60 MINUTES

- 07/02/00 **"Suicide Or Murder?"**- in March 1998 the body of Gordon Hess, a firefighter and a Captain in the National Guard, was found near the barracks in Fort Knox, Kentucky where he was taking part in annual military training. The Army ruled his death, the result of 26 stab wounds, a suicide. Despite evidence pointing to homicide found by investigators hired by Hess's widow Doreen and other experts, the Army still maintains that the wounds were self-inflicted. (C: Steve Kroft - P: Richard Greenberg) (OAD: 11/28/99)
"Denzel"- a profile of Denzel Washington, one of America's top actors who now commands over \$10 million per movie. (C: Ed Bradley -P: Ruth Streeter) (OAD: 01/09/00)
"Haiti: Five Years And A Billion Dollars Later"- a report on Haiti five years after the U.S. sent troops and advisors there to restore the government of President Jean Bertrand Aristede, focusing on the country's U.S-funded justice reform program. Includes an interview with former Justice Department attorney Maurice Geiger, and a visit to the National Penitentiary where over 1000 pre-trial detainees, most without access to lawyers, are being held in deplorable conditions for lengthy periods. (C: Mike Wallace - P: Walt Bogdanich) (OAD: 11/14/99)
Andy Rooney Topic: "Visitors"- Andy looks at tourists (OAD: 06/07/98)
- 07/09/00 **"Harry Potter"**- an interview with British writer Joanne Rowling whose children's novels have been responsible for her transformation from a poor single mother to the world's most successful author. (C: Lesley Stahl - P: Rome Hartman, Lizzie Weinreb) (OAD: 09/12/99)
"Need Cash?"- critics say that Florida and a number of other states have, in effect, legalized loan sharking by passing legislation exempting the automobile title lenders from usury laws. As a result people in desperate need of money and without credit, find themselves paying exorbitant interest rates and often having their cars repossessed. (C: Steve Kroft - P: L. Franklin Devine) (OAD: 01/02/00)
"Adopt Me"- report on the controversy over "adoption fairs" where child welfare agencies introduce hard-to-place children to prospective parents. Critics say it's a cruel practice; proponents claim that it's a "special needs" child's best chance. (C: Morley Safer - P: Denise Schrier Cetta) (OAD: 01/09/00)
Andy Rooney Topic: "Inventions" - 10 best unimportant inventions (OAD: 02/06/00)

60 MINUTES (continued)

- 07/16/00 **"Hitler's Pope?"**- John Cornwell, author of Hitler's Pope, claims that in an apology issued by Pope John Paul II last week, the Pontiff omitted any mention of Pope Pius XII who, during the Holocaust, did nothing to intervene in the Nazi extermination of Jews and who, for this reason, should not be a candidate for sainthood. (C: Ed Bradley - P: Jeanne Solomon Langley) (OAD: 03/19/00)
- "Kevin Spacey"**- an interview with Kevin Spacey who has been nominated for this year's Academy Award for best actor. (C: Lesley Stahl - P: Jay Kernis) (OAD: 02/20/00)
- "The Voice Of The Farmer"**- the American Farm Bureau, a non-profit, tax exempt agency founded in the early 1900s, claims that its mission is to help small family farmers. These same family farmers, who have over the years been supporting the agency with their dues, charge that the Farm Bureau is instead supporting the very agribusiness giants that are running them out of business. (C: Mike Wallace - P: Walt Bogdanich) (OAD: 04/09/00)
- Andy Rooney Topic: "Annoying Phone Calls"**- Andy has an idea on how to handle sales calls (OAD: 12/13/98)
- 07/23/00 **"Autopsy"**- studies show that nearly 40 percent of the listed causes of deaths in U.S. hospitals are wrong. Experts including Dr. George Lundberg, the editor of the Journal of the American Medical Association say that in order to improve the quality of medical care, hospitals must start doing more autopsies which would identify these mistakes. (C: Mike Wallace - P: Walt Bogdanich) (OAD: 10/11/98)
- "The Scuffed Halls Of Ivy - Emory University"**- Professor Jeffrey Sonnenfeld of Emory University business school in Atlanta was accused of vandalizing the university, based on a security camera film which allegedly showed him putting scuff marks on the walls of a school corridor. Sonnenfeld, who not only lost his job at Emory but the offer of a position as dean at Georgia Tech business school, is suing Emory for slander and for destroying his reputation. (C: Morley Safer - P: Catherine Olian) (OAD: 10/10/99)
- "TB"**- scientists thought they had eradicated tuberculosis 50 years ago but now certain strains of the bacteria have grown resistant to drugs that were previously effective in treating the disease. In certain parts of the former Soviet Union TB has reached epidemic proportions and there is serious concern that it could spread to other parts of the world including the U.S. (C: Steve Kroft - P: Leslie Cockburn) (OAD: 10/03/99)
- Andy Rooney Topic: "Envelopes"** - things that are written on envelopes (OAD: 04/11/99)

