkshake had decreased activity in the reward region of the brain. The inverse was true in children.

Length: :23

Program: 4 P.M.

Date: 1/05/11

Description: A report that according to researchers at Harvard Medical School, women with both diabetes and depression double their risk of death, especially from heart disease.

Length: :18

Program: 4 P.M.

Date: 1/05/11

Description: A report that a new study finds people with a family history of alcoholism face a greater risk of obesity, especially in women.

Length: :21

Program: 4 P.M.

Date: 1/05/11

Description: A report that the 112th congress was sworn in today, and republicans are now in control of the House. They are now moving to un-do much of what passed over the past two years, including the new health care laws.

Length: :30

Program: 6 P.M.

Date: 1/10/11

Description: A report that the founder of the P-90X fitness program is in North Texas today to convince people it is a good way to go to lose weight.

Length: 1:47

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 1/11/11

Description: A report that the American Heart Association says all secondary school students should be trained in CPR, and know how to use automatic defibrillators. CPR can triple the chance of surviving cardiac arrest. Experts say educating students will add millions of trained rescuers to the population.

Length: :18

Program: 4 P.M.

Date: 1/12/11

Description: A report that an experimental blood test could help screen for Down Syndrome without invasive and risky procedures. Only high-risk women undergo such procedures because they carry a slight risk for miscarriage.

Length: :24

Program: 4 P.M.

Date: 1/12/11

Description: A report that new research finds giving antibiotics may be the best course of action when fighting children's ear infections.

Length: 1:43

Program: 4 P.M.

Date: 1/19/11

Description: A report that a new imaging test may be able to identify Alzheimer's patients and spot the disease in people who don't know they have it.

Length: :30

Program: 10 P.M.

Date: 1/20/11

Description: A report that Walmart is teaming up with First Lady Obama her campaign against obesity. Walmart will reformulate thousands of store-brand products to reduce sodium and sugar, as well as push its suppliers to do the same. This will help Americans put healthier foods on their tables.

Length: :26

Program: 4 P.M.

Date: 1/21/11

Description: A report that the FDA is investigating several cases where children suffered seizures after getting a fluzone flu shot, the only vaccine approved for children between 6 and 23 months old.

Length: :30

HEALTH AND MEDICAL

Program: 10 P.M.

Date: 1/21/11

Description: A report that, according to the CDC, the flu is now listed as “widespread” across Texas.

Length: 1:36

Program: 10 P.M.

Date: 2/08/11

Description: A report that a new USDA analysis of eggs shows they now have 14% less cholesterol and 64% more vitamin D than 10 years ago.

Length: :20

Program: 10 P.M.

Date: 2/11/11

Description: A report that a North Texas woman is one of the first to try a new radiation treatment that may pave the way for millions of women who suffer with breast cancer.

Length: 1:48

Program: 4 P.M.

Date: 2/14/11

Description: A report that new research shows that the high amounts of caffeine and other ingredients in energy drinks reveals serious side effects in teens such as heart disease, diabetes, seizure disorders, and ADHD.

Length: 1:57

Program: 4 P.M.

Date: 2/17/11

Description: A report that Capitol Hill is discussing crib safety. An average of about 9,500 children a year are being rushed to the hospital with serious crib related injuries. Most were from falls out of the cribs.

Length: :40

Program: 4 P.M.

Date: 2/24/11

Description: A report that researchers at UT Southwestern Medical Center found that when a portion of a mouse’s heart was removed during the first week after birth, it grew back perfectly without any assistance. Researchers say the challenge is to find a way to remind adult hearts how to fix themselves.

Length: :19

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 2/24/11

Description: A report that the CDC reported last year there were over 21,000 the number of cases of whooping cough. Last year was one of the worst years on record. Most infants receive the whooping cough vaccine, which experts say is highly effective. Many teens and adults may not be immunized because a vaccine for that age group was licensed only 6 years ago.

Length: :23

Program: 10 P.M.

