WEWS Second Quarter 2006 Issues and Programs Report

ABC NEWS PROGRAMS – Primetime, 20/20 - Second Quarter, 2006

PRIMETIME

Thursday, April 6, 2006

BIID

“Primetime” explores a rare condition called Body Integrity Identity Disorder (BIID), whose sufferers obsess over losing one or more of their limbs because they say they don’t feel “whole” with these limbs and that their body image is that of an amputee. “Primetime’s” Jay Schadler talks with three BIID patients.

LETHAL HEART

Chris Cuomo reports on an abnormality of the heart, known as Long QT Syndrome, that can trigger a fast, irregular and lethal heartbeat. One doctor interviewed believes the syndrome may be to blame for more than half of the sudden, unexplained deaths in teenagers and young adults. Just this week a new test has emerged that may be able to detect the mysterious syndrome.

Friday, April 14, 2006

TOM CRUISE

In an exclusive broadcast interview with Diane Sawyer, Tom Cruise speaks candidly about his relationship with Katie Holmes, their baby and Katie’s conversion to Scientology and the role it plays in their lives. He also speaks about his father and what he learned from the relationship that he calls a “rollercoaster.”

LOST AT SEA

Chris Cuomo investigates how cruise ship crimes can be lost at sea – including rapes and sexual assaults conducted by passengers and even members of the crew. “Primetime” discovers how law suits related to cruise ship crimes are often settled under terms of confidentiality.

Friday, April 21, 2006

FAMILY MINEFIELDS

When parents re-marry, the newly formed family can be laced with minefields ready to explode. In a special “Primetime” report, Diane Sawyer explores the complexities of the stepparent-stepchild relationship and how to cope with the unique issues brought by today’s merged families.

Thursday, May 4, 2006

MARY CHENEY

Mary Cheney sits down with Diane Sawyer for her first television interview, talking candidly to Sawyer about being gay and the woman with whom she shares her life. She opens up about the challenges of balancing her private life and political position while standing by her father, Vice President Dick Cheney.

STRANGE PIECE OF PARADISE

Fifteen years later Terri Jentz -- haunted with fear -- decides to confront a brutal attack 30 years ago and hunt down her attacker and battle her demons. Jentz, who has now authored a memoir of her ordeal entitled “Strange Piece of Paradise,” recounts her journey with Jay Schadler in her first televised interview.

DAVID BLAINE

Magician David Blaine has been buried alive, frozen in a block of ice and spent 44 days trapped in a glass box. Now, as he takes his next plunge – will he be able to break the world record and hold his breath underwater for more than eight minutes? Chris Cuomo reports.

Thursday, May 11, 2006

CAUGHT IN THE ACT

Cameras are everywhere these days. Whether surveillance cameras are capturing a crime, private eyes are filming cheating husbands and wives, or citizens are getting their own journalist footage, more and more cameras are becoming tools in ways people had never imagined. “Primetime” looks at compelling stories where cameras caught people in the act in surprising ways.

WEWS Second Quarter 2006 Issues and Programs Report

Thursday, May 18, 2006

THE SECRET LIFE OF TEENS

What is life really like for today's teenagers? More specifically, what are they saying - and doing - about their sex lives? In collaboration with Seventeen Magazine, "Primetime" holds a sleepover in which 14 girls from around the country volunteer to spend a night together talking to Cynthia McFadden about intimate details of their lives - including their first sexual experiences.

MYSPACE.COM

Chris Cuomo examines the phenomenon of MySpace.com, and how kids chatting to strangers on the Internet can have serious consequences. The site is one of the hottest online sites where kids go to hang out these days. People make their own web page with the goal of connecting to others with similar interests. My Space can be a wholesome place to share pictures and stories, but is it also one-stop shopping for sex and drugs?

FIRST LOVE

A story of how a first love turns into psychotic love -- when a boyfriend goes over the edge. Jim Avila looks at how relationships among teens can become as life-threatening as any adult abusive relationship.

Thursday, May 25, 2006

BEHIND THE MASK

For the first time on American television, viewers will experience the extraordinary medical journey that took place last November in France as doctors miraculously performed the first partial face transplant on Isabelle. Hosted by Barbara Walters, the "Primetime" special will include the ABC News acquired French documentary that follows Isabelle's intimate experience.

Thursday, June 1, 2006

FOSTER CARE

Diane Sawyer and the resources of ABC News look at the crisis of the foster care system and at ways children can be saved. Sawyer casts a light on young fractured lives, as she takes a rare look at foster care across the country. With unprecedented access -- bringing cameras where they have never been before - she explores a system many consider broken, but one that is struggling to change.

Thursday, June 22, 2006

ACCIDENT OR MURDER?

John Quinones investigates the suspicious death of Florence Unger and whether it was an accident or murder. "Primetime" goes inside the twists and turns of the dramatic trial, with a verdict just announced.

Thursday, June 29, 2006 (2 hrs.)