60 MINUTES (continued)

07/30/00 **"Dikembe Mutombo"**- a profile of NBA superstar Dikembe Mutombo who is raising money to build a new hospital in his hometown, the Congolese city of Kinshasa, Central Africa. (C: Ed Bradley - P: Harry A. Radcliffe II) (OAD: 03/05/00)
"Lord Of The Manor"- an interview with Robert Gardiner, whose claim to Gardiner's Island, situated off the coast of the Hamptons in Long Island, N.Y., dates back 360 years to the reign of King Charles of England. The island, one of the most valuable pieces of undeveloped real estate in the country, is the object of a bitter feud between Gardiner and his niece Alexandra Gardiner Creel and her husband Robert Goelet, who stand to inherit the island on Gardiner's death. (C: Steve Kroft - P: L. Franklin Devine) (OAD: 11/07/99)
"The Columbine Effect"- a report on the controversy over the right of disabled children to attend public schools, focusing on Lance Landers, a 16-year-old Alabama boy whose violent behavior caused him to be expelled from the entire Alabama school system. His mother is suing to have him re-admitted to public school, claiming that he is a troubled child who needs help and an education. (C: Morley Safer -P: Catherine Olian) (OAD: 03/05/00)
Andy Rooney Topic: "Nuts"- what you find in a can labelled mixed nuts (OAD: 12/28/97)

60 MINUTES II

07/04/00 **"Sorry About That"**- twenty years after they held 52 Americans hostage for 444 days at the U.S. embassy in Iran, the people responsible admit it was a bad idea but have yet to apologize. Includes interviews with ex-hostages Captain Chuck Scott, Barry Rosen and Bruce Laingden, and some of the former students who took them prisoner. (C: Bob Simon - P: Draggan Mihailovich) (OAD: 11/02/99)
"The Ferry Is Coming"- a report on the controversy in Alabama concerning the return of ferry service between the largely black town of Gee's Bend and the city of Camden. Newspaper owner and former segregationist Hollis Curl claims that it will make the black community less isolated. Critics claim that his motives are purely political. (C: Vicki Mabrey - P: Joel Bernstein) (OAD: 02/08/00)
"A Different Kind of Family"- a profile of singer Melissa Etheridge, who with her companion, filmmaker Julie Cypher, is raising two children fathered through artificial insemination by rock legend David Crosby. (C: Charlie Rose - P: John Hamlin) (OAD: 11/18/99)
"Uncommon Sense"- bottled water (C: Jimmy Tingle) (OAD: 02/29/00)

07/11/00 PREEMPTION

07/18/00 PREEMPTION

07/26/00 **"Killing Time"**- an interview with Shawn Berry, the third defendant in the dragging death of a black man in Jasper, Texas. Bill King and Russell Brewer, the other two defendants, were tried and sentenced to death. Berry, who faces a similar sentence, claims that he was an unwilling participant in the crime and that fear kept him from trying to stop the murder or going to the police after it occurred. (C: Dan Rather - P: Mary Mapes) (OAD: 09/28/99)
"Miracle Man"- an interview with Lance Armstrong, a Texas-born cyclist who overcame testicular cancer to win the Tour de France. (C: Bob Simon - P: Draggan Mihailovich) (OAD: 05/23/00)
"Santana"- an interview with Carlos Santana whose album, "Supernatural," is up for 11 Grammys. (C: Charlie Rose - P: John Hamlin) (OAD: 02/22/00)

48 HOURS

- 07/03/00 **(48 HOURS MYSTERIES) "A Family's Shame"**- The broadcast presents accounts of people who suffer the reality that a close relative has committed murder and endure the struggle between family ties and civic responsibility. Includes reports on: Molly McIntyre, a police officer whose son Patrick strangled a woman and then set fire to her apartment to destroy evidence; Ken and Lois Robison, two Texas schoolteachers whose son Larry murdered five people and now is scheduled for execution; and David Kaczynski, who turned in his brother Ted, the Unabomber, who was responsible for a series of bombings that killed three people and injured 23 more. David, a social worker, and his wife Linda, a college professor, are struggling to somehow right his brother's wrongs. (C: Susan Spencer, Bill Lagattuta, Troy Roberts -Sr. P: Katie Boyle - P: Lisa Freed, Gail Zimmerman) (OAD: 01/13/00 as "Killer In The Family)
- 07/05/00 **"Fame"** - looks at the lengths people will go to achieve celebrity including reports on: Darva Conger, an emergency room nurse whose wedding was televised on "Who Wants to Marry A Millionaire?"; 12-year-old singer Sammie Bush who has signed a six-year contract with Capitol Records; Jenna Lewis, a single mother and aspiring actress and Dr. Sean Kennif, a neurologist, both of whom appeared on the CBS-TV series SURVIVOR; and a group of friends from Philadelphia, calling themselves "Whassup?," who achieved notoriety by appearing in a Budweiser commercial. (C: Peter Van Sant, Troy Roberts, Steve Hartman, Richard Schlesinger - Sr. P: Peter Schweitzer - P: Paul LaRosa, Jay Young, Tom Forman, Josh Gelman, Marc Goldbaum, Taigi Smi)
- 07/06/00 **"A House Divided"**- focuses on polygamy which, although illegal in the U.S., is being practiced by thousands of Americans and is on the increase. Included are reports on: Laura Chapman who escaped from a life of polygamy and is helping to free others; two teenage girls from the Salt Lake City area who ran away secretly to avoid marriages to older men who already have other wives; polygamy expert Janet Bennion of Utah Valley State College; and visits to two polygamous Utah families who face the disapproval of local officials and neighbors. (C: Erin Moriarty, Susan Spencer, Troy Roberts - Sr. P: Al Briganti - P: Doug Longhini, Deirdre Cohen, Josh Yager, Peter Henderson) (OAD: 11/18/99)
- 07/10/00 **(48 HOURS MYSTERIES) "Impossible Mission"**- despite his claim of innocence, Crosley Green has been on Florida's death row for over nine years awaiting execution for robbing, kidnapping and killing a twenty-two year old white man in a Florida orange grove. Prompted by the faith of Nan Webb, an anti-death penalty activist, Chicago private investigator Paul Ciolino brought together a team of five prominent private investigators to try to track down the real killer. The team, working free of charge, discovered evidence that a number of key witnesses in the case lied and there was no evidence to link Crosley to the scene of the crime. Florida's Department of Law Enforcement has ordered new DNA testing, including a re-examination of crime scene fingerprints, so far unidentified, but it is yet to be determined whether Crosley will be granted a new trial. (C: Erin Moriarty - Sr. P: Al Briganti - P: Doug Longhini, Marc Goldbaum, Joe Halderman) (OAD: 11/01/99 as "Reasonable Doubt" - includes an update - update P: Linda Martin, Lisa Freed)

48 HOURS (continued)

- 07/13/00 **"Weighing The Risks"**- surveys the latest weight loss techniques for dieters who are obese or consider themselves to be obese, including reports on: the Fobi pouch operation, a controversial surgical procedure that drastically reduces the size of the stomach; Ray Audette who has written a book called NeanderThin about a new approach to high-protein diets; Xenical, a drug that doesn't curb a dieter's appetite but blocks the digestion of 30% percent of fat eaten; and a program at Louisiana State University Hospital for obese children and their families. (C: Bill Lagattuta, Peter Van Sant, Susan Spencer, Troy Roberts - Sr. P: Peter Schweitzer - P: Paul F. Ryan, Dianne M. Ronnau, Mary Noonan Robichaux) (OAD: 01/20/00)
- 07/20/00 **"Family Feuds"**- profiles a diverse group of family members from across the U.S. who have been involved in feuds with their relations. Includes reports on: the Tinney family whose Newport home, Belcourt Castle, is the focus of a dispute involving Kevin Koellisch, a 37-year-old plumber who was adopted by 80-year-old matriarch Ruth Tinney; a barbecue restaurant in Lockhart, Texas owned by Rick Schmidt whose landlord and sister, Nina, raised his rent 126 percent; comedian and Family Feud host Louie Anderson, the most successful of eleven siblings, who has produced a documentary about his family called "Complicated Laughter"; and the Kirk brothers, loggers in Unity, Maine who were involved in a bitter dispute over a piece of equipment called a skidder. (C: Susan Spencer, Harold Dow, Bernard Goldberg, Peter Van Sant - Sr. P: Reid Collins, Jr. - P: Tom Forman, Dianne M. Ronnau, Mary Noonan Robichaux) (OAD: 01/06/00)
- 07/27/00 **"Tornado"**- about 1000 dangerous tornadoes hit the United States each year, affecting more lives than hurricanes and inflicting just as much damage -- with even higher speeds. 48 HOURS reports on the devastation these storms leave behind and the powerful fascination tornadoes hold for scientists and thrill seekers, including reports on: two families caught in the path of the worst tornado outbreak in Oklahoma history which struck on May 3, 1999.; storm chasers, adventurers from as far away as Europe who are spending vacations chasing tornadoes; and Ken Bird, a photographer whose mission was to collect and restore photographs blown away by the Oklahoma tornado. (C: Peter Van Sant, Richard Schlesinger, Harold Dow - Sr. P: Reid Collins Jr. - P: Sophia Kim, Diane Ronnau, Miguel Sancho, Steve McCain, Stuart Miller)

60 MINUTES

- 08/06/00 **"Echelon"**- Echelon, a secret global surveillance network run by the U.S. National Security Agency and four English-speaking allies -- Canada, Great Britain, Australia and New Zealand -- was set up to eavesdrop on enemies of the state -- foreign countries, terrorist groups and drug cartels. Questions have arisen over the extent and use of the information gathered by Echelon and whether technology for a system for scrambling transmissions called encryption will fall into the wrong hands. (C: Steve Kraft - P: Peter Klein) (OAD: 02/27/00)
"Frank McCourt"- interview with Frank McCourt, Pulitzer Prize-winning author of *Angela's Ashes*, a memoir about his childhood in Limerick, Ireland. (C: Ed Bradley - P: Ruth Streeter) (OAD: 09/19/99)
"KIPP"- five years ago David Levin and Michael Feinberg, two young Houston, Texas teachers, founded KIPP (the Knowledge Is Power Program). The public school program for grades five through eight aims to prove that with hard work and the right kind of discipline, children from poor minority neighborhoods can perform as well as middle-school students in more affluent areas. (C: Mike Wallace - P: Paul Gallagher)(OAD: 09/19/99)
Andy Rooney Topic: "Car Names" - car names that have no meaning (OAD: 04/23/00)
- 08/13/00 **"Spy?"**- Dr. Wen Ho Lee, a Taiwanese-born American nuclear scientist was fired from his top-secret job at Los Alamos National Laboratory for allegedly giving U.S. closely-guarded nuclear secrets to China. He claims that he is innocent and has done nothing wrong. Also includes an interview with Secretary of Energy Bill Richardson who was personally responsible for firing Dr. Lee. (C: Mike Wallace - P: Solly Granatstein) (OAD: 08/01/99)
"Come Dancing"- competitive ballroom dancing has been an institution on British television for decades. Now there is a movement afoot to make it an Olympic event. (C: Morley Safer - P: John Tiffin) (OAD: 01/23/00)
"Not As Private As You Think"- surveillance of Internet users is being conducted by so-called advertising networks who gather data by using a tracking device called a "cookie." Problems have arisen because millions of consumers are giving personal information on the Internet without knowing who is getting it or how it will be used. (C: Lesley Stahl - P: Rome Hartman) (OAD: 11/28/99)
Andy Rooney Topic: "Christmas Presents" - Andy buys a motor scooter for himself (OAD: 12/26/99)
- 08/20/00 **"The Bicycle Thief"**- California's three strikes law puts third-time offenders, even non-violent ones, in jail for 25-years-to-life. Critics say the law is unjust and cost-ineffective because it has filled state prisons with petty criminals. Proponents claim that it is the only effective way to remove repeat offenders from society. (C: Steve Kroft - P: Graham Messick) (OAD: 05/07/00)
"Gross National Happiness"- the simple pursuit of happiness through the Buddhist religion is the way of life in the tiny kingdom of Bhutan. To date the country has resisted the incursion of tourism and some Bhutans view television, which has only recently come to the country, as a serious threat to its otherworldly way of living. (C: Morley Safer - P: Steven Reiner) (OAD: 02/06/00)
"Whose Country Is It?"- in Israel the war between Jews and Arabs has abated while the controversy between religious Jews and secular Jews has escalated. Orthodox groups claim their goal is to maintain Israel's Jewish identity. Critics fear a fundamentalist takeover of the country. (C: Bob Simon - Michael Gavshon) (OAD: 02/20/00)
Andy Rooney Topic: "Joseph Lieberman"- the choice of a Jewish Democratic Vice Presidential candidate

