## COMMUNITY NEEDS AND ISSUES

WKRN-TV bases its community issues list below on a needs assessment done by the United Way of Nashville in 2008. The report was prepared by the United Way of Nashville from the periods 2008 – 2011. WKRN-TV determined that the following issues are the concerns of the community:

- **Child Care**  
Quality child care, health, safety and early intervention by companies, non-profits organizations, government agencies, etc..
- **Child and Youth Development**  
Comprehensive child and youth education, including basic schools attendance, after school programs, mentoring programs, promote healthy behaviors and life skills.
- **Neighborhoods Safety**  
Empowering neighborhoods and residents to strengthening participation in community to improve quality of life in most at-risk communities.
- **Emergency Assistance**  
Provide support services for adults with basic needs such as food, shelter, and emergency assistance.
- **Training & Assistance**  
Assisting adults with educational and financial needs by supplying tools and financial advice for those with special economic needs.
- **Senior Assistance**  
Education, training and employment services, mental and physical health, terminal illness and grief support, home care, respite services, adult day services, and coordinated transportation
- **Wellness/Health**  
Provide affordable and accessible physical and mental health management and training. Education on health preventative and making healthier decisions.

## ADDITIONAL PROJECTS

WKRN produced and aired several local specials during the 1st quarter 2010. These local specials highlighted several health issues related to viewers in Middle Tennessee.

### **Sundays, January through March, 2010 9:00 – 9:30am**

WKRN produces and aired every Sunday "This Week with Bob Mueller." This half hour program highlights Tennessee's current political scene and major local and national news event and community concerns, with round table discussions and special guests each week. WKRN's Bob Mueller hosts this program.

### **Wednesday, March 24, 2010 7-7:30pm (repeat – Saturday, March 27, 2010 6:30-7pm)**

#### **Medical Advances: Preserving Eyesight**

Medical Advances: Preserving Eyesight is a half hour health education special that focuses on a variety of eye diseases including macular degeneration, the leading cause of blindness in people over 60. Local specialists will explain the latest diagnostic tools and techniques being used to treat this disease and retain vision. Plus exciting new breakthroughs.
