Dear Mr. Bever:

We have completed our review of the response of the above-noted station, to the March 23, 2009 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.3526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11) for non-commercial stations, the station must place copies of this letter, our March 23, 2009 audit letter, and the audit response in the public inspection file. The station must maintain these materials in the file until grant, by final order, of its next renewal application of its license for the station.

Should you have any questions regarding this matter, please contact Wanda Hardy of the EEO Staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Roy J. Stewart".