60 MINUTES (continued)

08/27/00 **"Coming Apart At The Seams"**- following the collapse of the Soviet Empire the once powerful Russian Army is faced with serious problems. The Army is billions of dollars in debt, much of its equipment is obsolete, and morale among officers and enlisted men is plummeting (C: Christiane Amanpour - P: Barry Lando) (OAD: 02/16/97 as "The Russian Army")

"A Pig Heart?"- a report on the controversy regarding xenotransplantation, the transplanting of organs from one species to another. The shortage of available organs has prompted scientists to explore the use of animal organs, particularly those of pigs. Skeptics claim that this practice could result in an epidemic of pig virus which can cause brain and liver disease as well as cancer in humans. (C: Lesley Stahl - P: Richard Bonin)(OAD: 06/21/98)

"Eric Clapton"- an interview with rock legend Eric Clapton who, having conquered his own addiction, has built Crossroads, a drug and alcohol treatment center on the Caribbean island of Antigua. (C: Ed Bradley - P: Amy Cunningham Atkinson) (OAD: 04/02/00)

Andy Rooney Topic: "Couches" - Andy looks at the offices of the 60 MINUTES Correspondents and executive producer (OAD: 05/21/00)

60 MINUTES II

08/01/00 **Campaign 2000: The Republican National Convention**- report and analysis of events at the Republican Convention and the protests taking place on the streets. (C: Dan Rather, Bob Schieffer, Ed Bradley)

"State Of Neglect"- Fran Peterson, a Georgia woman, was charged with reckless conduct in the death of her five-year-old foster child, Terrell. Georgia's Department of Family Services not only ignored evidence that the child was being abused, but tried to cover up departmental mismanagement of the case. Don Keenan, an Atlanta lawyer, is suing the state in Terrell's name. (C: Scott Pelley - P: Janet Klein) (OAD: 01/04/00)

".Com Kids"- a look at the under-35 businessmen whose internet companies have made them multi-millionaires. Includes an interview with Jason Calacanis, a magazine editor who is the chronicler of these companies. (C: Bob Simon - Tom Anderson, Neeraj Khemlani) (OAD: 02/15/00)

Campaign 2000: The Republican National Convention- live coverage (JIP) of Sen. John McCain's speech; followed by commentary and analysis. (C: Dan Rather, Bob Schieffer)

08/08/00 **"Ecstasy"**- a report on the skyrocketing use of the designer drug Ecstasy especially among teens and people in their 20s. The drug which was outlawed 15 years ago carries serious risks -- including brain damage and even death -- that users find it easy to overlook because of the intense high it provides. (C: Vicki Mabrey - P: Miriam Weintraub, Wendy Krantz) (OAD: 04/25/00)

"Bombing Vieques"- for over 50 years, the U.S. Navy has used Vieques, an island off the coast of Puerto Rico, as its only live fire-training ground. After a civilian was killed in a bombing accident last spring, training was suspended. Without Vieques, the Navy says it can't adequately train servicemen to go into combat. The people of Puerto Rico claim that the war games cannot resume because they have seriously harmed the island's environment and their health. (C: Scott Pelley - P: Bill Owens) (OAD: 10/19/99 - includes an update)

"Shirley"- a followup to "Shirley" (OAD: 60 MINUTES 04/08/84) a profile of the actress Shirley MacLaine. In the followup Ms. MacLaine talks about her career and her beliefs in pre-existence and extraterrestrial life. (C: Mike Wallace - P: Deborah DeLuca Sheh, Grace Diekhaus) (OAD: 05/16/00)

"Uncommon Sense"- the pleasures of flying first class (C: Jimmy Tingle) (OAD: 11/23/99)

60 MINUTES II (continued)

08/15/00 **The Democratic National Convention**- live coverage of the Democratic National Convention in Los Angeles, including a speech by Caroline Kennedy Schlossberg, daughter of the late President, followed by an address by her uncle Sen. Edward Kennedy (D., Ma.) (C: Dan Rather)