Date: 2/28/11

Description: A report that the CDC is trying to track down Southwest Airlines passengers who may have been exposed to measles during a February 22nd flight.

Length: :20

Program: 4 P.M.

Date: 3/01/11

Description: A report that soda and similar sugar sweet drinks may increase the risk for high blood pressure.

Length: :23

Program: 6 P.M.

Date: 3/21/11

Description: A report that a North Texas man recently was the first person to receive a full-face transplant.

Length: 4:12

Program: 4 P.M.

Date: 3/28/11

Description: A report that a study published in the journal Pediatrics sound that teens that undergo bariatric surgery face an increased risk for bone loss. However, at two years post-surgery, most teens had bone mineral values that were normal.

Length: :25

Program: 4 P.M.

Date: 3/28/11

Description: A report that researchers at Northwestern University have revealed a link between religion and obesity in young adults. Those who attended at least one religious activity a week were 50% more likely to be obese during an 18-year study.

Length: :25

Program: 4 P.M.

Date: 3/28/11

Description: A report that a growing number of medical professionals are offering the HCG diet.

Length: 2:14

HEALTH AND MEDICAL

Program: 4 P.M.

Date: 3/30/11

Description: A report that a new study shows swapping out canned food and plastic containers for organic fruit and vegetables can significantly lower levels of BPA in the body.

Length: :29

Program: 4 P.M.

Date: 3/31/11

Description: A report that the electronic hands-free faucets in public restrooms are more likely to be contaminated with bacteria than old style fixtures.

Length: :25

HOUSING

Program: 6 P.M.

Date: 1/03/11

Description: A report that hotels are booked for the Super Bowl 34 days away.

Length: 1:44

Program: 4 P.M.

Date: 1/12/11

Description: A report that code compliance officers in Dallas were out looking for hidden ice from people who left their sprinklers on overnight. People who forgot to turn them off, allowing side streets to ice over can be given a ticket varying from \$250 to \$2,000 per violation.

Length: :21

Program: 4 P.M.

Date: 1/18/11

Description: A report that you should check around doors and windows for air leaks and plug them to save money on your heating bill.

Length: :30

Program: 4 P.M.

Date: 2/08/11

Description: A report that the latest housing numbers show sales in Dallas, Irving, and Plano decreased by .77% in December. Fort Worth and Arlington declined by 2.71%.

Length: :17

Program: 4 P.M.

Date: 2/10/11

Description: A report that plumbers have been busy repairing frozen pipes. Some victims believe weather is not the only reason pipes are bursting.

Length: 1:25

Program: 10 P.M.

Date: 2/28/11

Description: A report that beavers are showing up in urban areas and damaging trees in cities like Colleyville.

Length: 2:02

Program: 4 P.M.

Date: 3/22/11

Description: A report that the Arlington City Council is considering plans to help flooded residents from tropical storm Hermine last September. Dozens of homeowners are cashing in on the city's offer to buy them out.

Length: 1:37

HOUSING

Program: 4 P.M.

Date: 3/28/11

Description: A report that the National Association of Realtors says its sales agreements for previously occupied homes rose by 2.1% in February. Economists stress it'll be years before the housing market makes a full recovery.

Length: :19

POVERTY

Program: 6 P.M.

Date: 1/11/11

Description: A report that Fort Worth is cracking down on a group of homeless people living in a tent city near the downtown mixmaster. The city offered to help 50 or so people leave the private property, but many don't want to leave.

Length: 1:33

Program: 6 P.M.

Date: 1/21/11

Description: A report that Bill Cosby is the headline act for Catholic Charities of Dallas' 13th Annual Bishop's Gala Fundraiser.

Length: :36

Program: 4 P.M.

Date: 3/28/11

Description: A report that a 5th grade class is on a mission to help survivors in Japan with a very unique fundraiser involving paper cranes.

Length: 1:33

Program: 4 P.M.

