WEWS First Quarter 2008 Issues and Programs Report

ABC NEWS PROGRAMS – Primetime, 20/20 - First Quarter, 2008

20/20

Friday, January 11, 2008

HAPPINESS

The pursuit of happiness is a fundamental human endeavor — it seems as if human beings are hardwired to contemplate, chase and cherish this complex and often elusive emotion. Americans place tremendous value on this pursuit; after all, it's a primary feature of the U.S. Constitution. '20/20' explores the myths and misconceptions about this essential emotion.

Friday, January 18, 2008

EATING DISORDERS

Experts have warned of a raging epidemic of eating disorders among older women, many of them mothers. Treatment centers across the country report that adult women are seeking help in record numbers. Learn more about the struggles people with eating disorders face.

Friday, January 25, 2008

ANGER IN AMERICA

Is venting anger healthy? Are men angrier than women? How can you curb family anger? "20/20" investigates why we're all so angry and what we can do about it.

CHEATING DEATH

From a man whose heart stopped for hours after plunging into an icy lake to a woman who says she remembers the details of her surgery during a surgeons' induced clinical death, "20/20" previews a National Geographic Channel documentary entitled "I Came Back from the Dead."

Friday, February 1, 2008

KNOX FAMILY

In an exclusive interview with 20/20's Elizabeth Vargas, the family of Amanda Knox, the American student suspected of murdering her roommate in Italy, claim the media has it all wrong. They end their silence and provide insight to the person she really is.

Friday, February 8, 2008

BITTER BATTLE

A young Chinese girl, in the middle of a custody battle between her American parents and biological parents, in a dramatic ruling, is ordered to leave the only home she knows and go live with her biological parents whose Visa's have expired and must return back to their homeland of China. "20/20" has exclusive interviews with both families.

Friday, February 15, 2008

REAL HUMAN BODIES

ABC News Correspondent Brian Ross investigates plasticized bodies. Millions of people have paid to see these carefully preserved bodies, in ways that were not possible before. But with the popularity have come troubling questions about the bodies. Are the exhibits educational and scientific, or are these cadavers just being used for entertainment?

MIRACLE GIRL

12-year-old girl who miraculously survived a plane crash in Panama just a few weeks ago, speaks with Elizabeth Vargas about the 52 harrowing hours she spent hanging upside down in the plane's wreckage.