"Mind Of The Assassin"- a report on the U.S. Secret Service and its research project aimed at stopping presidential assassins. The report also focuses on the organization's efforts to stop attacks, as exemplified by the Columbine massacre, on schools. (edited version of "Mind Of The Assassin" Pts. I & II OAD: 03/14/00) (C: Scott Pelley - P: Bill Owens)(OAD: 05/16/00)

The Democratic National Convention- continuation of coverage of the Democratic National Convention; commentary and analysis by CBS Correspondents. (C: Dan Rather, Ed Bradley, Bob Schieffer, Gloria Borger)

08/22/00 **"Wake Up Call"**- last month Buford Furrow was arrested for opening fire in a Los Angeles children's day camp and later killing a postman in what he described as a wake-up call to kill Jews and non-whites. It has since been discovered that authorities in Washington, Furrow's home state, knew that he was contemplating mass murder before the L.A. shootings but failed to keep him in custody. (C: Scott Pelley - P: David Schneider) (OAD: 09/21/99)

"Delinquents"- game rangers in South Africa's wildlife parks have discovered that the white rhino, a breed they had protected for years, were being attacked and killed by orphaned young male elephants. To combat the problem park rangers brought in older bull elephants to act as role models and keep the younger males under control. (C: Bob Simon - P: Randall Joyce) (OAD: 01/20/99)

"Teen Idol"- report on Lou Pearlman, 45-year-old native New Yorker who has been responsible for creating teen sensations including N'Sync and the Backstreet Boys. (C: Vicki Mabrey - P: Robert Klein) (OAD: 09/28/99)

08/29/00 **"Tobacco Slaves"**- bonded servitude, often involving children, still exists in parts of India where people are sold into slavery to satisfy debts sometimes incurred by their parents. Includes an interview with Gary Haugen, an American lawyer whose mission is to rescue children from illegal bondage and a visit to Krishnagiri, a remote village where young children work long hours to produce flavored cigarettes called Beedis for export to the U.S. (C: Scott Pelley - P: Bill Owens) (OAD: 11/23/99)

"Saving Stephen Heywood"- a report on Jamie Heywood and the ALS (Amyotrophic Lateral Sclerosis) Therapy Development Foundation which he founded when his younger brother was diagnosed with ALS (also known as Lou Gehrig's Disease). The group, devoted to moving promising ALS research from the lab into human clinical trials, has launched an experimental project which combines ALS research with gene therapy. (C: Charlie Rose - P: Rob Wallace) (OAD: 04/18/00)

"Going To Extremes"- BASE (buildings, aerials, spans and earth) jumping, involves leaping off buildings or mountains with a parachute. The sport has thousands of fans despite the incidence of fatal accidents and the fact that it is illegal in many places. (C: Vicki Mabrey - P: Christine Weicher) (OAD: 03/27/00)

60 MINUTES

09/03/00 "**Jiang Zemin**" (Pts. I & II) - a two-part interview with Chinese President Jiang Zemin on the eve of his visit to the U.S. Topics include Chinese-U.S. relations; his objection to being called a dictator; his country's record on human rights including the 1989 student protests at Tianaman Square; the U.S. bombing of the Chinese Embassy in Belgrade; the controversy over the Taiwanese-born scientist Wen Ho Lee; and the hoped for normalization of U.S.-Chinese trade. (C: Mike Wallace - P: Robert Anderson)
"**Daniel Barenboim**"- an interview with pianist/conductor Daniel Barenboim. (C: Bob Simon - P: Michael Gavshon) (OAD: 12/13/98)
Andy Rooney Topic: "Pay Me, I'm Advertising" - products bearing names of companies (OAD: 10/04/98)

09/10/00 "**Testing, Testing, Testing**"- Governor George W. Bush boasts of high achievement in Texas in the area of education, citing public school students' high scores on statewide tests. Critics charge that teachers are focusing too much on test-taking strategy and are failing to provide children with a real education. (C: Lesley Stahl - P: Rome Hartman)
"**The Eyes**"- millions of Americans with no sign of eye problems will eventually go blind because of genetic eye diseases most don't know they are carrying. Includes interviews with three men suffering from RP (retinitis pigmentosa) and Dr. Gene DeJuan, a scientist working on a computer chip that might one day restore vision to people with RP. (C: Morley Safer - p: Miriam Weintraub) (OAD: 10/31/99)
"**Hit List?**"- a group of doctors providing abortion services in Portland, Oregon has successfully sued a group of anti-abortion activists for endangering the doctors' lives by publicizing their names and addresses. The anti-abortionists have filed an appeal saying they were simply exercising their right to free speech. (C: Ed Bradley - P: Amy Cunningham Atkinson) (OAD: 02/20/00)
Andy Rooney Topic: "Farmer Andy" - gardening

