48 HOURS

- 12/02/06 **48 HOURS MYSTERY: "Deadly Proposal"** - in February 1999, Stephanie Pepper, a Louisiana Tech University Professor, married David Sims, an accountant, ten years her senior. Two years into their marriage, David and Stephanie were growing apart. In November 2002, Stephanie and her friend, Ginger Steward, visited a local bar where Stephanie met Wayne Guidry, Jr. who claimed to be a professional golfer spending some time in the area hunting during the off season. Less than a week after Stephanie met Guidry, she told David she wanted to separate, and five weeks after the affair began, Stephanie disappeared. With the help of Erik Dufrene, a childhood friend of Wayne Guidry and Guidry's father, Stephanie's body was found in the Jackson Bienville Management Preserve. Guidry was arrested, tried and found guilty of the murder and sentenced to life in prison without parole. He is appealing his conviction. (C: Peter Van Sant - Sr. P: Anthony Batson - P: Peter Henderson, Mead Stone)
(OAD: 04/29/06)
- 12/09/06 **48 HOURS MYSTERY: "Murder on Lockhart Road"** - a report on the ongoing investigation involving David Camm, a former Indiana state trooper, who was found guilty in 2002 of the September 2000 triple homicide of his wife and children. (Includes portions of "The Alibi", OAD: 10-11-02) Camm's conviction was reversed in 2004. In the meanwhile, after previously unresearched DNA evidence and a palm print found at the crime scene were run through a databank of convicted felons, a new suspect was found: Charles Darnell Boney. Boney had been released from prison just months before the murders. In 2005, Boney was arrested, resulting in charges against Camm being dismissed. But Camm was arrested minutes later for the murders, due to the belief by the prosecution that he and Boney acted together. They were tried separately and in January 2006, Boney was convicted for the homicides and sentenced to 225 years in prison. In March 2006, Camm was found guilty of murdering his wife and children and was sentenced to life in prison without parole. Boney and Camm are serving their sentences in separate prisons, two hundred miles apart. (C: Richard Schlesinger - P: Marcelena Spencer, Shoshanah Wolfson)
- 12/16/06 **48 HOURS SPECIAL: "The Mystery of Christmas"** - Correspondent Maureen Maher journeys to the Holy Land to investigate the story of the birth of Jesus. 48 HOURS searches for archeological proof of the Biblical accounts, decodes the messages hidden in the scriptures and examines starkly different versions of Christmas. Maher explores the lands of the Bible with Professor Ben Witherington, a conservative scholar and evangelical minister, in a return to the 'historical bedrock' where history and faith intersect. Witherington takes 48 HOURS to the cave in Bethlehem where he says Jesus was born; the excavations of ancient Nazareth; Carpernaum, where Jesus' ministry was based; and the stone city of Petra, where he claims the Wise Men passed through. The broadcast examines numerous questions. Was Jesus born in Bethlehem of Nazareth? Were there shepherds at Christ's birth, or magi, or both? Was there a guiding star the night of the birth? Is December 25th the true birth date of Christ? How accurate are the different infancy narratives in the Gospels of Matthew and Luke? How much creative license did the Gospel authors take? Witherington makes the case for the Virgin Birth. The veracity of the belief is questioned by Professor John Dominic Crossan, a former Roman Catholic monk, and Princeton University Professor Elaine Pagels. (C: Maureen Maher - Sr. P: Peter Schweitzer - P: Miguel Sancho) (OAD: 12/20/05)

48 HOURS (continued)

12/23/06 **48 HOURS MYSTERY: "Duty, Death, Dishonor"** - 25-year-old U.S. Army Specialist Richard Davis took part in the March 2003 invasion of Iraq. He returned to the U.S. on July 13, 2003. After celebrating his homecoming with four Army buddies in Columbus, Georgia, he disappeared and was listed by the Army as AWOL. In September 2003, the Army opened an official investigation and on November 7, 2003, a tip led to the discovery of his body. Nearly four months later, four soldiers who were last with him -- Jacob Burgoyne, Alberto Martinez, Mario Navarette and Douglas Woodcoff - were arrested. Burgoyne, previously diagnosed with PTSD (post-traumatic stress disorder), identified Martinez as the sole killer. Woodcoff agreed to cooperate with authorities once murder charges against him were dropped. A jury found Martinez and Navarette guilty of murder with a sentence of life in prison. Burgoyne, who pled guilty to voluntary manslaughter, received a twenty year sentence. Woodcoff pled guilty to concealing a death and was sentenced to five years of probation. (C: Erin Moriarty - Sr. P: Anthony Batson - P: Paul Ryan, Daria Hirsch)(OAD: 05/20/06). Update for this rebroadcast: Navarette's motion for a new trial was denied this week. Martinez is appealing his conviction, claiming his lawyers should have presented a defense of PTSD.

12/30/06 **48 HOURS MYSTERY: "Rage On The Run"** - bodybuilder David Bieber of Ft. Myers, Florida starting using steroids in high school and as an adult began selling them to support his expensive career. He went into business with fellow bodybuilder Markus Mueller, a German who was able to smuggle the drugs into the U.S. from Europe. Bieber had an affair with Mueller's girlfriend, Danielle LaBelle, and subsequently married her. In February 1995, Bieber drove LaBelle to Mueller's home to retrieve her purse while he waited in the car. When LaBelle found Mueller dead in the doorway she suspected that Bieber had killed him. Two men admitted to police that Bieber had hired them to kill Mueller, but before he could be arrested, Bieber disappeared. He bought the birth certificate of a deceased child, Nathan Wayne Coleman, took on his identity and, in 1996, fled to Leeds, England where he was undiscovered for almost eight years. On December 26, 2003, Leeds police apprehended a stolen car; the driver was Bieber. In the process of being handcuffed, he opened fire on the three unarmed arresting officers and escaped. One officer died of his wounds and a nationwide manhunt was launched. Bieber was finally caught, was tried for the murder of the police officer, and sentenced to life in prison. Danielle LaBelle divorced Bieber in 2003. There are no plans to try him for the murder of Markus Mueller.