THE STAIRCASE

Award-winning documentary takes an extraordinary look behind the scenes of a high-profile murder trial against novelist Michael Peterson, who was charged with bludgeoning his wife to death at the bottom of a staircase in their million-dollar home. Chris Cuomo hosts this exclusive two-hour special report with updates on the latest headlines in the controversial case.

WEWS Second Quarter 2006 Issues and Programs Report

20/20

Friday, April 7, 2006

GIFT OF LIFE

Elizabeth Vargas reports on twin babies born needing a heart transplants to live. She tells of this incredible story of life and death, how a family's double blessing came with some heart wrenching strings attached and a rare infant organ transplant.

THE HOLY LAND

ABC News' Martin Bashir reports on a new controversial book by historian Dr. James Tabor titled "The Jesus Dynasty" which challenges every cornerstone of Christianity.

Friday, April 14, 2006

FREAKY FRIDAY

Friday is Freaky Friday on 20/20, as the newsmagazine program looks at everyday experiences in freaky ways based on the bestselling book, "Freakonomics." The authors of the book, Steven Levitt and Steven Dubner, have teamed up with 20/20's John Stossel to challenge viewers with some strange riddles about the world we live in.

Friday, April 21, 2006

MISSION IMPOSSIBLE

A look at the new "Mission: Impossible III" movie.

Friday, May 5, 2006

REAL ESTATE: UPS AND DOWNS

Whether it is a dream or becomes a nightmare, owning a home is a person's biggest investment. "20/20" takes a look at real estate from the ups and downs to the downright eerie.

Friday, May 12, 2006 (2 hrs.)

GREY'S ANATOMY

The Anatomy of "Grey's Anatomy" - 20/20 goes behind the scenes on the set of one of the hottest shows on television to discover if the amazing - and often unbelievable - medical cases are based on fact or fiction. As Deborah Roberts reports, the show has a team of practicing doctors, medical researchers and a former surgical nurse, all of whom serve as writers or medical consultants to not only make sure the actors look and sound like doctors, but to find interesting storylines that are also plausible.

JOHN STOSSEL

Stossel sets the record straight in another of his myth-busting specials. The hour ties in with the publishing of Stossel's new book, "Myths, Lies and Downright Stupidity" (Hyperion Books). As he does in the television program, Stossel sets his sights squarely on deceit and hypocrisy. The book is already in its third printing, based on pre-publication advance orders.

Friday, May 19, 2006

HOW TO STRIKE IT RICH

Money, money, money... Is there such a thing as a "millionaire mind" and if so, can anyone change their ways to think like -- and then become -- a millionaire? "20/20" explores the many aspects of making money.

Friday, May 26, 2006

RAGS TO RICHES

How did Chris Gardner go from being homeless and living in a Bay Area Rapid Transit Station bathroom in Oakland, CA, to heading his own brokerage firm, owning three homes, including a posh Chicago townhouse, with a collection of designer suits and a Ferrari? ABC News Correspondent Bob Brown tells the ultimate rags-to-riches story.

WEWS Second Quarter 2006 Issues and Programs Report

DOUBLE LIFE

James Perry lived a double life - he was a husband and father living in a family neighborhood in Madison, Wisconsin who, for more than five years, committed dozens of sexual attacks against children and young women. Perry's wife speaks with ABC's Jim Avila about living with a serial rapist.

Friday, June 2, 2006

CANCUN'S DARK SIDE

Thousands of students visit the resort city of Cancun, Mexico during their breaks to enjoy the sun. In fact, many tour companies offer packages that include unlimited alcohol. But how safe is this popular destination? ABC News Chief Investigative Correspondent Brian Ross reports about the dark side of the popular resort.

LORRAINE BRACCO

At 51, "Soprano's" Lorraine Bracco keeps nothing back when she talks to ABC News Correspondent Deborah Roberts about her revealing new book, *On the Couch*. She tells Roberts that the custody battle broke her "in more ways than one."

Friday, June 9, 2006

VANISHED

"20/20" reopens the files on a haunting international mystery that unfolds in Ireland. It is a cold case that recently became hot again as investigators now close in on the answers to the disappearance of a number of young women around Dublin over a decade - including 26-year-old American Annie McCarrick. 20/20 co-anchor Elizabeth Vargas reports on this young woman's disappearance.

Friday, June 16, 2006

GET SMART

Consumers beware: From credit card scams to police pullovers, from restaurant kitchens to misleading advertising, 20/20 reports on things all consumers need to know.

Friday, June 23, 2006

MYTHS, LIES & STRAIGHT TALK

20/20's popular myth series gets personal as the show focuses on the human - body, inside and out. Two renowned physicians and authors of the book *You: The Owner's Manual* set the record straight about our bodies from the brain and memory to skin and sun, from heartburn and cancer to superfit and superhealthy.

Friday, June 30, 2006

STATE OF THE UNION

America's political divide is often described as red states vs. blue states. But the reporting in this hour demonstrates that the phenomenon is more neighborhood by neighborhood or town by town - red streets vs. blue streets. George Stephanopoulos issues a warning about the threat posed by the political polarization of America.