09/17/00 "**Dr. Wen Ho Lee**"- followup to "Spy?" (OAD: 08/01/99), a report on Dr. Wen Ho Lee, a Taiwanese-born American nuclear scientist who was imprisoned for giving U.S. nuclear secrets to China. Stephen Schwartz, executive editor of The Bulletin of Atomic Scientists, says that Dr. Lee, who was freed last Wednesday, is innocent, while Secretary of Energy Bill Richardson not only stands by his original allegations but claims that more damaging information will be coming out. (Mike Wallace - P: Robert Anderson)
"**Liz Smith**"- an interview with the gossip columnist Liz Smith. (C: Mike Wallace - P: Jay Kernis)
"**The Bishop Estate**"- the Bishop Estate was established in 1884 to fund the educations of native Hawaiian children. Recently, evidence emerged that the multi-billion trust was being abused by its trustees and last year, following an IRS threat to end the Bishop's Estate's tax exempt status, the current trustees were replaced by an interim board. (C: Steve Kroft - P: L. Franklin Devine) (OAD: 04/30/00)
Andy Rooney Topic: "A and B Type Personalities" - people who do or do not pick up after themselves

60 MINUTES (continued)

09/24/00 **"Vice Versa"**- a report on a controversy raging at the previously all black Alabama State University over a court order that the university offer a certain number of scholarships restricted to white students. Critics call the ruling racist, while proponents claim that it was aimed at dismantling Alabama's separate but unequal educational system. (C: Morley Safer - P: Alden Bourne) (OAD: 09/26/99)

"Baku"- Baku, an oil town in the former Soviet republic of Azerbaijan, collapsed along with the Soviet Union a decade ago. It is now drawing oilmen from around the world who have invested billions hoping to make this little-known city the world's gas tank for the 21st century. Includes an interview Heydar Aliyev, the country's president (C: Bob Simon - P: Michael Gavshon) (OAD: 10/25/98)

"Who is Arnon Milchan?"- an interview with Arnon Milchan, an Israeli entrepreneur and recluse who is becoming one of Hollywood's biggest independent film producers. (C: Steve Kroft - P: Leslie Cockburn) (OAD: 03/05/00)

Andy Rooney Topic: "What's Your Number?" - Andy doesn't like having to remember so many numbers...credit cards, phone numbers, etc. (OAD: 11/23/97)

60 MINUTES II

09/05/00 **"America's Secret War"**- an interview with former U.S. Marine Major Gil Macklin who trained Copes Commandos, the highly specialized group who, since 1992, have been at the front line of the ongoing campaign to end the Colombian drug cartel. The U.S. is on the verge of spending another \$1 billion to fight an army of old-line Marxist guerrillas who have gone into the drug trade. (C: Dan Rather - P: George Crile, Neerraj Khemlani, Paul Bellinger) (OAD: 09/21/99)

"Vanished"- twenty-one years ago Etan Patz, a six-year-old boy, vanished off a street in New York City and has never been found. Stan Patz, the boy's father, is convinced that the child's abductor is Jose Antonio Ramos, a known pedophile who is currently imprisoned on another charge and could soon be released. (C: Vicki Mabrey - P: Lisa Cohen) (OAD: 05/23/00)

"The Champion"- an interview with 28-year-old tennis star Pete Sampras. (C: Charlie Rose - P: Phil Shimkin) (OAD: 01/25/00)

Update: "Fen-Phen Files" OAD: 02/10/99

09/12/00 **"Hate On Trial"**- a brutal attack by five white men in May 1998 left Carlos Colbert, a black Marine, a quadriplegic. The men called out racial epithets as they beat Colbert and left him for dead. Despite the fact that there were 75 witnesses to the attack, only one of the defendants pled guilty to committing a hate crime. The four other attackers pled guilty to assault and were released from prison after seven months. (includes update) (C: Scott Pelley - P: Nancy Duffy) (OAD: 10/12/99)

"Bush's Guru"- an interview with Marvin Olasky a professor of journalism at the University of Texas and and long-time adviser to Gov. George W. Bush. (C: Bob Simon - P: Michael Rosenbaum)

