Remote Area Medical Volunteer Corp

The Remote Area Medical Volunteer Corps is a non-profit, volunteer, airborne relief corps dedicated to serving mankind by providing free health care, dental care, eye care, veterinary services, and technical and educational assistance to people in remote areas of the United States and the world.

Founded in 1985, Remote Area Medical® (RAM) is a publicly supported all-volunteer charitable organization. Volunteer doctors, nurses, pilots, veterinarians, and support workers participate in expeditions (at their own expense) in some of the world's most exciting places. Medical supplies, medicines, facilities, and vehicles are donated.

We produced PSA's to promote contributions and ticket sales and cover the event for broadcast on WVH-TV.

One event we have sponsored since 1998 is The Clamshell Foundation annual Sandcastle Contest. The proceeds of which are distributed to the local community.

ABOUT THE CLAMSHELL FOUNDATION:

The name "Clamshell Foundation" was chosen to honor those on the East End of Long Island who made, and still make a livelihood from the waters of Long Island Sound and the Atlantic Ocean. Clamshells can be found everywhere.

In September of 1997 we were approved as a New York State 501c3 Not-For-Profit Corporation under the name of The Clamshell Foundation. The purpose of the corporation, as stated in our charter, is to enrich the lives of others by fostering education in health, cultural, and environmental fields of endeavor.

They have since taken on the support assistance for other worthy community based projects such as:

- The Odie Fund,
- Olman Sanabria Humanitarian Award
- College Scholarships
- Church Food Banks

100% of all profits from all projects are donated to the people, programs and projects here in the Town of East Hampton.

We are community based and supported and to date, we have now made over \$110,000.00:
