48 HOURS (continued)

- 01/14/04 **48 HOURS INVESTIGATES: "Prime Suspect"**- Cassie Herring of Wichita Falls, Texas met and fell in love with Billy Fox. In a matter of months the couple, both devoted single parents with two children from previous marriages, decided to bring their children together and live as a family. In May 2001, Fox was preparing dinner when his twelve-year-old son James who was carrying Cameron, Herring's seven-month-old son, tripped and fell onto the kitchen floor. The infant hit his head on the cement surface. The baby was rushed to the emergency room where he was treated and released. Two days later, after experiencing seizures, Cameron was flown by helicopter to a Fort Worth, Texas hospital where he died. Billy Fox was arrested and charged with the infant's death. Faced with the possibility of life in prison, Fox entered a plea of "no contest" which, while not admitting guilt, allowed him to concede that a jury could find him guilty.
