***During the final half hour of our children's program block (4/15/06) our technician rolled tape for the 11:00 a.m. show (a paid program) early.

Here's what happened:

It started with a technical problem. The automated server skipped over a PSA during the final break in the children's program, ***That's So Raven***, causing the next segment of the program to begin early. ***That's So Raven*** ended early and the Master Control Operator then started the paid program scheduled to begin at 11:00 a.m. at 10:59:45. The disclaimer for the paid program aired about 8 seconds followed by the beginning of the program which aired approximately 6 seconds prior to 11:00 a.m.