Date: 3/30/11

Description: A report that volunteers packed up cartons of milk and other food donations for the Food 4 Kids program at the North Texas Food Bank. The donation from Dean Foods and Tetra Pak will supply milk for more than 3 months to hungry school-aged children.

Length: :15

RACE RELATIONS

Program: 10 P.M.

Date: 1/07/11

Description: A report that an appeals court has ruled the Texas Attorney General cannot block the divorce of two women who were married in Massachusetts. A judge granted the couple a divorce last year. But, the next day Greg Abbott intervened. He argued that a gay divorce could not be granted in a state where same-sex marriage is not legal.

Length: :19

Program: 4 P.M.

Date: 1/12/11

Description: A report that looks at tightening up “sanctuary cities” that don’t require local police to report illegal immigrants to federal authorities unless they’ve been apprehended for committing at least a Class B offense.

Length: :45

Program: 10 P.M.

Date: 1/24/11

Description: A report that Texas Democrats are trying to delay a bill requiring voters to show photo ID before casting ballots. Governor Perry said the bill would help prevent voter fraud.

Length: :21

Program: 10 P.M.

Date: 2/11/11

Description: A report that a lesbian couple exchanged wedding vows in Dallas today after being turned away by a different wedding chapel last year.

Length: :35

Program: 4 P.M.

Date: 2/17/11

Description: A report that the detailed demographic data from the census will be used to redraw boundaries for congress and the legislature. Texas is getting 4 new congressional seats, more than any other state. Hispanic leaders say more Latino-dominated seats should be drawn.

Length: :16

Program: 4 P.M.

Date: 2/17/11

Description: A report that Texas police chiefs and sheriffs spent the day in Austin speaking out against Arizona-type legislation that would require them to enforce federal immigration laws. Departments are already strapped for funding and struggling with local crime and community issues. Legislatures are proposing to cut funding for officer training because the state faces a budget shortfall of at least 15 billion dollars.

Length: :38

RACE RELATIONS

Program: 6 P.M.

Date: 2/17/11

Description: A report that new information from the 2010 census shows that the booming Latino population is now 38% of the population. African Americans make up 11 and a half percent. Anglos are now less than half in Texas.

Length: 1:38

Program: 6 P.M.

Date: 2/24/11

Description: A report that a North Texas pastor is behind a controversial anti-abortion billboard that sparked outrage among New York residents. Planned Parenthood said that the advertisement was "an offensive and condescending effort to stigmatize and shame African-American women while attempting to discredit the work of Planned Parenthood."

Length: 1:44

Program: 6 P.M.

Date: 3/15/11

Description: A report that according the census data, Dallas County grew far less than its neighbors. There were 242,000 more Hispanic residents, but nearly that many Anglo residents left.

Length: 1:51

Program: 6 P.M.

Date: 3/22/11

Description: A report that without claiming fault, the Fort Worth City Council signed a settlement with one of the men injured in the Rainbow Lounge raid.

Length: :37

Program: 4 P.M.

Date: 3/28/11

Description: A report that a 5th grade class is on a mission to help survivors in Japan with a very unique fundraiser involving paper cranes.

Length: 1:33

Program: 6 P.M.

Date: 3/29/11

Description: A report that the candidates for Dallas mayor are 3 white men and an African-American, but the 2010 shows 42% of the city's residents are now Hispanic.

Length: 1:53

RELIGION

Program: 6 P.M.

Date: 1/21/11

Description: A report that a North Texas church has a new ad campaign running on T-buses that say "He still reigns," in reference to God. This is in response to the atheist "Good without God" ads.

Length: :35

Program: 6 P.M.

Date: 1/21/11

Description: A report that Bill Cosby is the headline act for Catholic Charities of Dallas' 13th Annual Bishop's Gala Fundraiser.

Length: :36

Program: 6 P.M.

Date: 2/24/11

Description: A report that a North Texas pastor is behind a controversial anti-abortion billboard that sparked outrage among New York residents.