48 HOURS

09/07/00 **"Against All Odds"**- focuses on people who must overcome tremendous challenges, including potentially fatal conditions, to attain their goals. Includes reports on: five-year-old Katie Mahar, suffering from Xeroderma Pigmentosum (XP), a rare skin disease that makes even the smallest exposure to the sun life threatening; David Bailey, a 32-year-old computer software marketer, diagnosed with a malignant brain tumor, and surviving due to unconventional drug therapy and the aggressive approach of Dr. Henry Friedman, a specialist at Duke University Medical Center in North Carolina; Blayke LaRue, a baby suffering from X-linked Lymphoproliferative Disorder, which attacks the immune system, who underwent an experimental procedure involving an umbilical blood transplant (rebroadcast of "Life Line" OAD: 05/16/96); and 12-year-old violinist Pierre Constant, a scholarship student at New York's prestigious Juilliard School of Music. (C: Susan Spencer, Erin Moriarty, Harold Dow, - P: Meryl Schieffer, Laura Levin, Jay Young, Tamara Weitzman, Jay Pedinoff) (OAD: 03/17/98)

09/14/00 PREEMPTION

09/18/00 **(48 HOURS MYSTERIES) "Justice For Sheila?"**- offers fresh insight into the brutal murder of Sheila Bellush of Tampa, Florida – a mother of quadruplets killed in front of her own children. With new information at hand, the question of who may have been the mastermind behind the crime is explored, and two years after the murder, Allen Blackthorne, Sheila's ex-husband, was arrested and will be tried for murder. (C: Peter Van Sant - Sr. P: Al Briganti - P: Jennifer Buksbaum, Lisa Freed, Marc Goldbaum) (OAD: 01/31/00)

09/20/00 **"Matchmaker"**- focuses on Americans who are using the Internet in search of romance, including reports on: Christine Ledoux and Della Ivy-Lavan, two women who used online dating services; Dan McGovern and Ed Lee, who went on a matchmaking tour of Russia organized by a company called European Connections; Maple Hughes, a Texas oil man who went to Odessa, Ukraine to find a wife and was murdered, his daughter believes, by the woman he married there. (C: Harold Dow, Troy Roberts, Susan Spencer - Sr. P: Katie Boyle - P: Paul LaRosa, Tanya Simon, Josh Yager) (OAD: 02/14/00)

48 HOURS (continued)

09/21/00 **"Service, Please!"**- as part of an investigation of growing consumer dissatisfaction in America, 48 HOURS goes behind the scenes of some traditional service providers -- moving companies, restaurants, discount stores promoting their own service plans, and telephone directory assistance -- and looks into complaints involving Priceline.com, an Internet discounter. Included is an interview with actor William Shatner who is featured in Priceline's commercials. (C: Erin Moriarty, Susan Spencer, Bill Lagattuta - Sr. P: Al Briganti - P: Ira Sutow, Miguel Sancho, Mary Noonan, Laura Levin, Chris Weicker)

09/27/00 **48 HOURS MYSTERIES: "Cold Cases: Never Forget"**- reports on the cracking of previously unsolved murder cases due to advancements in technology and the tenacity of detectives in cold case units across the U.S. Includes reports on: the arrest, trial and conviction of Joe Ture for the murders in Minnesota of Alice Huling and three of her children in 1978 and the slaying of 18-year-old Marlys Wohlenhaus in 1979; the discovery of the body of El Salvadoran immigrant Raina Marroquin, 30 years after her disappearance, and the investigation which led to the woman's killer, her former employer Howard Elkins who subsequently took his own life. (C: Erin Moriarty, Susan Spencer - Sr. P: Peter Schweitzer - P: Loen Kelley, Josh Yager) (OAD: 03/09/00)

09/28/00 **"Invisible Killers"**- investigates the hidden dangers we encounter in the form of mold, bacteria and viruses, including reports on: families whose homes became contaminated with Stachybotrys, a toxic mold carrying invisible poison which can cause illness and sometimes permanent brain damage; Strep B, a preventable virus which can be passed from mother to baby at birth, threatening the baby's life; Cody Unser, daughter of race car driver Al Unser Jr., who was left paralyzed by TM (transverse myelitis), a rare syndrome that ravages the spinal cord nerve cells; and e-coli bacteria, which is found in homes and elsewhere and could cause serious illness and even death. (C: Erin Moriarty, Bill Lagattuta, Troy Roberts, Peter Van Sant - Sr. P: Reid Collins Jr. - P: Anthony Batson) (OAD: 03/02/00)
